Magyar Telekom's Board of Directors announces dividend proposal for 2010 earnings

Budapest February 24, 2011 Magyar Telekom (Reuters: MTEL.BU and Bloomberg: MTELEKOM HB), the leading Hungarian telecommunications service provider, announces that the Board of Directors has reviewed the 2010 annual reports of Magyar Telekom Plc. prepared in accordance with Hungarian Accounting Rules (HAR), and those of Magyar Telekom Group prepared in accordance with IFRS, and proposes them for approval to the Annual General Meeting. The Board of Directors also proposes a dividend payment of HUF 50 per share for the financial year 2010 for approval to the Annual General Meeting.

The proposed dividend level of HUF 50 per share is in line with Magyar Telekom's dividend policy of maintaining its net debt ratio (net debt to net debt plus total equity) within the targeted range of 30-40%. At the same time, it reflects the Group's financial position and cash flow generation in 2010, as well as the impact of the special tax levied on the Hungarian telecommunications sector.

Magyar Telekom will hold its Annual General Meeting on 12th April 2011. The Board of Directors proposes the record date to be on 5th May 2011 and the first day of dividend disbursement on 12th May 2011.

Magyar Telekom's Board of Directors requests a new authorization from the General Meeting for the purchase of ordinary Magyar Telekom shares

Budapest February 24, 2011 Magyar Telekom (Reuters: MTEL.BU and Bloomberg: MTELEKOM HB), the leading Hungarian telecommunications service provider, announces that the Board of Directors requests a new authorization from the General Meeting for the purchase of ordinary shares accounting for no more than 10% of the share capital of Magyar Telekom Plc.

The purpose of the authorization is to supplement Magyar Telekom's current shareholder remuneration policy in line with international practice. At the same time the Board of Directors believes dividend should remain the main method for shareholder remuneration.

According to the Board of Directors' proposal the General Meeting would authorize the Board of Directors to purchase a total of up to 104,274,254 ordinary shares (with a face value of HUF 100 each) of Magyar Telekom Plc. The authorization would be valid for further 18 months starting on the approval date of the General Meeting. The shares to be purchased on the basis of this authorization may not at any time account for more than 10% of the share capital of Magyar Telekom Plc. In addition, the shares would be purchased through the stock exchange. The authorization may be exercised in full or in part, and the purchase can be carried out in partial tranches spread over various purchase dates within the authorization period until the maximum purchase volume is reached.

Magyar Telekom will hold its Annual General Meeting on 12th April 2011.
