PROXY STATEMENT AND NOTICE SOLICITATION OF PROXIES

The Annual Meeting of the Stockholders (the "Annual Meeting") of Buyers United, Inc., a Delaware corporation (referred to herein sometimes as "Buyers United" or "the Company"), will be held at 10:00 a.m., on June 17, 2003, at 14870 Pony Express Road, Bluffdale, Utah. The Board of Directors is soliciting the enclosed proxy through this proxy statement for use at the Annual Meeting and at any adjournment thereof.

The purpose of the Annual Meeting is to propose and vote on the following items:

- (1) Election of Theodore Stern, Gary Smith, Edward Dallin Bagley and Steve Barnett as Directors of Buyers United to serve for a term of one year and until their successors are duly elected and qualified;
- (2) Ratify the appointment of Crowe Chizek and Company LLC, as Buyers United's independent public accountants for 2003;
- (3) Approve the director Stock Option Plan; and
- (4) Conduct all other business as may properly come before the Annual Meeting or any adjournments thereof.

Please sign your name exactly as it appears on the proxy. If you receive more than one proxy because of shares registered in different names or addresses, you must complete and return each proxy in order to vote all shares that you hold.

All proxies will be voted as specified. In the absence of specific instructions, your proxy will be voted FOR proposals (1), (2) and (3). Proxies will be voted in the discretion of the proxy holder on any other business coming before the Annual Meeting, including any stockholder proposal or other matter not included in this proxy statement of which Buyers United did not receive notice prior to February 28, 2003.

You may revoke your proxy by delivering a written notice of revocation to Buyers United's corporate secretary at any time prior to the Annual Meeting, by executing a later-dated proxy with respect to the same shares, or by attending the Annual Meeting and voting in person.

Proxies will be solicited primarily by mail, but may also include telephone, telegraph, or oral communication by officers or regular employees. Officers and employees will receive no additional compensation for soliciting proxies. All costs of soliciting proxies will be borne by Buyers United.

This Proxy Statement serves as notice of the Annual Meeting, a description of the proposals to be addressed at the Annual Meeting, and a source of information on Buyers United and its management. The approximate mailing date of the Proxy Statement and Proxy to stockholders is May 9, 2003.

OUTSTANDING SHARES AND VOTING RIGHTS

Record Date. Stockholders of record at the close of business on May 2, 2003 ("Record Date"), are entitled to notice of and to vote at the Annual Meeting or any adjournment thereof.

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

Shares Outstanding. As of May 2, 2003, a total of 6,330,213 shares of Buyers United's common stock were outstanding and entitled to vote at the Annual Meeting. As of the Record Date, Buyers United had two classes of preferred stock outstanding, Series A Convertible Preferred Stock and Series B convertible Preferred Stock, that are not entitled to vote on any of the matters to be voted upon by stockholders at the Annual Meeting.

Voting Rights and Procedures. Each outstanding share of common stock is entitled to one vote on all matters submitted to the stockholders' vote. Buyers United's Bylaws and Delaware law require the presence, in person or by proxy, of a majority of the outstanding shares entitled to vote to constitute a quorum to convene the Annual Meeting. Shares represented by proxies that reflect abstentions or "broker non-votes" (i.e., shares held by a broker or nominee that are represented at the meeting, but with respect to which such broker or nominee is not empowered to vote on a particular proposal) will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Stockholder Proposals for the 2004 Annual Meeting. Proposals from stockholders intended to be included in this proxy statement for the Annual Meeting in 2004 must be received by Buyers United's Secretary on or before February 27, 2004, and may be omitted unless the submitting stockholder meets certain requirements. It is suggested that the proposal be submitted by certified mail, return-receipt requested.

You may present your own proposal at the Annual Meeting in 2004 without including the proposals in the proxy statement. However, if the Company does not receive notice of this proposal on or before February 27, 2004, any proxy returned to Buyers United conferring discretionary authority to vote may be voted at the proxy holder's discretion on your proposal.

At the Annual Meeting, all Buyers United directors will be elected to serve until the annual meeting of stockholders in the year 2004.

The Board nominates for election as Directors:

Theodore Stern Gary Smith Edward Dallin Bagley Steve Barnett

companies, and tenure of service with Buyers United as a director, for each of the nominees.

