public company

Notice to Shareholders

Pursuant to the announcement (*fato relevante*) made public on December 29, 2003, Telesp Celular Participações S.A. (TCP) and Tele Centro Oeste Celular Participações S.A. (together with TCP, Companies) have suspended the date for the carrying out of the general meetings of shareholders (Meetings) that will resolve upon the merger of shares (Merger of Shares) of Tele Centro Oeste Celular Participações S.A. (TCO), previously scheduled to occur on January 7, 2004.

Although the management of the Companies are still analyzing the decision issued by the Comissão de Valores Mobiliários relating to the Merger of Shares, TCP has decided temporarily to extend the term for the election to convert preferred shares into common shares (Conversion), in order to comply with US laws, which require the establishment of a date for such election.

Shareholders who intend to elect to Convert may do so at Companhia Brasileira de Liquidação e Custódia - CBLC or at Banco ABN Amro Real S.A. (Banco ABN Real), the custodians of the Companies shares.

To elect to Convert at CBLC, the same procedures mentioned in the Public Announcement made public on November 19, 2003, must be observed and the shareholder must ask its custodian to elect to Convert at CBLC, until February 02, 2004, indicating the number of preferred shares to be converted.

To elect to Convert at Banco ABN Real, the same procedures mentioned in the Public Announcement made public on November 19, 2003 must also be followed, and the shareholder must make such election until January 27, 2004, at any branch of Banco ABN Real.

After the shareholder elects to Convert, be it at CBLC or at Banco ABN Real, the preferred shares will no longer be available for trading. They will be released for trading on February 04, 2004.

The withdrawal of the election to Convert may be made at the same institution to which the election to Convert is made, during the same procedure available for the election to Convert.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
