Item 2 - ACQUISITIONS OR SALES OF UTILITY ASSETS

On November 30, 2004, AGL Resources Inc. acquired all the outstanding shares of NUI Corporation (NUI) for approximately \$218 million, incurred \$7 million of transaction costs and repaid \$500 million of NUI's outstanding short-term debt. At closing, NUI had \$709 million in debt and approximately \$109 million of cash on its balance sheet (including the return of an interest escrow balance), bringing the net value of the acquisition to approximately \$825 million. In connection with the acquisition, we incurred \$23 million in employee-related restructuring charges, which include \$16 million in severance costs, \$4 million in change in control payments to certain NUI executives and the NUI Board of Directors, and \$3 million of employee retention and relocation costs.

NUI provided natural gas to approximately 367,000 residential, commercial and industrial customers in New Jersey, Virginia, Florida and Maryland. The acquisition significantly expands our existing natural gas utilities, storage and pipeline businesses.

We funded the purchase price with a portion of the proceeds from our November 2004 common stock offering and proceeds from short-term debt borrowings under our commercial paper program. Additionally, NUI Utilities, Inc., a wholly-owned subsidiary of NUI, had outstanding, at closing, \$199 million of indebtedness pursuant to Gas Facility Revenue Bonds and \$10 million in capital leases.

Commission order dated November 24, 2004, Holding Company Act Release No. 27917 (SEC File No. 70-10243) authorized AGL Resources' acquisition of NUI and its subsidiaries.

Short-term Debt

The short-term debt issued by the AGL Resources' group companies during 2004 consisted of borrowings under AGL Resources' commercial paper program, borrowings by AGL Resources from banks under a credit facility, and line of credit borrowings by Sequent and SouthStar as described more fully below

Commercial paper In September 2004, AGL Capital Corporation amended its credit facility that supports its commercial paper program (Credit Facility). Under the terms of the amendment, the Credit Facility has been extended

from May 26, 2007 to September 30, 2009. The aggregate principal amount available under the Credit Facility has been increased from \$500 million to \$750 million and the cost of borrowing has been decreased relative to the prior credit agreements. In addition, AGL Capital Corporation's option to increase the aggregate cumulative principal amount available for borrowing on not more than one occasion during each calendar year during the term of the Credit Facility has been increased from \$200 million to \$250 million.

Sequent line of credit In June 2004, Sequent's \$25 million unsecured line of credit was extended to July 2005. This unsecured line of credit is used solely for the posting of exchange deposits and is unconditionally guaranteed by AGL Resources Inc. This line of credit bears interest at the federal funds effective rate plus 0.5%.

SouthStar line of credit In April 2004, SouthStar amended its \$75 million revolving line of credit, which is used to meet seasonal working capital needs, to expire in April 2007. This line of credit is not guaranteed by AGL Resources Inc. At December 31, 2004, there were no amounts outstanding under this facility.

Long-term Debt

Senior Notes In September 2004, AGL Resources, through AGL Capital, issued \$250 million in Senior Notes with a maturity date of October 1, 2034. The Senior Notes have an interest rate of 6.0% payable on April 1 and October 1 of each year, beginning April 1, 2005 with interest accruing from September 27, 2004.

In December 2004, AGL Resources, through AGL Capital, issued \$200 million in Senior Notes with a maturity of January 15, 2015. The Senior Notes have an interest rate of 4.95% payable on January 15 and July 15 of each year, beginning July 15, 2005 with interest accruing from December 20, 2004. AGL Resources used the net proceeds from the Senior Notes to repay commercial paper and for general corporate purposes.

The securities issued by AGL Resources were authorized under Commission orders dated October 5, 2000 (HCAR No. 27243) and April 1, 2004 (HCAR No. 27828). The securities issued by Sequent and SouthStar were used to finance the existing businesses of such nonutility subsidiaries and were authorized under Rule 52.

Interest rate swaps To maintain an effective capital structure, it is our policy to borrow funds using a mix of fixed-rate debt and variable-rate debt. We have entered into interest rate swap agreements through our wholly owned subsidiary, AGL Capital Corporation (AGL Capital), for the purpose of hedging the interest rate risk associated with our fixed-rate and variable-rate debt obligations.

In the third quarter of 2004, in anticipation of our \$250 million Senior Note offering, we executed two treasury lock derivative instruments totaling \$200 million to hedge our exposure to the potential increase in interest rates. These derivative instruments locked in a 10-year U.S. treasury rate of 4.45%. The rate on the 10-year treasury notes declined subsequent to the execution of these instruments and the pricing of our senior notes was set on a U.S. treasury rate of 4.81%. As a result, we terminated these derivative instruments and made an \$8 million settlement payment to our counterparties, which we will amortize over the next 10 years through interest expense. The termination added approximately 30 basis points to the interest rate of our 6% Senior Notes.

