**Item 1.01 Entry into a Material Definitive Agreement.**

On June 28, 2016, Lightbridge Corporation (the Company) entered into a Securities Purchase Agreement (the Securities Purchase Agreement) with Aspire Capital Fund, LLC (Aspire Capital), pursuant to which the Company has agreed to sell up to \$5.0 million of shares of the Company's common stock to Aspire Capital, without an underwriter or placement agent.

Pursuant to the Securities Purchase Agreement, the Company sold 3,333,333 shares of common stock (1,476,333 in the form of pre-funded warrants) to Aspire Capital on June 28, 2016 for \$1.0 million (the First Purchase). The Securities Purchase Agreement provides for the sale of up to an additional \$4.0 million of the Company's common stock to Aspire Capital upon the achievement of certain milestones, as follows:

on or before October 31, 2016, \$1.0 million of the Company's common stock upon the Company's announcement of its entry into a strategic arrangement regarding Lightbridge-designed nuclear fuel with one or more major nuclear utilities; and

on or before March 31, 2017, \$3.0 million of the Company's common stock upon the Company's announcement of its entry into a binding joint venture agreement to fully develop and to commercialize Lightbridge-designed metallic nuclear fuel with a major global nuclear fuel fabrication company.

Each of the subsequent closings is subject to customary conditions, including the satisfaction of Aspire Capital with achievement of the milestones. The purchase price per share for the subsequent closings will be based upon the market price of the common stock at the time of such closings, or, if lower, \$0.50 per share for the closing on or before October 31, 2016 and \$1.00 per share for the closing on or before March 31, 2017. Aspire Capital may elect to receive pre-funded warrants in lieu of common stock for all or a portion of the subsequent closings. The Company intends to use the net proceeds from the offerings for general corporate purposes, including research and development.

The pre-funded warrants will have an exercise price of \$0.01 per share, which is subject to adjustment in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting the Company's common stock and also upon any distributions of assets to the Company's stockholders. Each pre-funded warrant will be exercisable upon issuance and will expire five years after issuance. The pre-funded warrants contain provisions that prohibit exercise if the holder, together with its affiliates, would beneficially own in excess of 4.99% of the number of shares of the Company's common stock outstanding immediately after giving effect to such exercise. The holder of the pre-funded warrants may increase or decrease this percentage by providing at least 61 days' prior notice to the Company. In the event of certain corporate transactions, the holder of the pre-funded warrants will be entitled to receive, upon exercise of the pre-funded warrants, the kind and amount of securities, cash or other property that the holders would have received had they exercised the pre-funded warrants immediately prior to such transaction. The pre-funded warrants do not contain voting rights or any of the other rights or privileges as a holder of the Company's common stock.

The securities issued in the First Purchase were registered pursuant to the Company's effective shelf registration statement on Form S-3 (File No. 333-204889) (the Registration Statement) and the related base prospectus included in the Registration Statement, as supplemented by the prospectus supplement dated June 28, 2016. The legal opinion and consent of Gary Henrie addressing the validity of the securities (including shares of the Company's common stock underlying the pre-funded warrants) is filed as Exhibit 5.1 to this Current Report on Form 8-K and is incorporated into the Registration Statement.