Vote and Recommendation

Each director is elected by vote of a plurality of the shares of voting stock present and entitled to vote, in person or by proxy, at the Annual Meeting. Abstentions or broker non-votes as to the election of directors will not affect the election of the candidates receiving the plurality of votes. Unless instructed to the contrary, the shares represented by the proxies will be voted FOR the election of the nominees named above as directors. Although it is anticipated that each nominee will be able to serve as a director, should any nominee become unavailable to serve, the proxies will be voted for such other person or persons as may be designated by our Board.

The Board Recommends a Vote "FOR" The Nominees

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS (PROPOSAL NO. 2)

The accounting firm of Crowe Chizek and Company LLC, has been approved by the Board, upon recommendation by its Audit Committee, to serve as Buyers United's independent public accountants for 2003, subject to approval by the stockholders by an affirmative vote of a majority of the outstanding shares of our common stock represented at the Annual Meeting. Crowe, Chizek and Company has served as the Company's independent auditors since February 2002. The Board has been advised that neither Crowe Chizek and Company LLC nor any of its members or associates has any relationship with the Company or any of its affiliates, except in their capacity as independent public accountants.

Buyers United is not required to submit selection of our independent accountants to a vote of stockholders for approval. We do so as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and Board of Directors will reconsider whether to retain Crowe Chizek and Company LLC, and may retain the firm or another without submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee and the Board of Directors may, in their discretion, direct the appointment of different independent accountants at any time during the year if they determine that such change is in the best interest of the Company and its stockholders.

During 2002 Crowe Chizek and Company LLC audited Buyers United's consolidated financial statements, reviewed financial information in filings with the Securities and Exchange Commission, and provided tax services. Fees for services rendered in 2002 by Crowe Chizek and Company LLC are as follows:

Audit fees	\$ 52,275
Audit related services	33,375
All other fees (substantially tax preparation)	26,713

Total	\$ 112,363
	=====

It is not expected that a representative of Crowe Chizek and Company LLC will be present at the Annual Meeting to respond to questions from stockholders.

Vote and Recommendation

The affirmative vote of a majority of the shares of common stock

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

represented at the Annual Meeting in person or by proxy is required to approve the selection of Crowe Chizek and Company LLC to serve as Buyers United's independent auditors for 2003. Broker non-votes will be treated as unvoted for purposes of determining approval of Proposal 2 and will not be counted as votes for or against Proposal 2. Properly executed, unrevoked proxies will be voted FOR Proposal 2 unless a vote against Proposal 2 or abstention is specifically indicated in this proxy statement.

The Board Recommends a Vote "For" the Ratifying the Appointment of Crowe Chizek and Company LLC.

Change in Certifying Accountant

On February 20, 2002, Buyers United dismissed Arthur Andersen LLP ("Andersen") as its independent certified public accountants. The change was recommended by our Audit Committee and approved by the Board.

Andersen performed audits of our financial statements for each of the years ended December 31, 2000 and 1999. Their audit reports did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles, except for paragraphs emphasizing Buyers United's going concern contingencies.

During the three-year period ended December 31, 2001, and from that date through February 20, 2002, there have been no disagreements between the Buyers United and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which would have

3

caused Andersen to make reference to the subject matter of such disagreements in connection with their reports. Andersen also has never advised Buyers United of any reportable events as described in Item 304(a)(1)(iv)(B) of Regulation S-B.

On February 20, 2002, the Board engaged Crowe, Chizek and Company LLP ("Crowe Chizek") as the Company's new independent certified public accountants. Up to that date, neither Buyers United nor anyone on its behalf consulted Crowe Chizek regarding the application of accounting principles to specific transactions or the type of audit opinion that might be rendered on Buyers United's financial statements.

APPROVAL OF DIRECTOR STOCK OPTION PLAN (PROPOSAL NO. 3)

Purpose of Proposal

At the Annual Meeting, stockholders will be asked to approve the Director Stock Option Plan. Our practice has been to issue options to our directors annually in consideration for their service. In addition, we have granted additional options to the Chairman of the Board and the Chairman of the Audit Committee because of the additional service required by these positions. Quotations for our common stock now appear on the OTC Bulletin Board operated by the National Association of Securities Dealers, also known as the NASD. The NASD has been working toward implementing the BBX, which will mandate most of the corporate governance requirements of the NASDAQ SmallCap market. Once the BBX is operational, which is expected to occur later in 2003, the OTC Bulletin Board will be phased out. It is our intention to apply for listing on the BBX, which will subject us to the corporate governance requirements of that market, including the requirement that stock options issued to directors is approved by stockholders. For that reason we are seeking stockholder approval of the

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

Director Stock Option Plan, which formalizes our past practice in granting options to directors and meet the stockholder approval requirement of the BBX.

