The Board of Directors has fixed July 5, 2012, as the record date for the Annual Meeting. A list of stockholders as of July 5, 2012, will be available at the Annual Meeting for inspection by any stockholder.

Stockholders will need to register at the Annual Meeting to attend the Annual Meeting. If your shares of common stock are not registered in your name, you will need to bring proof of your ownership of those shares of common stock to the Annual Meeting in order to register. Proxy Statement
for
Annual Meeting of Stockholders

To Be Held August 28, 2012

Unless the context requires otherwise, references in this proxy statement to *Gryphon Gold*, the *Company*, *we*, *us*, *our* refer to Gryphon Gold Corporation.

The Annual Meeting of Stockholders (the *Annual Meeting*) will be held at the Nevada Mining Museum, 600 North Carson Street, Carson City, Nevada, USA 89701, beginning August 28, 2012, at 10:30am local time. We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by our Board of Directors (the *Board*) of proxies for this Annual Meeting. A notice of the availability of this proxy statement (the *Proxy Statement*), the form of proxy and our 2012 Annual Report on Form 10-K for the fiscal year ended March 31, 2012 (the *Annual Report*) to Stockholders will first be mailed to holders of our voting stock on or about July 19, 2012.

You are invited to attend the Annual Meeting at the above stated time and location. If you plan to attend and your shares of common stock are held in street name in an account with a bank, broker, or other nominee- you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares of common stock by completing and returning the proxy card or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee. **A returned signed proxy card without an indication of how shares of common stock will be voted FOR the ratification of our independent registered public accounting firm**

A returned proxy card without an indication of how shares of common stock should be voted will count towards the determination of a quorum but will not be cast as votes FOR the following proposals: (1) the election of all nominees (*Nominees*) as directors of the Board (*Directors*); (2) the ratification of an amendment to our 2006 Omnibus Incentive Plan to increase in the number of shares available for the grant of restricted stock units under our 2006 Omnibus Incentive Plan (*Incentive Plan Share Increase*); and (3) an amendment to our articles of incorporation to increase our authorized capital from 250,000,000 shares of common stock to 500,000,000 shares of common stock (*Articles Amendment*). We encourage our stockholders to instruct their brokers to vote their shares of common stock on each of the proposals.

Our corporate bylaws define a quorum as one-third of the voting power of the issued and outstanding voting stock present in person or by proxy. Our articles of incorporation (the *Articles*) do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected. A simple majority of the voting shares present, whether in person or by proxy, is required to ratify the appointment of our independent registered public accounting firm and to approve the Incentive Plan Share Increase. A majority vote of our issued and outstanding shares of common stock is required to approve the Articles Amendment.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on July 5, 2012, and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares of common stock.

When you sign the proxy card you appoint James T. O Neil Jr., our Chief Executive Officer, and Lisanna M. Lewis, our Vice President, Secretary and Treasurer, as your representatives at the Annual Meeting with the power to act jointly or individually. As your representatives, they will vote your shares of common stock at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representative will vote your shares of common stock, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed July 5, 2012, as the record date for the Annual Meeting. Only holders of shares of our voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of July 5, 2012, we had 194,103,382 shares of common stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

1. The election of the Nominees to our Board to serve until the 2013 Annual Meeting of Stockholders (the *2013 Annual Meeting*) or until successors are duly elected and qualified; the following are Nominees for election as Directors: James T. O Neil Jr., Marvin K. Kaiser, and Terence J. Cryan;
2. The ratification of the appointment of our independent registered public accounting firm for the fiscal year of 2013;
3. To ratify the Incentive Plan Share Increase;
4. To ratify the Articles Amendment; and
5. Any other business that may properly come before the Annual Meeting.

How many votes do I get?

Each share of common stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the Nominees to the Board, **FOR** the ratification of the appointment of our independent registered public accounting firm, **FOR** the Incentive Plan Share Increase, and **FOR** the Articles Amendment.

How do I vote?

You have several voting options. You may vote by:

- Completing your proxy card over the internet at the following website: www.envisionreports.com/GGN;
Requesting a paper copy of this Proxy Statement and the proxy card, signing and returning the
- proxy card; or
- Attending the Annual Meeting and voting in person.

If your shares of common stock are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares of common stock held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares of common stock in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares of common stock in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

Can stockholders vote in person at the Annual Meeting?

We will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares of common stock through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the Annual Meeting.

What if I want a paper copy of these proxy materials?

You can request paper or email copies of this Proxy Statement, the form of proxy and the Annual Report by submitting a request via Internet, telephone or email as follows:

- **Internet** Go to www.envisionreports.com/GGN. Click Cast Your Vote or Request Materials. Follow the instructions to log in and order a paper or email copy of the current Annual Meeting materials and submit your preference for email or paper delivery of future Annual Meeting materials.
- **Telephone** Call us free of charge at 1-866-641-4276 using a touch-tone phone and follow the instructions to log in and order a paper copy of the materials by mail for the current Annual Meeting. You can also submit a preference to receive a paper copy for future Annual Meetings.

- **Email** Send an email to investorvote@computershare.com with Proxy Materials Gryphon Gold Corporation in the subject line. Include in the message your full name and address, plus the three numbers located in the shaded bar on the reverse, and state in the email that you want a paper copy of current Annual Meeting materials. You can also state your preference to receive a paper copy for future Annual Meetings.

To facilitate timely delivery, all requests for a paper copy of the proxy materials must be received by

August 14, 2012.

What if I change my mind after I return my proxy?

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting by:

- Going to www.envisionreports.com/GGN. Once you are at the envision reports website, click Cast Your Vote or Request Materials. Follow the instructions to log in and change your vote, prior to 12:00 p.m., PST on August 27, 2012;
- Signing another proxy with a later date and mailing it to our Inspector of Elections, at our principal executive offices, so long as it is received prior to 12:00 p.m., PST, on August 27, 2012;
- Voting in person at the Annual Meeting; or
- Giving written notice to our Treasurer, Lisanna M. Lewis, at 611 N. Nevada Street, Carson City, Nevada 89703, prior to 12:00 p.m., PST on August 27, 2012.

