PROXY STATEMENT

**FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 7, 2006**

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors for use at the 2006 Annual Meeting of Stockholders to be held on Thursday, December 7, 2006 at 11:00 a.m. (local time) at the Courtyard by Marriott Downtown at 32 Exchange Terrace, Providence, Rhode Island 02903, and any adjournments or postponements of the annual meeting. The proxy is being solicited for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. We will bear the cost of soliciting the proxies.

Record Date and Share Ownership

Only stockholders of record on our books at the close of business on Friday, October 13, 2006 will be entitled to vote at the annual meeting and any adjournments or postponements of the annual meeting. As of the close of business on October 13, 2006, we had 42,354,278 shares of common stock outstanding. Each share of common stock entitles the record holder to one vote on each matter to be voted upon at the annual meeting. Copies of the Notice of Annual Meeting of Stockholders, this proxy statement, the enclosed proxy card and our Annual Report to Stockholders for the fiscal year ended July 29, 2006, will be mailed to stockholders of record on or about November 1, 2006.

We will, upon written request of any stockholder, furnish without charge a copy of our Annual Report on Form 10-K for the fiscal year ended July 29, 2006, as filed with the Securities and Exchange Commission, without exhibits. Please address all such requests to the Attention of Lisa N Chonon, Corporate Controller, United Natural Foods, Inc., 260 Lake Road, Dayville, Connecticut 06241. Exhibits will be provided upon written request and payment of an appropriate processing fee.

Submitting and Revoking Your Proxy

If you complete and submit a proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy but do not complete the voting instructions, the persons named as proxies will vote the shares represented by your proxy as follows:

- **FOR** the election of Richard Antonelli and Joseph M. Cianciolo as Class I directors; and
- **FOR** the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending July 28, 2007.

If other matters come before the annual meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received any notice of other matters that may properly be presented at the annual meeting. You may revoke your proxy at any time prior to the start of the annual meeting by delivering written instructions to our corporate secretary at 260 Lake Road, Dayville, Connecticut 06241. Attendance at the annual meeting will not itself be deemed to revoke your proxy unless you give notice at the annual meeting that you intend to revoke your proxy and vote in person.

If you participate in our Employee Stock Ownership Plan (the *Plan*), the enclosed proxy card will serve as a voting instruction for Mr. Robert Huckins, the trustee of the Plan. If Mr. Huckins does not receive voting instructions for your shares, he will vote your shares in the same proportion as other plan

participants' shares for which voting instructions have been received. You must submit your voting instructions to Mr. Huckins by the close of business on December 4, 2006 to allow him time to receive your voting instructions. Mr. Huckins will vote unallocated shares of common stock in the plan in the same proportion as participants have directed the trustee to vote their allocated shares of common stock.

If you participate in the United Natural Foods, Inc. Company Stock Fund through our 401(k) savings plan, the enclosed proxy card will serve as a voting instruction for Fidelity Management Trust Company (*Fidelity*), the trustee of the plan. If Fidelity does not receive voting instructions for your shares, it will vote your shares in the same proportion as other plan participants' shares for which voting instructions have been received. You must submit your voting instructions to Fidelity by the close of business on December 4, 2006 to allow it time to receive your voting instructions.

In addition to solicitations by mail, our directors, officers and employees may, without additional remuneration, solicit proxies by telephone, facsimile and personal interviews. We will request brokerage houses, custodians, nominees and fiduciaries to forward copies of the proxy material to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse such brokerage houses and other persons for their reasonable expenses in connection with this distribution.

Votes Required

Presence in person or by proxy of a majority of the shares of common stock outstanding on the record date will be required for a quorum. Shares of common stock present in person or represented by proxy (including shares that abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the annual meeting.

The affirmative vote of the holders of a plurality of the votes cast by stockholders entitled to vote at the annual meeting is required for the election of directors. The affirmative vote of the holders of a majority of the outstanding shares of common stock present or represented by proxy and voting on the matter is required for the ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year 2007.