Item 4 - ACQUISITION, REDEMPTION OR RETIREMENT OF SYSTEM SECURITIES

In 2004, our \$480 million of net short-term debt payments included the repayment of \$500 million outstanding under NUI's credit facilities. Upon the repayment of the outstanding amounts, we terminated NUI's credit facilities. During 2004, we also made \$82 million in Medium-Term note payments using proceeds from the borrowings under our commercial paper program. Additionally, NUI Utilities, Inc., a wholly owned subsidiary of NUI had outstanding at closing \$199 million of indebtedness pursuant to Gas Facility Revenue Bonds and \$10 million in capital leases, of which \$2 million is reflected as current.

Banking and Financial Affiliations of Officers and Directors

Name of Officer or Director (1)	Name and Location of Financial Institution (2)	Position Held in Financial Institution (3)	Applicable Exemption Rule (4)
Thomas D. Bell, Jr.	Credit Suisse Group	Director	See explanation immediately following table.
Thomas D. Bell, Jr.	Credit Suisse First Boston (USA), Inc.	Director	See explanation immediately following table.
Wyck A. Knox, Jr.	NBank Corp.	Director	Rule 70(a)
Wyck A. Knox, Jr.	NBank N.A.	Director	Rule 70(a)
Dennis M. Love	SunTrust Bank	Georgia Advisory Board Director	Rule 70(b)

On July 29, 2003, Mr. Thomas D. Bell, Jr., was appointed to AGL Resources' board of directors (the "Board"). In July, 2003, Credit Suisse First Boston (USA), Inc. ("CSFB"), a wholly-owned subsidiary of Credit Suisse Group ("Credit Suisse"), served as co-managing underwriter for a public offering of debt securities issued by AGL Capital Corporation, a subsidiary of AGL Resources. Mr. Bell is a director of both CSFB and Credit Suisse.

The Staff of the SEC has from time to time granted dispensation under Rule 70 of the Act for certain technical violations of Rule 70, and the Company had expected to obtain such a dispensation in the case of Mr. Bell on the grounds that the public offering in which CSFB served as co-managing underwriter was completed prior to Mr. Bell becoming a director, Mr. Bell had no involvement in the offering, his appointment as a director of the Company was unrelated to his affiliation with Credit Suisse and CSFB, and under Rule 70(b)(4) of the Act it would be permissible for Mr. Bell to be a director commencing in July of 2004. However, the Staff of the SEC recently informed the Company that it would not grant any dispensation for Mr. Bell to continue his service on the Board between April 2004 and July of 2004.

At the 2004 annual meeting of shareholders held on April 28, 2004, Ms. Rosput announced that as a result of the SEC's decision, Mr. Bell has resigned from the Board and that, if elected at the annual meeting of shareholders, he would be required to decline to serve as a director because of the Rule 70 issue. In light of the fact that Mr. Bell received more than enough votes to be re-elected to the Company's Board and that, under Rule 70, Mr. Bell became eligible to join the Company's Board in July 2004, the Company's board of directors chose to leave the seat previously held on the Board by Mr. Bell vacant. Mr. Bell was invited to re-join the Board in July, 2004 when he first became eligible pursuant to Rule 70(b)(4). Mr. Bell was re-elected at the 2005 annual meeting of shareholders on April 27, 2005.

Part III.

Information regarding directors and certain executive officers' compensation, ownership of AGL Resources' common stock, and participation in bonus and profit-sharing arrangements and other benefits is set forth in the Proxy Statement of AGL Resources distributed in connection with the 2005 Annual Meeting of Shareholders and AGL Resources' Annual Report on Form 10-K for the year ended December 31, 2004, each of which is incorporated herein by reference.

Item 7 - CONTRIBUTIONS AND PUBLIC RELATIONS

(a) Payments to any political party, candidate for public office or holder of such office, or any committee or agent therefore.

AGL Resources has established a political action committee and has incurred certain costs in the administration of this committee in accordance with the provisions of the Federal Election Campaign Act, and the regulations thereunder, and the Public Utility Holding Company Act. Other than permitted contributions made by the political action committee, AGL Resources and its subsidiaries made no payments or contributions to any political party, candidate for public office or holder of such office or any committee or agent therefore during 2004, other than those made through the political action committee.

(b) Payments to any citizens group or public relations counsel.

There were no payments to citizens groups or public-relations counsels during 2004.
