Director Compensation Overview

Beginning March 2004, each director who was not an employee received \$1,500 for each meeting of the Board, attended in person, and \$500 for each meeting of a committee of the Board. Beginning January 1, 2005, each director of the Board

8

also received a \$10,000 annual stipend; the stipend is paid quarterly. Until the Company has two consecutive quarters of net profit, the stipend is paid in restricted common stock. The cost per common share is calculated based on the average closing price of the Company's common stock during the 20 trading days prior to last day of each quarter. Commencing the first quarter after the Company has shown two consecutive quarters of audited net profit, the stipend will be paid in cash. Upon initial appointment or election to the Board, each newly appointed or elected member receives options to purchase 100,000 shares of the Company's common stock. Each member of the Board receives, within the first month of each calendar year, while serving as a member of the Board, a grant of options to purchase 35,000 shares of the Company's common stock. Along with the above compensation, the Chairman of the Board receives \$4,000 per calendar quarter, as long as the Chairman is not an employee. Directors are also reimbursed for their reasonable out-of-pocket expenses incurred in connection with their duties to us.

Employment Contracts and Termination of Employment Arrangements

The material terms of Harold Blomquist's employment with the Company are as set forth below, as previously disclosed in Item 5.02(c) of the Current Report on Form 8-K filed on May 12, 2005. Mr. Blomquist will be employed for one year with automatic extensions for additional one-year periods unless otherwise terminated. Mr. Blomquist's base salary will be \$325,000 per year and he will be eligible to receive a yearly cash bonus, based on performance, of up to 100% of his salary. In addition, Mr. Blomquist will receive a yearly bonus of options to purchase between 100,000 and 400,000 shares of the Company's common stock; the exact amount will be based on performance. Upon beginning employment, Mr. Blomquist received options to purchase 2.5 million shares of the Company's common stock and a \$50,000 bonus. Within four months of beginning employment, Mr. Blomquist was required to purchase 200,000 shares of common stock from the Company, which Mr. Blomquist did on May 19, 2005. The agreement provided that for each share of common stock Mr. Blomquist purchased from the Company within six months of beginning employment, including the 200,000 shares he was required to purchase, the Company would grant him an additional share, up to a maximum of 500,000 matching shares. In addition to the 200,000 shares he purchased on May 19, 2005, Mr. Blomquist purchased 275,000 shares on November 9, 2005; in each case, the purchase price was determined by calculating the average close price for the five trading days prior to the purchase date. We issued an additional 475,000 shares of our common stock to Mr. Blomquist for no additional consideration to match these previous stock purchases. Upon termination, Mr. Blomquist will be restricted from competing against the Company for a period of 18 months. If Mr. Blomquist is terminated by the Company without cause, all of Mr. Blomquist's unvested stock options will immediately vest and he will

Edgar Filing: SIMTEK CORP - Form 10-K/A

continue to receive his base salary, benefits, and cash and stock bonuses for 18 months. If Mr. Blomquist terminates employment due to good cause or as a result of constructive termination relating to a change of control of the Company, all of Mr. Blomquist's unvested stock options will immediately vest and he will continue to receive his base salary, benefits and cash and stock bonuses for 18 months.

Incident to Douglas Mitchell's resignation as director, Chief Executive Officer, President and Chief Financial Officer (acting) of Simtek, and as Chairman of the Board of Simtek's subsidiary, Q-DOT, Inc., Simtek entered into a

