Unaudited Pro Forma Financial Information

The unaudited pro forma condensed consolidated financial information is filed as part of this Current Report on Form 8-K to reflect the disposition (the "Disposition") by Euroweb International Corporation (the "Company") of its Slovakian subsidiary Euroweb Slovakia a.s. ("Euroweb Slovakia"). On April 15, 2005, the Company completed the sale of 100% of the outstanding stock of its subsidiary in Slovakia for \$2,700,000 in cash to DanubiaTel a.s. (the "Buyer").

The unaudited pro forma condensed consolidated financial information reflects the pro forma impact on the Company's financial position and results of operations of the sale of Euroweb Slovakia for the historical periods presented. The unaudited condensed consolidated balance sheet is presented as of December 31, 2004, reflecting the historical financial position of the Company with pro forma adjustments to reflect the Disposition of Euroweb Slovakia as if the sale was consummated on that date. The unaudited pro forma condensed consolidated statements of operations are presented for the years ended December 31, 2004 and 2003 reflecting the historical results of operations with pro forma adjustments to reflect the Disposition of Euroweb Slovakia as if the sale was consummated on January 1, 2003. Certain management assumptions and adjustments are described in the accompanying notes to the unaudited pro forma condensed consolidated financial information.

The unaudited pro forma condensed consolidated financial information is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial position that would have actually occurred if the Disposition had been consummated as of the dates indicated, nor are they necessarily indicative of future operating results or financial position.

Euroweb Slovakia was a wholly owned subsidiary of the Company. The Company believes that the sale of Euroweb Slovakia meets the criteria for presentation as a discontinued operation under the provisions of Financial Accounting Standards Board No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets". Therefore, the historical results of Euroweb Slovakia will be reported in the Company's consolidated financial statements as a discontinued operation.

Euroweb International Corporation Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet

- (A) Reflects the balance sheet of the Company as of December 31, 2004, included in the Company's Annual Report on Form 10-KSB.
- (B) Pro forma adjustments to record the Disposition as if it had occurred on December 31, 2004 for purposes of presenting the pro forma balance sheet:
- 1) Adjustment to reflect the cash proceeds received upon the sale of Euroweb Slovakia of \$ 2,700,000 and the elimination of \$ 1,305,964 of cash at Euroweb Slovakia
 - 2) Adjustment to eliminate assets sold and liabilities transferred upon the sale of Euroweb Slovakia
 - 3) Pro forma adjustment to reflect the accrual of the estimated direct transaction costs of \$26,000 to be paid in connection with the sale of Euroweb Slovakia and an estimated \$264,000 severance and success fee payable to the CEO and CFO of Euroweb Slovakia according to their incentive agreement
 - 4) Adjustment to reflect the estimated pro forma gain on the sale of Euroweb Slovakia net of the estimated tax liability (expected to be zero). Because the estimated pro forma gain assumes the Disposition was consummated on December 31, 2004, the estimated pro forma gain will ultimately differ from the actual gain that occurred at the April 15, 2005 date of sale.
 - 5) Adjustment to eliminate cumulative other comprehensive losses derived from Euroweb Slovakia.

Euroweb International Corporation
Notes to Unaudited Pro Forma Condensed Consolidated Statements of Operations

- (A) Reflects the statements of operations of the Company for the years ended December 31, 2004 and 2003 included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2004. The statement of operations for the year ended December 31, 2003 was restated in that Annual Report to reflect the acquisition by the Company [on February 12, 2004] of the remaining 51% of Euroweb Hungary shares that the Company did not already own. The Company acquired those shares from PanTel Rt. ("Pantel"). The majority shareholder of the Company and Pantel is KPN. Since the acquisition was a transaction between entities under common control, it was accounted for in a manner similar to a pooling-of-interest. Accordingly, the historical consolidated financial statements were restated to include the results of operations of Euroweb Hungary for all periods presented.
- (B) Pro forma adjustments to record the Disposition as if it had occurred on January 1, 2003 for purposes of presenting the pro forma statements of operations:
- 1) Adjustment to reflect the elimination of the Euroweb Slovakia revenues and costs of goods sold.
 - 2) Adjustment to reflect the elimination of salary and related costs related to Euroweb Slovakia.
 - 3) Adjustment to reflect the elimination of consulting, professional and directors' fees costs related to Euroweb Slovakia.
 - 4) Adjustment to reflect the elimination of selling, general and administrative costs related to Euroweb Slovakia.
 - 5) Adjustment to reflect the elimination of goodwill impairment related to Euroweb Slovakia.
 - 6) Adjustment to reflect the elimination of depreciation charge related to Euroweb Slovakia.
 - 7) Adjustment to reflect the elimination net interest income related to Euroweb Slovakia.
 - 8) Adjustment to reflect the elimination of income tax related to Euroweb Slovakia.