Summary Description of the Plan

The following summarizes the principal terms of the plan. Because it is not a complete description of all of the terms and conditions of the plan, the summary is qualified in its entirety by the full text of the Director Stock Option Plan, which is set forth in Appendix I to this proxy statement.

Purpose. The purposes of the plan are to attract, motivate and retain experienced and knowledgeable directors by offering them opportunities to increase their stock ownership interest in Buyers United.

Eligibility. Each person serving as a director on the date options are issued under the plan is eligible to participate. The persons serving a Chairman of the Board and Chairman of the Audit Committee on the date options are issued for those positions under the plan are eligible to participate.

Administration. The plan is administered committee, which is either the Board of Directors or a committee appointed by the Board for such purpose. The Board of Directors has not appointed a committee to administer the plan, so the entire Board is now the committee administering the plan. Subject to the limitations of the plan, the committee has broad authority under the plan, including, for example, the authority:

- (1) To construe and interpret this plan;
- (2) To make all other determinations required by this plan;
- (3) To maintain all the necessary records for the administration of this plan; and
- (4) To make and publish forms, rules and procedures for administration of the plan.

Shares Authorized. The Board has authorized the issuance or delivery of options to purchase an aggregate of 1,000,000 shares of common stock under the plan, subject to customary antidilution and other adjustments provided for in the plan. All shares available for issuance or delivery under the plan are authorized but unissued shares or previously issued shares held as treasury shares.

Option Awards. Each person serving as a director on March 1 of each year beginning in 2004 is entitled to receive an option to purchase 25,000 common shares at an exercise price per share equal to the average fair market value on that date, but in no event less than the conversion price for the Series B

Convertible Preferred Stock of Buyers United, which is now \$2.00 per share. The average fair market value is the average of the public market prices for our common stock over a period of ten days prior to the date the option is issued. On the dates in 2004 the Board appoints the Chairman of the Board and Chairman of the Audit Committee to serve for the next year, each person so appointed is entitled to receive an option to purchase 15,000 common shares at an exercise price per share equal to the average fair market value on that date, but in no event less than the conversion price for the Series B Convertible Preferred Stock of Buyers United. Each option issued under the plan is exercisable over a term of five years. The number of options issuable each year under the plan, as well as options outstanding under the plan, is subject to customary antidilution and other adjustments provided for in the plan. Options issued under the plan are not exclusive and the plan does not limit the authority of the Board or its

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

Restrictions on Transfer. Options issued under the plan are generally non-transferable, except by will or the laws of descent and distribution.

Adjustment. The number of shares available for issuance under the plan, the amount of the option awards, the number of shares subject to outstanding options, and the exercise price of outstanding options are subject to adjustment upon certain reorganizations, mergers, combinations, consolidations, recapitalizations, reclassifications, stock splits, stock dividends, asset sales or other similar events.

Termination of or Changes to the Plan. The Board may amend or terminate the plan, in whole or in part, and does not contemplate seeking shareholder approval for amendments, except to the extent required by applicable law or listing requirements, provided, however, that the Board may not amend the plan to increase the number of authorized shares or expand the class of eligible persons without approval of the shareholders. No amendment or termination may cancel or adversely affect a participant's rights with respect to then outstanding options, without his or her written consent. Buyers United expects that the plan will continue indefinitely, subject to the maximum aggregate share limit stated in the plan.

Securities Underlying Options. Buyers United expects that the options and the common stock issued on exercise of the options will be issued in reliance on exemptions from registration under the Securities Act of 1933. However, Buyers United may elect in the future to file a registration statement under the Securities Act of 1933 to register the common stock under the plan.

Income Tax Consequences. There are no federal income tax consequences to an individual or to Buyers United the grant of options under the plan. Upon the exercise of an option, the person exercising will recognize ordinary compensation income in an amount equal to the excess of the fair market value of the shares at the time of exercise over the exercise price of the option, and Buyers United generally will be entitled to a corresponding federal income tax deduction. Upon the sale of shares acquired by exercise of an option, the person exercising will have a capital gain or loss (long-term or short-term depending upon the length of time the shares were held) in an amount equal to the difference between the amount realized upon the sale and the individual's adjusted tax basis in the shares, which is the exercise price plus the amount of ordinary income recognized at the time the option was exercised.

