Questions and Answers Regarding Pending Combination of WRECO with TRI Pointe
December 23, 2013

IMPORTANT NOTE ABOUT THE FOLLOWING Q&A

While we have entered into an agreement with TRI Pointe Homes, Inc. (“TRI Pointe”) to combine the WRECO home building companies with TRI Pointe, please keep in mind that closing of that transaction has not yet occurred (closing is expected in the second quarter of 2014). We have developed this Q&A to give WRECO employees a sense of how certain matters are likely to be handled when the transaction closes pursuant to the terms of the agreement. Please contact your manager or HR manager with questions regarding your specific situation. However, please keep in mind there are many questions we simply can’t answer because there are many details regarding the future state that have not been determined at this time. Our intent is to share information as it becomes available. For purposes of this Q&A, “WRECO employees” refers to employees of WRECO or a WRECO subsidiary.

General Questions

- | | |
|---|--|
| 1. Will I have a job with TRI Pointe? | As of the closing of the transaction, you will retain your employment status with WRECO or a WRECO subsidiary, as the case may be, which will become part of the TRI Pointe family of companies. However, the agreement does not constitute a guarantee by any of the parties that any employee will continue in employment either before or after the closing of the transaction. |
| 2. What would happen to my pay and benefits upon closing? | We are currently working out the details of the transition, and the parties intend that you will be eligible for a substantially comparable overall package of pay and benefits for at least a one-year period following the closing. |
| 3. When would my benefits with Weyerhaeuser end? | Your current medical, dental and life insurance coverage through Weyerhaeuser will end as of the closing. If you are receiving payments for short-term disability or long-term disability under a Weyerhaeuser plan as of the closing, payments will generally continue following the closing as long as you remain eligible pursuant to the terms of the applicable plan. Your current participation in the Weyerhaeuser pension and 401(k) plans will end as of the closing. See more Q&A’s on Pension and 401(k). |
| 4. How will vacation balances be treated? | All vacation balances (including earned, accrued and banked vacation) will be carried over. |

Severance

- If my employment is terminated after the closing, will I be eligible for the same severance I would have received with Weyerhaeuser?
5. For a one-year period after closing, TRI Pointe has agreed to provide severance benefits no less favorable than the severance benefits that would have been provided to a WRECO employee in the event of a qualifying termination of employment under the applicable severance plan, taking into account prior service.
6. How is severance calculated?
- For individuals eligible for severance, the Weyerhaeuser Company U.S. salaried severance amount is outlined in the table below.
-

Service for severance purposes is limited to service earned since an employee's most recent date of hire. Severance pay is calculated by multiplying the employee's hourly rate at termination by 40 hours (or if the employee is part-time, by their regularly scheduled hours); that amount is then multiplied by the number of weeks of severance the employee is eligible to receive based on the chart above.

Health & Welfare Benefits

- | | | |
|--------|---|---|
| 7. | What happens to my health savings account (HSA) upon closing? | Your HSA account at HSA Bank remains intact. You may continue to use the money in your account for eligible medical expenses; however, you may not make any additional contributions to the account unless you are enrolled in a high deductible health plan after closing. Additional details will be provided with the rollout of the new benefits plans closer to the time of closing. |
| 8. | When does voluntary group life coverage end? | A WRECO employee's active Weyerhaeuser coverage ends as of the closing. You can contact Aetna at 888-584-2983 if you wish to convert to a personal policy. |
| 9. | When does disability coverage end? | A WRECO employee's active coverage ends as of the closing. If you are receiving payments for short-term disability or long-term disability as of the closing, payments generally will continue as long as you remain eligible, as provided by the plan. |
| 401(k) | | |
| 10. | I'm worried about my 401(k) because I'm not yet fully vested. | All WRECO employees will automatically be 100% vested in their 401(k) company contributions upon the closing. |
-

If the total of your 401(k) Plan account balance is less than \$5,000 as of the closing, you must make a distribution election.

If your account balance is less than or equal to \$1,000, Vanguard will pay your account balance in the form of a lump-sum payment unless you elect a direct rollover to an IRA or other qualified retirement plan.

If your account balance is greater than \$1,000, but less than or equal to \$5,000 and you do not make a distribution election within 90 days of termination, your account balance will automatically be rolled over into a Vanguard IRA.

If your 401(k) Plan account balance exceeds \$5,000 as of the closing, you may leave the money in your account and withdraw it at any time in the form of a lump-sum payment or rollover to another qualified plan. In addition, you may take partial withdrawals from your account. Partial withdrawals are limited to two per calendar year with a minimum withdrawal amount of \$1,000.

11. How long can I leave my 401(k) in Weyerhaeuser's plan after the closing?

If you are eligible for retirement or total and permanent disability as of the closing, you may also choose to have your account balance paid to you in annual installment payments over five years. (Installment payments must begin no later than 60 days after the end of the calendar year following your retirement or age 65)

Most cash distributions you take from the 401(k) Plan before age 59 ½ are subject to a 10% early withdrawal penalty if you do not roll them over to a traditional IRA or other qualified retirement plan. This penalty tax is in addition to applicable federal or state income taxes. Exceptions apply, for example, if you are at least age 55 during the year you employment ends or if you are deemed total and permanent disabled.

