**Item 1.01 Entry into a Material Definitive Agreement.**

The information in Item 3.03 of this report is incorporated by reference in this Item 1.01.

**Item 3.03 Material Modification to Rights of Security Holders.**

On January 3, 2018, Rite Aid Corporation (the *Company*) entered into a Tax Benefits Preservation Plan (the *Plan*) with Broadridge Corporate Issuer Solutions, as rights agent (the *Rights Agent*), and the Board of Directors (the *Board*) of the Company declared a dividend distribution of one right (a *Right*) for each outstanding share of common stock, par value \$1.00 per share, of the Company (the *Common Stock*), to stockholders of record at the close of business on January 16, 2018 (the *Record Date*). Each *Right* is governed by the terms of the *Plan* and entitles the registered holder to purchase from the Company a unit consisting of one one-thousandth of a share (a *Unit*) of Series J Junior Participating Preferred Stock, par value \$1.00 per share (the *Series J Preferred Stock*), at a purchase price of \$8.00 per *Unit*, subject to adjustment (the *Purchase Price*). The *Plan* is intended to help protect certain Company tax attributes, such as current year net operating loss and the net operating loss carryovers, capital loss carryovers, general business credit carryovers, alternative minimum tax credit carryovers and foreign tax credit carryovers, as well as any loss or deduction attributable to a net unrealized built-in loss within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder, of the Company or any of its subsidiaries (collectively, *Tax Benefits*) by deterring any person from becoming a 5% Shareholder (as defined in the *Plan*).

*Rights Certificates; Exercise Period*

Initially, the *Rights* will be attached to all *Common Stock* certificates representing shares then outstanding, and no separate rights certificates (*Rights Certificates*) will be distributed. Subject to certain exceptions specified in the *Plan*, the *Rights* will separate from the *Common Stock* and a distribution date (the *Distribution Date*) will occur upon the earlier of (i) ten (10) business days following a public announcement that an *Acquiring Person* (as defined in the *Plan*) has become a 5% Shareholder (the *Stock Acquisition Date*) and (ii) ten (10) business days (or such later date as the *Board* shall determine) following the commencement of a tender offer or exchange offer that would result in a person or group becoming an *Acquiring Person*.

Until the *Distribution Date*, (i) the *Rights* will be evidenced by the *Common Stock* certificates (or, in the case of book entry shares, by the notations in the book entry accounts) and will be transferred with and only with such *Common Stock*, (ii) new *Common Stock* certificates issued after the *Record Date* will contain a notation incorporating the *Plan* by reference and (iii) the surrender for transfer of any certificates for *Common Stock* outstanding will also constitute the transfer of the *Rights* associated with the *Common Stock* represented by such certificates. Pursuant to the *Plan*, the Company reserves the right to require prior to the occurrence of a *Triggering Event* (as defined below) that, upon any exercise of *Rights*, a number of *Rights* be exercised so that only whole shares of *Series J Preferred Stock* will be issued.

The definition of *Acquiring Person* contained in the *Plan* contains several exemptions, including for (i) the Company; (ii) any of the Company's subsidiaries; (iii) any employee benefit

plan of the Company, or of any subsidiary of the Company, or any person organized, appointed or established by the Company for or pursuant to the terms of any such plan; (iv) any person that becomes a 5% Shareholder as a result of a reduction in the number of shares of Company securities outstanding due to a repurchase of Company securities by the Company or a stock dividend, stock split, reverse stock split or similar transaction, unless and until such person increases its ownership by more than one (1) percentage point over such person's lowest percentage stock ownership on or after the consummation of the relevant transaction; (v) any person who, together with all affiliates and associates of such person, was a 5% Shareholder on the date of the Plan (as disclosed in public filings with the Securities and Exchange Commission on the date of the Plan), unless and until such person and its affiliates and associates increase their aggregate ownership by more than one (1) percentage point over their lowest percentage stock ownership on or after the date of the Plan or decrease their aggregate percentage stock ownership below five percent (5%); (vi) any person who, within ten (10) business days of being requested by the Company to do so, certifies to the Company that such person became an Acquiring Person inadvertently or without knowledge of the terms of the Rights and who, together with all affiliates and associates, thereafter within ten (10) business days following such certification disposes of such number of shares of Common Stock so that it, together with all affiliates and associates, ceases to be an Acquiring Person; and (vii) any person that the Board has affirmatively determined in its sole discretion shall not be deemed an Acquiring Person.

The Rights are not exercisable until the Distribution Date and will expire at the earliest of (i) 5:00 P.M. (New York City time) on January 3, 2019, or such later date and time (but not later than 5:00 P.M. (New York City time) on January 3, 2021) as may be determined by the Board and approved by the stockholders of the Company by a vote of the majority of the votes cast by the holders of shares entitled to vote thereon at a meeting of the stockholders of the Company prior to 5:00 P.M. (New York City time) on January 3, 2019, (ii) the time at which the Rights are redeemed or exchanged as provided in the Plan, (iii) the time at which the Board determines that the Plan is no longer necessary or desirable for the preservation of Tax Benefits, and (iv) the close of business on the first day of a taxable year of the Company to which the Board determines that no Tax Benefits, once realized, as applicable, may be carried forward.

