PROXY STATEMENT

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Although we encourage you to read this proxy statement in its entirety, we include this question and answer section to provide some background information and brief answers to several questions you might have about the annual meeting.

Why am I receiving these materials?

The board of directors of AMCON Distributing Company is providing these materials to you in connection with our annual meeting of stockholders on December 19, 2014. The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, and certain other required information. This proxy statement, the notice of annual meeting of stockholders and the accompanying proxy card or voting instruction card were first sent or given to our stockholders on or about November 14, 2014. As a stockholder of our company, you are entitled and encouraged to vote on the items of business described in these proxy materials. Your vote is very important. For this reason, our board is requesting that you allow your shares to be represented at the annual meeting by the persons named as proxies on the enclosed proxy card or voting instruction card.

When and where will the annual meeting be held?

The annual meeting of stockholders will be held on Friday, December 19, 2014, at 1:00 p.m., local time, in the Omaha Hilton Hotel located at 1001 Cass Street, Omaha, Nebraska. You may obtain directions to the location of the annual meeting by calling our corporate secretary, Andrew C. Plummer, at (402) 331-3727. You do not have to attend the annual meeting to be able to vote.

What matters will be voted on at the annual meeting?

Stockholders will consider and vote upon the following business items at the annual meeting:

The election of three Class III directors to hold office for a three-year term expiring at our annual meeting of stockholders following our 2017 fiscal year, and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal;

The ratification and approval of the selection of the accounting firm of McGladrey LLP as our independent registered public accounting firm for our 2015 fiscal year;

The approval of our 2014 Omnibus Incentive Plan; and

Any other matters that may properly come before the annual meeting.

How does our board of directors recommend that I vote?

Our board of directors recommends that you vote:

"FOR" the election of each nominee for director named in this proxy statement who is to be voted on by the holders of our common stock;

"FOR" the ratification and approval of McGladrey LLP as our independent registered public accounting firm; and

"FOR" the approval of our 2014 Omnibus Incentive Plan.

What shares can I vote?

The outstanding securities of our company having voting rights at the annual meeting are the shares of our common stock, \$0.01 par value. Each issued and outstanding share of our common stock as of the close of business on the November 10, 2014 record date for the annual meeting is entitled to one vote on each matter submitted to a vote of the holders of such shares at the annual meeting. As of the record date, we had 615,492 shares of common stock issued and outstanding. You may vote all shares of our common stock that you held as of the record date. This includes (i) shares held directly in your name as the stockholder of record, and (ii) shares held for you as the beneficial owner through a broker, trustee or other nominee, sometimes referred to as shares held in "street name."

How do I submit my vote?

Generally, you may vote your shares by completing, signing and returning the proxy card or voting instruction card provided to you, or by attending the annual meeting and voting in person. Specific voting instructions are found on the proxy card or voting instruction card provided to you.

Shares held by the stockholder of record. If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the stockholder of record, and these proxy materials were sent to you directly. As the stockholder of record, you have the right to grant your proxy vote or to vote in person at the annual meeting. We have enclosed a proxy card for you to use.

Shares held in street name. If you hold shares in a brokerage account or through some other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, trustee or other nominee, together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote your shares by following the instructions on the voting instruction card. Although you may attend the annual meeting, you may not vote these shares in person at the meeting unless you obtain a "legal proxy" from your broker, trustee or nominee. You may vote your shares by any of the options listed on the voting instruction card.

Can I change my proxy vote or revoke my proxy?

If you are a stockholder of record, you may change your vote or revoke your proxy any time before your vote is used at the annual meeting by:

submitting a valid, later-dated proxy;

notifying our corporate secretary in writing that you have revoked your proxy; or

completing a written ballot at the annual meeting.

Attendance at the annual meeting will not in and of itself constitute a revocation of your proxy.

If you hold shares as the beneficial owner in street name, you may change your vote by submitting new voting instructions to your broker, trustee or other nominee or, if you have obtained a legal proxy from your broker, trustee or nominee, by voting in person at the annual meeting.

How many votes are needed to conduct business at the annual meeting?

A majority of all outstanding shares of our common stock entitled to vote at the annual meeting must be present or represented by proxy in order to satisfy the quorum requirement for the transaction of business at the annual meeting. Both abstentions and broker non-votes (described below under "What is the effect of a broker non-vote?") are counted as present and entitled to vote for purposes of determining a quorum. If a quorum should not be present, the annual meeting may be adjourned from time to time until a quorum is obtained.

How are votes counted?

If you are a stockholder of record and you give your proxy, the shares represented by the proxy will be voted in accordance with your instructions. However, if you are a stockholder of record and you give your proxy without providing voting instructions on one or more proposals, your proxy will be voted for those unmarked proposals in accordance with the recommendation of our board of directors (which recommendation is identified above under "How does our board of directors recommend that I vote?").

If your shares are held in street name through a broker or other nominee, they will be voted in accordance with the voting instructions that you provide. If you do not provide voting instructions, your broker or other nominee is permitted to vote your shares on proposals that are considered routine, including the ratification of the appointment of our independent registered public accounting firm.

What vote is required to approve the proposals at the annual meeting?

Election of Directors. Directors are elected by a plurality of the votes cast, in person or by proxy, by stockholders entitled to vote at the annual meeting for that purpose. This means that the three nominees receiving the highest number of votes at the annual meeting will be elected. Stockholders can withhold authority to vote for one or more nominees for director. Shares not voted, whether by specifically withholding authority to vote on your proxy card or voting instruction card or otherwise, will have no impact on the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger proportion of the total votes. No shares may be voted for more than three nominees at the annual meeting. Stockholders do not have cumulative voting rights in the election of directors.

Other Matters. Approval of the proposal to ratify and approve the selection of McGladrey LLP as our independent registered public accounting firm, the proposal to approve our 2014 Omnibus Incentive Plan and all other proposals that properly may come before the annual meeting require the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on the particular proposal. Stockholders may abstain from voting on any proposal at the meeting. If your shares are voted to "abstain" with respect to any proposal, this will have the same effect as a vote against the proposal.

What is the effect of a broker non-vote?

A "broker non-vote" occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or other nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. If you hold shares in street name through a broker or other nominee and do not vote your shares or provide voting instructions, your broker or other nominee may vote for you on "routine" proposals but not on "non-routine" proposals. The ratification and approval of the selection of McGladrey LLP as our independent registered public accounting firm is considered routine, but the election of directors, the proposal concerning our 2014 Omnibus Incentive Plan and all other proposals are non-routine. Therefore, if you do not vote on any non-routine proposal or provide voting instructions, your broker or other nominee will not be allowed to vote your shares on such proposal. Broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum for the annual meeting, if such shares are otherwise properly represented at the meeting. Broker non-votes are not counted for purposes of determining the number of shares entitled to vote on any proposal for which the broker or other nominee lacks discretionary authority, and therefore would reduce the number of affirmative votes that are necessary to approve that proposal.

Are there any other matters that will be considered at the annual meeting?

The only items of business that may be properly brought before the annual meeting are the matters set forth in this proxy statement or those brought before the meeting by or at the direction of our board of directors. We are not aware of any business to be acted upon at the annual meeting other than the items described in this proxy statement. Your signed proxy, however, will entitle the persons named as proxy holders to vote in their discretion for any other matter that is properly presented at the meeting.

Who pays the cost of soliciting votes at the annual meeting?

Our company is making this proxy solicitation, and it will bear all costs of this solicitation. In addition to the use of the mails, proxies may be solicited personally or by telephone by some of the regular employees of our company, at no additional compensation. Our company may reimburse brokers, banks and other persons holding stock in their names, or in the names of nominees, for expenses incurred in sending proxy materials to their principals and obtaining their proxies. Our company requests that brokerage houses and other custodians, nominees and fiduciaries forward the soliciting materials to the beneficial owners of the shares of common stock held of record by such persons.

Where can I find the voting results of the annual meeting?

We will announce preliminary voting results at the annual meeting and publish those results in a report on Form 8-K filed with the Securities and Exchange Commission or SEC within four business days after the day on which the annual meeting ends. If the voting results included in such Form 8-K are not final, we will publish the final results in an amended report on Form 8-K within four business days after the final voting results are known.

What should I do if I receive more than one set of proxy materials?

You may receive multiple sets of proxy materials if you hold shares in more than one brokerage account or if you are a stockholder of record and have shares registered in more than one name. Please vote the shares on each proxy card or voting instruction card you receive.

We have adopted a "householding" procedure which allows us, unless a stockholder withholds consent, to send one proxy statement and annual report to multiple stockholders sharing the same address. Each stockholder at a given address will receive a separate proxy card or voting instruction form. If you are receiving multiple sets of proxy materials and wish to have your accounts househanded, or if you no longer wish to participate in householding and wish to revoke your consent, call our corporate secretary, Andrew C. Plummer, at (402) 331-3727, or send written instructions to our corporate secretary at AMCON Distributing Company, 7405 Irvington Road, Omaha, NE 68122. We will act in accordance with your wishes within 30 days after receiving such notification.

Many brokerage firms participate in householding as well. If you have a householding request for your brokerage account, please contact your broker.

Where may I obtain financial and other information about AMCON?

We filed our annual report on Form 10-K for our 2014 fiscal year with the SEC on November 7, 2014. Our annual report to stockholders, including our Form 10-K, containing our audited financial statements for our 2014 fiscal year, accompanies this proxy statement. This proxy statement, our annual report to stockholders (including Form 10-K), and other proxy materials also are available on our internet website (www.amcon.com) and on the SEC's internet website (www.sec.gov). Information on any website that we refer to does not constitute part of this proxy statement.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

ITEM 1: ELECTION OF DIRECTORS

What am I voting on?

One of the purposes of this annual meeting is to elect three directors. You will be asked to elect three directors in Class III to serve for a three-year term expiring at our annual meeting of stockholders following our 2017 fiscal year and until their respective successors are duly elected and qualified or until their respective earlier resignation or removal.

What is the structure of our board and how often are directors elected?

Our board of directors currently consists of seven persons. Our articles of incorporation divide the board into three classes of directors, with directors serving staggered terms of three years and until their respective successors are

duly elected and qualified or until their respective earlier resignation or removal. The present terms of Kathleen M. Evans, John R. Loyack and Timothy R. Pestotnik, the three directors in Class III, expire at this annual meeting. Directors in Class I (Jeremy W. Hobbs and Stanley Mayer) and in Class II (Christopher H. Atayan and Raymond F. Bentele) have terms expiring at the time of the annual meeting of stockholders following our 2015 and 2016 fiscal years, respectively. Our board of directors has determined that Messrs. Bentele, Hobbs, Loyack, Mayer and Pestotnik each satisfies the independence requirements of the NYSE MKT exchange or "NYSE MKT."

Who are this year's nominees?

The nominating and corporate governance committee of our board of directors has designated Kathleen M. Evans, John R. Loyack and Timothy R. Pestotnik as the nominees proposed for election at the annual meeting. Unless authority to vote for the nominees or a particular nominee is withheld, it is intended that the shares represented by properly executed proxies in the form enclosed will be voted for the election as directors of these nominees. Each of the nominees currently serves on our board.

The following table sets forth certain information with respect to each person nominated for election as a director at the annual meeting and each director whose term of office will continue after the annual meeting.

Name	Age	Position With our Company	Director Since
NOMINEES			
Class III: New term to expire at the annual meeting following our 2017 fiscal year			
Kathleen M. Evans	67	President, Director	1986
John R. Loyack	51	Director	2003
Timothy R. Pestotnik	54	Director	1998
DIRECTORS CONTINUING IN OFFICE			
Class I: Term to expire at the annual meeting following our 2015 fiscal year			
Jeremy W. Hobbs	53	Director	2006
Stanley Mayer	69	Director	2002
Class II: Term to expire at the annual meeting following our 2016 fiscal year			
Christopher H. Atayan	54	Chief Executive Officer, Chairman, Director	2004
Raymond F. Bentele	77	Director	2002

There is no arrangement or understanding between any director and any other person pursuant to which such director was selected as a director except that the holders of our Series B Convertible Preferred Stock are entitled to vote separately as a single class in electing one member of our board of directors. Christopher H. Atayan previously was designated as the person elected by the holder of our Series B Convertible Preferred Stock to serve on our board of directors. Under certain circumstances as set forth in the Corrected Certificate of Designations, Preferences and Rights of Series A Convertible Preferred Stock (which circumstances are not currently applicable), the holder of the Series A Convertible Preferred Stock would have the right, voting separately as a single class, to elect three members of our board of directors.

