## Item 5.07 Submission of Matters to a Vote of Security Holders

On July 30, 2010, Altair Nanotechnologies (the “Company”), Inc. held a Special Meeting of the Shareholders (the “Meeting”) at which its shareholders voted upon a special resolution authorizing the Company to make an application under Section 188 of the Canada Business Corporations Act to change its jurisdiction of incorporation from the federal jurisdiction of Canada to the State of Nevada by way of a domestication under Section 92A.270 of the Nevada Revised Statutes and approval of the articles of incorporation authorized in the special resolution to be effective as of the date of the Company’s domestication.

A quorum of one-third of the outstanding common shares was present at the Meeting, and the proposal related to the domestication was approved. The number of votes cast for or against and the number of votes withheld or abstained are set forth below.

	Votes For	Votes Against	Votes Withheld/ Abstained
Domestication Proposal	42,844,026	981,428	155,365

The proxy statement for the meeting included a second item, which was to adjourn the special meeting, if necessary, to solicit additional proxies, if there were not sufficient votes at the time of the special meeting to approve the domestication proposal. Because there were enough votes to approve the domestication proposals, the adjournment proposal was not voted upon at the Meeting.
