Beginning with the Company's 2013 annual meeting of stockholders, the Company's Board of Directors has determined to hold an advisory vote, in accordance with the voting provisions and procedures set forth in Company's restated certificate of incorporation, to approve named executive officer compensation every year (rather than every three years as previously announced) until the next required advisory vote on the frequency of future votes on named executive officer compensation or until the Board of Directors otherwise determines that a different frequency for such advisory votes is in the best interests of the stockholders of the Company.
