(MHN) and its subsidiaries and affiliates. Any exercise of this Right of First Refusal shall be conditioned upon Purchaser not then being in default under the terms of the Promissory Note set forth in paragraph 4d of Purchase Price set forth below; and Purchaser not then being in violation in any material respect of any Municipal, State, or Federal licensing, or any contractual arrangement with pharmaceutical vendors.

Purchase Price:

In consideration for the sale of the aforementioned assets, Purchaser will pay to MetCare the following:

The cash portion of the purchase price will be paid as follows:

In the event that the aggregate amount required to satisfy the IRS lien and the McKesson inventory obligation is more than \$1.3 million, this portion of the payment shall be in such greater amount and the difference between this greater amount and \$1.3 million shall be deducted from the cash payment set forth in paragraph c below.

c.

\$2.2 million at closing, subject to adjustment in the event that paragraph b above exceeds \$1.3 million which will result in a reduction in this portion of the payment by such excess.

d.

This Note may be collateralized by Newco stock (as the parties may agree), provided that any security interest shall be subject to the prior consent and rights of any financing sources of Purchaser.

e.

The payment of the \$1.5 million set forth in paragraph d above is subject to adjustment (on a dollar for dollar basis) to the extent that the realized asset value of MetCare is less than \$3.7 million as of closing (comprised of the accounts receivable, inventory and fixed assets described on the attached Balance Sheet of MetCare as of March 31, 2003). In addition, the payment of the \$1.5 million set forth in paragraph d above is also subject to adjustment (on a dollar for dollar basis) to the extent that the liabilities of MetCare as of the closing exceed those Purchaser agreed to assume as set forth below in Assumption of Certain Liabilities.

No-Shop Period:

MHN and MetCare (hereinafter collectively referred to as Sellers) agree that, as of the date of the execution of this Term Sheet, they (and their respective directors, officers, employees, agents, advisors and representatives) shall not hold discussions with other parties or solicit or accept any offers regarding an acquisition of MetCare or its assets, for a period of 15 days from the date hereof. Sellers agree to grant a 15-day extension of this No-Shop Provision if on the 15th day Sellers and Purchaser are negotiating in good faith the definitive agreement and other documentation necessary to complete the Acquisition.

Assumption of Certain Liabilities:

Purchaser will, in conjunction with the Acquisition, assume certain liabilities of MetCare which were incurred in the ordinary course of business, i.e., current accounts payable, current employee payroll, benefits and contracts, as agreed to by the parties; but excluding any non-current IRS obligations of approximately \$600,000, non-current obligation to McKesson of approximately \$700,000 or that amount owed to McKesson prior to closing, whichever is greater, corporate parent loans, corporate management fees and undisclosed actual or threatened claims and/or judgments.

Subject to the parties hereto obtaining approval from their respective counsel and accountants, it is the intention of the parties to close the Acquisition effective as of April 1, 2003.

Conditions of Closing:

The Closing of the Acquisition shall be subject to the following:

1.
satisfactory completion of Purchaser's and Sellers' legal, business and accounting due diligence;

2.
upon execution of this Term Sheet, no cash from the pharmacy operations will be upstreamed to MHN or any of its affiliates; however, in the event that MHN is required to advance monies for pharmacy operations after the date of this Term Sheet, that amount will be reimbursed to MHN from the cash flow of the pharmacy operations;

3.
Sellers will enter into a Non-Compete Agreement, providing that neither Sellers nor their affiliates or agents will, directly or indirectly, compete with Purchaser in its pharmacy operations anywhere in the United States for a period of

3 years;

4.

Purchaser's ability to either transfer the pharmacy licenses, or, in the alternative, utilize Seller's pharmacy licenses until such time as Purchaser obtains new pharmacy licenses;

5.

6.

the receipt by MHN of a fairness opinion from its financial advisor.

Management Services:

Adjustment of Terms of Transaction:

The parties hereto agree that the structure and terms of the proposed Acquisition, as outlined in this Term Sheet, have been based upon both verbal and written representations of Sellers and Purchaser and are subject to adjustment upon discovery of any material discrepancies.

Brokers:

Sellers and Purchaser warrant and represent to one another that they have not dealt with any brokers with respect to the subject matter hereof.

Costs:

Subject to the provisions of Termination set forth below, each party shall pay for its own costs and expenses in undertaking the due diligence and closing of the Acquisition.

Compliance with Laws:

The parties agree that the proposed Acquisition shall comply with all state, federal and securities rules and regulations and laws. The laws of the State of New York shall govern the this Term Sheet and the Acquisition.

Termination:

This Term Sheet will automatically terminate and be of no further force and effect upon the earlier to occur of the following events:

1.
execution of definitive purchase agreements and closing documents between Sellers and Purchaser;

2.
failure to execute definitive agreements within 30 days of the date hereof, or any extension granted by Sellers, which will result in the immediate repayment of any and all loans and/or advances from Purchaser to Sellers and the cancellation of the Promissory Note executed by Sellers; or

3.
mutual agreement of Sellers and Purchaser to terminate the Agreement; which will result in the immediate repayment of any and all loans and/or advances from Purchaser to Sellers and the cancellation of the Promissory Note executed by Sellers.

If Sellers terminate this Agreement, through no fault of Purchaser, Sellers shall reimburse Purchaser for all expenses reasonably incurred by Purchaser in furtherance of the proposed Acquisition, up to \$250,000. Failure to execute definitive documents within the time periods specified herein, assuming Sellers have negotiated in good faith, shall not be a basis for reimbursement of any such expenses unless the material terms of such definitive documents are consistent with those contained in this Term Sheet.

Non-Disclosure:

The parties agree not to issue any announcement, press release, public statement or other information (either written or oral) to the press or any third person with respect to this Term Sheet or the transactions contemplated hereby, without obtaining the prior written approval of the other parties (which approval shall not be unreasonably withheld); provided, however, that nothing contained herein shall prevent any party, at any time, from furnishing any required information to any governmental entity or from issuing any announcement, press release, public statement or other

information to the press or any third person with respect to this Term Sheet or the transactions contemplated hereby, if required by law, rule or regulation, including applicable stock exchange regulation (provided that the other parties shall be furnished with an advance copy of any such announcement, press release, public statement or other information).