Shares that abstain from voting as to a particular matter, and shares held in *street name* by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as votes cast or shares voting on such matter. Accordingly, abstentions and *broker non-votes* will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the votes cast, although such votes will count for quorum purposes.

Webcast of Annual Meeting

We are pleased to offer a webcast of the annual meeting. If you choose to participate in the annual meeting by means of the webcast, go to the Investor Relations section of our website at www.unfi.com shortly before the annual meeting is scheduled to begin and follow the instructions provided. The conference call dial-in number is (303) 262-2075. You will be able to participate in the annual meeting by submitting questions directly from the broadcast site. However, you will not be able to vote your shares of common stock during the webcast. If you plan to listen to the webcast, please return the enclosed proxy by December 4, 2006 so that the persons named as proxies can vote the shares represented by your proxy in accordance with your instructions at the annual meeting.

- We have a clear code of business conduct and corporate governance;
- The charters of the committees of the Board of Directors clearly establish their respective roles and responsibilities;

The Board of Directors met eleven times (including by telephone conference) during the fiscal year ended July 29, 2006. All directors attended at least 90% of the meetings of the Board of Directors and of the committees on which they served. All of our directors attended last year's annual meeting either in person or by webcast. A majority of the Board of Directors, consisting of Ms. Graham and Messrs. Barker, Cianciolo, Heffernan and Simone, are *independent directors*, as defined in rules governing the listing of our common stock on The NASDAQ Stock Market. Mr. Simone currently serves as Lead Independent Director.

The Board of Directors has a Compensation Committee, which makes recommendations concerning salaries and incentive compensation for employees and consultants, and administers and recommends grants of stock options pursuant to the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan and grants of restricted stock and other equity incentives pursuant to the 2004 Equity Incentive Plan. The Compensation Committee's charter is available on our website, www.unfi.com. The Compensation Committee held five meetings during fiscal 2006. The current members of the Compensation Committee are Ms. Graham and Messrs. Barker, Heffernan and Simone, each of whom is an independent director.

The Nominating and Governance Committee's charter is available on our website, www.unfi.com. The Nominating and Governance Committee held six meetings during fiscal 2006. The current members of the Nominating and Governance Committee are Messrs. Barker, Cianciolo and Simone and Ms. Graham, each of whom is an independent director.

The Nominating and Governance Committee reviews the qualifications of every person recommended as a nominee to the Board of Directors to determine whether the recommended nominees will make good candidates for consideration for membership on the Board of Directors. The Nominating and Governance Committee has not established specific minimum qualifications for recommended nominees. However, as a matter of practice, the Nominating and Governance Committee does evaluate recommended nominees based on their integrity, judgment, independence, financial and business acumen, relevant experience, and their ability to represent and act on behalf of all stockholders, as well as the needs of the Board of Directors. Following this evaluation, the Nominating and Governance Committee will make recommendations for membership on the Board of Directors and review such recommendations with the Board of Directors, which will decide whether to invite the candidate to be a nominee for election to the Board of Directors.

For a stockholder to submit a candidate for consideration to the Nominating and Governance Committee, a stockholder must notify our corporate secretary. To make a recommendation for director nomination in advance of the next annual meeting, a stockholder must notify our corporate secretary not less than 60 days nor more than 90 days prior to the 2007 Annual Meeting of Stockholders, provided that in the event that less than 70 days notice or prior public disclosure of the date of the 2007 Annual Meeting of Stockholders is given or made, notice by the stockholder must be received not later than the close of business on the 10th day following the date on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever occurs first. We may require any proposed nominee to furnish such other information as may be reasonably required by the Nominating and Governance Committee to determine the eligibility of such proposed nominee to serve as a member of the Board of Directors.