How many votes do you need to hold the Annual Meeting?

To conduct the Annual Meeting, we must have a quorum, which means that one-third of our outstanding voting shares as of the record date must be present at the Annual Meeting. Based on 194,103,382 shares of common stock issued and outstanding as of July 5, 2012, 64,701,127 shares of common stock must be present, in person or by proxy, for a quorum to be present at the Annual Meeting.

Your shares will be counted as present at the Annual Meeting if you:

- Submit a properly executed proxy card (even if you do not provide voting instructions); or
- Attend the Annual Meeting and vote in person.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals. Since our bylaws provide that approval of a proposal at a Annual Meeting of the stockholders is by the affirmative vote of a majority of the voting shares present, in person or by proxy, at a Annual Meeting of the stockholders, a properly executed proxy card marked *ABSTAIN* with respect to a proposal will have the same effect as voting *AGAINST* that proposal. However, as described below, election of Directors is by a plurality of the votes cast at the Annual Meeting. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* any of the Nominees for which the vote was withheld.

What effect does a broker non-vote have?

Brokers and other intermediaries, holding shares of common stock in street name for their customers, are generally required to vote the shares of common stock in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares of common stock on routine matters, but not on non-routine matters. The following proposals are non-routine matters: (1) the election of the Nominees as Directors; (2) the Incentive Plan Share Increase; and (3) the Articles Amendment, therefore, brokers may not vote shares of common stock held in street name for their customers in relation to these items of business. The ratification of the appointment of our independent registered public accounting firm for the fiscal year of 2013 is considered a routine matter and brokers will be permitted to vote shares of common stock held in street name for their customers.

The absence of a vote on a non-routine matter is referred to as a broker non-vote. Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes cast for the election of Directors. Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to the proposal to approve the Articles Amendment or the proposal to approve the Incentive Plan Share Increase will have the same effect as a vote against such proposal. **In recognition of our desire to have every stockholder vote count, we encourage our stockholders to instruct their brokers to vote their shares.**

How many votes are needed to elect Directors?

The Nominees for election as Directors at the Annual Meeting will be elected by a plurality of the votes cast at the Annual Meeting. The Nominees with the most votes will be elected. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* or *AGAINST* any of the Nominees.

How many votes are needed to ratify the appointment of the independent registered public accountant?

The ratification of the appointment of the independent registered public accountant will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

How many votes are needed to approve the Incentive Plan Share Increase?

The Incentive Plan Share Increase will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal. **In recognition of our desire to have every stockholder vote count, we encourage our stockholders to instruct their brokers to vote their shares.**

How many votes are needed to approve the Articles Amendment?

The Articles Amendment will be approved if a majority of our issued and outstanding shares of common stock vote *FOR* the proposal. A properly executed proxy card marked *Abstain* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal. Approval of the Articles Amendment is important to the Company and our ability to raise capital, acquire assets or property and incentivize our employees with stock options through the issuance of common stock. **In recognition of our desire to have every stockholder vote count, we encourage our stockholders to instruct their brokers to vote their shares.**

Will my shares of common stock be voted if I do not sign and return my Proxy Card?

If your shares of common stock are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares of common stock. See *What effect does a broker non-vote have?* above for a discussion of the matters on which your brokerage firm may vote your shares of common stock.

If your shares of common stock are registered in your name, and you do not sign and return your proxy card, your shares of common stock will not be voted at the Annual Meeting, unless you attend the Annual Meeting and vote your shares of common stock.

How are votes counted?

Your shares of common stock will be voted as you indicate on your proxy card. If you just sign your proxy card with no further instructions, your shares of common stock will be voted:

- **FOR** each Nominee for election to the Board for terms expiring in 2013;
- **FOR** the ratification of the appointment of the independent registered public accountant;
- **FOR** the approval of the Incentive Plan Share Increase; and
- **FOR** the approval of the Articles Amendment.

Voting results will be tabulated and certified by the Inspector of Elections.

Where can I find the voting results of the Annual Meeting?

We will publish the final results in a current report filing on Form 8-K with the United States Securities and Exchange Commission (the *SEC*) within four (4) business days of the Annual Meeting.

Who will pay for the costs of soliciting proxies?

We will bear the cost of soliciting proxies. In an effort to have as large a representation at the Annual Meeting as possible, our directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, we may hire a proxy solicitor to help reach the quorum requirement. We will pay a reasonable fee in relation to these services. Upon request, we will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of our common stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

When are stockholder proposals due for the 2013 Annual Meeting of Stockholders?

In order to be considered for inclusion in the 2013 proxy statement, stockholder proposals must be submitted in writing to our Treasurer, Lisanna M. Lewis, at Gryphon Gold Corporation, 611 N Nevada Street, Carson City, NV, 89703, and received no later than March 29, 2013, provided that this date may be changed in the event that the date of the annual meeting of stockholders to be held in calendar year 2013 is changed by more than 30 days from the date of this Annual Meeting. Such proposals must also comply with the requirements as to form and substance established by the SEC if such proposals are to be included in our proxy statement and form of proxy.

Similarly, stockholder proposals not submitted for inclusion in the proxy statement and received after March 29, 2013 will be considered untimely pursuant to Rule 14a-5(e)(2) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*), provided that this date may be changed in the event that the date of the 2013 Annual Meeting is changed by more than 30 days from the date of this Annual Meeting.

How can I obtain a copy of the Annual Report?

