Item 1.01 Entry into a Material Definitive Agreement.

On June 5, 2007, in connection with its previously announced tender offers and consent solicitations, Reliant entered into a Fourth Supplemental Indenture with respect to each of its 9.25% Senior Secured Notes due 2010 (the 2010 Notes -CUSIP No. 75952B AF 2) and its 9.50% Senior Secured Notes due 2013 (the 2013 Notes -CUSIP No. 75952B AJ 4 and, together with the 2010 Notes, the Notes) with Wilmington Trust Company, as trustee (the Supplemental Indentures). The Supplemental Indentures effect amendments to the indentures, dated as of July 1, 2003, governing the Notes. The Supplemental Indentures will eliminate substantially all of the restrictive covenants and certain events of default and modify other provisions contained in the indentures, as well as release the security interests in the collateral securing the Notes. The amendments will not become operative until the Notes tendered in the tender offers and consent solicitations are accepted for purchase by Reliant. The tender offers and consent solicitations, and the consummation of the purchase, are subject to the satisfaction of conditions as described in the Offers to Purchase and Consent Solicitations Statement dated May 23, 2007 (the Statement). No assurance can be given that these conditions will be satisfied.

The Supplemental Indentures are attached hereto as Exhibits 4.1 and 4.2 and are incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders

The information set forth in Item 1.01 with respect to the Supplemental Indentures is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On June 6, 2007, Reliant announced the results to date of its previously announced cash tender offers and consent solicitations for the Notes. Terms used but not defined herein shall have the meanings ascribed to them in the Statement.

As of 5:00 p.m., New York City time on June 5, 2007 (the Consent Payment Deadline), Reliant had received tenders and consents for \$516,125,000 in aggregate principal amount of the 2010 Notes, representing 93.84% of the outstanding 2010 Notes, and \$531,894,000 in aggregate principal amount of the 2013 Notes, representing 96.71% of the outstanding 2013 Notes.

Accordingly, the requisite consents have been received, and, as described in Item 1.01 above, Supplemental Indentures to effect the proposed amendments and release the security interests in the collateral securing the Notes have been executed. The proposed amendments, which have the effects described in Item 1.01, will become operative when the tendered Notes are accepted for purchase by Reliant at the Early Acceptance Time or the Final Acceptance Time, as the case may be.

The tender offers and consent solicitations remain open and are scheduled to expire at 11:59 p.m., New York City time, on June 20, 2007, unless extended (the Expiration Date).

Holders who validly tendered their Notes and delivered their consents prior to the Consent Payment Deadline will receive the total consideration, as described in the Statement. The total consideration includes a cash consent payment of \$20.00 per \$1,000 principal amount of Notes validly tendered. Holders who tender their Notes and deliver their consents after the Consent Payment Deadline, but prior to the Expiration Date, will receive the tender offer consideration, which equals the total consideration less the cash consent payment of \$20.00 per \$1,000 principal amount of tendered Notes. Holders of Notes who validly tender their Notes will also receive accrued and unpaid interest on their tendered Notes up to, but not including, the Early Payment Date (if Reliant decides to exercise the early payment option) or the Final Payment Date, as the case may be, for the tender offers and consent solicitations.

Edgar Filing: RELIANT ENERGY INC - Form 8-K

The total consideration and tender offer consideration for the 2010 Notes and 2013 Notes will be determined as described in the Statement as of 2:00 p.m., New York City time, on June 8, 2007, unless Reliant extends the Tender Offers as described in the Statement. Withdrawal and revocation rights with respect to tendered Notes and delivered consents expired as of the Consent Payment Deadline. Accordingly, holders may no longer withdraw any Notes previously or hereafter tendered or revoke any consents previously or hereafter delivered, except in the limited circumstances described in the Statement.

As described in the Statement, the tender offers and consent solicitations are subject to the satisfaction of certain conditions, including the Supplemental Indentures Condition, the Financing Condition and the General Conditions (as each such condition is defined in the Statement). No assurance can be given that such conditions will be satisfied in a timely manner or at all.

The complete terms and conditions of the tender offers and consent solicitations are described in the Statement, copies of which may be obtained by contacting Global Bondholder Services Corp., the information agent for the tender offers and consent solicitations, at (212) 430-3774 or (866) 470-4200 (toll free).