Option Grants in Last Fiscal Year

The following table sets forth the grants of stock options to the named executive officers during the year ended July 29, 2006. The percentages in the table below are based on options to purchase 265,640 shares of common stock granted under our stock option plan in the year ended July 29, 2006 to our employees and directors. The exercise price per share of each option was equal to the fair market value of the common stock on the date of grant as determined by the Board of Directors. Potential realizable values are net of exercise price before taxes and are based on the assumption that our common stock appreciates at the annual rate shown, compounded annually, from the date of grant until the expiration of the ten-year term. These numbers are calculated based on the requirements of the Securities and Exchange Commission and do not reflect our estimate of future stock price growth. We did not grant any stock appreciation rights to named executive officers during the fiscal year ended July 29, 2006.

Equity Compensation Plans

We have a policy that requires executives, directors and senior officers to hold shares of stock in the Company in accordance with a formula which is based on their annual grant of stock options and restricted stock. We further require that these employees/directors hold their shares as long as they are employed/serve the Company. Timeframes to attain the appropriate holdings required are determined on an individual basis.

2004 Equity Incentive Plan

The 2004 Equity Incentive Plan was originally adopted by the Board of Directors in October 2004 and approved by stockholders in December 2004. Under the 2004 Equity Incentive Plan, 1,000,000 shares of common stock were authorized for issuance. As of July 29, 2006, 146,728 shares of restricted common stock, net of any forfeitures, have been granted, with 853,272 shares available for future awards.

2002 Stock Incentive Plan

The 2002 Stock Incentive Plan was originally adopted by the Board of Directors in October 2002 and approved by stockholders in December 2002. Under the 2002 Stock Incentive Plan, 2,800,000 shares of common stock were authorized for issuance. As of July 29, 2006, options for the purchase of 2,182,231 shares of common stock, net of any forfeitures, have been granted, with 617,769 shares available for future awards.

Amended and Restated 1996 Stock Option Plan

The 1996 Stock Option Plan was originally adopted by the Board of Directors and approved by stockholders in July 1996. An Amended and Restated 1996 Option Plan was approved by the stockholders of the Company in October 1996. Additional amendments to the Amended and Restated 1996 Stock Option Plan were approved by stockholders in December 1998 and December 2000.

Of the 5,000,000 shares of common stock authorized for issuance under Amended and Restated 1996 Option Plan, options for the purchase of 4,989,400 shares of common stock, net of any forfeitures, have been granted as of July 29, 2006, with 10,600 shares available for future awards.

Employee Stock Ownership Plan

The Employee Stock Ownership Plan was adopted by the Board of Directors and approved by stockholders in November 1988. This plan enabled us to acquire shares of our outstanding common stock for the benefit of eligible employees. We established the Employee Stock Ownership Trust to hold the acquired shares of our common stock. As discussed under *Certain Relationships and Related Transactions*, we originally acquired 4,400,000 shares of our outstanding common stock from certain stockholders in exchange for a promissory note, for which we guarantee payment. As this promissory note is repaid, the shares of common stock held by the trust are released in proportion to the amount of principal paid down on the promissory note. These released shares are allocated among the accounts of eligible employees. The shares of common stock in an employee's account generally vest after five years of qualified employment or upon death or disability.

As of July 29, 2006, approximately 2,751,000 shares of common stock have been allocated or released for allocation to employees. Allocations are projected to continue at the rate of 176,000 shares of common stock per year.

Deferred Compensation Plan

Our executive officers and directors are eligible to participate in the United Natural Foods Deferred Compensation Plan (the Deferral Plan). The Deferral Plan is administrated by the Compensation Committee.

The Deferral Plan was established to provide participants with the opportunity to defer the receipt of all or any portion of their compensation, including gains on restricted stock. Under the Deferral Plan, only the payment of the compensation earned by each such participant is deferred and there is no deferral of the expense in our financial statements related to the participants' earnings. These earnings are expensed by the Company in the year in which they are earned by the participants.