Our Annual Report, including financial statements is available on the internet at www.envisionreports.com/GGN or through the SEC's website at <http://www.sec.gov>. **At the written request of any stockholder who owns shares of common stock on the record date, we will provide to such stockholder, without charge, a paper copy of our Annual Report as filed with the SEC, including the financial statements and financial statement schedules but not including exhibits.** If requested, we will provide copies of the exhibits for a reasonable fee. Requests for additional paper copies of the Annual Report should be mailed to:

Our current bylaws require the Board to have at least one (1) and no more than nine (9) Directors. The current Board is composed of four (4) Directors, of which three (3) are standing for re-election due to the passing of Donald Gentry.

Is the Board divided into classes? How long is the term?

No, the Board is not divided into classes. All Directors serve one-year terms until their successors are elected and qualified at the next annual meeting of our stockholders.

What if a Nominee is unable or unwilling to serve?

Should any one or more of these Nominees become unable or unwilling to serve, which is not anticipated, the Board may designate substitute nominees, in such event, the proxy representatives will vote proxies that otherwise would be voted for the named Nominees for the election of such substitute nominee or nominees.

How are Nominees elected?

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting.

CORPORATE GOVERNANCE

THE BOARD STRUCTURE

General Structure

Our current bylaws require the Board to have at least one (1) and no more than nine (9) Directors. The current Board is composed of four (4) directors.

Director Independence

We had four (4) directors at March 31, 2012, including three independent directors, as follows:

- James T. O Neil Jr.;
- Donald W. Gentry (independent);
- Marvin K. Kaiser (independent); and
- Terence J. Cryan (independent).

An independent director is a director whom the Board has determined satisfies the requirements for independence under the Sarbanes-Oxley Act of 2002, section 10A(m)(3) and under section 803A of the NYSE MKT LLC Company Guide.

MEETINGS OF THE BOARD AND BOARD MEMBER ATTENDANCE OF ANNUAL MEETING

During the fiscal year ended March 31, 2012, the Board held 20 meetings of the Board. None of the incumbent Directors attended fewer than 75% of the Board meetings held while they are a Director.

Board members are not required to attend the Annual Meeting. Last year all members of the Board attended the Annual Meeting.

COMMUNICATIONS TO THE BOARD

Stockholders who are interested in communicating directly with members of the Board, or the Board as a group, may do so by writing directly to the individual Board member c/o Secretary, Lisanna M. Lewis, Gryphon Gold Corporation, 611 N Nevada Street, Carson City, NV, 89703. Our Secretary will forward communications directly to the appropriate Board member. If the correspondence is not addressed to the particular member, the communication will be forwarded to a Board member to bring to the attention of the Board. Our Secretary will review all communications before forwarding them to the appropriate Board member.

DIVERSITY OF THE BOARD

The Company does not have a formal policy regarding diversity in the selection of nominees for directors. The Corporate Governance and Nominating Committee does however consider diversity as part of its overall selection strategy. In considering diversity of the Board as a criteria for selecting nominees, the Corporate Governance and Nominating Committee takes into account various factors and perspectives, including differences of viewpoint, professional experience, education, skills and other individual qualities and attributes that contribute to Board heterogeneity, as well as race, gender and national origin. The Corporate Governance and Nominating Committee seeks persons with leadership experience in a variety of contexts and, among public company leaders, across a variety of industries. The Corporate Governance and Nominating Committee believes that this expansive conceptualization of diversity is the most effective means to implement Board diversity. The Corporate Governance and Nominating Committee will assess the effectiveness of this approach as part of its annual review of its charter.

BOARD COMMITTEES

Our Board has established four board committees: an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and a Project Development, Environmental & Sustainability Committee.

The information below sets out the current members of each of our Board committees and summarizes the functions of each of the committees in accordance with their mandates.

Audit Committee and Audit Committee Financial Experts

Our Audit Committee has been structured to comply with Canadian Multilateral Instrument 52-110-Audit Committees (MI 52-110) and Section 3(a)(58)(A) of the Exchange Act. Our Audit Committee is comprised of Donald Gentry, Marvin Kaiser and Terence Cryan, of whom all are independent directors under MI 52-110, Section 10A-3 of the Exchange Act and the audit committee rules of the NYSE MKT LLC. Marvin Kaiser is the Chairman of the Audit Committee. Marvin Kaiser satisfies the criteria for an audit committee financial expert under Item 407(d)(5) of Regulation S-K of the rules of the Securities and Exchange Commission.

The Audit Committee meets with management and our external auditors to review matters affecting financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee reviews our significant financial risks, will be involved in the appointment of senior financial executives and will annually review our insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor our audit and the preparation of financial statements and to review and recommend to the Board all financial disclosure contained in our public documents. The Audit Committee is also mandated to appoint external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the Board. The Audit Committee and the Board each have the authority to terminate the external auditor's engagement (subject to confirmation by stockholders). The Audit Committee will also approve in advance any services to be provided by the external auditors which are not related to the audit.

On July 2, 2012, Don Gentry passed away, thereby resulting in a vacancy on the audit committee. In accordance with the requirements of National Instrument 52-110 of the Canadian Securities Administrators, the Board will be required to appoint an independent director to the board and the audit committee by January 2, 2013. Pending such appointment, James T. O'Neil, Gryphon's President and CEO, has been appointed as a member of the audit committee. Gryphon is relying on the exemption provided in section 3.5 of NI 52-110 in allowing Mr. O'Neil, who is not an independent director, to fill the vacancy on the audit committee resulting from Mr. Gentry's passing.

During the fiscal year ended March 31, 2012, the Audit Committee met 4 times. A copy of the Audit Committee charter can be found on our website at www.gryphongold.com.

Audit Committee Report

Our Audit Committee oversees our financial reporting process on behalf of the Board. The Committee has three members, each of whom is independent as determined under Rule 10A-3 of the Exchange Act, and the rules of the NYSE MKT LLC. The Committee operates under a written charter adopted by the Board.

