PG&E Corporation Dividend Reinvestment and Stock Purchase Plan

This prospectus describes the PG&E Corporation Dividend Reinvestment and Stock Purchase Plan (“Plan”) that will become effective on October 1, 2007. The Plan will replace the Investor Services Program as of October 1, 2007. PG&E Corporation has appointed Mellon Bank, N.A. (the “Administrator”) to administer the Plan. Certain administrative support will be provided to the Administrator by Mellon Investor Services, a registered transfer agent. Orders received by the Administrator to purchase or sell shares under the Plan may be executed by Mellon Securities LLC, an affiliate of the Administrator.

The shares of PG&E Corporation common stock purchased by participants under the Plan may be newly issued shares or may be shares purchased by the Administrator on the open market, as directed by us. PG&E Corporation was not able to issue new shares directly to the Administrator for purchase by participants under the Investor Services Program.

The Plan is designed for long-term investors who wish to invest and build their share ownership over time. The Plan provides you the opportunity to reinvest all or a portion of the cash dividends paid on PG&E Corporation common stock and Pacific Gas and Electric Company preferred stock into additional shares of PG&E Corporation common stock. The Plan includes a stock purchase feature permitting participants to make optional cash purchases of additional shares of common stock. An initial investment in our common stock can also be made through the Plan. You can also sell shares through the Plan. Unlike an individual stock brokerage account, the timing of purchases and sales is subject to the provisions of the Plan, as discussed below.

You can participate in the Plan if you are a registered holder of PG&E Corporation common stock or Pacific Gas and Electric Company preferred stock. In addition, if you are a participant in the Investor Services Program as of September 30, 2007, you will automatically become a participant in the Plan on October 1, 2007. If you do not own PG&E Corporation common stock or Pacific Gas and Electric Company preferred stock, you can become a participant by making your initial purchase of PG&E Corporation common stock directly through the Plan. There are no fees to enroll in the Plan or to reinvest all or a portion of your dividends. Fees are charged for initial investments, optional cash purchases, and sales of stock.

If you were not a participant in the Investor Services Program as of September 30, 2007 and you would like to participate in the Plan, you can enroll online via Investor ServiceDirect® or you can complete an enrollment form and mail it to the Administrator. Please see question number 23 for information on how to access Investor ServiceDirect® and how to obtain an enrollment form from the Administrator.

Participation in the Plan is strictly voluntary. Participants may terminate their enrollment in the Plan and withdraw their common shares from their accounts at any time, subject to the terms outlined in this prospectus.

1. How can I participate in the Plan?

If you already own PG&E Corporation common stock or Pacific Gas and Electric Company preferred stock and the shares are registered in your name, you may participate immediately. You may participate by choosing to reinvest all or part of your quarterly dividend, or by making an additional investment.

Shareholders of record who elect to reinvest all or part of their dividend, will have access to their account on-line over the Internet and will receive quarterly account statements.

If your shares are held for you in a brokerage account, you may participate by instructing your broker to transfer your shares of PG&E Corporation common stock or Pacific Gas and Electric Company preferred stock into your own name and enrolling in the Plan.

If you do not currently own any PG&E Corporation common stock, you can participate by making an initial investment through the Plan. Please see question number 6 for details regarding an initial investment.

2. How do I get started?

Enrollment is available on-line through Investor ServiceDirect® (see question number 23 for information on how to access Investor ServiceDirect®). Alternatively, you may enroll by completing an enrollment form and mailing it to the Administrator. Your participation will begin promptly after your authorization is received. Once you have enrolled, your participation continues automatically, for as long as you wish.

3. How do I reinvest dividends?

You may choose to reinvest all or a portion of the dividends paid on shares you own of PG&E Corporation common stock or Pacific Gas and Electric Company preferred stock. Your cash dividends will be used to purchase additional shares of PG&E Corporation stock without paying any fees. PG&E Corporation pays dividends on both whole and fractional shares in the Plan and will credit your account with the whole and fractional shares that are purchased with your dividends.

For a particular dividend to be reinvested, your authorization must be received by the Administrator on or before the record date for that dividend. The record date normally will be about two to four weeks prior to the payment date. (For example, if the record date for a dividend to be paid on July 15 is July 2, your enrollment form must be received on or before July 2 in order for the July 15 dividend payment to be reinvested.)

4. How do I change my election?

You may change your election at any time on-line through Investor ServiceDirect® or by notifying the Administrator. To be effective with respect to a particular dividend, any such change must be received by the Administrator on or before the record date for that dividend. You may, of course, choose not to reinvest any of your dividends, in which case the Administrator will remit any dividends to you by check or automatic deposit to a bank account you designate.

5. When are dividends reinvested?

The Administrator will invest dividends in additional shares of PG&E Corporation common stock purchased on the open market as promptly as practicable, on or after the payable date, normally within one week. In the unlikely event that, due to unusual market conditions, the Administrator is unable to invest the funds within 30 days, the Administrator will remit the funds to you by check. No interest will be paid on funds held by the Administrator

pending investment.

The Administrator will invest dividends in additional shares of common stock purchased directly from PG&E Corporation on the payment date or the first business day after the payment date.

6. How do I make an initial investment?

You can make an initial cash investment in the Plan for as little as \$250 but not more than \$100,000 in a year. Your initial investment can be made:

Via on-line enrollment by:

- Authorizing one deduction (minimum of \$250) from your bank account;
- Authorizing a minimum of five monthly \$50.00 automatic deductions from your bank account; or
- Opening your account on-line and sending your initial investment of \$250 or more.

