Section 1 Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On February 13, 2010, Emergency Medical Services Corporation, a Delaware corporation (**EMSC** or the **Company**) entered into an Agreement and Plan of Merger (the **Merger Agreement**) with CDRT Acquisition Corporation, a Delaware corporation (**Parent**), and CDRT Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Parent (**Sub**). Pursuant to the Merger Agreement and subject to the conditions set forth therein, Sub will merge with and into the Company (the **Merger**), with the Company as the surviving entity and a wholly-owned subsidiary of Parent.

At the Effective Time (as defined in the Merger Agreement) of the Merger, each stockholder will be entitled to receive \$64.00 per share in cash without interest (the **Merger Consideration**) for each share of issued and outstanding EMSC class A common stock, par value \$0.01 per share (**Class A Common Stock**) and class B common stock, par value \$0.01 per share (**Class B Common Stock** and collectively with the Class A Common Stock, the **Common Stock**), excluding (i) treasury stock, (ii) Common Stock owned by Parent or Sub and (iii) Common Stock with respect to which appraisal rights under Delaware law are properly exercised and not withdrawn, but including shares of Class B Common Stock that are issued immediately prior to the Effective Time in exchange for exchangeable limited partnership interests of Emergency Medical Services L.P. (**EMS LP**), a Delaware limited partnership (the **LP Exchangeable Units**).

At the Effective Time, all outstanding Company restricted shares and restricted share units will be fully vested and cancelled; each holder of restricted shares will receive an amount equal to the Merger Consideration multiplied by the number of restricted shares held by such holder, and each holder of restricted share units will receive an amount equal to the Merger Consideration multiplied by the number of shares of Class A Common Stock subject to such restricted share units held by such holder. At the Effective Time, each unexercised Company stock option will be cancelled and the holder will be entitled to receive an amount equal to the excess, if any, of (i) the Merger Consideration over (ii) the exercise price per share of Class A Common Stock subject to such stock option, multiplied by the number of shares of Class A Common Stock subject to such stock option. In lieu of the payment described in the immediately preceding sentence, if mutually agreed by Parent and any holder of Company stock options, Company stock options may be converted at the Effective Time into fully vested and exercisable options to purchase common stock of Parent. The number of shares of Parent common stock subject to a converting stock option will be the number of shares of Class A Common Stock subject to the converting option multiplied by the ratio of (i) the Merger Consideration divided by (ii) the fair market value of a share of Parent common stock immediately following the Effective Time. The exercise price of converting options will also be adjusted as described in the Merger Agreement.

Completion of the Merger is subject to customary closing conditions, including, among others, (i) approval by a majority of the voting power of the outstanding capital stock of EMSC, (ii) expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended and (iii) the absence of a Company Material Adverse Effect (as defined in the Merger Agreement) occurring after the date of the Merger Agreement. The Merger Agreement is not subject to any financing condition.

The Merger Agreement contains representations, warranties and covenants of the parties customary for a transaction of this type. From the signing of the Merger Agreement until the closing of the Merger, the Company is not permitted to solicit inquiries or initiate discussions with third parties regarding other proposals to acquire the Company and has agreed to certain restrictions on its ability to respond to such proposals, subject to the fulfillment of the fiduciary duties of the Company's board of directors. The Company must give Parent four business days' notice before the Company is permitted to change its recommendation to the stockholders of the Company or terminate the Merger Agreement to accept a superior proposal.

The Merger Agreement contains certain termination rights for Parent and the Company including, with respect to the Company, in the event that the Company receives a Superior Proposal (as defined in the Merger Agreement). In connection with the termination of the Merger Agreement under specified circumstances, including with respect to the Company's entry into an agreement with respect to a Superior Proposal, the Company is required to pay to Clayton, Dubilier & Rice, LLC (**CD&R**) or its designated affiliate a termination fee equal to \$116,505,000. Parent will be required to pay the Company a termination fee equal to \$203,884,000 (the **Termination Fee**) under certain specified circumstances as set forth in the Merger Agreement. An affiliate of CD&R has provided the Company with a limited guarantee in favor of the Company guaranteeing the payment of certain monetary obligations that may be owed by Parent pursuant to the Merger Agreement, including the Termination Fee that may become payable by Parent.

A copy of the Merger Agreement has been provided solely to inform investors of its terms. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specific dates, were made solely for the benefit of the parties to the Merger Agreement and may be intended not as statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate. In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Merger Agreement and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, the Company. The Company's stockholders and other investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as a characterization of the actual state of facts or conditions of the Company, Parent, Sub or any of their respective subsidiaries or affiliates.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Unitholders Agreement

Concurrently with the execution of the Merger Agreement, the holders of the LP Exchangeable Units of EMS LP (the **Limited Partners**) entered into a Unitholders Agreement (the **Unitholders Agreement**) with the Company, EMS LP, Parent, Sub and Onex Corporation (the **Trustee**), solely in its capacity as Trustee under the Voting and Exchange Trust Agreement (the **Trust Agreement**), dated as of December 20, 2005 among the Company, EMS LP and the Trustee. Pursuant to the Unitholders Agreement, each Limited Partner agreed to exercise all of its rights as a Beneficiary (as defined in the Trust Agreement) to cause all of the Voting Rights (as defined in the Trust Agreement) held by the Trustee on behalf of such Beneficiary to be voted in favor of the adoption of the Merger Agreement and the approval of the Merger. The Voting Rights represent approximately 81% of the voting power of the outstanding capital stock of EMSC. Upon the satisfaction or waiver of all closing conditions to the Merger, each Limited Partner has agreed to exchange its LP Exchangeable Units for shares of Class B Common Stock. The Unitholders Agreement will terminate upon certain circumstances, including upon termination of the Merger Agreement.

The foregoing description of the Unitholders Agreements does not purport to be complete and is qualified in its entirety by reference to the Unitholders Agreement, which is filed as Exhibit 2.2 hereto and is incorporated herein by reference.
