Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 23, 2017, our board of directors (the Board), upon recommendation of the Remuneration Committee, increased the annual base salary of Herman Kotzé, our Chief Executive Officer, Chief Financial Officer, Treasurer and Secretary, and Nitin Soma, our Chief Technology Officer, to \$700,000 and \$380,000, respectively. The increase in annual base salary in each case was effective July 1, 2017.

In addition, the Board adopted a cash incentive award plan for fiscal 2018 for Messrs. Kotzé and Soma and awarded shares of restricted stock to Messrs. Kotzé and Soma, some of which vest over time and some of which vest based on the performance of our stock price.

Cash Incentive Award Plan for Fiscal 2018

Under the cash incentive award plan, each of Messrs. Kotzé and Soma will be eligible to earn a cash incentive award based on our fiscal 2018 financial and stock price performance (the Quantitative Portion of the Cash Incentive Award Plan below) and his individual contribution toward the achievement of certain objectives described under Qualitative Portion of the Cash Incentive Award Plan below. The terms of the cash incentive award plan are not contained in a formal written document, but are summarized below.

The cash incentive award plan provides for a target level cash incentive award of 100% and 50%, respectively, of Messrs. Kotzé and Soma's annual base salary for fiscal 2018. Under the plan, 70% will be based on quantitative factors including (i) our fiscal 2018 financial performance and (ii) our stock price performance during a defined 365 day period; and 30% will be based on qualitative factors. The quantitative portion of the award is limited, for Mr. Kotzé, to 150% of his base salary multiplied by 0.70 and, for Mr. Soma, to 64.3% of his base salary multiplied by 0.70; however, it is further divided and determined, as more fully described below, based on the achievement of certain fundamental diluted earnings per share (Fundamental EPS) and the achievement of certain levels of volume-weighted average stock price (VWAP). The Fundamental EPS and VWAP components of the cash incentive award operate independently. It is possible for each executive to earn all or a portion of the Fundamental EPS component of the award but none of the VWAP component of the award and vice versa.

The qualitative portion of the award is limited to 30% and 20%, respectively, of each of Messrs. Kotzé and Soma's annual base salary and is based on certain predetermined performance criteria.

Quantitative Portion of the Cash Incentive Award Plan

Each of Messrs. Kotzé and Soma will be entitled to receive an amount equal to 70% and 30%, respectively, of his respective annual base salary (the **Target Quantitative Award**) if (1) Fundamental EPS equals or exceeds \$1.65 for fiscal 2018 and (2) the VWAP equals or exceeds \$14.00 for a period of 30 consecutive trading days during a measurement period commencing on August 23, 2017 and ending on August 23, 2018. At other levels of Fundamental EPS and VWAP, each executive will receive the following percentage of the Target Quantitative Award based on the following two components:

Fundamental EPS Thresholds (60% of the Quantitative Portion of the Cash Incentive Award Plan)

Below \$1.57 (threshold)	0%
At \$1.65 (target)	100%
At \$1.815	125%

At or above \$1.90 (maximum) 150%

Fundamental EPS at or above \$1.57 and below \$1.90 will be interpolated relative to next threshold on a linear basis.

Fundamental EPS will be measured in U.S. dollars as our earnings per share on a constant currency basis determined in accordance with U.S. generally accepted accounting principles, as adjusted to exclude the effects related to (i) amortization of intangible assets (net of deferred taxes) and acquisition-related costs; (ii) stock-based compensation charges and (iii) other items that the Remuneration Committee may determine in its discretion to be appropriate (for example, accounting changes and one-time or unusual items).

VWAP Thresholds (40% of the Quantitative Portion of the Cash Incentive Award Plan)

Below \$13.00 (threshold) 0%

At or above \$13.00 and below \$14.00 50%

At or above \$14.00 (target) and below \$15.00 100%

At or above \$15.00 (maximum) 150%

Thresholds are absolute and not subject to interpolation.

In order to calculate the total quantitative portion of the cash incentive award, the percentages achieved with respect to each of the Fundamental EPS and VWAP components of the award (which can range from 0% - 150% in each case) are each multiplied by (a) 0.60 with respect to the Fundamental EPS component and 0.40 with respect to the VWAP component, (b) 0.70 for Mr. Kotzé and 0.30 for Mr. Soma, respectively, and (c) the executive's 2018 base annual salary.

Qualitative Portion of the Cash Incentive Award Plan

Mr. Kotzé will be entitled to receive up to 30% of his annual base salary based on his contribution toward the enhancing shareholder value through performance criteria which includes:

- Progress with certain business relationships;
- Achievement and increases in incremental revenue lines;
- Development of applications;
- Progress with initiatives, expansion, succession and strategic plans; and
- Personnel and management goals.

Mr. Soma will be entitled to receive up to 20% of his annual base salary based on his contribution toward the enhancing shareholder value through performance criteria which includes:

- Progress with research, development and innovation activities;
- Support and collaboration with other departments to achieve their objectives;
- Maintenance of a secure and efficient information technology environment;
- Progress with initiatives, expansion, succession and strategic plans; and
- Personnel and management goals.

The Remuneration Committee may award between 0% and 100% of 30% of Mr. Kotzé's annual base salary and between 0% and 100% of 20% of Mr. Soma's annual base salary, based on its assessment of progress against these objectives.
