These awards made on February 22, 2008, contain objective performance goals. For purposes of vesting, the shares are based on the Company's attainment of either: (i) a specified adjusted earnings per diluted share target, or (ii) a specified Company stock price target, both of which are defined in the restricted stock agreement and which performance goals were previously approved by shareholders. The measurement period for purposes of determining whether or not such shares will ultimately vest will be over a three-year period based principally on the Company's performance for its 2008, 2009, and 2010 fiscal years, and is expected to be determined in the first quarter following each of the respective fiscal years.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