What is the business experience of the nominees and of our continuing board members and the basis for the conclusion that each such person should serve on our board?

Described below is the business experience for at least the last five years of each person nominated for election as a director at the annual meeting and each director whose term of office will continue after the annual meeting, as well as the specific experience, qualifications, attributes and skills of each such person that led to the conclusion that such person should serve on our board.

Christopher H. Atayan has served as our company's Chief Executive Officer since October 2006 and as our Chairman since January 2008. Mr. Atayan served as our company's Vice Chairman from March 2006 through January 2008, as our company's Chief Corporate Officer from March 2006 through September 2006 and has been a director of our

company since 2004. Mr. Atayan has served as the Senior Managing Director of Slusser Associates, a private equity and investment banking firm, since 1988, and has been engaged in private equity and investment banking since 1982. He also serves on the Board of Eastek Holdings, LLC, a private manufacturing company. Mr. Atayan's strategic vision, leadership, broad experience and tireless determination in prudently developing shareholder value and other interests of the company led to the conclusion that he should serve on our board. This conclusion is further supported by his years of service as our chief executive officer during which he has provided the board with information gained from his active management of our operations including the identification and analysis of our near, medium and long-term challenges and opportunities.

Raymond F. Bentele is the former President and Chief Executive Officer of Mallinckrodt, Inc., having served in that capacity from 1982 until his retirement in 1992. He also served as Executive Vice President of Mallinckrodt Group Inc. from 1980 until his retirement. He previously served as a director of The Mosaic Company and Leggett & Platt, Incorporated. The conclusion that Mr. Bentele should serve on our board is founded on his experience in managing a successful business and in serving on the boards and committees of other public companies. This experience has given him a wide breadth of exposure to strategic, investing, financing, operating and corporate governance issues and facilitates his contributions to our board in these areas.

Kathleen M. Evans became President of our company in March 1991. Prior to that time she served as Vice President of AMCON Corporation from 1985 to 1991. From 1978 until 1985, Ms. Evans acted in various capacities with AMCON Corporation and its operating subsidiaries. The conclusion that Ms. Evans should serve on our board is founded on her experience in operations and financial matters, as well as her length of service in the distribution industry. All of these characteristics make her an important contributor to board decision making.

Jeremy W. Hobbs is President and Chief Executive Officer of Draupnir, LLC. He served as a founding member and executive officer of Draupnir, LLC from 2002 through December 2005. From 1987 to 2002, Mr. Hobbs was an attorney in the law firm of Krasnow, Cornbath and Hobbs in Chicago, Illinois where he served as managing partner from 1997 to 2002. Mr. Hobbs brings with him a wealth of business, financial and legal experience and expertise that equip him to effectively contribute to board decisions related to financial disclosure, risk management and strategic planning. These factors led to the conclusion that he should serve on our board.

John R. Loyack is the Vice President of Business Affairs, Treasurer and Chief Financial Officer of King's College in Wilkes-Barre, Pennsylvania. Mr. Loyack served as the President and Chief Executive Officer of Optim Energy, LLC, and of CPG International, Inc., and also served as Senior Vice President and Chief Financial Officer and Vice President and Chief Accounting Officer at PNM Resources. Mr. Loyack's extensive financial, operational and strategic expertise make him an effective contributor to the board decision making process and have led to the conclusion that he should serve on our board.

Stanley Mayer is the retired General Manager of CMC Rebar – Albuquerque, having served in that position from 2002 until his April 2010 retirement. Mr. Mayer also has served as a consultant to various companies regarding financial and strategic planning matters, as Chief Financial Officer for Donruss Playoff, Inc. from 2001 to 2002 and as Vice President of Southern Union Company from 1998 through 2001. He is a Chartered Accountant. The conclusion that Mr. Mayer should serve on our board is founded on his operational, accounting and finance experience. His service on behalf of numerous companies has given him exposure to a variety of strategic, investing, financing and operating issues which facilitates his contributions to our board.

Timothy R. Pestotnik is an attorney and a partner in the law firm of Pestotnik + Gold, LLP. Prior to this, he was a partner and chair of the business litigation department at the law firm of Luce, Forward, Hamilton & Scripps, LLP. Mr. Pestotnik also serves as a director of AMCON Corporation. His sophisticated legal practice has benefited

our board in a variety of matters, including corporate governance, financial disclosure and regulatory oversight. These factors together with his familiarity with our company resulting from numerous years of service on our board led to the conclusion that he should serve on our board.

6

What if a nominee is unwilling or unable to serve?

Each of the nominees listed in this proxy statement has indicated his or her willingness to serve as a director if elected, and the board of directors has no reason to believe that any nominee will be unavailable for election. If a nominee who is to be voted on by the holders of our common stock becomes unwilling or unable to serve, the shares represented by the proxies will be voted for the election of such substitute nominee as may be designated by our nominating and corporate governance committee, unless the authority to vote for all nominees or for the particular nominee who has ceased to be a candidate has been withheld.

How does our board of directors recommend that I vote?

Our board of directors recommends that you vote "FOR" the election of Kathleen M. Evans, John R. Loyack and Timothy R. Pestotnik as Class III directors.

ITEM 2: SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

What am I voting on?

We are asking stockholders to ratify and approve the selection of McGladrey LLP as our independent registered public accounting firm for our 2015 fiscal year. The selection of McGladrey LLP was made by the audit committee of our board of directors. McGladrey LLP has served as our independent auditors since August 30, 2006. In connection with the audit of our 2015 fiscal year financial statements, our company intends to enter into an engagement agreement with McGladrey LLP which would set forth the terms by which McGladrey LLP will perform audit services for our company. It is anticipated that this agreement would be subject to alternative dispute resolution procedures. The ratification and approval by stockholders of the selection of McGladrey LLP effectively would also be a ratification of that agreement.

What services do the independent registered public accountants provide?

Audit services provided by McGladrey LLP for our 2014 fiscal year included the examination of the consolidated financial statements of our company and services related to our periodic filings with the SEC. These services are more fully described in this proxy statement under the captions "Audit Committee Report" and "Independent Auditor Fees and Services."

Will a representative of McGladrey LLP be present at the meeting?

We anticipate that one or more representatives of McGladrey LLP will be present at the annual meeting. Any such representative will have an opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions from stockholders.

What if this proposal is not approved?

Stockholder ratification and approval of the audit committee's selection of McGladrey LLP as our independent registered public accounting firm is not required by any statute or regulation or by our bylaws. Nevertheless, if the stockholders do not ratify and approve the selection of McGladrey LLP at the annual meeting, the audit committee will reconsider the appointment. Submission of our selection of McGladrey LLP to the stockholders for ratification and approval will not limit the authority of the audit committee to appoint another independent certified public accounting firm to serve as independent auditors if the present auditors resign, or their engagement otherwise is

terminated.

How does our board of directors recommend that I vote?

Our board of directors recommends that you vote "FOR" approval of the selection of McGladrey LLP.

7

ITEM 3: APPROVAL OF OUR 2014 OMNIBUS INCENTIVE PLAN

What am I voting on?

On October 21, 2014, the compensation committee of our board of directors authorized an equity incentive plan, which we refer to in this proxy statement as the "2014 Omnibus Incentive Plan" or the "2014 Plan." We are submitting the 2014 Plan for approval by our stockholders at the annual meeting. Stockholder approval of an equity-based compensation plan or arrangement such as the 2014 Plan is necessary:

to enable the 2014 Plan to comply with the stockholder approval requirements for equity-based plans under the listing standards of the NYSE MKT;

to enable equity-based awards under the 2014 Plan to be exempt from the short-swing profit disgorgement provisions of SEC Rule 16b-3;

for certain types of options granted under the 2014 Plan, known as incentive stock options, to be made eligible for the favorable income tax treatment afforded to optionees under Section 421 of the Internal Revenue Code; and

for certain forms of equity-based compensation under the 2014 Plan to be made eligible for the "performance-based compensation" exception to the \$1 million compensation deduction limitation imposed under Section 162(m) of the Internal Revenue Code.

The following description of the 2014 Plan is necessarily general in nature and does not purport to reflect all of the terms of the 2014 Plan. A copy of the 2014 Plan is set forth in Appendix A to this proxy statement. The description of the 2014 Plan contained herein is qualified in its entirety by reference to Appendix A.

What is the purpose of the 2014 Plan?

The purpose of the 2014 Plan is to encourage employees of our company, its affiliates and subsidiaries to acquire or increase a proprietary and vested interest in the growth and performance of our company. The 2014 Plan also is designed to assist our company in attracting and retaining employees and non-employee directors by providing them with the opportunity to participate in the success and profitability of our company. Equity-based awards also are intended to further align the interests of award recipients and with the interests of our stockholders.

Who is eligible to participate in the 2014 Plan?

The eligible participants in the 2014 Plan are all employees of our company, its affiliates and its subsidiaries, including employees who are officers or members of our board of directors, and members of our board who are not employees of our company. Currently, there are approximately 840 officers and employees of our company, its affiliates and its subsidiaries. Since all members of our board of directors are eligible for awards under the 2014 Plan, each member of our board has a personal interest in the approval of the 2014 Plan.

Who would be responsible for administering the 2014 Plan?

The 2014 Plan may be administered by our board of directors or a committee consisting of two or more directors, as our board may determine, referred to in this proxy statement as the "Committee." It is anticipated that our compensation committee will administer the 2014 Plan and serve as the Committee. All members of the Committee will be "outside directors" as defined under Section 162(m) of the Internal Revenue Code of 1986, and "non-employee

directors" as defined by the SEC rules under the Securities Act of 1934. The Committee has the sole discretion to administer and interpret the 2014 Plan and determine who will be granted awards under the 2014 Plan, the size and types of awards, the terms and conditions of awards, and the circumstances under which awards may be canceled, forfeited or suspended. The Committee may modify and amend the 2014 Plan and appoint agents for the proper administration of the 2014 Plan and, with the consent of an award holder, amend an outstanding award agreement under the 2014 Plan. The Committee also may amend an outstanding award agreement under the 2014 Plan without the consent of an award holder if (i) the Committee determines that such amendment does not materially adversely affect the rights of the award holder,

(ii) is necessary or advisable to carry out the purposes of the award as a result of a new or modified law or (iii) to the extent the award agreement specifically permits the amendment without the award holder's consent.

How many shares may be awarded under the 2014 Plan?

The 2014 Plan permits the issuance of up to 75,000 shares of our common stock pursuant to awards granted under the 2014 Plan such as stock options, restricted stock awards, restricted stock units, performance share awards, as well as awards such as stock appreciation rights, performance units, performance shares, bonus share and dividend share awards payable in the form of common stock or cash. If shares are issued pursuant to an award that was substituted in replacement of stock or stock-based awards held by current and former employees or non-employee directors of another business that is, or whose stock is, acquired by us or an affiliate in connection with a corporate transaction, those shares would not count against the authorized limit of shares available for issuance under the 2014 Plan. The shares that may be issued under the 2014 Plan are subject to increase or decrease in the event of any change in our company's capital structure.

The shares issued under the 2014 Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares, and to the extent any award under the 2014 Plan is exercised, terminates, expires or is forfeited without payment being made in the form of common stock, the shares subject to such award that were not issued will again be available for distribution under the 2014 Plan. In addition, if a stock appreciation right is settled in shares, only the number of shares of common stock delivered in settlement of it will count against the 2014 Plan's share issuance limit, regardless of the original number of the underlying shares of common stock. If any shares subject to an award are withheld or applied as payment in connection with the exercise of an award (including the withholding of shares on the exercise of a stock appreciation right that is settled in shares) or, except for shares of restricted stock, the withholding or payment of taxes related thereto, those shares will continue be available for grant under the 2014 Plan and will not count against the authorized limit.

With respect to awards, the 2014 Plan places limits on the maximum amount of shares that may be granted in any one year. No participant may receive awards under the 2014 Plan that cover in the aggregate more than 35,000 shares in any one year. For purposes of Code Section 162(m), this limit applies to any stock options or stock appreciation rights that would be granted to a single participant in a single calendar year. This limit also is subject to adjustment for changes in our company's capital structure.

Stock Options. Both incentive stock options and nonqualified stock options may be granted under the 2014 Plan. The per-share exercise price of an option is set by the Committee and generally may not be less than the fair market value of a share of our common stock on the date of grant. Options granted under the 2014 Plan are exercisable at the times and on the terms established by the Committee. The maximum term of an option is ten years from the date of grant. The aggregate fair market value (as of the grant date) of common stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year (under the 2014 Plan or under any other plan of our company or its affiliates which qualifies as an incentive stock option plan under Code Section 422) may not exceed \$100,000. To the extent such fair market value exceeds \$100,000 during any calendar year, amounts in excess of \$100,000 are treated as nonqualified stock options.