The Committee assists the Board by overseeing (1) the integrity of our financial reporting and internal control, (2) independence and performance of our independent auditors, (3) and provides an avenue of communication between management, the independent auditors, and the Board.

In the course of providing its oversight responsibilities regarding the 2012 financial statements, the Audit Committee reviewed the 2012 audited financial statements, which appear in the Annual Report, with management and our independent auditors. The Audit Committee reviewed accounting principles, practices, and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Audit Committee reviews the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement of Auditing Standards 61, as superseded by Statement of Auditing Standard 114 – the Auditor's Communication With Those Charged With Governance, as modified or supplemented.

The Audit Committee meets with the independent auditors to discuss their audit plans, scope and timing on a regular basis, with or without management present. The Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence, as may be modified or supplemented.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report. The Committee and the Board have also recommended the selection of Decoria-Maichel-Teague PS as our independent auditors for the fiscal year ending March 31, 2013.

OTHER GOVERNANCE MATTERS

Board Leadership Structure

The Board has reviewed our current Board leadership structure — which consists of a non-executive Board Chairman position filled by an independent director. In light of the composition of the Board, our size, the nature of our business, the regulatory framework under which the Company operates, our stockholder base, our peer group and other relevant factors, the Board has determined that an independent director should fill this position and is currently the most appropriate Board leadership structure for our company. The Board noted the following factors in reaching

its determination:

- Board acts efficiently and effectively under the structure of a non-executive Board Chairman position filled by an independent director; and
- A non-executive Board Chairman position results in improved corporate governance

The Role of the Board in Risk Oversight

The understanding, identification and management of risk are essential elements for the successful management of the Company.

Risk oversight begins with the Board and the Audit Committee. The Audit Committee is chaired by Marvin Kaiser and each of our three independent directors sits on the Audit Committee.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of our financial reporting process and systems of internal control regarding finance and accounting, as well as our financial statements.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding our effectiveness in identifying and appropriately controlling risks. Annually, management presents to the Audit Committee a report summarizing the review of our methods for identifying and managing risks.

We also have a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board and the Audit Committee. Our risk management framework is designed to:

- Provide that risks are identified, monitored, reported, and priced properly;
- Define and communicate the types and amount of risk the Company is willing to take;
- Communicate to the appropriate management level the type and amount of risk taken;
- Maintain a risk management organization that is independent of the risk-taking activities; and
- Promote a strong risk management culture that encourages a focus on risk-adjusted performance.

Code of Conduct

We adopted a Code of Business Conduct and Ethics (the *Code of Business Conduct and Ethics*) that applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics summarizes the legal, ethical and regulatory standards that we must follow and will serve as a reminder to our directors, officers and employees, of the seriousness of that commitment. Compliance with this code and high standards of business conduct is mandatory for each of our employees.

The Code of Business Conduct and Ethics was filed with the SEC on February 10, 2006 as exhibit 14.1(2) to Form 10-QSB quarterly report for the quarter ending December 31, 2005. Further information and a copy of the Code of Business Conduct and Ethics is available on our website at www.gryphongold.com. Any future violations of the Code of Business Conduct and Ethics will be reported on our website at www.gryphongold.com.

Our Whistleblower Policy is enforced by an outside agency that reports an and all incidents to the independent Board members

Compensation Interlocks and Insider Participation

There were no compensation committee or board interlocks among the members of our Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires our officers, directors, and persons who beneficially own more than 10% of our common stock (10% Stockholders), to file reports of ownership and changes in ownership with the SEC. Such officers, directors and 10% Stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file. Based solely upon information provided to us by individual officers, directors and 10% Stockholders, we believe that all of these filing requirements were satisfied by our officers, directors, and 10% Stockholders in the fiscal year ended March 31, 2012.

Executive Compensation Agreements and Summary of Executive Compensation

Report on Executive Compensation

During the year ended March 31, 2012, our Compensation Committee was responsible for establishing compensation policy and administering the compensation programs of our executive officers.

The amount of compensation paid us to each of our officers and the terms of those persons' employment is determined solely by the Compensation Committee. The Compensation Committee evaluates past performance and considers future incentive and retention in considering the appropriate compensation for our officers. The Company believes that the compensation paid to our directors and officers is fair to the Company.

Our Compensation Committee believes that the use of direct stock awards is at times appropriate for employees, and in the future intends to use direct stock awards to reward outstanding service or to attract and retain individuals with exceptional talent and credentials. The use of stock options and other awards is intended to strengthen the alignment of interests of executive officers and other key employees with those of our stockholders.

Executive Compensation Agreements

We are a party to employment contracts with James O. Neil Jr., Robert L. Chapman, Lisanna Lewis and Steven Jones for the term of one year with a renewal feature at the expiry date. Omnibus Incentive Plan

The following is a summary of important Omnibus Incentive Plan provisions. It is not a comprehensive discussion of all of the terms and conditions of the Omnibus Incentive Plan. The information provided below may be modified or altered by some provisions in the Omnibus Incentive Plan. A copy of the Omnibus Incentive Plan is available under our profile at www.sedar.com or www.sec.gov, as an attachment to the Proxy Statement dated August 18, 2006.

Purpose

The purpose of the Omnibus Incentive Plan is to promote our interests and the interests of our stockholders by aiding us in attracting and retaining employees, officers, consultants, independent contractors and directors capable of assuring our future success, to offer such persons incentives to put forth maximum efforts for the success of our business and to afford such persons an opportunity to acquire a proprietary interest in us.

Persons Eligible

Any employee, officer, director, consultant, independent contractor, or director of or providing services to us or any parent, affiliate, or subsidiary of us is eligible to designate a participant in the Omnibus Incentive Plan. However, stock option grants may only be granted to our full or part-time employees, officers, or directors of us or one of our subsidiaries.