9

Separation Agreement, dated May 9, 2005 (the "Separation Agreement") with Mr. Mitchell. The Separation Agreement provides that for six months following the date of the Separation Agreement, Mr. Mitchell would receive a base salary (prorated from an annualized base salary of \$225,000), and for an additional 12 months following the six months mentioned above, he will receive \$1,875 per month in exchange for providing consulting services to Simtek. Mr. Mitchell's stock options will continue to vest and his vested stock options will remain exercisable during the period that he continues to receive his base salary and during the period that he provides consulting services to Simtek. Per the terms of the Separation Agreement, the Company granted to Mr. Mitchell 150,000 shares of common stock on June 15, 2005 and 50,000 shares of common stock on November 25, 2005. The Separation Agreement also contains a mutual release.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee, during fiscal year 2005, consisted of Ronald Sartore, Robert Pearson, Douglas Mitchell (until May 2005) and Harold Blomquist (beginning May 2005). Mr. Mitchell was our Chief Executive Officer, President and Chief Financial Officer (acting), as well as the Chairman of our subsidiary, Q-DOT, Inc., until he resigned from such positions on May 9, 2005. Mr. Blomquist has been the Chairman of our Board of Directors since October 2003, and has been our Chief Executive Officer and President since May 9, 2005. On June 28, 2005, we issued to Renaissance Capital Growth and Income Fund III, Inc., Renaissance US Growth Investment Trust PLC and BFSUS Special Opportunities Trust PLC, which are managed by RENN Capital Group, warrants to purchase 200,000 shares of our common stock at \$0.50 per share with an exercise period of 5 years. These warrants were issued in exchange for an agreement to delay making principal redemption installments under the 7.50% Convertible Debentures issued by Simtek in 2002 in the aggregate principal amount of \$3,000,000. In connection with the sale of \$11,000,000 of our common stock on December 30, 2005, instead of lowering the conversion price of the Convertible Debentures, as required by the terms of the Convertible Debentures, from \$0.312 per share to \$0.16 per share as a result of the December 30, 2005 offering at \$0.16 per share, we agreed with the RENN Capital Group that the conversion price would only be lowered to \$0.22 per share as a result of the December 30, 2005 offering. As a result, instead of just 9,615,384 shares issuable upon conversion of the Convertible Debentures (which would be the case were the conversion price still \$0.312 per share), there are currently a total of 13,636,364 shares of common stock that are issuable upon conversion of the debentures as a result of the reduction of the conversion price to \$0.22 per share. Also on December 30, 2005, we issued a total of 9,375,000 shares of common stock to Renaissance Capital Growth and Income Fund III, Inc., Renaissance US Growth Investment Trust PLC and BFSUS Special Opportunities Trust PLC in exchange for a total of \$1,500,000. RENN Capital Group is the agent for these three investment funds. One of our

Edgar Filing: SIMTEK CORP - Form 10-K/A

directors, Mr. Robert Pearson, holds the position of Senior Vice President of RENN Capital Group.

Securities Authorized For Issuance Under Equity Compensation Plans

Shares issuable within sixty days after April 25, 2006 upon the exercise of options, warrants or debentures are deemed outstanding for the purpose of computing the percentage ownership of persons beneficially owning such options, warrants or debentures but are not deemed outstanding for the purpose of computing the percentage ownership of any other person. Percentage of beneficial ownership of common stock prior to and after the offering is based on 146,920,823 shares of common stock outstanding as of March 31, 2006.

Item 13: Certain Relationships and Related Transactions

On July 1, 2002, we received a total of \$3,000,000 from Renaissance Capital Growth and Income Fund III, Inc., Renaissance US Growth Investment Trust PLC and BFSUS Special Opportunities Trust PLC (collectively, the "RENN Entities") in return for issuing 7.5% convertible debentures with an aggregate principal amount of \$3,000,000. The convertible debentures have a maturity date of June 28, 2009 and originally had a conversion rate of \$0.312, which would have resulted in 9,615,384 shares being issued upon conversion. In connection with the sale of \$11,000,000 of our common stock on December 30, 2005, instead of lowering the conversion price of the 2002 convertible debentures, as required by the terms of the 2002 convertible debentures, from \$0.312 per share to \$0.16 per share as a result of the December 30, 2005 offering at \$0.16 per share, we agreed with the RENN Entities that the conversion price would only be lowered to \$0.22 per share as a result of the December 30, 2005 offering. As a result, instead of just 9,615,384 shares issuable upon conversion of the 2002 debentures

(which would be the case were the conversion price still \$0.312 per share), there are currently a total of 13,636,364 shares of common stock that are issuable to the RENN Entities upon conversion of the debentures as a result of the reduction of the conversion price to \$0.22 per share. Also on December 30, 2005, we issued 9,375,000 shares of common stock to the RENN Entities in exchange for \$1,500,000. On June 28, 2005, we issued warrants to purchase 200,000 shares of our common stock to the RENN Entities in exchange for a waiver of certain provisions relating to the 7.5% debentures. These warrants have 5-year terms with an exercise price of \$0.50 per share. RENN Capital Group, Inc. is the agent for the RENN Entities. One of our directors, Mr. Robert Pearson, holds the position of Senior Vice President of RENN Capital Group, Inc.