Stock Appreciation Rights. A stock appreciation right or "SAR" is the right to receive payment of an amount equal to the excess of the fair market value of a share of common stock on the date of exercise of the stock appreciation right over the grant price of the stock appreciation right. The 2014 Plan permits the grant of two types of SARs: freestanding SARs, tandem SARs, or any combination of the two. A freestanding SAR is a SAR that is granted independent of any stock option. A tandem SAR is a SAR that is granted in connection with a related stock option, the exercise of which requires a forfeiture of the right to purchase a share under the related option (and when a share is

purchased under the option, the SAR is similarly canceled). The Committee has complete discretion to determine the number of SARs granted to any participant and the terms and conditions pertaining to such SARs.

Restricted Stock and Restricted Stock Unit Grants. The 2014 Plan permits the grant of restricted stock or restricted stock unit awards. Restricted stock and restricted stock units may be issued or transferred for consideration or for no consideration, as determined by the Committee. The Committee may establish conditions under which restrictions

on shares of restricted stock or restricted stock units lapse over a period of time or according to such other criteria as the Committee deems appropriate, including the achievement of specific performance goals.

Performance Unit and Performance Shares. The 2014 Plan permits the grant of performance units and performance share awards which are bonuses payable in cash, common stock or a combination thereof. Each performance unit and performance share will represent the right of the participant to receive an amount based on the value of the performance unit/share, if performance goals established by the Committee are met. A performance unit will have a value based on such measurements or criteria as the Committee determines. A performance share will have a value equal to the fair market value of a share of our common stock. When an award of these are granted, the Committee will establish a performance period during which performance will be measured. At the end of each performance period, the Committee will determine to what extent the performance goals and other conditions of the performance units/shares are met.

Bonus Shares and Deferred Shares. The 2014 Plan permits the grant of shares to participants from time-to-time as a bonus. Such shares may be paid on a current basis or may be deferred and paid in the future. Our board of directors or the Committee may impose such conditions or restrictions on any such deferred shares as it may deem advisable, including time-vesting restrictions and deferred payment features.

Are awards under the 2014 Plan transferable?

Awards under the 2014 Plan generally are not transferable by the recipient other than by will or the laws of descent and distribution and generally are exercisable, during the recipient's lifetime, only by the recipient. Any amounts payable or shares issuable pursuant to an award generally will be paid only to the recipient or the recipient's beneficiary or representative.

How would awards under the 2014 Plan be affected by a changes in our capital structure?

If, without the receipt of consideration by our company, there is any change in the number or kind of shares of our common stock outstanding by reason of a stock dividend or any other distribution upon the shares payable in stock, or through a stock split, subdivision, consolidation, combination, reclassification or recapitalization, the maximum number of shares of our common stock available for grants, the maximum number of shares of our common stock that any individual participating in the 2014 Plan may be granted in any year, and the number of shares covered by outstanding grants may be appropriately adjusted to reflect any increase or decrease in the number of issued shares of our common stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such grants. Any fractional shares resulting from such adjustment will be rounded up to the nearest whole share. The purchase or exercise price payable by any plan participant with respect to any award also will be adjusted upon the occurrence of any of the events referred to above so that there will be no change in the aggregate price payable by such participant. Adjustments determined by the Committee are final, binding and conclusive.

If our company undergoes a "change of control," as that term is defined in the 2014 Plan, each option, share of restricted stock and other grant held by a non-employee director will, without regard to any vesting schedule, restriction or performance target, automatically become fully exercisable or payable, as the case may be, as of the date of the change of control.

What are the specific benefits under the 2014 Plan?

As set forth in the table below and described further under "Executive Compensation and Related Matters," on October 21, 2014 the compensation committee granted restricted stock units a total of 8,048 shares under the 2014

Plan to certain of our employees and executive officers, including our Chief Executive Officer. In the event these shares are not available under the 2014 Plan, the restricted stock units would automatically convert to, and be replaced by, deferred cash awards vesting over a three-year period and having a value approximating that of those restricted stock unit grants.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of any class of equity securities of our company registered pursuant to Section 12 of the Exchange Act, to file with the SEC initial reports of ownership and reports of changes in ownership in such securities and other equity securities of our company. SEC regulations require directors, executive officers and greater than 10% stockholders to furnish our company with copies of all Section 16(a) reports they file.

To our knowledge, based solely on review of the copies of such reports furnished to our company and written representations that no other reports were required, during our 2014 fiscal year, all Section 16(a) filing requirements applicable to our directors, executive officers and greater than 10% stockholders were complied with on a timely basis, except that Mr. Bentele, Mr. Hobbs, Mr. Loyack, Mr. Mayer and Mr. Pestotnik each was late in filing a report on Form 4 with respect to one transaction involving the award to him of restricted stock units for 200 shares of common stock, Mr. Atayan was late in filing a report on Form 4 with respect to one transaction involving the award to him of restricted stock units for 9,900 shares of common stock, and Mr. Plummer was late in filing a report on Form 4 with respect to one transaction involving the award to him of restricted stock units for 2,050 shares of common stock.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Leadership Structure and Role in Risk Oversight

Our company is led by Christopher H. Atayan, who has served as our company's chief executive officer since October 2006 and as its chairman since January 2008. Our board of directors is comprised of Mr. Atayan and six other directors, including five directors who satisfy the independence requirements of the NYSE MKT. An independent director serves as chairman of each of our board's three standing committees – the audit committee, the compensation committee, and the nominating and corporate governance committee.

Our bylaws provide that at any time in which the offices of our chairman and chief executive officer are held by the same person, our board of directors will appoint one independent member of our board to serve as the "lead director." Timothy R. Pestotnik currently serves as the lead director. The lead director will have such rights, duties and responsibilities as may be assigned to him or her by our board of directors.

Our board leadership structure has been effective for our company. We believe that having a combined chief executive officer and chairman of the board, an independent chair for each of our board committees and an independent lead director provides the right form of leadership for our company. A combined chairman and chief executive officer role allows for more productive meetings. The chief executive officer is the individual selected by the board of directors to manage our company on a day to day basis, and his direct involvement in our business operations makes him best positioned to lead the board in productive strategic planning sessions and determine the time allocated to each agenda item in discussions of our company's short and long-term objectives. In addition to the leadership provided by our chairman and chief executive officer, we have strong oversight of company operations by experienced independent directors who chair each of our board's standing committees. Led by an independent lead director, our independent directors also regularly meet in executive session to review key decisions and discuss matters in a manner that is independent of the chief executive officer.

Although it is management's job to assess and manage our company's exposure to risk, our audit committee takes a lead in establishing guidelines and policies that govern the process. In carrying out its responsibilities in this regard, our audit committee works closely with our chief financial officer. Our audit committee meets several times each year with our chief financial officer and other members of management and receives a comprehensive report on enterprise risk management, including management's assessment of risk exposures, and the processes in place to monitor and control such exposures. Our audit committee also receives updates between meetings from members of management relating to risk oversight matters, and provides risk management reports to the full board of directors. In addition to our audit committee, our compensation committee considers the risks that may be implicated by our executive compensation programs. We believe that our directors provide effective oversight of the risk management function, especially through the work of the audit committee and the dialogue between the full board and our chief financial officer.

Communication with the Board

Our board of directors has established a process for stockholders to follow in sending communications to our board or its members. Stockholders who wish to communicate with our board or any of our directors, including the Chairman of the Board and the chairman of any committee of the board, may do so. Such communications must be addressed to our board or any such director in care of our corporate secretary, Andrew Plummer, at AMCON Distributing Company, 7405 Irvington Road, Omaha, NE 68122. All such communications will be compiled by our corporate secretary and submitted to our board or the individual director, as applicable, on a periodic basis.

Neither our board of directors nor a specific director is required to respond to a stockholder communication. To avoid selective disclosure, our board or the individual director may respond to a stockholder's communication only if the communication involves information which is not material or which is already public. In such case, our board of directors, as a whole, or the individual director, may respond, if at all: (i) directly, following consultation with our corporate secretary or other advisors or without additional consultation, as our board determines appropriate; (ii) indirectly through our corporate secretary or other designated officer, following consultation with our corporate secretary or other advisors or without additional consultation, as our board determines appropriate; or (iii) pursuant to such other means as our board determines appropriate from time to time.

If the communication involves material non-public information, our board of directors or the individual director will not provide a response to the stockholder concerning such information. Our company may, however, publicly provide information responsive to such communication if (following consultation with our advisors, as our board determines appropriate) our board determines disclosure is appropriate. In that case, the responsive information will be provided in compliance with SEC Regulation FD and other applicable laws and regulations.

Consideration of Director Nominees

In identifying and evaluating director nominees, the nominating and corporate governance committee of our board of directors may receive recommendations from management, from other directors and from stockholders, including the holder of our Series B Convertible Preferred Stock. The committee reviews and considers information on each candidate and evaluates it in light of the needs and requirements of our company. The committee believes that our board and its committees should be comprised of persons who are of high character and integrity, who have a personal and professional reputation that is consistent with the image and reputation of our company, and who have expertise that may be useful to our company. The committee also considers various factors, including the independence of the candidate, as well as his or her education or special skills, areas of expertise, experience, age, business associations, reputation and other characteristics and qualities that the committee believes are likely to enhance the effectiveness of our board and its committees. In determining whether a director should be retained and stand for re-election, the committee also considers the director's past attendance at meetings and participation in and contributions to the activities of our board and each committee on which such director serves. The committee does not have a formal policy concerning its consideration of diversity in identifying director nominees. Although the committee may consider diversity in identifying director nominees, it did not do so with respect to the selection of the nominees for this annual meeting. The committee seeks to identify and recruit the best available candidates, without regard to race, color, religion, sex, ancestry, national origin or disability.

Stockholders who wish the nominating and corporate governance committee to consider their recommendations for nominees for the position of director should submit their recommendations in writing to the nominating and corporate governance committee in care of our corporate secretary, Andrew Plummer, at AMCON Distributing Company, 7405 Irvington Road, Omaha, NE 68122. All nominees, including those submitted by stockholders in accordance with these procedures, will be evaluated using generally the same methods and criteria described above, although those methods and criteria are not standardized and may vary from time to time. Stockholders also may submit director nominations to our company in accordance with the procedures described below under "Advance Notice of Stockholder Proposals."

Committees of the Board

Our board of directors has established an audit committee, a compensation committee and a nominating and corporate governance committee. There currently are no other standing committees of our board of directors. Members of the audit committee, compensation committee and nominating and corporate governance committee serve at the pleasure of our board of directors.

Audit Committee. The audit committee of our board of directors currently is comprised of John R. Loyack, its chairman, Timothy R. Pestotnik and Stanley Mayer. Our board of directors has determined that all members of the audit committee are independent directors under the listing standards adopted by the NYSE MKT. In addition, our board of directors has determined that Mr. Loyack and Mr. Mayer each meets the SEC's definition of an "audit committee financial expert." The audit committee is responsible for reviewing our financial statements, audit reports, internal financial controls and the services performed by the independent registered public accounting firm, and for making recommendations with respect to those matters to our board of directors. A more complete description of the

audit committee's functions is provided in its charter, a copy of which is available on our internet website (www.amcon.com) by clicking on the "Corporate Governance" tab under "Investor Relations." The audit committee met five times during our 2014 fiscal year.

Compensation Committee. The compensation committee of our board of directors currently is comprised of John R. Loyack, its chairman, Raymond F. Bentele and Stanley Mayer. Our board of directors has determined that all members of our compensation committee are independent under the NYSE MKT listing standards. The committee is responsible for reviewing and making recommendations to our board of directors with respect to compensation of

executive officers and other compensation matters and awards. Our chief executive officer assists the committee from time to time on a variety of compensation matters, including making recommendations for the appropriate salaries and bonuses of our executive officers (other than our chief executive officer). The committee has the authority to consult with management and to engage the services of outside advisors, experts and others to assist it in its efforts. A more complete description of the committee's functions is provided in its charter, a copy of which is available on our internet website (www.amcon.com) by clicking on the "Corporate Governance" tab under "Investor Relations." Our compensation committee met four times during our 2014 fiscal year.

