Investing in shares of our common stock involves a high degree of risk. In considering whether to purchase any shares of common stock, you should carefully consider the specific risks discussed below. In addition to the information contained in this prospectus, you should also carefully consider the information we have included or incorporated by reference in this prospectus. In particular, you should carefully consider the risks described under the heading "Item 1A. Risk Factors" contained in our Annual Report on Form 10-K for the fiscal year ended February 2, 2013 and our Quarterly Reports on Form 10-Q for the fiscal quarters ended thereafter, each of which is incorporated by reference herein. Our business, results of operations and financial condition may be materially and adversely affected due to any of these risks. See "Forward-Looking Statements."

Risks Relating to Our Common Stock

Our stock price has fluctuated and may continue to fluctuate widely.

The market price for our common stock has experienced, and could continue to experience in the future, substantial volatility as a result of many factors. Failure to meet market expectations would likely result in a decline in the market value of our stock.

In addition, stock markets generally have experienced a high level of price and volume volatility, and market prices for the stock of many companies, including ours, have experienced wide price fluctuations disproportionate to, or not necessarily related to, their operating performance.

The current price of our common stock may not be indicative of future market prices. Fluctuations in the market price of our common stock in the future may have a negative impact on our liquidity and access to capital, and may expose us to stockholder litigation, which may adversely affect our financial condition, results of operations and cash flows.

Sales or potential sales of our common stock by us or our significant stockholders may cause the market price of our common stock to decline.

We are not restricted from issuing additional shares of common stock, including shares issuable pursuant to securities that are convertible into or exchangeable for, or that represent the right to receive, common stock. As of July 19, 2013, we had 36,334,071 shares of common stock outstanding. In addition, as of that date, 3,642,843 shares of our common stock were issuable pursuant to outstanding stock options and awards which had not yet vested or been exercised or which had been previously acquired upon vesting or exercise but had not yet been delivered. Additional shares of common stock are also available to be granted under our existing equity plans or may be granted under future equity plans. Stock sales by our directors, officers, or significant holders may affect our stock price.

Table of Contents

USE OF PROCEEDS

The proceeds from the sale of the shares of our common stock being offered by the selling stockholders pursuant to this prospectus will belong to the selling stockholders. We will not receive any of the proceeds from the sale of such shares. We will not receive any proceeds from the issuance and vesting of restricted shares under the 2013 Plan.

We will bear all costs, expenses and fees in connection with the registration of the shares. Brokerage commissions and similar selling expenses, if any, attributable to the offer or sale of the shares will be borne by the selling stockholders.

Table of Contents**SELLING STOCKHOLDERS**

The 72,807 shares of our common stock to which this reoffer prospectus relates is comprised entirely of shares issuable under the 2013 Plan, one of our employee benefit plans as that term is defined in Rule 405 of Regulation C under the Securities Act. The shares are being registered for reoffers and resales by our non-employee directors named below.

The selling stockholders are our current non-employee directors (or any of their respective assigns) who have acquired, or may acquire in the future, shares of our common stock granted under the 2013 Plan. After satisfying the vesting requirements imposed under the 2013 Plan, the selling stockholders may, from time to time, resell all, a portion or none of the shares of our common stock covered by this reoffer prospectus. There is no assurance that any of the selling stockholders will sell any or all of the shares offered by them under this reoffer prospectus. Any changed information will be set forth in an amendment to the registration statement or supplement to this reoffer prospectus, to the extent required by law.

The address of the stockholders listed below is care of Christopher & Banks Corporation, 2400 Xenium Lane North, Plymouth, Minnesota 55441. The following table sets forth the name and relationship to the Company of the selling stockholders and: (1) the number of shares of common stock that the selling stockholders beneficially owned as of July 19, 2013; (2) the number of shares of common stock that the selling stockholders may offer pursuant to this prospectus; and (3) (if one percent or more) the percentage of the class to be beneficially owned by such selling stockholder assuming the sale of all shares offered pursuant to this prospectus.

- (1) Beneficial owner means any person who, directly or indirectly, through any contract arrangement, understanding, relationship or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of, shares of our common stock; and/or (ii) investment power, which includes the power to dispose, or to direct the disposition of, shares of our common stock. A person is also deemed to be a beneficial owner of a security if that person has the right to acquire beneficial ownership of such security at any time within 60 days from July 19, 2013.