Under the Deferral Plan, we credit each participant's account with earnings each year on the deferred amounts. These amounts represent the amounts that would have been earned had the deferred amounts been invested in the fixed-rate investment option under the Deferral Plan. All funds in the Deferral Plan are invested in the fixed-rate investment option that provides for a return as set by the Compensation Committee.

Participants who terminate their employment with us due to retirement, disability or death will be paid their Deferral Plan balance in a lump sum or in installments over a pre-determined period of time.

Participants who terminate their employment with us for any other reason will receive payment of their Deferral Plan balance in the form of a lump sum.

Report of the Compensation Committee on Executive Compensation

Overview and Philosophy

The Compensation Committee of the Board of Directors is responsible for making recommendations concerning salaries and incentive compensation for employees, including the Chief Executive Officer and other executive officers, and administering the 2004 Equity Incentive Plan, the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan. The Compensation Committee consists entirely of independent, non-employee directors, within the meaning of Rule 16b-3 issued by the Securities and Exchange Commission, and outside directors within the meaning of Section 162(m) of the Internal Revenue Code. The Compensation Committee currently consists of Mr. Barker, Chair of this committee, Ms. Graham and Messrs. Heffernan and Simone.

This report addresses our compensation policies for the fiscal year ended July 29, 2006 as they affected the Chief Executive Officer and the other executive officers. The objectives of our executive compensation program are to:

- Attract and retain key executive officers critical to our long-term success;
- Align the executive officers' interests with the interests of stockholders;
- Enhance the overall performance of United Natural Foods; and
- Recognize and reward individual performance and responsibility.

Compensation Program

Our executive compensation program generally consists of base salary, cash incentive compensation and long-term incentive compensation in the form of stock options and restricted stock grants. Executive officers also participate in benefit programs that are generally available to our employees, including medical benefits, the Employee Stock Ownership Plan and the 401(k) retirement savings plan.

All compensation decisions are determined following a review of many factors that we believe are relevant, including third-party data, our achievements over the past year, the individual's contributions to our success, any significant changes in role or responsibility, and the internal equity of compensation relationships.

In general, we intend that the overall total compensation opportunities provided to the executive officers should reflect competitive compensation for executive officers with corresponding responsibilities in comparable firms providing similar products and services. To the extent determined to be appropriate, we also consider general economic conditions, our financial performance and individual merit in setting compensation policies for our executive officers.

We regularly assess, with the assistance of outside compensation consultants, the competitiveness of our total compensation program, including base salaries, annual cash incentives and long-term stock-based incentives. Data for external comparisons are drawn from a number of sources, including the publicly available disclosures of selected comparable firms with similar products and national compensation surveys of companies of similar size or industry.

For the fiscal year ended July 29, 2006, we reviewed the appropriate mix between salary and other forms of compensation and set annual compensation guidelines for our executive officers.

Base Compensation

Michael S. Funk was hired as President and Chief Executive Officer in October 2005. Mr. Funk's base compensation was set at \$700,000, the same as our prior President and Chief Executive Officer. In addition, Mr. Funk received a bonus for the fiscal year ended July 29, 2006 of 15,000 shares of restricted stock on July 30, 2006. Mr. Funk does not have an employment agreement with the Company.

Historically, we have reviewed the compensation levels paid to executive officers based on a study commissioned periodically by us of approximately 12 comparable companies. For fiscal 2006, compensation for other executive officers was set within the range of compensation for executive officers with comparable qualifications, experience and responsibilities at other companies in the same or similar businesses, based on the determination of management and approved by this committee. Base compensation was also determined in light of a particular individual's contribution as a whole, including the ability to motivate others, develop the necessary skills to grow, recognize and pursue new business opportunities and initiate programs to enhance our growth and success. We approved base salary adjustments for all executive officers other than the President and Chief Executive Officer effective July 30, 2006. The Chief Executive Officer's base salary will remain at the same level for fiscal 2007.

