3.2 Independent Contractor. The Manager and Company each agree that the Manager will perform services hereunder as an independent contractor, retaining control over and responsibility for its own operations and personnel. Neither the Manager nor its directors, officers, or employees will be considered employees or agents of the Company or a Shareholder as a result of this Agreement nor will any of them have or purport to have authority under this Agreement to contract in the name of or bind the Company or any Shareholder.

4. OTHER ACTIVITIES OF THE MANAGER.

4.1 No Other Businesses of the Manager. Except for providing the Services to the Company pursuant to this Agreement or as otherwise agreed by the Founding Shareholders, the Manager and its Affiliates shall not engage in other business or operations, or provide services to Persons other than the Company and the Shareholders, without the prior, express consent of the Company.

The Company shall have the right to direct the Manager to terminate the engagement of the US Manager at any time for any reason or no reason, and upon receipt of such direction from the Company, the Manager shall promptly cause its

Such invoices shall be delivered by the Manager in accordance with Section 9.7 and shall provide reasonable detail regarding such Expenses. Upon the request of the Founding Shareholders, the Manager shall provide the Founding Shareholders with additional documentation regarding any Expenses.

5.4 Expense Maximum; Payment of Excess Expenses. Notwithstanding any other provision of this Agreement, in any given Fiscal Year, the Manager shall not incur or pay (or cause the Company to incur or pay) any aggregate Expenses greater than the maximum amount, as determined by this Section 5.4 (the Expense Maximum), for such Fiscal Year. If the Company or the Manager incur Expenses in excess of the Expense Maximum in a Fiscal Year, the Manager shall pay all such Expenses in excess of such Expense Maximum and the Manager shall not be entitled to, or invoice the Company for, reimbursement of any such Expenses pursuant to Section 5.3 or otherwise. For each Fiscal Year, the Expense Maximum shall be the greater of (i) the difference obtained by subtracting (x) the aggregate Management Fees or similar fees paid to the Manager by the Company in such Fiscal Year for Services under this Agreement from (y) \$3,000,000; or (ii) an amount that may be established by the Company pursuant to Founding Shareholder Approval and set forth in a written notice from the Company to the Manager.