New Plan Benefits - 2004

The following chart presents the benefits or amounts that will be received to each of the following persons or groups for the calendar year 2004, assuming persons now holding positions with Buyers United continue to hold those positions through the dates in 2004 when the options are issued.

The fair market value of Buyers United's common stock at April 25, 2003, is determined by the last sale price on that date, which was \$1.20 per share.

(2) Includes options to purchase 75,000 shares issuable to three non-executive officer directors and options to purchase 15,000 shares issuable to Chairman of the Audit Committee.

Vote Required

The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on this item is required for approval of the plan. Abstentions will have the effect of a negative vote on the proposal. If no direction is indicated on the proxy, the shares represented by the proxy will be voted FOR the proposal. "Broker Non-votes" as to the proposal will not affect the outcome of the vote on the proposal. The Board has approved the plan and believes it to be in the best interests of Buyers United and the shareholders. All directors are eligible to participate in the plan and thus have a personal interest in its approval.

The Board of Directors Recommends a Vote "For" Approval of the Director Stock Option Plan.

The Compensation Committee considers salary and benefit matters for the executive officers and key personnel of the Company. The Compensation Committee met twice in 2002, and all director members of the committee attended at least 75% of the meetings. In 2000, the Board also formed the Audit Committee, the members of which are Steve Barnett (Chairman) and Edward Dallin Bagley. The Audit Committee is responsible for financial reporting matters, internal controls, and compliance with the Company's financial policies, and meets with its auditors when appropriate. The Audit Committee met twice in 2002, and all director members of the committee attended the meetings.

Beginning October 1, 2002, Buyers United is paying to each director a monthly director fee of \$1,000. The past practice of the Board is to compensate directors for their annual service by issuing to each of them options to purchase 25,000 shares of common stock exercisable over a term of five years from the date of issue. Pursuant to this practice, each director received 25,000 options in February 2001 and March 2002 with an exercise price of \$2.50 per share, and 25,000 options in October 2002 with an exercise price of \$2.00 per share. It has also been the past practice of the Board to compensate the Chairman of the Board and the Chairman of the Audit Committee for their annual service by issuing to each of them options to purchase 15,000 shares of common stock exercisable over a term of five years from the date of issue. Pursuant to this practice, Theodore Stern received as Chairman of the Board 15,000 options

in February 2001 and March 2002 with an exercise price of \$2.50 per share, and 15,000 options in October 2002 with an exercise price of \$2.00 per share. Steve Barnett received as Chairman of the Audit Committee 15,000 options in October 2002 with an exercise price of \$2.00 per share.

Audit Committee Report

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

The Board's Audit Committee assists in fulfilling its oversight responsibilities with respect to the external reporting process and the adequacy of Buyers United's internal financial controls. The Audit Committee is comprised of two members, one of who is an independent director under the rules adopted by the National Association of Securities Dealers, Inc.

Management is responsible for Buyers United's internal controls and the financial reporting process. Crowe Chizek and Company LLC, our independent public accounting firm, is responsible for performing an independent audit of Buyers United's consolidated financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the financial statements. The Audit Committee's responsibility is to monitor these processes through review and discussion with management and representatives of Crowe Chizek and Company LLC.

The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is presented in Appendix II to this proxy statement. The Audit Committee reviews and reassesses the adequacy of the charter on an annual basis. As a result of the adoption of the Sarbanes-Oxley Act of 2002 and rules there under, we expect that after the Annual Meeting the Audit Committee will reassess the charter and recommend to the Board appropriate changes under the new regulatory scheme.

The Audit Committee has discussed with Crowe Chizek and Company LLC the overall scope of the independent audit. Management represented to the Audit Committee that Buyers United's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. Discussions about the audited financial statements included Crowe Chizek and Company LLC's judgments about the quality and acceptability of the accounting principles, the reasonableness of significant judgments, and the accuracy and adequacy of disclosures in the financial statements. The Audit Committee also discussed with the auditors other matters required by Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended by SAS No. 90, Audit Committee Communications.

Crowe Chizek and Company LLC provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. The Audit Committee discussed Crowe Chizek and Company LLC's independence with management and representatives of Crowe Chizek and Company LLC, and has satisfied itself as to the independence of Crowe Chizek and Company LLC.