Nominating and Corporate Governance Committee. The members of our nominating and corporate governance committee are Raymond F. Bentele, its chairman, John R. Loyack and Timothy R. Pestotnik, each of whom our board of directors has determined to be independent under the NYSE MKT listing standards. The committee is responsible for the director nomination process, including evaluating and recommending director nominees and committee and chair appointments. It also is responsible for various corporate governance matters, including the development of ethical conduct standards for our directors, officers and employees and an annual board assessment. A more complete description of the committee's functions is provided in its charter, a copy of which is available on our internet website (www.amcon.com) by clicking on the "Corporate Governance" tab under "Investor Relations." The nominating and corporate governance committee met four times during our 2014 fiscal year.

Meetings of the Board

During our 2014 fiscal year, our board of directors held five meetings. Each director attended at least 75% of the total meetings of the board of directors and of the committees of the board on which he or she served during the fiscal year. Our company's directors discharge their responsibilities throughout the year, not only at such board of directors and committee meetings, but through personal meetings and other communications with members of management and others regarding matters of interest and concern to our company.

The independent non-management members of our board of directors regularly hold executive sessions without management present. At least one executive session per year is attended by only independent non-management directors. Our board of directors has chosen Timothy R. Pestotnik as the lead director for meetings of the independent non-management directors.

Directors are encouraged by our company to attend our annual meeting of stockholders if their schedules permit, but our company does not otherwise have a policy regarding such attendance. All incumbent directors were present at the annual meeting of the stockholders held on December 20, 2013.

Code of Ethics

Our board of directors has adopted a code of ethical conduct that applies to our executive officers, including our principal executive officer and our principal financial officer. This code of ethical conduct is available without charge to any person who requests it by writing to our corporate secretary, Andrew Plummer, at AMCON Distributing Company, 7405 Irvington Road, Omaha, NE 68122. It also is available on our internet website (www.amcon.com) by clicking on the "Corporate Governance" tab under "Investor Relations." Any substantive amendment to, or waiver from, a provision of this code that applies to our principal executive officer or principal financial officer will be disclosed on our internet website and, if required by rules of the SEC or the NYSE MKT, in reports we file with the SEC.

EXECUTIVE COMPENSATION AND RELATED MATTERS

Compensation Discussion and Analysis

General

The following compensation discussion and analysis explains how our compensation programs are designed and operate in practice with respect to each of the named executive officers listed in the summary compensation table appearing below. This discussion should be read in conjunction with the information appearing under the caption

"Committees of the Board -- Compensation Committee," the summary compensation table, and the additional tabular and narrative disclosure that follows the summary compensation table.

Compensation Philosophy and Objectives

Our compensation program for executive officers is structured to achieve the following objectives:

Attract and retain talented professionals, while emphasizing the challenges and rewards associated with a fast paced, stimulating, entrepreneurial environment.

Align individual and strategic goals with those of our stockholders and customers. We believe that it is primarily the dedication, creativity, competence and experience of our entire workforce that enables us to compete, given the realities of the wholesale/retail industries in which we operate. History has demonstrated that our business is neither easily nor quickly mastered by people attempting to migrate from other industries. Hence, we attempt to retain our experienced, long-term employees, avoid employee turnover, create a cadre of dedicated professionals focused on increasing stockholder value, align the interests of our employees and stockholders and foster an ownership mentality in our executives by giving our employees a meaningful stake in our success through our equity incentive and cash bonus programs.

Achieve meaningful results and add value to our company through a results-oriented reward structure. We attempt to link compensation closely to results by structuring a significant portion of executive compensation as at-risk compensation.

Tailor individual incentives within different segments of our organization depending on the priorities and needs existing at the time. This facilitates individual focus to capitalize on opportunities and to correct weaknesses in a particular segment of our organization. Our branches and retail stores therein require empowered, capable, local management expertise to operate effectively. We attempt to encourage accountability in our division-level executives by using bonus targets tied to divisional or regional results and other, individually tailored, objectives.

Integrate strategic goals and objectives throughout all facets of our organization. This enables quicker, more effective execution of our strategic corporate objectives. Our ability to modify and tailor the components of our cash bonus program allows us to revise these components from year to year and executive to executive as our strategic goals evolve.

Simplicity is an important element of our compensation structure. With clear and unambiguous goals individuals can employ their best efforts.

Determining Compensation

Our compensation committee's process for determining compensation levels for executive officers differs depending upon the position of the individual being considered. For each executive officer other than our chief executive officer, the committee annually reviews each element of compensation described below in consultation with our chief executive officer. Our chief executive officer develops for the committee's consideration a proposed compensation package for each of these executive officers based on his subjective business judgment of the executive's past performance and of his or her expected future contributions to our company. Each executive's compensation package is modified as deemed appropriate by our compensation committee, and the final determination of the compensation package is made by the committee. With respect to our chief executive officer's compensation, our compensation

committee meets in executive session. The committee develops a compensation package for our chief executive officer based on its subjective business judgment of his past performance, of his leadership in establishing performance standards in the conduct of our company's business, and of his expected future contributions in directing the long-term success of our company and its businesses. For all executive officers, including our chief executive officer, the structure and level of executive compensation needed to promote the principles of our executive compensation program for each executive is determined by the committee by considering all elements of the compensation package in total, rather than any one component in isolation. This process is based on the committee's subjective business judgment. Finally, some components of the compensation packages for our named executive officers are determined in accordance with the agreements described below under the captions "Employment and Other Compensatory Agreements" and "Change of Control Agreements."

Compensation Components

As separately discussed below, the principal components of compensation for our executive officers currently are:

- base salary;
- performance-based compensation;
- long-term equity incentive compensation; and
- perquisites and other personal benefits.

Base Salary. We provide base salary to our named executive officers and other employees to reward them for performing the requirements of their position on a day-to-day basis. Base salary is viewed by our compensation committee as a key aspect of our attraction and retention efforts. Base salaries are not established on the basis of any specific performance criteria. Our compensation committee considers a number of factors in determining individual salary levels, including each executive's existing salary relative to that of other employees of our company, a subjective business judgment of the performance of the executive and of the business unit or function under his or her leadership, the executive's length of service with our company, and the perceived increase in the cost of living. The factors impacting base salary levels are not independently assigned specific weights. Competitive market data may be considered from time to time, but we currently do not set compensation levels at a targeted percentile relative to compensation data for a particular peer, competitor or industry group. Our compensation committee applies its business judgment to formulate and approve the final compensation.

For our 2015 fiscal year, base salary levels were determined by our compensation committee based on its assessment of the factors referred to above. Fiscal 2015 base salaries were set as follows: Mr. Atayan, \$521,670; Ms. Evans \$397,480; Mr. Plummer \$215,530; and Mr. Hinkfent \$173,890.

Performance-Based Compensation. Performance bonus awards may be provided to our named executive officers and other employees, as determined by our compensation committee, with 50% of the bonus awards being made available based on the achievement of specified financial metrics and 50% of the bonus awards being made available based on the achievement of strategic objectives. With respect to the achievement of financial metrics upon which a bonus award is based, our company must reach a minimum threshold of 80% of budgeted pretax income. If this threshold is achieved, the executive will be eligible for a 50% payout of his or her targeted bonus. The executive will be eligible for increasing payouts of his or her targeted bonus, pro rated up to 100% of target, upon the achievement of increasing percentages of budgeted pretax income until 100% of our budgeted pretax income amount is met. If our pretax income exceeds budget, the executive will be eligible for up to 125% of his or her target bonus, pro rated based on the achievement of pretax income of up to 120% of budget.

With respect to the achievement of strategic objectives upon which a bonus award is based, the executive is entitled to receive 100% of his or her targeted bonus if our compensation committee determines that the executive has made satisfactory progress toward the achievement of his or her strategic goals. In the discretion of the compensation committee, the executive is eligible for up to 125% of his or her targeted bonus for exceptional performance with respect to the strategic goals. The satisfaction of an executive's strategic goals is largely determined by the compensation committee based on its business judgment of the executive's performance. All executives have a common strategic goal, which is to work together as a team in furtherance of our company's strategic objectives. In addition, each executive has individualized short, medium and long-term goals. In the case of our chief executive officer, these goals include:

Short Term Goals

Developing and implementing our company's strategic plan

Increasing our company's enterprise value in a conservative, low-risk fashion

Developing and maintaining relationships within the financial community to ensure our company's access to capital and credit

Setting the proper "tone at the top" reflecting our company's operation in a highly regulated environment as a publicly traded reporting company

Providing executive leadership to deploy our assets in a balanced fashion, recognizing the need to maximize liquidity, reduce debt, and generate cash flow

Developing strategies for the integration of companies that we acquire into our organization

Implement facility and equipment strategy to support foodservice growth

Medium Term Goals

Reducing long-term debt

Initiating a strategic plan for information technology

Initiating opportunities to repurchase shares of our capital stock when appropriate

Developing and implementing a management structure to facilitate long term growth

Ensuring our company's compliance with appropriate internal controls for financial reporting

Implement strategic plan to capitalize on the growing foodservice sector

Long Term Goals

Initiating a strategic posture for a company-wide culture of growth

For our 2014 fiscal year, our compensation committee awarded cash bonuses to the following named executive officers with respect to the achievement of specified financial metrics and strategic objectives as discussed above: Mr. Atayan, \$633,100; Ms. Evans \$133,900; Mr. Plummer \$130,781; and Mr. Hinkfent \$52,759. For our 2015 fiscal year, performance bonus awards will be determined by our compensation committee based on its assessment of the factors referred to above and utilizing bonus targets that it establishes. Our compensation committee has not yet established targeted bonuses for our named executive officers for our 2015 fiscal year.

Equity Incentives. We promote the long-term interests of our company and the alignment of our named executive officers' interests with those of our stockholders by providing meaningful equity ownership opportunities to our executives. Our equity compensation program also is designed to encourage our named executive officers to remain employed with us despite a competitive labor market. Because equity compensation awards typically vest over a period of several years, the value to recipients of any immediate increase in the price of our common stock following a grant will be attenuated. The periodic vesting provisions are in place to encourage the named executive officers to remain with our company.

On October 21, 2014, our compensation committee decided to grant restricted stock units for the 2014 fiscal year, including restricted stock units to Mr. Atayan and Mr. Plummer for 9,900 shares and 2,050 shares, respectively. The amount of each grant was designed to provide each executive with an equity incentive commensurate with his responsibilities and a meaningful stock ownership and growth opportunity linked directly to the success of our

company. Each award of restricted stock units was made on terms in which one-third of the award is scheduled to vest on each of October 21, 2015, October 21, 2016, and October 21, 2017. The restricted stock unit grants were made to Mr. Atayan and Mr. Plummer under our 2007 omnibus incentive plan for 3,771 shares and 781 shares, respectively. Restricted stock unit grants for an additional 6,129 shares and 1,269 shares were awarded to Mr. Atayan and Mr. Plummer, respectively, under the 2014 omnibus incentive plan. As more fully described in "Item 3: Approval of our 2014 Omnibus Incentive Plan," the 2014 Omnibus Incentive Plan is being submitted to stockholders at the annual meeting for their consideration and approval. In the event that shares are not available under the 2014 omnibus incentive plan, the restricted stock unit grants to Mr. Atayan and Mr. Plummer for 6,129 shares and 1,269 shares, respectively, would automatically convert to, and be replaced by, deferred cash awards vesting over a three-year period and having a value approximating that of those restricted stock unit grants.

Our compensation committee has not yet determined whether to establish any equity incentive awards for our 2015 fiscal year.

Perquisites and other Personal Benefits. Each of our executive officers is entitled to participate in our employee benefit plans that are made available to all of our employees on a non-discriminatory basis. These benefits consist of medical and group life insurance for which our company pays a portion of the premiums. Our company also makes matching contributions under our 401(k) profit sharing plan of up to 4% of each executive's compensation. Our company generally does not provide special perquisites to our executive officers. However, Ms. Evans and Mr. Hinkefent each receive an auto allowance. Additional information concerning perquisites is provided in the tabular and narrative disclosure that follows the summary compensation table.

Termination and Change in Control Arrangements

As discussed below under the caption "Change of Control Agreements," we have entered into change of control agreements with Mr. Atayan and Ms. Evans. In addition, we have entered into an employment agreement with Mr. Hinkefent, as discussed below under the caption "Employment and Other Compensatory Agreements." These agreements provide that, upon certain termination of employment events, including termination events following a change of control of our company, these named executive officers may be entitled to receive specified severance benefits. These benefits are discussed in more detail under the caption "Change of Control Agreements." The provisions in these agreements regarding severance benefits are designed, among other things, to provide for stability and continuity of management in the event of any actual or threatened change in control, to encourage the executives to remain in service after a change in control and ensure that the executives are able to devote their entire attention to maximizing stockholder value in the event of a change in control. Our compensation committee has determined that the amounts payable under the agreements are necessary to achieve those objectives.