Administration

The Omnibus Incentive Plan is administered by our Compensation Committee, or such other committee as the Board may assign administrative responsibility in our best interests. The Compensation Committee has the power to: (i) designate Omnibus Incentive Plan participants; (ii) determine the type or types of awards to be granted to participants under the Omnibus Incentive Plan; (iii) determine the number of shares to be covered by each award; (iv) determine the terms and conditions of any award or award agreement; (v) amend the terms and conditions of any award or award agreement and accelerate the exercisability of any option or waive any restrictions relating to any award; (vi) determine whether and to what extent, and under what circumstances, awards may be exercised in cash, our shares, promissory notes (which don't conflict with the provisions of the Sarbanes-Oxley Act), other securities, or other property, or may be canceled, forfeited, or suspended; (vii) interpret and administer the Omnibus Incentive Plan and any awards or award agreements thereunder; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it deems appropriate to administer the Omnibus Incentive Plan; (ix) made any determination with respect to the termination of options and awards upon termination or cessation of employment of a participant, upon a director ceasing to serve on the Board or upon any person ceasing to provide services to the Company; (x) make any other determination or take any other action that the Compensation Committee deems necessary or desirable to the administration of the Omnibus Incentive Plan.

Shares Available under the Omnibus Incentive Plan

The aggregate number of shares available to be issued under the Omnibus Incentive Plan is currently 12,016,580

shares of common stock, which represents 6.19% of the issued and outstanding shares. Of the aggregate total, the number of shares available for granting incentive stock options is currently 12,000,000 and the number of shares available for restricted stock grants and restricted stock units is 16,580 both subject to adjustment under the Omnibus Incentive Plan's anti-dilution provisions. The number of shares available for issuance in respect of awards (other than incentive stock options, restricted stock and restricted stock units), may not exceed the difference between 12,016,580 and the aggregate number of shares reserved for issuance in respect of incentive stock options, restricted stock and restricted stock units, less the number of shares issued upon exercise of such incentive stock options, restricted stock and restricted stock units. After giving effect to options previously granted and prior grants of restricted stock units, 6,242,500 shares are reserved for issuance under the Omnibus Incentive Plan in respect to outstanding options, 5,457,500 shares are reserved for issuance in respect of options available for issuance under the Omnibus Incentive Plan, and 16,580 share are reserved for issuance for restricted stock units under the Omnibus Incentive Plan.

The board has approved an increase in the number of shares authorized for issuance under the Omnibus Incentive Plan to 10,000,000 shares for restricted stock units (representing 5.15% of the outstanding shares as at June 25, 2012). After giving effect to the increase the 10,000,000 shares will be reserved for issuance for restricted stock units (9,016,580) in addition to the 12,000,000 shares reserved for issuance for incentive stock options under the Omnibus Incentive Plan. See, PROPOSAL-APPROVAL OF THE INCENTIVE PLAN SHARE INCREASE, below.

Limitations on Awards to Insiders

Awards in any form our insiders (generally, directors, officers, and 10% stockholders) are limited under the Omnibus Incentive Plan. No award shall be granted under the Omnibus Incentive Plan which may result in the aggregate number of our shares of common stock issued to insiders as a group pursuant to the terms of awards previously granted within any one-year period, and issuable to insiders, at any time under the Omnibus Incentive Plan and any other security based compensation arrangement of us exceeding 10% of our shares of common stock issued and outstanding at the relevant time. In addition, no award may be granted under the Omnibus Incentive Plan which may result in the aggregate number of shares of common stock issuable to any insider at any time under the Omnibus Incentive Plan or any other security based compensation plan arrangement of ours exceeding 5% of our shares of common stock issued and outstanding at the relevant time.

Options

The exercise price of options granted under the Omnibus Incentive Plan is determined by the Compensation Committee provided that the exercise price may not be less than 100% of the fair market value of a share on the date of the grant.

The term of each option shall be fixed by the Compensation Committee at the time of the grant, but may not exceed 10 years. The Committee also determines the vesting schedule of options and the method in which payment of the exercise price may be made.

The aggregate fair market value of incentive stock options granted under the Omnibus Incentive Plan which become exercisable by any participant during any calendar year may not exceed \$100,000 in aggregate fair market value. Incentive stock options granted under the Omnibus Incentive Plan terminate no later than 10 years after the date of grant, except incentive stock options granted to 10% stockholders terminate 5 years after the date of grant. Incentive stock options must have an exercise price of at least 100% of the fair market value, but incentive stock options granted to 10% stockholders will have an exercise price of at least 110% of the fair market value.

Fair market value is defined under the Omnibus Incentive Plan to mean fair market value of such property determined by such methods or procedures as shall be established from time to time by the Compensation Committee. Notwithstanding the foregoing and unless otherwise determined by the Compensation Committee, the Fair market value of a share as of a given date shall be, if the shares are then listed on the Toronto Stock Exchange, the volume weighted average trading price of one share as reported on the Toronto Stock Exchange for the five trading days immediately preceding such date.

Stock Appreciation Rights

The Committee is authorized to grant stock appreciation rights to eligible persons subject to the terms of the Omnibus Incentive Plan. Each stock appreciation right granted under the Omnibus Incentive Plan shall confer on the holder upon exercise the right to receive, as determined by the Compensation Committee, cash or a number of shares equal to the excess of (a) the fair market value of one share on the date of exercise (or, if the Compensation Committee shall so determine, at any time during a specified period before or after the date of exercise) over (b) the grant price of the stock appreciation right as determined by the Compensation Committee, which grant price shall not be less than 100% of the fair market value of one share on the date of grant of the stock appreciation right.

Options may not be converted into stock appreciation rights, except at the discretion of the Compensation Committee, which has the power to substitute any award granted under the Omnibus for any other award available under the Omnibus Incentive Plan, subject to and pursuant to the terms of the Omnibus Incentive Plan.