Using an Enrollment Form and:

- Making one payment (minimum of \$250) by check payable to PG&E Corporation/Mellon Bank or by authorizing a deduction from your bank account; or
- By authorizing a minimum of five monthly \$50.00 automatic deductions from your bank account.

7. How do I make additional investments?

If you already own PG&E Corporation common stock and are enrolled in the Plan and want to make additional purchases, you can authorize individual automatic deductions from your bank account through Investor ServiceDirect® or send a check to the Administrator for each purchase. If you choose to submit a check, please make sure to include the contribution form from your Plan statement and mail it to the address specified on the statement. Or, if you wish to make regular monthly purchases, you may authorize automatic monthly deductions from your bank account. This feature enables you to make ongoing investments in an amount that is comfortable for you, without having to write a check. Additional cash purchases are subject to a minimum purchase requirement of \$50 per investment and a maximum of \$100,000 annually.

8. What is the source of shares purchased by the Administrator under the Plan?

The Administrator will purchase the shares needed to meet participants' investments under the Plan either directly from PG&E Corporation or on the open market, as directed by us.

9. When will shares be purchased?

Upon receipt of the funds, the Administrator will invest initial and additional cash investments, less applicable fees, in whole and fractional shares as promptly as practicable, at least once every five business days. Neither PG&E Corporation nor participants in the Plan will control the timing or pricing of shares purchased. Participants will bear any risk associated with fluctuations in the market price of PG&E Corporation stock while investment funds are held pending investment. In the unlikely event that, due to unusual market conditions, the Administrator is unable to invest the funds within 35 days, the Administrator will return the funds to you by check. No interest will be paid on funds held by the Administrator pending investment.

10. How will the price of shares purchased under the Plan be determined?

The price of PG&E Corporation shares purchased or sold under the Plan will be calculated differently depending upon whether the transactions are executed directly with PG&E Corporation or on the open market.

- The price of shares purchased from PG&E Corporation will be the average of the high and the low sale prices of PG&E Corporation common stock as reported in the New York Stock Exchange Composite Transactions obtained from Bloomberg, L.P. on the date of the purchase, or if the New York Stock Exchange is closed on that date, on the next day that the New York Stock Exchange is open.
- The price of shares purchased or sold on the open market will be the weighted average price per share of all shares of common stock purchased or sold by the Administrator on the date of the purchase or sale.

11. Will I receive certificates for shares purchased?

No, because the Plan provides for share safekeeping. For your convenience, shares purchased under the Plan will be maintained by the Administrator in your name in non-certificated (book-entry) form. You may, however, request a stock certificate from the Administrator at any time.

12. What is safekeeping?

Shares of PG&E Corporation common stock that you buy under the Plan will be maintained in your Plan account in non-certificated form for safekeeping. Safekeeping protects your shares against loss, theft or accidental destruction and also provides a convenient way for you to keep track of your shares. Only shares held in safekeeping may be sold through the Plan.

If you own PG&E Corporation common stock in certificate form, you may deposit your certificates for those shares with the Administrator, free of charge. The Administrator will provide mail loss insurance coverage for certificates with a value not exceeding \$100,000 in any one shipping package that is mailed to its address at 480 Washington Boulevard, Jersey City, NJ 07310 by USPS registered mail or by traceable delivery service.

Note: Mail loss insurance covers only the replacement of shares of stock and in no way protects any loss resulting from fluctuations in the value of such shares.

13. Can I get certificates if I want them?

Yes. You may request stock certificates for the whole shares in your book-entry account at any time. Simply contact the Administrator with your request and they will mail you a stock certificate for the requested number of whole shares. Certificates will be issued in the name(s) in which the account is registered, unless you instruct the Administrator otherwise. If the certificate is to be issued in a name other than your Plan account registration, your signature must be guaranteed by a bank or broker participating in the Medallion Guarantee Plan. Detailed transfer instructions can be obtained by calling the Administrator at 1-800-719-9056.

14. What happens if there is a stock split, stock dividend or other distribution with respect to PG&E Corporation common stock?

Your account will be adjusted in book-entry form to reflect the distribution of any PG&E Corporation common stock paid as a stock dividend, stock split or similar transaction.

15. How can I transfer or give gifts of shares?

You may transfer or give gifts of PG&E Corporation common stock to anyone you choose by contacting the Administrator and requesting a Gift/Transfer Form. After the transfer or gift purchase is completed, upon your request, the Administrator will send you a non-negotiable gift announcement, which you can present to the recipient. A notice indicating the transfer of PG&E Corporation common stock will also be forwarded to the recipient.

16. How do I sell shares?

You can sell your Plan shares at any time by contacting the Administrator. Your sale request will be processed and your shares will, subject to market conditions and other factors, generally be sold within 24 hours of receipt of your request. Please note that the Administrator cannot and does not guarantee the actual sale date or price, nor can it stop or cancel any outstanding sales or issuance requests. All requests are final. The Administrator will mail a check to you (less applicable sales fees) on the settlement date, which is three business days after your shares have been sold.

Alternatively, you may choose to sell your shares through a stockbroker of your choice, in which case you would have to request a certificate for the whole shares in your book-entry account from the Administrator for delivery to your stockbroker or arrange to have your shares transferred electronically to your broker using the Direct Registration

System. See question number 13 for instructions on how to obtain a certificate.

17. What are the costs?

You may also request the sale of all or part of any such shares or have the Administrator transfer your shares to your brokerage account. See question number 16 for information on selling shares.

ITEM 17. Undertakings

(a) The undersigned registrant undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment of this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information relating to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on

Form S-3 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of this registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after

effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of this registration statement relating to the securities in this registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

II-2

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Exchange Act; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Francisco, State of California, on July 11, 2007.