Policy Regarding Tax Deduction for Compensation Under Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1 million paid for any fiscal year to the chief executive officer and the four other most highly compensated executive officers. Certain qualifying performance-based compensation is exempted from the deduction limit if stated requirements are met. Our compensation committee and our board of directors reserve the authority to award non-deductible compensation in circumstances they consider appropriate.

Stockholder Advisory Approval of Executive Compensation

At the annual meeting of the stockholders held on December 20, 2013, stockholders provided advisory approval of the compensation of our executives disclosed in the proxy statement for that meeting pursuant to the compensation disclosure rules of the SEC. At that meeting, stockholders also provided advisory approval for holding future advisory votes on executive compensation every three years. It is anticipated the stockholders will next be asked to consider and act upon advisory approval of the compensation of our executives at our annual meeting of stockholders following our 2016 fiscal year.

(1) Consists of (i) our 2007 omnibus incentive plan, described under "Executive Compensation and Related Matters—2007 Omnibus Incentive Plan," and (ii) our nonqualified stock option agreement dated December 12, 2006 with Christopher H. Atayan, described under "Executive Compensation and Related Matters—CEO Option Award." The weighted average exercise price in column (b) reflects the weighted average exercise price of outstanding stock options.

2007 Omnibus Incentive Plan

We have adopted our 2007 omnibus incentive plan or "Equity Plan" to encourage employees of our company, affiliates and subsidiaries to acquire a proprietary and vested interest in the growth and performance of our company. The Equity Plan also is designed to assist our company in attracting and retaining employees and non-employee directors by providing them with the opportunity to participate in the success and profitability of our company. Equity-based awards also are intended to further align the interests of award recipients with the interests of our stockholders.

Eligible Participants. The eligible participants in the Equity Plan are all employees of our company, affiliates and subsidiaries, including employees who are officers or members of our board of directors, and members of our board who are not employees of our company. Currently, there are approximately 22 directors, officers and employees of our company, affiliates and subsidiaries who are participating in the Equity Plan.

Equity Plan Administration. The Equity Plan may be administered by our board of directors or a committee consisting of two or more directors, as our board may determine. Currently, our compensation committee administers the Equity Plan and has the sole discretion to administer and interpret the Equity Plan and determine who will be granted awards under the Equity Plan, the size and types of such awards and the terms and conditions of such awards.

Shares Subject to the Equity Plan. The Equity Plan permits the issuance of up to 150,000 shares of our common stock pursuant to awards granted under the Equity Plan such as stock options, restricted stock awards, restricted stock units, performance share awards, as well as awards such as stock appreciation rights, performance units, performance shares, bonus share and dividend share awards payable in the form of common stock or cash. As of November 10, 2014, 107,581 shares of our common stock had been issued pursuant to awards granted under the Equity Plan, and an additional 37,466 shares of common stock may be issued under the terms of outstanding stock option and restricted stock unit awards granted under the Equity Plan.

Stock Options. Both incentive stock options and nonqualified stock options may be granted under the Equity Plan. The per-share exercise price of an option is set by our compensation committee and generally may not be less than the fair market value of a share of our common stock on the date of grant. Options granted under the Equity Plan are exercisable at the times and on the terms established by our compensation committee. The maximum term of an option is ten years from the date of grant.

Stock Appreciation Rights. A stock appreciation right or "SAR" is the right to receive payment of an amount equal to the excess of the fair market value of a share of common stock on the date of exercise of the stock appreciation

right over the grant price of the stock appreciation right. The Equity Plan permits the grant of two types of SARs: freestanding SARs, tandem SARs, or any combination of the two. A freestanding SAR is a SAR that is granted independent of any stock option. A tandem SAR is a SAR that is granted in connection with a related stock option, the exercise of which requires a forfeiture of the right to purchase a share under the related option (and when a share is purchased under the option, the SAR is similarly canceled). Our compensation committee has complete discretion to determine the number of SARs granted to any participant and the terms and conditions pertaining to such SARs.

Restricted Stock and Restricted Stock Unit Grants. The Equity Plan permits the grant of restricted stock or restricted stock unit awards. Restricted stock and restricted stock units may be issued or transferred for consideration or for no consideration, as determined by our compensation committee. Our compensation committee may establish conditions under which restrictions on shares of restricted stock or restricted stock units lapse over a period of time or according to such other criteria as our compensation committee deems appropriate, including the achievement of specific performance goals.

Performance Unit and Performance Shares. The Equity Plan permits the grant of performance units and performance share awards which are bonuses payable in cash, common stock or a combination thereof. Each performance unit and performance share will represent the right of the participant to receive an amount based on the value of the performance unit/share, if performance goals established by our compensation committee are met. A performance unit will have a value based on such measurements or criteria as our compensation committee determines. A performance share will have a value equal to the fair market value of a share of our common stock. When an award of these are granted, our compensation committee will establish a performance period during which performance will be measured. At the end of each performance period, our compensation committee will determine to what extent the performance goals and other conditions of the performance units/shares are met.

Bonus Shares and Deferred Shares. The Equity Plan permits the grant of shares to participants from time-to-time as a bonus. Such shares may be paid on a current basis or may be deferred and paid in the future. Our board of directors or our compensation committee may impose such conditions or restrictions on any such deferred shares as it may deem advisable, including time-vesting restrictions and deferred payment features.

Restrictions on Transfer. Awards under the Equity Plan generally are not transferable by the recipient other than by will or the laws of descent and distribution and generally are exercisable, during the recipient's lifetime, only by the recipient. Any amounts payable or shares issuable pursuant to an award generally will be paid only to the recipient or the recipient's beneficiary or representative.

Changes in Capital or Corporate Structure. If, without the receipt of consideration by our company, there is any change in the number or kind of shares of our common stock outstanding by reason of a stock dividend or any other distribution upon the shares payable in stock, or through a stock split, subdivision, consolidation, combination, reclassification or recapitalization, the maximum number of shares of our common stock available for grants, the maximum number of shares of our common stock that any individual participating in the Equity Plan may be granted in any year, and the number of shares covered by outstanding grants may be appropriately adjusted to reflect any increase or decrease in the number of issued shares of our common stock to preclude, to the extent practicable, the enlargement or dilution of rights and benefits under such grants. Any fractional shares resulting from such adjustment will be rounded up to the nearest whole share. The purchase or exercise price payable by any plan participant with respect to any award also will be adjusted upon the occurrence of any of the events referred to above so that there will be no change in the aggregate price payable by such participant. Adjustments determined by our compensation committee are final, binding and conclusive.

If our company undergoes a "change of control," as that term is defined in the Equity Plan, each option, share of restricted stock and other grant held by a non-employee director will, without regard to any vesting schedule, restriction or performance target, automatically become fully exercisable or payable, as the case may be, as of the date of the change of control.

CEO Option Award

On December 12, 2006, our company entered into a Nonqualified Stock Option Agreement or "Option Agreement" with our Chief Executive Officer, Christopher H. Atayan, under which he was granted a non-qualified stock option to purchase shares of our common stock. Our stockholders approved the grant of this option at our 2007 annual meeting of stockholders.

The aggregate number of shares of our common stock that may be issued pursuant to the exercise of this option is limited to 25,000 shares, subject to increase or decrease in the event of any change in our company's capital structure, including a stock dividend, stock split, recapitalization, combination or reclassification of shares. The exercise price of the option is \$18.00 per share, which represents the closing trading price for our common stock on the NYSE MKT on the day immediately prior to the December 12, 2006 grant date. The option price may be paid in full in cash, or may be paid by Mr. Atayan's tender of previously acquired shares of our common stock.

The option vested ratably over a three-year period ending December 12, 2009, and became fully exercisable on December 13, 2009. In no event may the option be exercised after December 12, 2016.

If Mr. Atayan's employment with our company is terminated for cause (generally any act or failure to act by Mr. Atayan that constitutes willful misconduct or gross negligence), the option will expire immediately. If Mr. Atayan dies while he is our employee, the option may be exercised by his beneficiaries within twelve months after his death, to the extent it is exercisable. If Mr. Atayan becomes disabled while he is our employee, the option may be exercised by him within twelve months following the date of the disability, to the extent it is exercisable. If Mr. Atayan ceases to be our employee due to (i) his voluntary resignation, or (ii) the termination of his employment without cause, the option may be exercised by him within three months following the date of employment termination.

Employment and Other Compensatory Agreements

Our company has entered into an employment agreement with Eric J. Hinkefent, the President of Health Food Associates, Inc. and Chamberlin Natural Foods, Inc. The agreement has a term which automatically is extended for one year each September 30th unless either our company or Mr. Hinkefent delivers a notice of non-extension at least 90 days prior to the scheduled automatic renewal date. The agreement provides for a base salary in each year of the agreement term and provides that Mr. Hinkefent will be eligible to receive a bonus of up to 75% of his base salary based on performance as determined by our compensation committee. If the employment agreement terminates due to Mr. Hinkefent's disability or death, he or his personal representative is entitled to receive his base salary for a period of six months following the termination. If the employment agreement is terminated for reasons other than serious misconduct (as defined in the agreement), Mr. Hinkefent is entitled to receive a severance package equal to his current base salary plus his previous year's bonus. Mr. Hinkefent was also eligible to participate in employee benefit plans maintained by our company, including health and life insurance plans. The agreement contains provisions under which Mr. Hinkefent has agreed to maintain the confidentiality of information concerning our company and its affairs and a covenant not to compete with our company for a period of one year after his employment with our company terminates.

Change of Control Agreements

On December 29, 2006, we entered into a change of control agreement with each of Christopher H. Atayan, our Chief Executive Officer, and Kathleen M. Evans, our President. Each such agreement is referred to in this section as an "Agreement." The initial term of the Agreement extended for two years until December 31, 2008. Beginning on December 31, 2007 and each December 31 following, the Agreement term automatically extends for one additional

year unless we give the applicable officer notice by September 30 of that year. In addition, if a change in control (as that term is defined in the Agreement) occurs during the term of the Agreement, the term of the Agreement will continue for a period of 24 months after the month in which such change in control occurred.

The Agreement requires Mr. Atayan or Ms. Evans, as applicable, to remain in our employ for a period of six months after a change in control, unless involuntarily terminated by us other than for cause (as that term is defined in the Agreement) or terminated by the officer for good reason (as that term is defined in the Agreement).

If a change of control event occurs and the term of the Agreement has not expired, we will owe the applicable officer the following:

During any period prior to termination of employment that the officer fails to perform full-time duties as a result of disability, total compensation, including base salary, bonus and any benefits, will continue unaffected until either the officer returns to the full-time performance of duties or employment is terminated.

If employment is terminated by our company for cause or by the officer other than for good reason, we will pay the officer his or her full base salary through the date of termination plus all other amounts to which the officer is then entitled under any of our compensation or benefit plans.

If employment terminates by reason of death, benefits will be determined in accordance with our retirement, survivor's benefits, insurance and other applicable programs and plans then in effect.

If employment is terminated by our company (other than for cause or disability) or by the officer for good reason, the officer will be entitled to the following benefits:

- o All accrued compensation and benefits.
- o A severance payment in the form of a cash lump sum distribution equal to current annual compensation (as that term is defined in the Agreement) multiplied by two, which payment is subject to pro rata reduction to the extent that the officer is age 65 or over during the three years immediately following the termination of employment.
- o Life and health insurance benefits (for 24 months after termination or until the officer turns 65 if earlier) that are substantially similar to those received immediately prior to the date of termination or, if more favorable to the officer, immediately prior to the event date. These benefits will be provided at a cost to the officer that is no greater than the amount paid for such benefits by active employees who participate in such company-sponsored welfare benefit plan or, if less, the amount paid for such benefits by the officer immediately prior to the event date.

The following table shows the potential payments upon certain events, including termination of employment before and after a change of control of our company, for each of the named executive officers (excluding Ms. Evans who, having reached age 65, would not be eligible for such payments) if the termination and change of control had occurred on September 30, 2014. Fully vested and accrued benefits are not included in the table unless the form, amount or terms of the benefit would be enhanced or accelerated by the termination event.

- Mr. Atayan's annual base salary rate in effect immediately prior to termination of employment, and

the average of the actual bonus awarded to Mr. Atayan, if any, for the three years immediately preceding termination of employment.