Based on the Audit Committee's discussions with management and representatives of Crowe Chizek and Company LLC and the Audit Committee's review of the representations of management and the report of Crowe Chizek and Company LLC, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in Buyers United's Annual Report on Form 10-KSB for the year ended December 31, 2002, filed with the Securities and Exchange Commission.

Description of Long Term Stock Incentive Plan

The purpose of the Long Term Stock Incentive Plan (the "Plan") is to provide directors, officers, employees, and consultants with additional

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

incentives by increasing their ownership interests in Buyers United. Directors, officers, and other employees of Buyers United and its subsidiaries are eligible to participate in the Plan. In addition, awards may be granted to consultants providing valuable services to Buyers United. As of March 31, 2002, Buyers United and its affiliates employed approximately 70 individuals who are eligible to participate in the Plan. The Board grants awards under the Plan. Awards may include incentive stock options, non-qualified stock options, stock appreciation rights, stock units, restricted stock, restricted stock units, performance shares, performance units, or cash awards.

The Board has discretion to determine the terms of an award under the Plan, including the type of award, number of shares or units covered by the award, option price, term, vesting schedule, and post-termination exercise period or payment. Notwithstanding this discretion: (i) the number of shares subject to an award granted to any individual in any calendar year may not exceed 100,000 shares; (ii) the option price per share of common stock may not be less than 100 percent of the fair market value of such share at the time of grant or less than 110% of the fair market value of such shares if the option is an incentive stock option granted to a stockholder owning more than ten percent of the combined voting power of all classes of the stock of Buyers United (a "10% stockholder"); and (iii) the term of any incentive stock option may not exceed 10 years, or five years if the option is granted to a 10% stockholder. As of March 31, 2003, awards in the form of qualified incentive stock options to purchase a total of 615,347 shares were outstanding under the Plan.

A maximum of 1,200,000 shares of common stock may be subject to outstanding awards, determined immediately after the grant of any award under the Plan. Shares of common stock, which are attributable to awards that have expired, terminated, or been canceled or forfeited during any calendar year, are available for issuance or use in connection with future awards.

12

The Plan was effective March 11, 1999, and is not limited in duration. No incentive stock option may be granted more than 10 years after the effective date. The Plan may be amended by the Board without the consent of the stockholders, except that stockholder approval is required for any amendment that materially increases the aggregate number of shares of stock that may be issued under the plan or materially modifies the requirements as to eligibility for participation in the Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following discussion includes certain relationships and related transactions that occurred during Buyers United's fiscal years ended December 31, 2002 and 2001.

Transactions with Theodore Stern

Beginning in January 2001, and continuing into 2003, Theodore Stern, the Chairman of the Board of Directors and Chief Executive Officer, made loans to Buyers United for working capital purposes. All of the loans bear interest at the rate of 12 percent per annum and are unsecured. In consideration for many of the loans, we issued common stock to Mr. Stern and recorded the value of the stock at the market price on the date of issuance. The following table shows the date and principal amount of the loans, the maturity dates, the number of shares of common stock issued in consideration for the loans, and the value of the common stock:

* - indicates the note is convertible into common stock at a rate of \$2.50

** - indicates the note is convertible into common stock at a rate of \$2.00

Interest on the last two notes is payable monthly. Interest on all but the last two notes accrue monthly, with the accumulated, then-owed amount to be paid in full on July 5, 2003. Thereafter, interest on those notes will also be payable monthly.

In October 2000, the Board approved a consulting agreement with Mr. Stern. Under the agreement Mr. Stern receives a monthly fee of \$6,000 in connection with duties performed as our Chief Executive Officer. He earned \$70,000 in both 2001 and 2002 under this arrangement, and \$6,000 remained unpaid as of December 31, 2002.

Mr. Stern also loaned Buyers United \$100,000 in December 2000. We issued a promissory note payable on demand accruing interest at 12% secured by our

13

accounts receivable. If the note was not paid by February 1, 2001, 10,000 shares of common stock were to be issued in consideration of the non-payment. The note was not repaid at that time, the 10,000 shares were issued to Mr. Stern, and the note remains an outstanding obligation. The shares were valued at \$16,562 based on the then current market price.

