Where to Find Additional Information

Prospect filed with the Securities and Exchange Commission (SEC) a registration statement, which contains a prospectus relating to the securities Prospect intends to issue in the proposed Merger and a preliminary proxy statement in connection with the proposed Merger, and Prospect intends to mail a definitive proxy statement and other relevant documents to Prospect stockholders and warrant holders. Stockholders and warrant holders of Prospect and other interested persons are advised to read, Prospect's preliminary proxy statement, and amendments thereto, and, when available, definitive proxy statement in connection with Prospect's solicitation of proxies for the special meeting to be held to approve the Merger because these proxy statements will contain important information about Kennedy Wilson, Prospect and the proposed Merger. The definitive proxy statement will be mailed to stockholders and warrant holders as of a record date to be established for voting on the Merger. Stockholders and warrant holders will also be able to obtain a copy of the preliminary and definitive proxy statements, without charge, once available, at the SEC's Internet site at <http://www.sec.gov> or by directing a request to: Prospect Acquisition Corp., 9130 Galleria Court, Suite 318, Naples, FL 34109, telephone (239) 254-4481.

Prospect and its directors and officers may be deemed participants in the solicitation of proxies from Prospect's stockholders and warrant holders. A list of the names of those directors and officers and descriptions of their interests in Prospect is contained in Prospect's prospectus dated November 14, 2007, which is filed with the SEC, and will also be contained in Prospect's proxy statement when it becomes available. Prospect's stockholders and warrant holders may obtain additional information about the interests of its directors and officers in the Merger by reading Prospect's proxy statement when it becomes available.

Cautionary Statements Regarding Forward-Looking Statements

Certain statements in this communication regarding the proposed Merger between Prospect and Kennedy-Wilson and any other statements relating to future results, strategy and plans of Kennedy-Wilson and Prospect (including certain projections and business trends, and statements which may be identified by the use of the words "may", "intend", "expect" and like words) constitute "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those projected as a result of certain risks and uncertainties. For Kennedy-Wilson, these risks and uncertainties include, but are not limited to its revenues and operating performance, general economic conditions, industry trends, legislation or regulatory requirements affecting the business in which it is engaged, management of growth, its business strategy and plans, fluctuations in customer demand, the result of future financing efforts and its dependence on key personnel. For Prospect, factors include, but are not limited to: the successful combination of Prospect with Kennedy-Wilson's business, the ability to retain key personnel and the ability to achieve stockholder and regulatory approvals and to successfully close the transaction. Additional information on these and other factors that may cause actual results and Prospect's performance to differ materially is included in Prospect's periodic reports filed with the SEC, including but not limited to Prospect's Form 10-K for the year ended December 31, 2008 and subsequent Forms 10-Q. Copies may be obtained by contacting Prospect or the SEC. Prospect cautions readers not to place undue

reliance upon any forward-looking statements, which speak only as of the date made. These forward-looking statements are made only as of the date hereof, and Prospect undertakes no obligations to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