For more details about your 401(k) account, you may refer to your 401(k) Plan Booklet or call Vanguard at 1-800-523-1188 and speak to a Participant Services Associate.

12. If I maintain my 401(k) in the Vanguard account after the closing, will I still have the same flexibility to change investment options as I had before the closing?

If you are eligible and choose to leave your account balance in the Weyerhaeuser 401(k) Plan, you will have the same investment options available to you as those made available to active Weyerhaeuser employees. However, you can no longer contribute to the plan.

13. Will WRECO employees be able to roll their 401k through TRI Pointe?

We don't know yet. Additional details will be provided with the rollout of the new benefits plan, anticipated to occur in March.

Pension and Retirement

14. I'm worried about my pension because I'm not yet fully vested.

All WRECO employees will automatically be 100% vested in their pension benefits upon the closing.

15. What happens to the pension I earned during my time with WRECO?

WRECO employees will not lose the pension benefits they accrued while working for the WRECO companies. Weyerhaeuser will be responsible for making payments to WRECO employees with vested rights in accordance with the plans and applicable law. TRI Pointe does not maintain and does not intend to establish a defined benefit retirement (pension) plan.

16. When may an employee start collecting a pension? Generally, on or after the age 55 if the employee has 10 years of vesting service at the time of termination. Otherwise, benefits are payable at normal retirement age (65).
17. What happens to my pension if I'm not eligible or do not wish to start collecting payment? Unless you are already age 65 as of the closing, your benefit will remain in a deferred status under the Weyerhaeuser pension plan. You can continue to contact Vanguard on-line or by phone for information on your pension.
-

Individuals who qualify for early or normal retirement may elect to receive their pension benefit in the form of a lump sum payment. Benefits earned prior to 01/01/2010 are eligible to be paid as a single payment lump sum or annual installments. Benefits earned after 01/01/2010 will be paid as a single lump sum payment only if the benefit accrued after 01/01/2010 is less than \$35,000 when converted to a lump sum. If the value is greater than \$35,000, the lump sum payment is paid as annual installments over seven years. You are eligible for early retirement if you are at least age 55 with 10 or more years of service or are age 65 at termination. The election of a lump sum (or seven installments) must be made within 120 days of termination from Weyerhaeuser, in this case with the WRECO-TRI Pointe transaction, within 120 days from the closing. In other words, a lump sum cannot be elected at a later date.

18. In what cases am I eligible or not eligible for the lump sum pension option for retirement?

Regardless of age, if at the time of termination your age 65 accrued benefit under the Salaried Pension Plan is less than \$500 per month, you may elect to receive your benefit in the form of a monthly annuity or as a single lump sum payment. As noted above, the election of a lump sum must be made within 120 days of termination from Weyerhaeuser (within 120 days of the closing).

If the present value of your age 65 accrued benefit is more than \$1,000, but less than or equal to \$5,000 and you do not make a distribution election, your benefit will automatically be rolled over into a Vanguard IRA established in your name. If the value of your lump sum is less or equal to \$1,000, Vanguard will automatically pay your benefit to you in the form of a lump sum payment unless you elect a direct rollover to an individual retirement account.

All lump sum payments are eligible for rollover to a traditional IRA or other qualified plan.

19. If I am eligible for early retirement, can I officially "retire" from WRECO and be eligible for Weyerhaeuser pension plan benefit payments and also continue to work?

Yes, WRECO employees who are eligible for early or normal retirement as of the closing may elect retirement status for purposes of Weyerhaeuser pension plan calculations, elect to receive a benefit from the pension plan (including a lump sum payment), even if they continue to be employed by WRECO or a WRECO subsidiary after closing.

The election of a lump sum payment must occur within 120 days following the closing. Employees should call Vanguard at 1-800-523-1188 or log on to their account on Vanguard's website to initiate the retirement process.

20. I am not early retirement eligible. Can I still start my pension benefit?

Yes, you may elect to receive your pension benefit between age 55 and 65 in the form of an annuity as long as you have 10 years of vesting service regardless of your age as of the closing. However, the actuarial reduction factors for service up to 12/31/2009 are less favorable than for participants who meet early retirement eligibility as of the closing.

21. What if I die prior to receiving my pension benefit?

It is important to name a beneficiary who can receive your benefits if you should die. If you are married, your spouse must be your primary beneficiary for a benefit paid if you die before electing to start receiving Plan benefits. You may also designate contingent beneficiaries. If you are not married, you should have a primary and a contingent beneficiary designation on file with the Plan (Vanguard). If you die without naming a beneficiary or your beneficiary is not living, no Plan benefit will be paid. It is important to keep your pre-retirement beneficiaries up to date at Vanguard.