Long-Term Incentives

Long-term incentives for executive officers and key employees are provided through individual stock ownership, the Employee Stock Ownership Plan, the 2004 Equity Incentive Plan, the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan. The objectives of these plans are to align executive and stockholder long-term interests by creating a strong and direct link between executive compensation and stockholder return, and to enable executive officers to develop and maintain a significant, long-term stock ownership position in our common stock. Stock options and restricted stock are granted annually to our executive officers and certain key employees. Stock options are granted at an option price equal to the fair market value, or, in the case of owners of 10% or more of our common stock, 10% above the fair market value of our common stock on the date of grant and will only have value if our common stock price increases. In selecting executive officers eligible to receive stock option and restricted stock grants and determining the amount and frequency of such grants, we evaluate a variety of factors, including the following: (i) the job level of the executive officer; (ii) stock option and restricted stock grants awarded by competitors to executive officers at a comparable job level; and (iii) past, current and prospective service rendered, or to be rendered, by the executive officer.

Severance Agreements

We have entered into severance agreements with certain executive officers. The severance agreements provide for the payment of one year of base salary and certain medical benefits for a period of one year following termination of the executive officer for a reason other than cause, death or disability or a resignation by the executive officer for good reason (as each such term is defined in the agreement). In addition, in the event of a termination of the executive officer for a reason other than cause, death or disability or a resignation by the executive officer for good reason within one (1) year of a change in control (as such term is defined in the agreement), the executive officer shall be entitled to the severance payments and medical benefits provided in the previous sentence, the acceleration in full of the vesting of all options (as such term is defined in the agreement) and restricted stock grants made to the executive officer and the full vesting of the executive officer's account under our Employee Stock Ownership Plan. In addition, the severance agreements include confidentiality, non-competition and intellectual property assignment provisions.

Limitations on Deductions

Section 162(m) of the Internal Revenue Code limits the deductibility of executive compensation paid to our Chief Executive Officer and the four other most highly compensated executive officers to \$1,000,000 per year, but contains an exception for certain performance-based compensation. For the fiscal year ended July 29, 2006, grants of stock options under the 2002 Stock Incentive Plan and the Amended and Restated 1996 Stock Option Plan and restricted stock under the 2004 Equity Incentive Plan satisfy the requirements for deductible compensation. While our general policy is to preserve the deductibility of most compensation paid to executive officers, we authorize payments that may not be deductible if we believe they are in the best interests of United Natural Foods and its stockholders.

Certain Relationships and Related Transactions

In connection with the establishment of the Employee Stock Ownership Plan in November 1988, certain stockholders, including Steven H. Townsend and Daniel V. Atwood, contributed an aggregate of 4,400,000 shares of our common stock to the Employee Stock Ownership Trust in exchange for a note (the *ESOT Note*) from the Employee Stock Ownership Trust in the original amount of \$4,080,000, the largest amount of indebtedness outstanding under the ESOT Note. We guarantee payment by the Employee Stock Ownership Trust of the ESOT Note. The ESOT Note is payable in equal monthly installments of principal and interest from December 1988 to May 2015. Interest is charged on the ESOT Note at a rate of 10% per annum. The amount outstanding under the ESOT Note as of September 29, 2006 was \$1,352,600.

Comparative Stock Performance

The graph below compares the cumulative total stockholder return on our common stock for the period from July 31, 2001 through July 29, 2006 with the cumulative total return on (i) an index of Food Service Distributors and Grocery Wholesalers and (ii) The NASDAQ Composite Index. The comparison assumes the investment of \$100 on July 31, 2001 in our common stock and in each of the indices and, in each case, assumes reinvestment of all dividends. The Board of Directors believes that the ratification of the selection of KPMG LLP is in the best interests of United Natural Foods and its stockholders and recommends a vote **FOR** such ratification.

