Item 1.01 Entry into a Material Definitive Agreement.

On February 22, 2016, Nortech Systems Incorporated (the "Company") entered into the Eighth Amendment (the "Eighth Amendment") to its Third Amended and Restated Credit and Security Agreement with Wells Fargo Bank, National Association (the "Amended Credit Agreement"). The Eighth Amendment provides for, among other things, a fixed charge coverage ratio of not less than (i) 1.20 to 1.00 for the trailing twelve month period ending December 31, 2015 and (ii) 1.15 to 1.00 for each period thereafter. The existing fixed charge coverage ratio that the Company was required to maintain under the Amended Credit Agreement was not less than (i) 1.10 to 1.00 for the trailing twelve month period ending January 31, 2015, up to and including September 30, 2015, and (ii) 1.20 to 1.00 for each period thereafter. The Eighth Amendment also provides for a new calculation to determine the fixed charge coverage ratio. The Eighth Amendment did not amend any other terms of the line of credit or the equipment, capital expenditure or real estate term notes under the existing Amended Credit Agreement.

The Amended Credit Agreement contains certain covenants which, among other things, require the Company to adhere to regular reporting requirements, abide by annual shareholder dividend limitations, maintain certain financial performance, and limit the amount of annual capital expenditures.

The foregoing summary description of the terms and conditions of the Eighth Amendment does not purport to be complete and is qualified in its entirety by reference to the Eighth Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.