22. Rule of 65

You may be eligible for an enhanced vested retirement for benefits earned before 01/01/2010 under the Rule of 65. To qualify for an enhanced vested retirement benefit under the Rule of 65, you also must meet the following conditions as of the closing: You have 10 years of vesting service and your age plus your years of vesting service equals 65 or more. If these conditions are met, you may begin receiving your vested retirement

23. How do I get pension information?

benefit as early as age 55 and your benefit earned before 01/01/2010, will be calculated using the same and more favorable reduction factors used for early retirements. Pension estimates are available online on Vanguard's website or you may call Vanguard at 1-800-523-1188 and speak to a Participant Services Associate to request a pension estimate. Vanguard Participant Services Associates are available between 8:30 a.m. and 9:00 p.m. Eastern time.

For more details about your Pension benefit, you may refer to your Pension Plan Booklet available on Roots.

Please keep your contact information and mailing address current with Weyerhaeuser and Vanguard.

24. I had planned on working for Weyerhaeuser until retirement age, but that is a few years away. My age and years of service do not qualify me for the Rule of 65. Can I get an exception? If I qualify for Rule of 65, how will I know that Weyerhaeuser has this on record for my pension benefit? Will Weyerhaeuser send Vanguard and me something to confirm this?
- The plan is qualified under ERISA and IRS rules and regulations. In order to maintain the qualified status of our pension plans, no exceptions can be made—the plan must be administered as written.
- Your employee record in PeopleSoft will reflect this based on your age and service at the time of your separation from Weyerhaeuser, in this case as of closing.
25. Please note that Rule of 65 estimates do not run automatically. In order to obtain a Rule of 65 estimate, if eligible, you must request it from Vanguard’s Participant Services and they will escalate the request to the Weyerhaeuser client team at Vanguard for calculation.

Miscellaneous Questions

26. What will happen to my Weyerhaeuser equity awards?
- Unvested RSUs and vested and unvested Stock Options held by WRECO employees (including those who are not retained following the closing) will be converted into similar awards with respect to TRI Pointe common stock as of the closing, with appropriate adjustments to reflect the economics of the transaction. We intend to provide you with additional details regarding the mechanics of this conversion as they are available.
27. Will WRECO employees be eligible for merit pay increases on the normal review date in 2014? What about stock awards?
- It will be business as usual until the transaction closes. WRECO and the subsidiaries will conduct merit pay reviews as planned depending on their local circumstances. Same with Stock awards.
28. What do we know about TRI Pointe’s compensation and benefit programs?
- Generally, TRI Pointe has agreed that for the first year after the closing, base pay, incentive opportunities and other employee benefits will be substantially comparable in the aggregate to those provided immediately prior to the closing. Although there may be changes to the employee benefits provided, the benefit package will be substantially comparable overall. TRI Pointe has begun work on the benefits design; we will have more to share as we get closer to closing.

Operations

34. What should I tell customers if they ask about the proposed combination of WRECO and TRI Pointe?

Refer customer questions about the WRECO and TRI Pointe transaction to their sales agent. The sales staff understands that questions may arise and are prepared to help customers understand that we expect the transaction to have no effect on their home purchase experience.

Following are the messages that you may share with your vendors, suppliers and subcontractors. No other statements should be made without the approval of the Law Department. Remember, that until the transaction closes, we are two separate companies that continue to conduct business independently.

- Weyerhaeuser recently announced an agreement to combine Weyerhaeuser Real Estate Company with TRI Pointe.
- The scope of WRECO's operations includes five operating homebuilding subsidiaries: Maracay Homes, Pardee Homes, Quadrant Homes, Trendmaker Homes and Winchester Homes.

35. What can I share with vendors, suppliers, and subcontractors who are asking questions about the proposed combination with TRI Pointe?

- TRI Pointe is engaged in the design, construction and sale of innovative single-family homes, principally in planned communities in Southern and Northern California and Colorado. Headquartered in Irvine, CA, TRI Pointe was founded in 2009 by industry veterans Doug Bauer, Tom Mitchell and Michael Grubbs. Barry Sternlicht is the Chair of the company's Board of Directors.

- This is an exciting opportunity for WRECO and its subsidiaries. The combination will create a powerful homebuilder with considerable long-term growth potential and expanded market and product reach. These two established companies share values of quality, integrity and customer focus with a continuing commitment to safety.

- Weyerhaeuser expects that this combination will secure a bright future for WRECO, deliver great value to stakeholders, and create new opportunities for our employees and business partners.

- We do not expect any immediate changes to the operations of WRECO's multiple brands and operating subsidiaries upon the closing of the transaction, which is expected to occur in the second quarter of 2014, subject to customary closing conditions, including regulatory and TRI Pointe shareholder approvals.

- The transaction was only just announced; there may be questions that we cannot yet answer and there are still many decisions to be made. We will work closely with TRI Pointe toward a seamless transition.

- We appreciate your support. Until the transaction is completed, it remains business as usual: WRECO and TRI Pointe will continue to operate independently in the ordinary course. Upon closing we expect to continue our normal working relationships with our vendor community.