As soon as practicable after the Distribution Date, Rights Certificates will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights Certificates alone will represent the Rights. After the Distribution Date, the Company generally would issue Rights with respect to shares of Common Stock issued upon the exercise of stock options or pursuant to awards under any employee plan or arrangement, which stock options or awards are outstanding as of the Distribution Date, or upon the exercise, conversion or exchange of securities issued by the Company after the Plan's adoption (except as may otherwise be provided in the instruments governing such securities). In the case of other issuances of shares of Common Stock after the Distribution Date, the Company generally may, if deemed necessary or appropriate by the Board, issue Rights with respect to such shares of Common Stock.

#### *Preferred Share Provisions*

Each one one-thousandth of a share of Series J Preferred Stock, if issued:

- will not be redeemable;
- will entitle the holder thereof to quarterly dividend payments of \$0.001 or an amount equal to the dividend paid on one share of Common Stock, whichever is greater;
- will, upon any liquidation of the Company, entitle the holder thereof to receive either \$1.00 plus accrued and unpaid dividends and distributions to the date of payment or an amount equal to the payment made on one share of Common Stock, whichever is greater;
- will have the same voting power as one share of Common Stock; and
- will, if shares of Common Stock are exchanged via merger, consolidation or a similar transaction, entitle holders thereof to a payment equal to the payment made on one share of Common Stock.

*Flip-in Trigger*

In the event that a person or group of affiliated or associated persons becomes an Acquiring Person (unless the event causing such person or group to become an Acquiring Person is a transaction described under *Flip-over Trigger*, below), each holder of a Right will thereafter have the right to receive, upon exercise, Common Stock (or, in certain circumstances, cash, property or other securities of the Company) having a value equal to two times the exercise price of the Right. Notwithstanding the foregoing, following the occurrence of such an event, all Rights that are, or (under certain circumstances specified in the Plan) were, beneficially owned by any Acquiring Person will be null and void. However, Rights are not exercisable following the occurrence of such an event until such time as the Rights are no longer redeemable by the Company as set forth below.

*Flip-over Trigger*

In the event that, at any time following the Stock Acquisition Date, (i) the Company engages in a merger or other business combination transaction in which the Company is not the surviving corporation, (ii) the Company engages in a merger or other business combination transaction in which the Company is the surviving corporation and the Common Stock is changed or exchanged, or (iii) more than fifty percent (50%) of the Company's assets, cash flow or earning power is sold or transferred, each holder of a Right (except Rights that have previously been voided as set forth above) shall thereafter have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the exercise price of the Right. The events set forth in this paragraph and in the next preceding paragraph are referred to as the Triggering Events.

*Exchange Feature*

Edgar Filing: RITE AID CORP - Form 8-K

At any time after a person becomes an Acquiring Person and prior to the acquisition by such person or group of fifty percent (50%) or more of the outstanding Common Stock, the Board may exchange the Rights (other than Rights owned by such person or group which have become void), in whole or in part, at an exchange ratio of one (1) share of Common Stock, or one one-

thousandth of a share of Series J Preferred Stock (or of a share of a class or series of the Company's preferred stock having equivalent rights, preferences and privileges), per Right (subject to adjustment).

### *Equitable Adjustments*

The Purchase Price payable, and the number of Units of Series J Preferred Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Series J Preferred Stock, (ii) if holders of the Series J Preferred Stock are granted certain rights or warrants to subscribe for Series J Preferred Stock or convertible securities at less than the current market price of the Series J Preferred Stock, or (iii) upon the distribution to holders of the Series J Preferred Stock of evidences of indebtedness or assets (excluding regular quarterly cash dividends) or of subscription rights or warrants (other than those referred to above).

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments amount to at least one percent (1%) of the Purchase Price. No fractional Units will be issued and, in lieu thereof, an adjustment in cash will be made based on the market price of the Series J Preferred Stock on the last trading day prior to the date of exercise.

### *Redemption Rights*

At any time until ten (10) business days following the Stock Acquisition Date, the Company may, at its option, redeem the Rights in whole, but not in part, at a price of \$0.001 per Right (payable in cash, Common Stock or other consideration deemed appropriate by the Board). Immediately upon the action of the Board ordering redemption of the Rights, the Rights will terminate and the only right of the holders of Rights will be to receive the \$0.001 redemption price.

### *Amendment of Rights*

Any of the provisions of the Plan may be amended by the Board prior to the Distribution Date except that the Board may not extend the expiration of the Rights beyond 5:00 P.M. (New York City time) on January 3, 2019 unless such extension is approved by the stockholders of the Company prior to 5:00 P.M. (New York City time) on January 3, 2019. After the Distribution Date, the provisions of the Plan may be amended by the Board in order to cure any ambiguity, to make changes that do not adversely affect the interests of holders of Rights, or to shorten or lengthen any time period under the Plan. The foregoing notwithstanding, no amendment may be made at such time as the Rights are not redeemable, except to cure any ambiguity or correct or supplement any provision contained in the Plan which may be defective or inconsistent with any other provision therein.

### *Miscellaneous*

Until a Right is exercised, the holder thereof, as such, will have no separate rights as a stockholder of the Company, including the right to vote or to receive dividends in respect of the Rights. While the distribution of the Rights will not be taxable to stockholders or to the

Company, stockholders may, depending upon the circumstances, recognize taxable income in the event that the Rights become exercisable for Common Stock (or other consideration) of the Company or for common stock of the acquiring company or in the event of the redemption of the Rights as set forth above.

This summary description of the Rights and the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan, a copy of which is included as Exhibit 4.1 to this report and incorporated by reference herein.
