MATÁV SIGNS STRATEGIC COOPERATION WITH T-COM AND T-MOBILE INTERNATIONAL

BUDAPEST October 6, 2004 Matáv (NYSE: MTA.N and BSE: MTAV.BU), the leading Hungarian telecommunications service provider hereby announces that Matáv's Board of Directors authorised the company's management to sign a strategic co-operation agreement with T-Com and T-Mobile International, members of the Deutsche Telekom Group.

The agreement with T-Com creates the framework for the support to the operation of Matáv's fixed-line, as well as other non-mobile activities. The main purpose of the agreement is to maximise Matáv's shareholder value by permitting the efficient exploitation of synergies and for T-Com to support Matáv's fixed-line lines of business. T-Com will allow Matáv to learn further international expertise in the fields of fixed-line services, e.g. by providing advice and guidelines in development of its domestic and international strategy as well as on marketing and sales, product development, innovations and distribution strategy. This agreement does not impact Matáv's ownership structure and will not affect either Matáv's Articles of Association, or the Rules of Procedure of its Board and Supervisory Board.

The agreement with T-Mobile International creates the framework for the support to the operation of T-Mobile Hungary, a 100%-owned subsidiary of Matáv. The main purpose of the agreement is to permit the efficient exploitation of synergies and for T-Mobile International to support T-Mobile Hungary in all mobile-specific issues. T-Mobile International will assist T-Mobile Hungary to learn further international expertise in the fields of mobile services, e.g. by giving guidance on products, pricing and branding issues as well as on distribution channels and sales promotion, and by providing professional training for T-Mobile Hungary's staff. It will not impact the ownership rights of Matáv in the governance of T-Mobile Hungary and will not affect either the Deed of Association of T-Mobile Hungary, or the rules of procedure of its Board and Supervisory Board.

Following their later signing, the co-operations agreements will come into effect on January 1st, 2005.
