On May 27, 2009, Extra Space Storage Inc. (the "Company") committed to an immediate wind-down of its development program, including the termination of 16 employees associated with this program. The Company determined to eliminate its development program because of current market conditions relating to its development projects and in order to preserve capital.

As a result of the decision, the Company expects to incur one-time charges in respect to development projects not currently under construction of between approximately \$19 million and \$23 million in the second quarter of 2009 and severance costs of between approximately \$1 million and \$2 million. The Company expects to spend between approximately \$50 million to \$55 million on the completion of 18 remaining wholly-owned development properties. Construction of these properties is estimated to be completed by the third quarter of 2010. The Company does not expect any other cash expenditures in connection with the wind-down of its development program.

On June 2, 2009, the Company issued a press release announcing the wind-down of its development program. A copy of the press release is attached as Exhibit 99.1 and incorporated herein by reference.