- (2) Based on 36,334,071 shares of common stock issued and outstanding as of July 19, 2013.

- (3) The amounts for each selling stockholder assume full vesting of all shares of our common stock issued under the 2013 Plan and held by such selling stockholder.

- (4) Assumes that all shares offered hereby are sold but no other securities held by selling stockholders are sold.

- (5) The share ownership amounts in this table include 47,410, 110,044, 77,545, 61,005, 105,010, 41,505 and 56,881 shares which are currently owned directly by Mark Cohn, Anne Jones, David Levin, William Sharpe, Paul Snyder, Patricia Stensrud and Lisa Wardell, respectively. The table also includes 70,000, 66,000, 27,000 and 9,334 shares which are not presently owned by Mark Cohn, Anne Jones, Paul Snyder and Lisa Wardell, respectively, but which would be issuable upon the exercise of stock options pursuant to the Company's Amended and Restated 2006 Equity Incentive Plan for Non-Employee Directors which are currently exercisable or are exercisable within 60 days of July 19, 2013.

Any selling stockholder may from time to time sell under this prospectus any or all of the shares of common stock listed as being offered for sale. Because the selling stockholders are not obligated to sell any or all of the shares of common stock, we cannot estimate the number of shares of common stock that the selling stockholders will beneficially own after this offering. Also, this prospectus does not include shares that may be acquired upon exercise of options that we may grant under our other various stock incentive plans in the future.

Table of Contents

PLAN OF DISTRIBUTION

Under the 2013 Plan, we are authorized to issue up to 500,000 shares of our common stock.

Subject to the vesting requirements and other limitations imposed under the 2013 Plan, the selling stockholders may offer and sell the shares covered by this prospectus at various times. The selling stockholders will act independently of the Company in making decisions with respect to the timing, manner and size of each sale. To our knowledge, no selling stockholder has any agreement or understanding, directly or indirectly, with any person to resell the shares of our common stock covered by this prospectus.

The selling stockholders, or their pledgees, donees, transferees or other successors in interest, may sell shares pursuant to this prospectus from time to time:

- in transactions on the New York Stock Exchange;

- in the public market off the New York Stock Exchange;

- in privately negotiated transactions;

- through put or call options transactions relating to the shares; or

- in a combination of all such transactions.

Each sale may be made either at the market price prevailing at the time of sale or at a negotiated price. Sales may be made through brokers or to dealers, and such brokers or dealers may receive compensation in the form of commissions or discounts not exceeding those customary in similar transactions. Any shares covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus. All expenses of registration incurred in connection with this offering are being borne by the Company, but all brokerage commissions and other expenses incurred by the selling stockholders will be borne by the selling stockholders.

The selling stockholders and any dealer acting in connection with the offering or any broker executing a sell order on behalf of the selling stockholder may be deemed to be underwriters within the meaning of the Securities Act, in which event any profit on the sale of shares by the selling stockholders and any commissions or discounts received by any such broker or dealer may be deemed to be underwriting compensation under the Securities Act. In addition, any such broker or dealer may be required to deliver a copy of this prospectus to any person who purchases

any of the shares from or through such broker or dealer.

Sales Pursuant to Rule 144

Any shares of common stock covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

Table of Contents

Accordingly, during such times as a selling stockholder may be deemed to be engaged in a distribution of the shares of common stock, and therefore be considered to be an underwriter, the selling stockholder must comply with applicable law and, among other things:

- may not engage in any stabilization activities in connection with shares of our common stock;
- may not cover short sales by purchasing shares while the distribution is taking place; and
- may not bid for or purchase any of our securities or attempt to induce any person to purchase any of our securities other than as permitted under the Exchange Act.

In addition, we will make copies of this prospectus available to the selling stockholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

State Securities Laws

Under the securities laws of some states, the shares of common stock may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the shares of common stock may not be sold unless the shares have been registered or qualified for sale in the state or an exemption from registration or qualification is available and is complied with.

Expenses of Registration

We are bearing all costs relating to the registration of the common stock being offered hereby. The selling stockholders, however, will pay any commissions or other fees payable to brokers or dealers in connection with any sale of the shares of common stock offered hereby. Neither we nor the selling stockholders can currently estimate the amount of commissions or discounts, if any, that will be paid by the selling stockholders on account of their sales of the shares from time to time.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in

volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