(2) Represents the amount calculated pursuant to the change of control agreement equal to our estimated incremental cost for life and health insurance benefits provided to Mr. Atayan for 24 months following termination (or until he turns 65 if earlier), after giving effect to the portion paid by him.

(3) Represents the value of restricted stock units or stock options, as applicable, whose vesting is accelerated pursuant to the applicable award agreement, calculated (i) in the case of restricted stock units, by multiplying the number of restricted stock units by the closing market price of our common stock on September 30, 2014, and (ii) in the case of stock options, by multiplying the number of shares underlying the unvested options by the amount of the excess of the closing market price of our common stock on September 30, 2014 over the option exercise price.

(4) Represents the amount calculated pursuant to the employment agreement equal to Mr. Hinkefent's base salary for the six months immediately following the date of employment termination due to death or disability.

- the actual bonus awarded to Mr. Hinkefent, if any, for the immediately preceding year.

This amount would be payable in a lump sum on the first day following the six month anniversary of the date of employment termination.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Retail Warehouse Space. Health Food Associates leases warehouse space from TIP Properties, LLC, which is owned by Eric J. Hinkefent, a "named executive officer," and another employee of our company. Rental payments, including utilities, were \$59,196 for each of our 2013 and 2014 fiscal years.

Contribution of Option. During our 2013 fiscal year, Christopher H. Atayan, our chief executive officer, contributed to our company, for no consideration, an option he had independently acquired (the "Contributed Option"), entitling him to acquire 12,954 shares of our common stock from an independent third party. Our company then exercised the Contributed Option and acquired the underlying shares at a price of \$63.75 per share from the independent third party.

Our company's policy is that all transactions between us and our officers, directors and/or five percent stockholders will be on terms no more favorable to those related parties than the terms provided to independent third parties.

INDEPENDENT AUDITOR FEES AND SERVICES

Independent Auditor Fees and Services

The following table presents fees for professional audit services rendered by our independent registered public accounting firm for the audit of our annual financial statements for our 2012 and 2013 fiscal years, and fees billed for other services rendered by our independent registered public accounting firm during such fiscal years. All audit and non-audit services provided to our company by our independent registered public accounting firm were approved by

our audit committee.

Type of Fee	Fiscal 2013	Fiscal 2014
Audit Fees (1)	\$ 332,500	\$ 336,590
Audit-Related Fees (2)	13,750	14,300
Tax Fees (3)	62,143	59,848
All Other Fees	--	--
Total	\$ 408,393	\$ 410,738

(1) Audit Fees, including those for audits, include the aggregate fees billed to us during our 2013 and 2014 fiscal years for professional services rendered for the audit of our annual financial statements, as well as the review of financial statements included in our quarterly reports on Form 10-Q.

(2) Audit Related Fees include the aggregate fees billed to us during our 2013 and 2014 fiscal years for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and not included in Audit Fees, including services provided with respect to the audit of our company's employee benefit plans and with respect to business acquisitions and compliance with Sarbanes-Oxley Act and related regulatory matters.

(3) Tax Fees include the aggregate fees billed to us during our 2013 and 2014 fiscal years for professional services rendered for preparation of tax returns, research and general advice relating to tax issues and compliance.

In making its determination regarding the independence of McGladrey LLP, our audit committee considered whether the provision of the services for which we incurred the "Audit-Related Fees," "Tax Fees," and "All Other Fees" was compatible with maintaining such independence.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

Pursuant to its charter, the audit committee of our board of directors is responsible for reviewing and approving, in advance, any audit and any permissible non-audit engagement or relationship between our company and its independent auditor. Our engagement of McGladrey LLP to conduct the audit of our company for our 2014 fiscal year was approved by the audit committee on October 11, 2013. Additionally, each permissible non-audit engagement or relationship between our company and our independent registered public accounting firm entered into since September 30, 2013 has been reviewed and approved by the audit committee. All audit-related, tax and all other fees were pre-approved by the audit committee. We have been advised by McGladrey LLP that substantially all of the work done in conjunction with its audit of our financial statements for the most recently completed fiscal year was performed by permanent full time employees and partners of McGladrey LLP.

The audit committee of our board of directors has adopted the following guidelines regarding the engagement of our independent registered public accounting firm to perform services for our company:

The audit committee will pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for our company by its independent registered public accounting firm, subject to the exceptions for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 which must be approved by the audit committee prior to the completion of the audit.

AUDIT COMMITTEE REPORT

The audit committee of our board of directors currently is composed of three members of our board of directors, all of whom meet the independence requirements of the SEC and the NYSE MKT. The audit committee operates under a written charter adopted by our board of directors, and assists the board in fulfilling its responsibilities with respect to accounting and financial reporting practices and the scope and expense of audit and related services provided by our independent registered public accounting firm. The audit committee also selects our company's independent registered public accounting firm, which selection is then submitted to our stockholders for ratification.

Management is responsible for our company's internal controls and the financial reporting process. Our independent registered public accounting firm, McGladrey LLP, is responsible for performing an independent audit of our company's consolidated financial statements and issuing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles. The audit committee's responsibility is to monitor and oversee these processes and to report to our board of directors on its findings.

In this context, the audit committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the audit committee that our company's September 30, 2014 consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles. The audit committee has reviewed and discussed these consolidated financial statements with management and the independent registered public accounting firm. The audit committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board.

Our company's independent registered public accounting firm also provided to the audit committee the written disclosures and letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and the audit committee discussed with the independent registered public accounting firm that firm's independence. The audit committee has considered whether the services provided under other non-audit services are compatible with maintaining the independence of McGladrey LLP.

The members of the audit committee are not professionally engaged in the practice of auditing or accounting. Members of the audit committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the audit committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the audit committee's considerations and discussions referred to above do not assure that the audit of our company's financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with U.S. generally accepted accounting principles, or that our company's auditors are in fact "independent."

Based upon the audit committee's discussion with management and the independent registered public accounting firm, and the audit committee's review of the representation of management and the report of the independent registered public accounting firm to the audit committee, the audit committee recommended that our board of directors include the audited consolidated financial statements in our company's annual report on Form 10-K for the fiscal year ended September 30, 2014 for filing with the SEC.

- 1.2 Purpose. The purpose of the Plan is to encourage employees and non-employee directors of the Company and its affiliates and subsidiaries to acquire or increase a proprietary and vested interest in the growth and performance of the Company. If the Company's stockholders do not approve the Plan within such 12-month period, the Plan will become null and void. - (a) select the Service Providers to whom Awards may from time to time be granted hereunder;

 - (i) with the consent of the Holder, to amend any Award Agreement at any time; provided that the consent of the Holder shall not be required for any amendment (i) that, in the Committee's determination, does not materially adversely affect the rights of the Holder, or (ii) which is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new applicable law or change in an existing applicable law, or (iii) to the extent the Award Agreement specifically permits amendment without consent;

 - (k) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.
- 3.3 Committee Delegation. The Committee may delegate to any member of the Board or committee of Board members such of its powers as it deems appropriate, including the power to sub-delegate, except that, pursuant to such delegation or sub-delegation, only a member of the Board (or a committee thereof) may grant Awards from time to time to specified categories of Service Providers in amounts and on terms to be specified by the Board or the Committee; provided that no such grants shall be made other than by the Board or the Committee to individuals who are then Section 16 Persons or other than by the Committee to individuals who are then or are deemed likely to become a "covered employee" within the meaning of Code section 162(m). A majority of the members of the Committee may determine its actions and fix the time and place of its meetings.

No member of the Committee shall be liable for any action, determination or interpretation made in good faith, and all members of the Committee shall, in addition to their rights as directors, be fully protected by the Company with respect to any such action, determination or interpretation.

SECTION 4 STOCK SUBJECT TO THE PLAN

4.1 Number of Shares. Subject to adjustment as provided in Section 4.3 and subject to the maximum amount of Shares that may be granted to an individual in a calendar year as set forth in Section 5.5, no more than a total of 75,000 Shares are authorized for issuance under the Plan in accordance with the provisions of the Plan and subject to such restrictions or other provisions as the Committee may from time to time deem necessary (the "Maximum Share Limit"). Any Shares required to satisfy Substitute Awards shall not count against the Maximum Share Limit. Any Shares issued hereunder may consist, in whole or in part, of authorized and unissued shares or treasury shares. The Shares may be divided among the various Plan components as the Committee shall determine; provided, however, the maximum number of Shares that may be issued pursuant to Incentive Stock Options shall be the Maximum Share Limit. Shares that are subject to an underlying Award and Shares that are issued pursuant to the exercise of an Award shall be applied to reduce the maximum number of Shares remaining available for use under the Plan. The Company shall at all times during the term of the Plan and while any Awards are outstanding retain as authorized and unissued Stock, or as treasury Stock, at least the number of Shares from time to time required under the provisions of the Plan, or otherwise assure itself of its ability to perform its obligations hereunder.

4.2 Unused and Forfeited Stock. Any Shares that are subject to an Award under this Plan that are not used because the terms and conditions of the Award are not met, including any Shares that are subject to an Award that expires or is terminated for any reason, shall again be available for grant under the Plan. If a SAR is settled in Shares, only the number of Shares delivered in settlement of a SAR shall cease to be available for grant under the Plan, regardless of the number of Shares with respect to which the SAR was exercised. If any Shares subject to an Award granted hereunder are withheld or applied as payment in connection with the exercise of an Award (including the withholding of Shares on the exercise of an Option that is settled in Shares) or the withholding or payment of taxes related thereto, such Shares shall again be available for grant under the Plan. Notwithstanding the foregoing, any Shares used for full or partial payment of the purchase price of the Shares with respect to which an Option is exercised and any Shares retained by the Company pursuant to Section 16.2 that were originally Incentive Stock Option Shares must still be considered as having been granted for purposes of

determining whether the Share limitation provided for in Section 4.1 has been reached for purposes of Incentive Stock Option grants.

4.3 Adjustments in Authorized Shares. If, without the receipt of consideration therefore by the Company, the Company shall at any time increase or decrease the number of its outstanding Shares or change in any way the rights and privileges of such Shares such as, but not limited to, the payment of a stock dividend or any other distribution upon such Shares payable in Stock, or through a stock split, spin-off, extraordinary cash dividend, subdivision, consolidation, combination, reclassification or recapitalization involving the Stock, or any similar corporate event or transaction, such that an adjustment is necessary in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan then in relation to the Stock that is affected by one or more of the above events, (i) the numbers, rights, privileges and kinds of Shares that may be issued under this Plan or under particular forms of Awards, (ii) the number and kind of Shares subject to outstanding Awards, and (iii) the Option Exercise Price or SAR exercise price applicable to outstanding Awards, shall be increased, decreased or changed in like manner as if they had been issued and outstanding, fully paid and non-assessable at the time of such occurrence. The manner in which Awards are adjusted pursuant to this Section 4.3 is to be determined by the Board or the Committee; provided that all adjustments must be determined by the Board or Committee in good faith, and must be effectuated so as to preserve the value that any Participant has in outstanding Awards as of the time of the event giving rise to any potential dilution or enlargement of rights.

4.4 General Adjustment Rules.

- (a) If any adjustment or substitution provided for in this Section 4 shall result in the creation of a fractional Share under any Award, such fractional Share shall be rounded up to the nearest whole Share and fractional Shares shall not be issued.
- (b) In the case of any such substitution or adjustment affecting an Option (including a Nonqualified Stock Option) or a SAR such substitution or adjustments shall be made in a manner that is in accordance with the substitution and assumption rules set forth in Treasury Regulations 1.424-1 and the applicable guidance relating to Code section 409A.

4.5 Reservation of Rights. Except as provided in this Section 4, a Participant shall have no rights by reason of (i) any subdivision or consolidation of shares of stock of any class, (ii) the payment of any dividend or (iii) any other increase or decrease in the number of shares of stock of any class. Any issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares subject to any Award (including the Option Exercise Price of Shares subject to an Option). The grant of an Award pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge or consolidate or to dissolve, liquidate, sell or transfer all or any part of its business or assets.