On October 12, 2004, we issued in a private placement to SF Capital Partners Ltd. 3,857,367 shares of our common stock and a warrant to acquire 2,063,984 shares of our common stock. The warrant has a 5-year term and originally had an exercise price of \$0.627 per share. In connection with the sale of \$11,000,000 of our common stock on December 30, 2005, we agreed with SF Capital Partners Ltd. that in exchange for their waiver of certain participation rights held by them in connection with the December 30, 2005 offering, the exercise price of their warrant to acquire 2,063,984 shares of our common stock would be lowered from \$0.627 per share to \$0.265 per share. Also on December 30,

2005, we issued 6,250,000 shares to SF Capital Partners Ltd. in exchange for \$1,000,000. As of the date of this report, SF Capital Partners Ltd. owns 10,107,367 shares as a result of the October 12, 2004 and December 30, 2005 transactions, and has a warrant to purchase 2,063,984 shares with an exercise price of \$0.265 per share as a result of the October 12, 2004 transaction. By its terms, the warrant issued to SF Capital Partners Ltd. may not be exercised if the exercise would cause SF Capital Partners Ltd. to be a 5% or more holder of all of our outstanding common stock; however, SF Capital Partners Ltd. may waive such restriction on 61 days notice to us. Given the number of shares of our common stock that SF Capital Partners Ltd. holds as of the date of this report, SF Capital Partners Ltd. cannot exercise such warrant unless it waives the restriction and gives us 61 days notice of the waiver; as such, the 2,063,984 shares issuable under the warrant are not included in SF Capital Partner Ltd.'s entry in the "Security Ownership of Certain Beneficial Owners and Management" table above under the column entitled "Amount and Nature of Beneficial Ownership."

On May 4, 2005, we received \$4,000,000 from Cypress in return for issuing 6,740,816 shares of our common stock and warrants to acquire 5,055,612 shares of our common stock. The warrants have a 10-year term with an exercise price of \$0.7772. On March 24, 2006, we entered into a License and Development Agreement with Cypress pursuant to which, among other things, Cypress agreed to license certain intellectual property from us to develop and manufacture standard, custom and embedded nvSRAM products, we agreed with Cypress to co-develop certain nvSRAM products and Cypress agreed to pay us \$4 million in pre-paid royalties paid in certain installments. Under the License and Development Agreement, we issued on March 24, 2006 a warrant granting Cypress the right to purchase 10 million shares of our common stock. We also agreed to issue, upon payment by Cypress of an installment of pre-paid royalties on June 30, 2006, a warrant granting Cypress the right to purchase 5 million shares of our common stock and we agreed to issue, upon payment by Cypress of an installment of pre-paid royalties on December 31, 2006, a warrant granting Cypress the right to purchase 5 million shares of our common stock. Each of these warrants has, or will have when issued, an exercise price per share of \$0.75 with a term of 10 years from the date of issuance.

On November 9, 2005 and pursuant to his employment agreement with us, Mr. Blomquist purchased 275,000 shares of our common stock directly from us at a purchase price of \$0.298 per share. In each case, the purchase price was determined by calculating the average close price for the five trading days prior to the purchase date. On January 20, 2006 and also pursuant to his employment agreement with us, we issued an additional 475,000 shares of our common stock to Mr. Blomquist for no additional consideration to match his previous stock purchases.

On December 30, 2005, as part of our sale of \$11,000,000 of our common stock, we issued (in addition to the shares issued to SF Capital Partners Ltd. and the RENN Entities on such date, as described above, as well as certain other individual and institutional investors): Crestview Capital Master LLC 24,687,500 shares in exchange for \$3,950,000; Big Bend XXVII Investments, L.P. 14,375,000 shares for \$2,300,000; and Toibb Investment LLC 11,875,000 shares for \$1,900,000.
