Edgar Filing: ARTEMIS INTERNATIONAL SOLUTIONS CORP - Form NT 10-K

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- ☐ (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- ☒ (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K or Form N-SAR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report of transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and
- ☐ (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The financial statements of Artemis International Solutions Corporation (the "Company") as of and for the year ended December 31, 2001 were audited by KPMG LLP ("KPMG"). Effective January 28, 2003, the Company dismissed KPMG as its independent accountants and engaged the services of Squar, Milner, Reehl and Williamson, LLP ("Squar Milner") as the Company's new independent accountants. The Company's Annual Report on Form 10-K for the year ended December 31, 2002 ("2002 Annual Report") could not be provided within the prescribed time period without unreasonable effort and expense, due to the Company being unable to obtain authorization from KPMG to include KPMG's audit report on the Company's financial statements for the year ended December 31, 2001 in such 2002 Annual Report. Furthermore, KPMG has not made their work papers available for review by management or the successor accountants. Consequently, Squar Milner may require additional audit work.

Based on the current status of the audit, management expects to file the 2002 Annual Report on or before the fifteenth calendar day following the due date. It is unlikely that the original filing of the Company's 2002 Annual Report will include a reissued report by KPMG on the Company's financial statements for the year ended December 31, 2001. The Company may thus be required to have its financial statements as of and for the year ended December 31, 2001 audited by Squar Milner and included in an amended filing.
