Item 3.02 Unregistered Sales of Equity Securities.

Albrecht Grant

On October 16, 2017, Celadon Group, Inc., a Delaware corporation (the “Company”) appointed Thom Albrecht as its Executive Vice President, Chief Financial Officer, and Chief Strategy Officer, effective immediately. In connection with the appointment, the Company granted Mr. Albrecht certain shares of restricted stock and stock options.

The terms of the grants are described in Item 5.02 of this Form 8-K under the heading “Thom Albrecht Appointment and Employment Agreement” and the information set forth therein is incorporated into this Item 3.02 by reference. No commissions, underwriting discounts, or similar payments were made in connection with the grants. The grants were made in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended. In determining to rely on this exemption, the Company considered that Mr. Albrecht is an accredited or sophisticated investor who is familiar with our operations, the Company did not engage in any general solicitation or advertising in connection with the grants, and Mr. Albrecht acquired the shares subject to the grants without a view to resell or distribute them to others immediately, as demonstrated by the holding period and vesting criteria applicable to the grants.

Director Grants

Since the Company’s last Item 3.02 disclosure in the Form 8-K filed on July 13, 2017 (the “July 8-K”), the Company made two grants of common stock to Mr. Michael Miller, Chairman of the Company’s Board of Directors (the “Board”), the first for 25,000 shares and the second for 33,000 shares, as well as a grant of 2,266 shares of common stock to Ms. Kathleen Ross, a member of the Board. The grants are subject to certain forfeiture and holding period provisions. No commissions, underwriting discounts, or similar payments were made in connection with the grants. The grants were made in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended. In determining to rely on this exemption, the Company considered that Mr. Miller and Ms. Ross are accredited or sophisticated investors who are familiar with our operations, the Company did not engage in any general solicitation or advertising in connection with the grants, and Mr. Miller and Ms. Ross acquired the shares subject to the grants without a view to resell or distribute them to others immediately, as evidenced by the holding period. Because the equity granted to Mr. Miller and Ms. Ross since the July 8-K constituted in the aggregate less than 1% of the Company’s outstanding shares, the grants were not previously reported on Form 8-K.