SECTION 5
PARTICIPATION

- 5.1 Basis of Grant. Participants in the Plan shall be those Service Providers, who, in the judgment of the Committee, have performed, are performing, or during the term of their incentive arrangement will perform, important services in the management, operation and development of the Company, and significantly contribute, or are expected to significantly contribute, to the achievement of long-term corporate economic objectives.
- 5.2 Types of Grants; Limits. Participants may be granted from time to time one or more Awards; provided, however, that the grant of each such Award shall be separately approved by the Committee or its designee, and receipt of one such Award shall not result in the automatic receipt of any other Award. Written or electronic notice shall be given to such Participant, specifying the terms, conditions, right and duties related to such Award. Under no circumstance shall Incentive Stock Options be granted to (i) non-employee directors or (ii) any person not permitted to receive Incentive Stock Options under the Code.
- 5.3 Award Agreements. Each Participant shall enter into an Award Agreement(s) with the Company, in such form as the Committee shall determine and which is consistent with the provisions of the Plan, specifying the applicable Award terms, conditions, rights and duties. Unless otherwise explicitly stated in the Award Agreement, Awards shall be deemed to be granted as of the date specified in the grant resolution of the Committee, which date shall be the date of any related agreement(s) with the Participant. Unless explicitly provided for in a particular Award Agreement that the terms of the Plan are being superseded, in the event of any inconsistency between the provisions of the Plan and any such Award Agreement(s) entered into hereunder, the provisions of the Plan shall govern.
- 5.4 Restrictive Covenants. The Committee may, in its sole and absolute discretion, place certain restrictive covenants in an Award Agreement requiring the Participant to agree to refrain from certain actions. Such restrictive covenants, if contained in the Award Agreement, will be binding on the Participant.
- 5.5 Maximum Annual Award. The maximum number of Shares with respect to which an Award or Awards may be granted to any Participant in any one taxable year of the Company (the "Maximum Annual Participant Award") shall not exceed 35,000 Shares (subject to adjustment pursuant to Sections 4.3 and 4.4); provided, however, any Shares required to satisfy Substitute Awards shall not count against the Maximum Annual Participant Award. If an Option is in tandem with a SAR, such that the exercise of the Option or SAR with respect to a Share cancels the tandem SAR or Option right, respectively, with respect to each Share, the tandem Option and SAR rights with respect to each Share shall be counted as covering but one Share for purposes of the Maximum Annual Participant Award.

SECTION 6
STOCK OPTIONS

- 6.1 Grant of Options. A Participant may be granted one or more Options. The Committee in its sole discretion shall designate whether an Option is an Incentive Stock Option or a Nonqualified Stock Option. The Committee may grant both an Incentive Stock Option and a Nonqualified Stock Option to the same Participant at the same time or at different times. Incentive Stock Options and Nonqualified Stock Options, whether granted at the same or different times, shall be deemed to have been awarded in separate grants, shall be clearly identified, and in no event shall the exercise of one Option affect the right to exercise any other Option or affect the number of Shares for which any other Option may be exercised.
- 6.2 Option Agreements. Each Option granted under the Plan shall be evidenced by an Option Award Agreement which shall be entered into by the Company and the Participant to whom the Option is granted (the "Optionee"), and which shall contain, or be subject to, the following terms and conditions, as well as such other terms and conditions not inconsistent therewith, as the Committee may consider appropriate in each case.
- (a) Number of Shares. Each Option Award Agreement shall state that it covers a specified number of Shares, as determined by the Committee. To the extent that the aggregate Fair Market Value of Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Optionee during any calendar year exceeds \$100,000 or, if different, the maximum limitation in effect at the time of grant under section 422(d) of the Code, such Options in excess of such limit shall be treated as Nonqualified Stock Options. The foregoing shall be applied by taking Options into account in the order in which they were granted. For the purposes of the foregoing, the Fair Market Value of any Share shall be determined as of the time the Option with respect to such Share is granted.
- (b) Price. Each Option Award Agreement shall state the Option Exercise Price at which each Share covered by an Option may be purchased. Such Option Exercise Price shall be determined in each case by the Committee, but in no event other than with respect to the issuance of a Substitute Award shall the Option Exercise Price for each Share covered by an Option be less than the Fair Market Value of the Stock on the Option's Grant Date, as determined by the Committee; provided, however, that the Option Exercise Price for each Share covered by an Incentive Stock Option granted to an Eligible Employee who then owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or any parent or Subsidiary corporation of the Company must be at least 110% of the Fair Market Value of the Stock subject to the Incentive Stock Option on the Option's Grant Date.
- (c) Duration of Options. Each Option Award Agreement shall state the period of time, determined by the Committee, within which the Option may be exercised by the Holder (the "Option Period"). The Option Period must expire, in all cases,

not more than ten years from the Option's Grant Date; provided, however, that the Option Period of an Incentive Stock Option granted to an Eligible Employee who then owns Stock possessing more than 10% of the total combined voting power of all classes of Stock of the Company must expire not more than five years from the Option's Grant Date. Each Option Award Agreement shall also state the periods of time, if any, as determined by the Committee, when incremental portions of each Option shall become exercisable. If any Option or portion thereof is not exercised during its Option Period, such unexercised portion shall be deemed to have been forfeited and have no further force or effect.

(d) Termination of Service, Death, Disability, etc.

- (i) Each Option Agreement shall state the period of time, if any, determined by the Committee, within which the Vested Option may be exercised after an Optionee ceases to be a Service Provider and may provide for different periods of time depending upon whether such cessation as a Service Provider was on account of the Participant's death, Disability, voluntary resignation, retirement, cessation as a director, or the Company having terminated such Optionee's employment with or without Cause.
- (ii) In the case of a Participant that is an Employee, a termination of service shall not occur if the Participant is on military leave, sick leave or other bona fide leave of absence (such as temporary employment by the government) if the period of such leave does not exceed six (6) months, or if longer, as long as the Participant's right to reemployment with the Company is provided either by statute or by contract.
- (iii) In the case of a Participant that is both an Employee and a director of the Company, the Participant's cessation as an Employee but continuation as a director of the Company will not constitute a termination of service under the Plan. Unless an Option Agreement provides otherwise, a Participant's change in status between serving as an employee and/or director will not be considered a termination of the Participant serving as a Service Provider for purposes of any Option expiration period under the Plan.
- (iv) If, within the period of time specified in the Option Award Agreement following the Option Holder's termination of employment, an Option Holder is prohibited by law or a Company's insider trading policy from exercising any Nonqualified Stock Option, the period of time during which such Option may be exercised will automatically be extended until the 30th day following the date the prohibition is lifted. Notwithstanding the immediately preceding sentence, in no event shall the Option exercise period be extended beyond the tenth anniversary of the Option's Grant Date.
- (e) Transferability. Except as otherwise determined by the Committee, Options shall not be transferable by the Optionee except by will or pursuant to the laws of

descent and distribution. Each Vested Option shall be exercisable during the Optionee's lifetime only by him or her, or in the event of Disability or incapacity, by his or her guardian or legal representative. Shares issuable pursuant to any Option shall be delivered only to or for the account of the Optionee, or in the event of Disability or incapacity, to his or her guardian or legal representative.

(f) Exercise, Payments, etc.

(i) Unless otherwise provided in the Option Award Agreement, each Vested Option may be exercised by delivery to the Corporate Secretary or Chief Financial Officer of the Company or their designees a written or electronic notice specifying the number of Shares with respect to which such Option is exercised and payment of the Option Exercise Price. Such notice shall be in a form satisfactory to the Committee or its designee and shall specify the particular Vested Option that is being exercised and the number of Shares with respect to which the Vested Option is being exercised. The exercise of the Vested Option shall be deemed effective upon receipt of such notice by the Corporate Secretary or Chief Financial Officer of the Company or their designees and payment to the Company. The purchase of such Stock shall take place at the principal offices of the Company upon delivery of such notice, at which time the purchase price of the Stock shall be paid in full by any of the methods or any combination of the methods set forth in clause (ii) below.

(ii) The Option Exercise Price may be paid by cash or certified bank check and, in the Committee's sole discretion by any of the following additional methods:

A. By delivery to the Company Shares then owned by the Holder, the Fair Market Value of which equals the purchase price of the Stock purchased pursuant to the Vested Option, properly endorsed for transfer to the Company; provided, however, that Shares used for this purpose must have been held by the Holder for such minimum period of time as may be established from time to time by the Committee; and provided further that the Fair Market Value of any Shares delivered in payment of the purchase price upon exercise of the Options shall be the Fair Market Value as of the exercise date, which shall be the date of delivery of the Stock used as payment of the Option Exercise Price;

In lieu of actually surrendering to the Company the Shares then owned by the Holder, the Committee may, in its discretion permit the Holder to submit to the Company a statement affirming ownership by the Holder of such number of Shares and request that such Shares, although not actually surrendered, be deemed to have been surrendered by the Holder as payment of the exercise price;

- B. For any Holder other than an Executive Officer or except as otherwise prohibited by the Committee, by payment through a broker in accordance with procedures permitted by Regulation T of the Federal Reserve Board;
- C. For any Nonqualified Stock Option, by a "net exercise" arrangement pursuant to which the Company will not require a payment of the Option Exercise Price but will reduce the number of shares of common stock issued upon the exercise by the largest number of whole shares that has a fair market value on the date of exercise that does not exceed the aggregate Option Exercise Price. With respect to any remaining balance of the aggregate option price, the Company will accept a cash payment from the Holder; or

D. Any combination of the methods of consideration payment provided in this clause (ii).

- (g) Date of Grant. Unless otherwise specifically specified in the Option Award Agreement, an option shall be considered as having been granted on the date specified in the grant resolution of the Committee.

(h) Withholding.

- (A) Nonqualified Stock Options. Upon any exercise of a Nonqualified Stock Option, the Optionee shall make appropriate arrangements with the Company to provide for the minimum amount of additional withholding required by applicable federal and state income tax and payroll laws, including payment of such taxes through delivery of Stock or by withholding Stock to be issued under the Option, as provided in Section 16 hereof.
- (B) Incentive Stock Options. In the event that an Optionee makes a disposition (as defined in Section 424(c) of the Code) of any Stock acquired pursuant to the exercise of an Incentive Stock Option prior to the later of (i) the expiration of two years from the date on which the Incentive Stock Option was granted or (ii) the expiration of one year from the date on which the Option was exercised, the Participant shall send written or electronic notice to the Company at its principal office (Attention: Corporate Secretary) of the date of such disposition, the number of shares disposed of, the amount of proceeds received from such disposition, and any other information relating to such disposition as the Company may reasonably request. The Optionee shall, in the event of such a disposition, make appropriate arrangements with the Company to provide for the amount of additional withholding, if any, required by applicable Federal and state income tax laws.

(i) Adjustment of Options. Subject to the limitations set forth below and those contained in Sections 6 and 15, the Committee may make any adjustment in the Option Exercise Price, the number of Shares subject to, or the terms of, an outstanding Option and a subsequent granting of an Option by amendment or by substitution of an outstanding Option. Such amendment, substitution, or re-grant may result in terms and conditions (including Option Exercise Price, number of Shares covered, vesting schedule or exercise period) that differ from the terms and conditions of the original Option; provided, however, except as permitted under Section 11, the Committee may not, without stockholder approval (i) amend an Option to reduce its Option Exercise Price, (ii) cancel an Option and regrant an Option with a lower Option Exercise Price than the original Option Exercise Price of the cancelled Option, (iii) cancel an option in exchange for cash or another Award, or (iv) take any other action (whether in the form of an amendment, cancellation or replacement grant) that has the effect of "repricing" an Option, as defined under applicable NYSE rules or the rules of the established stock exchange or quotation system on which the Company Stock is then listed or traded if such Exchange's or quotation system's rules define what constitutes a repricing. Other than with respect to a modification that a reasonable person would not find to be a material adverse change in an Optionee's rights under an Option, the Committee also may not adversely affect the rights of any Optionee to previously granted Options without the consent of such Optionee. If such action is affected by the amendment, the effective date of such amendment shall be the date of the original grant. Any adjustment, modification, extension or renewal of an Option shall be effected such that the Option is either exempt from, or is compliant with, Code section 409A.

(j) Modification, Extension and Assumption of Options. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding Options or may accept the cancellation of outstanding Options (whether granted by the Company or another issuer) in return for the grant of new Options or a different type of award for the same or a different number of Shares and at the same or a different Option Exercise Price (if applicable). The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, impair the Optionee's rights or increase the Optionee's obligations under such Option.

6.3 Stockholder Privileges. No Holder shall have any rights as a stockholder with respect to any Shares covered by an Option until the Holder becomes the holder of record of such Stock, and no adjustments shall be made for dividends or other distributions or other rights as to which there is a record date preceding the date such Holder becomes the holder of record of such Stock, except as provided in Section 4.

SECTION 7 STOCK APPRECIATION RIGHTS

7.1 Grant of SARs. Subject to the terms and conditions of this Plan, a SAR may be granted to a Participant at any time and from time to time as shall be determined by the Committee

in its sole discretion. The Committee may grant Freestanding SARs or Tandem SARs, or any combination thereof.