Restricted Stock

The Committee is authorized to grant restricted stock to eligible persons under the Omnibus Incentive Plan. Shares of restricted stock shall be subject to such restrictions as the Compensation Committee may impose (including, without limitation, a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Compensation Committee may deem appropriate.

Restricted Stock Units

The Committee is authorized to grant restricted stock units to eligible persons under the Omnibus Incentive Plan. A restricted stock unit award will be subject to a restricted stock unit award agreement containing such terms and conditions, not inconsistent with the provisions of the Omnibus Incentive Plan, as the Compensation Committee determines.

Performance Awards

The Committee is authorized to grant performance awards to eligible persons subject to the terms of the Omnibus Incentive Plan. A performance award granted under the Omnibus Incentive Plan (i) may be denominated or payable in cash, shares (including, without limitation, restricted stock and restricted stock units), other securities, other awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Compensation Committee shall establish. Subject to the terms of the Omnibus Incentive Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any performance award granted, the amount of any payment or transfer to be made pursuant to any performance award and any other terms and conditions of any performance award shall be determined by the Compensation Committee.

Other Stock Grants

The Committee is authorized, subject to the terms of the Omnibus Incentive Plan, to grant to eligible persons shares without restrictions thereon as are deemed by the Compensation Committee to be consistent with the purpose of the Omnibus Incentive Plan.

Financial Assistance

We may provide financial assistance to eligible persons to purchase shares under the Omnibus Incentive Plan subject to applicable law, including but not limited to Section 402 of the Sarbanes-Oxley Act of 2002, and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over us or a trade in our securities.

Forms of Payment under Awards

Subject to the terms of the Omnibus Incentive Plan, payments or transfers to be made by us or to one of our affiliates upon the grant, exercise or payment of an award (Award) may be made in such form or forms as the Compensation Committee shall determine (including, without limitation, cash, shares, promissory notes provided, however, that the

acceptance of such promissory notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002, other securities, other awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Compensation Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of dividend equivalents with respect to installment or deferred payments. We may provide financial assistance to eligible persons to purchase shares of common stock under the Incentive Plan, subject to applicable law and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over us or a trade in our securities. Any financial assistance so provided will be repayable with full recourse and the term of any such financing shall not exceed the term of the option to which the financing applies.

Limits on Transfer of Awards

No award (other than Other Stock Grants) and no right under any such award shall be transferable by a participant otherwise than by will or by the laws of descent and distribution and we will not be required to recognize any attempted assignment of such rights by any participant; provided, however, that, if so determined by the Compensation Committee, a participant may, in the manner established by the Compensation Committee, designate a beneficiary or beneficiaries to exercise the rights of the participant and receive any property distributable with respect to any award upon the death of the participant; provided, further, that, if so determined by the Compensation Committee, a participant may transfer a non-qualified stock option to any Family Member (as such term is defined in the General Instructions to Form S-8 or successor to such Instructions or such Form) at any time that such participant holds such option, provided that the participant may not receive any consideration for such transfer, the Family Member may not make any subsequent transfers other than by will or by the laws of descent and distribution and we receive written notice of such transfer, provided, further, that, if so determined by the Compensation Committee, and except in the case of an incentive stock option, awards may be transferable as determined by the Compensation Committee. Except as otherwise determined by the Compensation Committee (for awards other than an incentive stock option), each award or right under any such award is exercisable during the participant's lifetime only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative. Except as otherwise determined by the Compensation Committee (for awards other than an incentive stock option), no award or right under any such award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or other encumbrance thereof is void and unenforceable against us or any of our affiliates.

Term of Awards

Subject to the terms of Omnibus Incentive Plan, the term of each award shall be for such period as may be determined by the Compensation Committee. Whether options, restricted stock units (RSUs) or other awards terminate on termination of employment is determined by the Compensation Committee in the context of each grant. The Compensation Committee may adopt policies from time to time in respect of termination provisions on termination of employment. Generally, options and RSUs terminate upon termination of employment as follows:

- (A) Upon retirement, the options and RSUs which have vested at the date of retirement will continue to be exercisable until the original expiry date.
- (B) Upon termination of employment or service for any reason that does not involve cause or a breach of a contractual commitment owing to us, the options and RSUs which vested on the date of such termination will continue to be exercisable for a period of 30 days from the termination date, unless extended by the Compensation Committee, and lapse immediately thereafter.
- (C) Upon termination of employment or service by us for cause or a breach of a contractual commitment owing to us, the options and RSUs lapse immediately upon termination.

- (D) Upon death or disability, the options and RSU s may, depending on the individual grant, either become fully exercisable (also referred to as fully vested) at the time of death or disability and continue to be exercisable for a period of 12 months (or longer, but in no event beyond the original expiry date) following death or disability, or only the options and RSU s which were exercisable (also referred to as vested) within a period of up to 90 days following death or disability continue to be exercisable for a period of 12 months following death or disability (or longer, but in no event beyond the required expiry date).

Additional Conditions in Connection with Awards Granted to Participants Employed in Canada

Notwithstanding any other provision of the Omnibus Incentive Plan, the following additional terms, conditions and restrictions apply to awards granted to participants employed in Canada:

Options

- (A) Payment by the participant of the exercise price with respect to an option may not be made in shares.
- (B) Upon the exercise of an option the sole form in which payment to the participant may be made by us shall be in shares, unless we offer the participant the right to elect to receive cash or other consideration in lieu of shares and the participant, in its sole discretion, so elects.
- (C) The Compensation Committee may not cancel an option and pay to the participant cash in the amount of the excess of the fair market value of the shares over the exercise price unless the participant, in its sole discretion, agrees to receive cash in lieu of shares.
- (D) Tax withholding obligations may not be satisfied by the participant electing to have us withhold shares otherwise to be delivered upon exercise of an option or by the participant delivering shares to us.
- (E) No undertakings shall be given us, any person or partnership non-arm s length with us or any partnership or trust of which we or a non-arm s length person is a member or beneficiary, and no agreement shall be entered into by any such person with the participant, with respect to any shares held by the participant, including any agreement or undertaking relating to the redemption, acquisition or cancellation of the shares or the reduction of our paid-up capital.

