Item 4.01 Changes in Registrant's Certifying Accountant

On January 17, 2006, Deloitte & Touche LLP (Deloitte) notified Bioenvision, Inc. (the Company) that it will resign as the Company's independent registered public accounting firm upon the completion of its review of the Company's unaudited interim financial information for the quarter ended December 31, 2005.

The Company appointed Deloitte as its independent registered public accounting firm on April 4, 2005. The report of Deloitte on the Company's financial statements for the fiscal year ended June 30, 2005 did not contain any adverse opinion, or disclaimer of opinion, nor was it qualified or modified as to audit scope or accounting principles.

Edgar Filing: BIOENVISION INC - Form 8-K

In connection with its audit of the Company's financial statements for the fiscal year ended June 30, 2005, and through January 17, 2006, there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Deloitte, would have caused it to make reference thereto in its report. During the Company's most recent fiscal year and through January 17, 2006, none of the reportable events described in Item 304(a)(1)(v) of Regulation S-K occurred except for the identification of the following material weaknesses. In the Company's quarterly report on Form 10-QSB for the three-month period ended March 31, 2005, the Company identified the following material weakness: Failure to ensure the correct application of SFAS 109 Accounting for Income Taxes with respect to purchase business combinations and failure to correct that error subsequently resulting from the lack of personnel knowledgeable in the accounting for income taxes. In the Company's annual report on Form 10-KSB for the fiscal year ended June 30, 2005, the Company identified the following material weakness: Failure to maintain effective controls relating to the timely identification, evaluation and accurate resolution of non-routine or complex accounting matters.