(b) Audit Committee Report

The Audit Committee of the Board of Directors is comprised solely of independent directors, as defined by applicable law, and it operates under a written charter adopted by the Board of Directors. The composition of the Audit Committee, the attributes of its members and its responsibilities, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis and in October 2003 revised its charter to reflect recent changes to the federal securities laws and rule changes adopted by The NASDAQ Stock Market. The Board has made a determination that the Audit Committee has at least one member, Mr. Cianciolo, the Chair of the Audit Committee, who qualifies as an audit committee financial expert within the meaning of Securities and Exchange Commission regulations, and that he has accounting and related financial management expertise within the meaning of the listing standards of The NASDAQ Stock Market. All committee members are financially literate.

The Audit Committee has prepared the following report on its activities with respect to the audited financial statements for the fiscal year ended July 29, 2006 (for purposes of this report, the *audited financial statements*). The following report of the audit committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other of United Natural Foods filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent we specifically incorporate this report by reference in the specified filing.

As part of its specific duties, the Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors; reviews the financial information issued to shareholders and others, including a discussion of the quality, and not only the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of discussions in the financial statements; and monitors the systems of internal control and the audit process. Management has primary responsibility for the financial statements and the reporting process. KPMG LLP is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Audit Committee has met and held discussions with management and the independent auditors. In our discussions, management has represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee has reviewed and discussed the audited consolidated financial statements with management and KPMG LLP, our independent auditors. The Audit Committee meets with our internal and independent auditors, with and without management present, to discuss the results of

their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

The Audit Committee held eight formal meetings in fiscal 2006. The Committee also holds quarterly pre-earnings release telephone conference calls. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended.

The Company's independent auditors also provided to the Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and the Audit Committee has considered and discussed with KPMG LLP the firm's independence and the compatibility of the non-audit services provided by the firm with its independence.

Based on the Audit Committee's review of the audited financial statements and the review and discussions noted above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended July 29, 2006, for filing with the Securities and Exchange Commission. The Board has approved this recommendation.

Fees Paid to KPMG LLP

In addition to retaining KPMG LLP to audit our financial statements for the fiscal year ended July 29, 2006, we engaged the firm from time to time during the year to perform other services. The following table sets forth the aggregate fees billed by KPMG LLP in connection with services rendered during the last three fiscal years.

Fee Category	Fiscal 2006	Fiscal 2005	Fiscal 2004
Audit Fees	\$ 1,010,285	\$ 1,076,000	\$ 318,000
Audit-Related Fees	34,720	57,423	33,850
Tax Fees	0	11,225	13,365
All Other Fees	0	0	0

Audit Fees. Consists of fees billed for professional services rendered in connection with the audit of our annual financial statements and for the review of the interim financial statements included in quarterly reports and services that are normally provided by KPMG LLP in connection with statutory and regulatory filings or engagements. Fees for audit services in fiscal 2006 and fiscal 2005 also included fees related to the attestation of management's assessment of internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit-Related Fees. Consists of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include employee benefit plan audits, accounting consultations in connection with acquisitions, attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Fees. Consists of fees billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, tax audit defense and mergers and acquisitions.

All Other Fees. Consists of fees for products and services other than the services reported above. In fiscal 2006, 2005 and 2004, no services other than those reported above were provided by KPMG LLP.

The Audit Committee has considered whether the provision of the non-audit services described above by KPMG LLP is compatible with maintaining auditor independence and determined that KPMG LLP's non-audit services did not compromise its independence as independent public auditor.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

In accordance with its charter, the Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by KPMG LLP. These services may include audit services, audit-related services, tax services and other related services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. KPMG LLP and management are required to periodically report to the Audit Committee regarding the extent of services provided by KPMG LLP in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. During the year ended July 29, 2006, all services provided by KPMG LLP were pre-approved by the Audit Committee in accordance with this policy.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and holders of more than 10% of our common stock (*Reporting Persons*) to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of common stock and other equity securities. Based solely on our review of copies of reports filed by the Reporting Persons furnished to us, we believe that during the fiscal year ended July 29, 2006, the Reporting Persons complied with all Section 16(a) filing requirements.