Restricted Stock Unit Awards

Restricted stock unit awards shall be settled in shares, unless we offer the participant the right to receive cash in lieu of shares and the participant, in the participant s sole discretion.

Restricted Stock

Participants employed in Canada are not eligible to receive a grant of restricted stock pursuant to Section 6(c) of the Omnibus Incentive Plan.

Other Awards

With respect to any other award granted to a participant employed in Canada, the Compensation Committee shall have the right, but not the obligation, to take account of Canadian income tax considerations in determining the terms and conditions of the award or any other amendment thereto.

Amendment of the Omnibus Incentive Plan

Subject to regulatory approval, the Board may amend, without stockholder approval, any of the provisions of the Omnibus Incentive Plan relating to the following:

- (A) The persons who are eligible for the grant of awards;

Subject to regulatory approval and the limitations below, the Board may amend, without stockholder approval, the terms of any outstanding award provided that the terms of such amendment are made in accordance with the Omnibus Incentive Plan;

Subject to regulatory approval, the Board may amend any of the provisions of the Omnibus Incentive Plan relating to the following, provided the Board obtains the approval of our stockholders in respect thereof:

PROPOSAL 3 APPROVAL OF THE INCENTIVE PLAN SHARE INCREASE

What am I voting on?

Our Board has approved an amendment to our Omnibus Incentive Plan to increase the number of shares authorized for issuance under our Omnibus Incentive Plan. The Board determined that it was in our best interests and in the best interests of our stockholders to increase the number of shares available for issuance under the 2006 Omnibus Incentive Plan for the issuance of options under the plan, to reflect an increase in the number of shares of common stock issued and outstanding. Currently, our option plan as approved by the stockholders provide for the issuance of up to 12,000,000 shares of common stock for stock options and 1,000,000 shares for restricted stock units (of which only 16,580 shares remain available for issuance pursuant to restricted stock units)

Based on 194,103,382 shares of common stock issued and outstanding as of July 5, 2012, the Board has recommended an increase of 9,000,000 shares of common stock to the shares available for issuance of restricted stock grants and restricted stock units under the Omnibus Incentive Plan. Following the amendment, the Omnibus Incentive Plan will provide for 22,000,000 shares of common stock for all awards representing 11.85% of the outstanding shares as at June 25, 2012.

The aggregate number of shares available to be issued under the Omnibus Incentive Plan will be 22,000,000 shares of common stock (subject to approval of Incentive Plan Share Increase), which represents 10.83% of the issued and outstanding shares. Of the aggregate total, the number of shares available for granting incentive stock options will be 12,000,000 and the number of shares available for restricted stock grants and restricted stock units is 10,000,000 both subject to adjustment under the Omnibus Incentive Plan's anti-dilution provisions. The number of shares available for

issuance in respect of awards (other than incentive stock options, restricted stock and restricted stock units), may not exceed the difference between 22,000,000 and the aggregate number of shares reserved for issuance in respect of incentive stock options, restricted stock and restricted stock units, less the number of shares issued upon exercise of such incentive stock options, restricted stock and restricted stock units.

This proposal is to ratify the amendment to the Omnibus Incentive Plan to share increase as approved by the Board.

Who is eligible to participate in the Omnibus Incentive Plan?

Any employee, officer, director, consultant, independent contractor, or director of or providing services to us or any parent, affiliate, or subsidiary of us is eligible to be designated a participant in the Omnibus Incentive Plan.

Currently, this includes, but is not limited to, the following directors and executives:

- James T. O Neil Jr., Chief Executive Officer, Director;
- Marvin K. Kaiser, Director;
- Terence J. Cryan, Director;
- Robert Llee Chapman, Chief Financial Officer
- Lisanna M. Lewis, Vice President, Treasurer, Secretary; and
- Steve Jones, Vice President of Exploration.

In total there are approximately 45 officers, directors, and employees eligible under the Omnibus Incentive Plan.

What benefit amounts will be received under the Omnibus Incentive Plan?

Benefit amounts will be determined by the Compensation Committee. Currently, the Board has not authorized the issuance of options covered by the share increase. The following is a summary of the current options issued under our equity compensation plans to current officers and directors:

Directors & Officers	Number of options granted	Number of vested options
James T. O Neil Jr	250,000	125,000
Robert L. Chapman	250,000	-
Lisanna Lewis	575,000	575,000
Steve Jones	200,000	200,000
Donald Gentry	550,000	550,000
Marvin Kaiser	450,000	450,000
Terence Cryan	450,000	450,000

What amendments will be made to the Omnibus Incentive Plan?

The proposed amendment of the Omnibus Incentive Plan outlined in this proposal 3 will amend Section 4(a) of the Omnibus Incentive Plan to read as follows:

a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued by the Company under the Plan shall be 22,000,000. Notwithstanding the foregoing, (i) the number of Shares available for granting Incentive Stock Options under the Plan shall not exceed 12,000,000, subject to adjustment as provided in Section 4(c) of the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision and (ii) the number of Shares available for granting Restricted Stock and Restricted Stock Units shall not exceed 10,000,000, subject to adjustment as provided in Section 4(c) of the Plan; and (iii) the number of shares available for issuance in respect to Awards (other than Incentive Stock Options, Restricted Stock and Restricted Stock Units) shall not exceed the difference between 22,000,000 and the aggregate number of shares reserved for issuance in respect of Incentive Stock Options, Restricted Stock and Restricted Stock Units outstanding

The Board recommends a vote FOR the ratification of the Incentive Plan Share Increase.