In July 2001, Mr. Stern loaned \$400,000 to Buyers United. In lieu of regular interest or shares of stock, we agreed to pay to Mr. Stern a monthly fee equaling two percent of the monthly billings of two of our wholesale telecommunications carriers. The loan was needed at a time when Buyers United was in the process of negotiating lower rates with the carriers in anticipation of higher monthly services obtained for resale purposes. This loan was repaid during the fourth quarter of 2002.

In November 2001, we agreed to issue 50,000 shares to Mr. Stern in

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

consideration of extending the maturity date of the June 5, 2001 \$500,000 promissory note to July 5, 2003. The value of the shares was recorded at \$31,500. On December 4, 2001, we agreed to issue 156,500 shares to Mr. Stern in consideration of extending the maturity date of the remaining \$1,565,000 then owing in notes payable listed above to July 5, 2003. The value of the shares was recorded at \$93,900. All these notes were later extended further to July 5, 2004, but no additional compensation was paid to Mr. Stern.

In August 2001, Buyers United issued 10,500 shares to Mr. Stern in consideration of him providing a personal guaranty to RFC Capital Corporation on our financing arrangement. The guaranty related to potential additional liability due in connection with excise tax assessments owing during 2000 and paid in 2001 and 2002. The shares were valued at \$9,975 based on the then current market price.

In September 2001, Buyers United issued 25,000 shares to Mr. Stern in consideration for Mr. Stern's personal guaranty of Buyers United's payment obligations under a new contract with Global Crossing Communications, Inc., that provides telecommunication services to us for resale. The shares were valued at \$17,500 based on the then current market price.

In February 2002, Mr. Stern gave his personal guaranty of up to \$250,000 of obligations arising under our resale contract with MCI WorldCom, Inc. In consideration for providing the guaranty, we issued 25,000 shares to Mr. Stern valued at \$30,750 based on the then current market price.

In December 2002, Mr. Stern participated in providing funding for a deposit in connection with acquiring customers from Touch America, Inc. The total amount raised was \$3,187,500, of which total Mr. Stern contributed \$137,500 under terms identical to the other unaffiliated investors. All the unsecured promissory notes bear interest at 10 percent, payable monthly. Principal payments are also due monthly, based on 10 percent of the net billings collected from the Touch America customers during the prior calendar month, and the notes have no maturity date.

On January 15, 2003, Mr. Stern gave his personal guaranty of up to \$250,000 of obligations arising under a resale contract with Williams Communications. In consideration for providing the guaranty, we issued 15,000 shares to Mr. Stern valued at \$36,300 based on the then current market price.

Transactions with other related parties

In October 2000, the Board approved a two-year consulting arrangement with Gary Smith, a member of the Board. No fees were actually paid to Mr. Smith during 2000, and up through October 2002, Mr. Smith was paid \$110,000 in fees under his consulting arrangement.

In March 2001, Buyers United entered into three-year marketing contracts with Karl and Kay Malone, holders of Series B Convertible Preferred Stock and warrants. Under the terms of the contracts, 100,000 shares of common stock were issued. The value of the shares was recorded at that day's market trading price of \$1.25, or \$125,000. Consideration granted under the contracts' terms also included an option to purchase up to 150,000 additional shares of common stock at \$2.50 per share. During 2002 one of the contracts was cancelled, and the option to purchase common shares was rescinded.

In May 2001, Buyers United issued 100,000 shares of common stock to Gary Smith. The value of the shares was recorded at that day's market trading price

Edgar Filing: BUYERS UNITED INC - Form DEF 14A

of \$1.45, or \$145,000. The shares were issued in consideration of Mr. Smith encumbering certain real property to provide collateral for a promissory note in the principal amount of \$1,050,000 owed by Buyers United to George Brimhall.

On January 15, 2002, Paul Jarman, G. Douglas Smith, and Kenneth D. Krogue made unsecured loans to Buyers United in the total principal amount of \$79,998, due July 15, 2003 and bearing interest at the rate of 12 percent per annum. In consideration for making the loans, Buyers United agreed to issue a total of 7,998 shares to these individuals valued at \$8,798 based on the market price on the date of issuance.

At the end of 2002 and during the first week of January 2003, Edward Dallin Bagley made two-year unsecured loans to Buyers United aggregating \$750,000. The notes bear interest at 12 percent payable monthly, and are convertible into 375,000 shares of common stock (conversion rate of \$2.00 per share).