(a) Number of Shares. The Committee shall have complete discretion to determine the number of SARs granted to any Participant, subject to the limitations imposed in this Plan and by applicable law.

(b) Exercise Price and Other Terms. Except with respect to SARs issued in connection with a Substitute Award, all SARs shall be granted with an exercise price no less than the Fair Market Value of the underlying Shares on the SARs' Date of Grant. The Committee, subject to the provisions of this Plan, shall have complete discretion to determine the terms and conditions of SARs granted under this Plan. The exercise price per Share of Tandem SARs shall equal the exercise price per Share of the related Option.

(c) Duration of SARs. Each SAR Award Agreement shall state the period of time, determined by the Committee, within which the SARs may be exercised by the Holder (the "SAR Period"). The SAR Period must expire, in all cases, not more than ten years from the SAR Grant Date.

7.2 SAR Award Agreement. Each SAR granted under the Plan shall be evidenced by a written or electronic SAR Award Agreement which shall be entered into by the Company and the Participant to whom the SAR is granted (the "SAR Holder"), and which shall specify the exercise price per share, the terms of the SAR, the conditions of exercise, and such other terms and conditions as the Committee in its sole discretion shall determine.

7.3 Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. With respect to a Tandem SAR granted in connection with an Incentive Stock Option: (a) the Tandem SAR shall expire no later than the expiration of the underlying Incentive Stock Option; (b) the value of the payout with respect to the Tandem SAR shall be for no more than one hundred percent (100%) of the difference between the Exercise Price per Share of the underlying Incentive Stock Option and the Fair Market Value per Share of the Shares subject to the underlying Incentive Stock Option at the time the Tandem SAR is exercised; and (c) the Tandem SAR shall be exercisable only when the Fair Market Value per Share of the Shares subject to the Incentive Stock Option exceeds the per share Option Price per Share of the Incentive Stock Option.

7.4 Exercise of Freestanding SARs. Freestanding SARs shall be exercisable on such terms and conditions as the Committee in its sole discretion shall determine; provided, however, that no Freestanding SAR granted to a Section 16 Person shall be exercisable until at least six (6) months after the Date of Grant or such shorter period as may be permissible while maintaining compliance with Rule 16b-3.

- 7.5 Expiration of SARs. Each SAR Award Agreement shall expire on the earlier of (i) the tenth anniversary of the SARs Date of Grant or (ii) after the period of time, if any, determined by the Committee, within which the SAR may be exercised after a SAR Holder ceases to be a Service Provider. The SAR Award Agreement may provide for different periods of time following a SAR Holder cessation as a Service Provider during which the SAR may be exercised depending upon whether such cessation as a Service Provider was on account of the Participant's death, Disability, voluntary resignation, cessation as a director, or the Company having terminated such SAR Holder's employment with or without Cause. Unless otherwise specifically provided for in the SAR Award agreement, a Tandem SAR granted under this Plan shall be exercisable at such time or times and only to the extent that the related Option is exercisable. The Tandem SAR shall terminate and no longer be exercisable upon the termination or exercise of the related Options, except that Tandem SARs granted with respect to less than the full number of shares covered by a related Option shall not be reduced until the exercise or termination of the related Option exceeds the number of Shares not covered by the SARs.
- 7.6 Adjustment of SARs. Subject to the limitations set forth below and those contained in Sections 7 and 15, the Committee may make any adjustment in the SAR exercise price, the number of Shares subject to, or the terms of, an outstanding SAR and a subsequent granting of an SAR by amendment or by substitution of an outstanding SAR. Such amendment, substitution, or re-grant may result in terms and conditions (including SAR exercise price, number of Shares covered, vesting schedule or exercise period) that differ from the terms and conditions of the original SAR; provided, however, except as permitted under Section 10, the Committee may not, without stockholder approval (i) amend a SAR to reduce its exercise price, (ii) cancel a SAR and regrant a SAR with a lower exercise price than the original SAR exercise price of the cancelled SAR, (iii) cancel a SAR in exchange for cash or another Award or (iv) take any other action (whether in the form of an amendment, cancellation or replacement grant) that has the effect of "repricing" a SAR, as defined under applicable NYSE rules or the rules of the established stock exchange or quotation system on which the Company Stock is then listed or traded. The Committee also may not adversely affect the rights of any SAR Holder to previously granted SARs without the consent of such SAR Holder. If such action is affected by the amendment, the effective date of such amendment shall be the date of the original grant. Any adjustment, modification, extension or renewal of a SAR shall be effected such that the SAR is either exempt from, or is compliant with, Code section 409A.
- 7.7 Payment of SAR Amount. Upon exercise of a SAR, a Holder shall be entitled to receive payment from the Company in an amount determined by multiplying (i) the positive difference between the Fair Market Value of a Share on the date of exercise over the exercise price per Share by (ii) the number of Shares with respect to which the SAR is exercised. At the Committee's discretion, the payment upon a SAR exercise may be in whole Shares of equivalent value, cash, or a combination of whole Shares and cash. Fractional Shares shall be rounded up to the nearest whole Share.

SECTION 8
AWARDS OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS

- 8.1 Restricted Stock Awards Granted by Committee. Coincident with or following designation for participation in the Plan and subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Restricted Stock to any Service Provider in such amounts as the Committee shall determine.
- 8.2 Restricted Stock Unit Awards Granted by Committee. Coincident with or following designation for participation in the Plan and subject to the terms and provisions of the Plan, the Committee may grant a Service Provider Restricted Stock Units in connection with or separate from a grant of Restricted Stock. Upon the vesting of Restricted Stock Units, the Holder shall be entitled to receive the full value of the Restricted Stock Units payable in Shares or, if determined by the Committee, cash.
- 8.3 Restrictions. A Holder's right to retain Shares of Restricted Stock or be paid with respect to Restricted Stock Units shall be subject to such restrictions, including him or her continuing to perform as a Service Provider for a restriction period specified by the Committee, or the attainment of specified performance goals and objectives, as may be established by the Committee with respect to such Award. The Committee may in its sole discretion require different periods of service or different performance goals and objectives with respect to (i) different Holders, (ii) different Restricted Stock or Restricted Stock Unit Awards, or (iii) separate, designated portions of the Shares constituting a Restricted Stock Award. Any grant of Restricted Stock or Restricted Stock Units shall contain terms such that the Award is either exempt from Code section 409A or complies with such section.
- 8.4 Privileges of a Stockholder, Transferability. Unless otherwise provided in the Award Agreement, a Participant shall have all voting, dividend, liquidation and other rights with respect to Shares of Restricted Stock, provided however that any dividends paid on Shares of Restricted Stock prior to such Shares becoming vested shall be held in escrow by the Company and subject to the same restrictions on transferability and forfeitability as the underlying Shares of Restricted Stock. Any voting, dividend, liquidation or other rights shall accrue to the benefit of a Holder only with respect to Shares of Restricted Stock held by, or for the benefit of, the Holder on the record date of any such dividend or voting date. A Participant's right to sell, encumber or otherwise transfer such Restricted Stock shall, in addition to the restrictions otherwise provided for in the Award Agreement, be subject to the limitations of Section 12.2 hereof. The Committee may determine that a Holder of Restricted Stock Units is entitled to receive dividend equivalent payments on such units. If the Committee determines that Restricted Stock Units shall receive dividend equivalent payments, such feature will be specified in the applicable Award Agreement. Restricted Stock Units shall not have any voting rights.
- 8.5 Enforcement of Restrictions. The Committee may in its sole discretion require one or more of the following methods of enforcing the restrictions referred to in Section 8.2 and 8.3:

- (a) placing a legend on the stock certificates, or the Restricted Stock Unit Award Agreement, as applicable, referring to restrictions;
 - (b) requiring the Holder to keep the stock certificates, duly endorsed, in the custody of the Company while the restrictions remain in effect;
 - (c) requiring that the stock certificates, duly endorsed, be held in the custody of a third party nominee selected by the Company who will hold such Shares of Restricted Stock on behalf of the Holder while the restrictions remain in effect; or
 - (d) inserting a provision into the Restricted Stock Award Agreement prohibiting assignment of such Award Agreement until the terms and conditions or restrictions contained therein have been satisfied or released, as applicable.
- 8.6 Termination of Service, Death, Disability, etc. In the event of the death or Disability of a Participant, all service period and other restrictions applicable to Restricted Stock Awards then held by him or her shall lapse, and such Awards shall become fully nonforfeitable. Subject to Section 11, in the event a Participant ceases to be a Service Provider for any other reason, any Restricted Stock Awards as to which the service period or other vesting conditions have not been satisfied shall be forfeited.

SECTION 9
PERFORMANCE SHARES, PERFORMANCE UNITS, BONUS SHARES
AND DEFERRED SHARES

- 9.1 Awards Granted by Committee. Coincident with or following designation for participation in the Plan, a Participant may be granted Performance Shares or Performance Units.
- 9.2 Terms of Performance Shares or Performance Units. The Committee shall establish maximum and minimum performance targets to be achieved during the applicable Performance Period. Each grant of a Performance Share or Performance Unit Award shall be subject to additional terms and conditions not inconsistent with the provisions of the Plan. The Committee shall determine what, if any, payment is due with respect to an Award and whether such payment shall be made in cash, Stock or some combination.
- 9.3 Bonus Shares. Subject to the terms of the Plan, the Committee may grant Bonus Shares to any Participant, in such amount and upon such terms and at any time and from time to time as shall be determined by the Committee.
- 9.4 Deferred Shares. Subject to the terms and provisions of the Plan, Deferred Shares may be granted to any Participant in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee. The Committee may impose such conditions or restrictions on any Deferred Shares as it may deem advisable, including time-vesting restrictions and deferred payment features. The Committee may cause the Company to establish a grantor trust to hold Shares subject to Deferred Share Awards. Without limiting the generality of the foregoing, the Committee may grant to

any Participant, or permit any Participant to elect to receive, Deferred Shares in lieu of or in substitution for any other compensation (whether payable currently or on a deferred basis, and whether payable under this Plan or otherwise) which such Participant may be eligible to receive from the Company or a Subsidiary. In no event shall any Deferred Shares relate to the exercise of an Option. Any Award Agreement relating to the grant of Deferred Shares shall separately contain the requisite terms and conditions such that the Deferred Shares Award complies with section 409A of the Code.

SECTION 10
PERFORMANCE AWARDS; SECTION 162(M) PROVISIONS

10.1 Terms of Performance Awards. Except as provided in Section 11, Performance Awards will be issued or granted, or become vested or payable, only after the end of the relevant Performance Period. The performance goals to be achieved for each Performance Period and the amount of the Award to be distributed upon satisfaction of those performance goals shall be conclusively determined by the Committee. When the Committee determines whether a performance goal has been satisfied for any Performance Period, the Committee, where the Committee deems appropriate, may make such determination using calculations which alternatively include and exclude one, or more than one, "extraordinary items" as determined under U.S. generally accepted accounting principles, and the Committee may determine whether a performance goal has been satisfied for any Performance Period taking into account the alternative which the Committee deems appropriate under the circumstances. The Committee also may take into account any other unusual or non-recurring items, including the charges or costs associated with restructurings of the Company, discontinued operations, and the cumulative effects of accounting changes and, further, may take into account any unusual or non-recurring events affecting the Company, changes in applicable tax laws or accounting principles or such other factors as the Committee may determine reasonable and appropriate under the circumstances (including any factors that could result in the Company's paying non-deductible compensation to an Employee or non-employee director).

10.2 Performance Goals. If an Award is subject to this Section 10, then the lapsing of restrictions thereon, or the vesting thereof, and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of one or any combination of the following metrics, and which may be established on an absolute or relative basis for the Company as a whole or any of its subsidiaries, operating divisions or other operating units:

- (a) Earnings measures (either in the aggregate or on a per-Share basis), including or excluding one or more of interest, taxes, depreciation, amortization or similar financial accounting measurements;
- (b) Operating profit (either in the aggregate or on a per-Share basis);
- (c) Operating income (either in the aggregate or on a per-Share basis);

- (d) Net earnings on either a LIFO or FIFO basis (either in the aggregate or on a per- Share basis);
- (e) Net income or loss (either in the aggregate or on a per-Share basis);
- (f) Cash flow provided by operations (either in the aggregate or on a per-Share basis);
- (g) Cash flow returns, including cash flow returns on invested capital (cash flow from operating activities minus capital expenditures, the difference of which is divided by the difference between total assets and non-interest bearing current liabilities);
- (h) Ratio of debt to debt plus equity;