PROPOSAL FOUR ARTICLES AMENDMENT

What am I voting on?

You are voting on a proposal to approve amendments to our Articles. As explained below, the amendments amend provisions to our Articles relating to increasing the number of authorized shares of common stock from 250,000,000 to 500,000,000. No other of the current provisions in our Articles, as last amended October 8, 2009, will be amended, altered, replaced, or otherwise changed by the current amendments before the stockholders.

Why did the Board adopt the Articles Amendment?

As we continue to make progress in further developing our Borealis Oxide Heap Leach Project and possible other projects, the Board anticipates that we may need to raise additional capital for further development and capital expenditures through issuance of equity securities or convertible debt securities.

As of July 5, 2012, we had 194,103,382 shares of common stock issued and outstanding. We may be required to issue the following shares of common stock upon exercise of options and warrants or conversion of convertible securities:

- 5,813,750 (inclusive of the 550,000 granted to a consultant outside of the stock option plan) shares of common stock issuable upon vested exercise of options outstanding as of July 5, 2012;
- 44,078,558 shares of common stock issuable upon exercise of warrants outstanding as of July 5, 2012; and
- 2,386,875 shares of common stock issuable upon converting the \$1,909,500 convertible note held by our royalty holders (current exercise amount is \$0.80);

If all of the convertible securities issued and outstanding as of July 5, 2012 are fully exercised or converted, we would issue an additional 52,279,183 shares of common stock, and our issued and outstanding share capital would increase to 246,382,565 shares.

Our authorized capital consists of 250,000,000 shares of common stock and 15,000,000 shares of preferred stock. If the 52,279,183 were converted as of July 5, 2012, we would be left with 3,617,435 shares to issue in the future, which may adversely affect our ability to raise additional capital through the issuance of equity, convertible debt and attract qualified staff.

The Board determined that it was in our best interests and the best interest of our stockholders to increase the number of authorized shares of common stock from 250,000,000 to 500,000,000 to ensure that Board has sufficient available shares of common stock to meet our ongoing capital requirements, if necessary.

Do we have any current plans, proposals or arrangements to issue any of the newly available authorized shares of common stock for any purpose, including future acquisitions and/or financings?

In the future, the Board anticipates we may need to raise additional capital for further development and additional capital expenditures. We may issue shares of common stock in connection with such financing transactions and for corporate purposes which the Board believes are in our best interests and in the best interests of our stockholders.

What are the possible anti-takeover implications in increasing the number of authorized shares of common stock?

The amendment to the Articles to increase the authorized number of shares of common stock from 250,000,000 to 500,000,000 as proposed could adversely affect the ability of third parties to take over or change the control of the Company. The issuance of additional shares of common stock may, under certain circumstances, create voting impediments with respect to changes in control of the Company or dilute the stock ownership of holders of shares of common stock seeking to obtain control of the Company. The ability of our Board to cause us to issue substantial amounts of shares common stock without the need for stockholder approval could discourage potential acquirers and therefore deprive stockholders of benefits they might otherwise obtain from an attempt to acquire ownership or control of the Company, such as selling their shares of common stock at a premium over market price. Moreover, the issuance of shares of common stock to persons friendly to the Board could make it more difficult to remove incumbent directors from office even if such change would serve our interests and the interests of our stockholders. For the foregoing reasons, the rights of the existing holders of shares common stock will be subject to, and may be adversely affected by, the future issuance of shares of common stock.

While the proposed amendment may have anti-takeover ramifications, the Board believes that the benefits it would confer on us outweigh any potential disadvantages, including enhanced ability to finance purchases and secure capital. Notwithstanding the foregoing, the Board has no present intention to issue the authorized common stock for any defensive or anti-takeover purpose, subject to the exercise of the Board's fiduciary duties to us and our stockholders. Rather, the Board intends to issue common stock only for the purpose of facilitating capital-raising transactions and for other corporate purposes which the Board believes are in our best interests and the best interests of our stockholders.

What amendments are being made to the Articles?

The following are the provisions to be amended in our Articles:

Article 4, Section 4.1 which currently reads:

CAPITAL STOCK. The total number of shares of stock the Corporation is authorized to issue shall be Two Hundred Sixty-Five Million (265,000,000) shares, consisting of Two Hundred Fifty Million (250,000,000) shares of common stock, par value of \$0.001, and Fifteen Million (15,000,000) shares of preferred stock, par value of \$0.001.

will be amended to read:

CAPITAL STOCK. The total number of shares of stock the Corporation is authorized to issue shall be Five Hundred Fifteen Million (515,000,000) shares, consisting of Five Hundred Million (500,000,000) shares of common stock, par value of \$0.001, and Fifteen Million (15,000,000) shares of preferred stock, par value of \$0.001.

No other amendments, additions, or alterations will be made to Article 4 or to any other article of the Articles.

Where can I find a copy of the current Articles?

The current Articles are attached as exhibit 3.1 to our registration statement on Form SB-2 as filed with the SEC on August 17, 2005. A copy of the Certificate of Amendment, as filed August 9, 2005, is attached as exhibit 3.2 to our registration statement on Form SB-2 as filed with the SEC on August 17, 2005. In addition, on November 20, 2009, we amended our Articles to increase our authorized capital from 150,000 shares of common stock to 250,000 shares of common stock. A copy of the Certificate of Amendment, as filed December 12, 2009, is attached as exhibit 3.1 to our current report on Form 8-K filed with the SEC on December 12, 2009. The Form SB-2 and the Form 8-K are available at the SEC's website at www.sec.gov.

The Articles Amendment will be approved if a majority of our issued and outstanding shares of common stock vote *FOR* the proposal. A properly executed proxy card marked *Abstain* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

The Board recommends a vote FOR the Articles Amendment.