In February 2003, Buyers United issued a 12 percent unsecured promissory note to Steve Barnett in exchange for a loan of \$50,000. Interest is payable monthly and the loan matures on July 1, 2004.

fix a record date for the effectuation of a split or subdivision of the outstanding shares of Common Stock or the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in additional shares of Common Stock or other securities or rights convertible into, or entitling the holder thereof to receive directly or indirectly, additional shares of Common Stock (hereinafter referred to as "Common Stock Equivalents") without payment of any consideration by such holder for the additional shares of Common Stock or the Common Stock Equivalents (including the additional shares of Common Stock issuable upon conversion or exercise thereof), then, as of such record date (or the date of such dividend distribution, split or subdivision if no record date is fixed), the number of shares subject to this Plan, the number of share options issued each Year under Section 4, and the number of shares purchasable under each outstanding option will be appropriately increased in proportion to such increase in the aggregate of shares of Common Stock outstanding and those issuable with respect to such Common Stock Equivalents.

(c) Option Price Adjustment. Whenever there is an adjustment in the number of the number of shares purchasable under each outstanding option pursuant to the provisions of Sections 4.3(a) or (b), the Option Price shall be adjusted to an amount arrived at by multiplying the Option Price in effect immediately prior to such adjustment in the number of shares by a fraction, the numerator of which shall be the number of shares purchasable upon the exercise of the option immediately before such adjustment and the denominator of which shall be the number of shares purchasable upon the exercise of the option immediately after such adjustment.

(d) Recapitalization. If at any time or from time to time there shall be a recapitalization of the Common Stock (other than a subdivision, combination or merger or sale of assets transaction provided for elsewhere in this Section 4.3) provision shall be made so that the holders of option issued under the Plan shall thereafter be entitled to receive upon exercise of their options the number of shares of stock or other securities or property of the Company or otherwise, to which the holders would have been entitled on such recapitalization assuming each had exercised his or her option immediately prior thereto. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4.3 with respect to the rights of the holder of this warrant after the recapitalization to the end that the provisions of this Section 4.3 (including adjustment of the Option Price then in effect and the number of shares issuable upon exercise) shall be applicable after that event as nearly equivalent as may be practicable.

(e) Consolidation or Merger. If the Company shall consolidate with or merge into another corporation or shall sell, lease, or convey to another corporation the assets of the Company as an entity or substantially as an entity (any one or more of such transactions being a "Corporate Transaction") provision shall be made so that the holders of options shall thereafter be entitled to receive upon exercise of their options the number of shares of stock or other securities or property of the Company or otherwise, to which the holders would have been entitled to receive in such Corporate Transaction assuming they exercised their options immediately prior thereto. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 4.3 with

4.4 Manner of Exercising Option. In order to exercise an option with respect to all or any part of the shares for which this option is at the time exercisable, the recipient (or in the case of exercise after recipient's death, recipient's executor, administrator, trustee, heir or legatee, as the case may be) must take the following actions:

(a) Notice and Payment. Deliver to the Corporate Secretary of the Company an executed notice of exercise in the form adopted from time to time by the Company (the "Exercise Notice") in which there is specified the number of shares that are to be purchased under the exercised option, and pay the aggregate Option Price for the purchased shares through one or more of the following alternatives:

(1) full payment in cash or by check made payable to the Company's order;

(2) full payment in shares of Common Stock held for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes and valued at the Average Fair Market Value as of the date the Exercise Notice is delivered to the Company; or

(3) full payment through a combination of shares of Common Stock held for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes and valued at the Average Fair Market Value as of the date the Exercise Notice is delivered to the Company and cash or check payable to the Company's order.

(b) Delivery. As soon as practical after receipt of the Exercise Notice, the Company shall mail or deliver to or on behalf of the person or persons exercising the option a certificate or certificates representing the purchased shares.

4.5. Compliance with Laws and Regulations. The exercise of options and the issuance of shares upon such exercise shall be subject to compliance by the Company and the holders of the options with all applicable requirements of law relating thereto and with all applicable regulations of any securities exchange on which shares of the Company's Common Stock may be listed at the time of such exercise and issuance. Any securities delivered under this Plan shall be subject to prior registration or such restrictions as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as it may reasonably request to assure such compliance.

The inability of the Company to obtain approval from any regulatory body having authority deemed by the Company to be necessary to the lawful issuance and sale of any Common Stock pursuant to an option issued under the Plan shall relieve the Company of any liability with respect to the non-issuance or sale of the Common Stock as to which such approval shall not

4.7. Notices.
