Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 20, 2016, MVI Partners, LLC ("MVI Partners"), an Ohio limited liability company, entered into a Stock Purchase Agreement to purchase 494,913 shares of the Series B preferred stock, \$0.001 par value per share (the "Series B Preferred Stock") of HealthWarehouse.com, Inc. (the "Company"), or 95.7% of the issued and outstanding Series B Preferred Stock, with certain of the former holders thereof. The terms of the Series B Preferred Stock provide the holders of Series B Preferred Stock to elect one director to the board of directors of the Company. On April 27, 2016, MVI Partners notified the Company that it was nominating Joe Heimbrock, the Managing Member of MVI Partners, to the board of directors of the Company. Accordingly, the board of directors of the Company was increased from four to five members and Joe Heimbrock was elected to the board. Mr. Heimbrock has over 30 years of business experience primarily in the commercial trucking industry. He currently serves as a regional general manager for Rush Enterprises, Inc. Headquartered in New Braunfels, Texas, Rush Enterprises is the nation's largest provider of products and services for the commercial vehicle market through its Rush Truck Centers. The Company has not determined what committees of the board, if any, to which Mr. Heimbrock will be appointed.

The Company is a party to an Amended and Restated Loan and Security Agreement (the "Loan Agreement"), with Melrose Capital Advisors, LLC ("Melrose Capital" or the "Lender"). Timothy E. Reilly, the managing member of Melrose Capital, is a former partner of MVI Partners and two of Mr. Reilly's children currently have a combined one-third interest in MVI Partners. Under the terms of the Loan Agreement, the Company borrowed an aggregate of \$1,000,000 from the Lender (the "Loan"). The Loan is evidenced by a promissory note in the face amount of \$1,000,000, as amended (the "Senior Note"). The principal amount and all unpaid accrued interest on the Senior Note is payable on May 31, 2016, or earlier in the event of default or a sale or liquidation of the Company. The Company granted the Lender a first priority security interest in all of the Company's assets, in order to secure the Company's obligation to repay the Loan, including a Deposit Account Control Agreement, which grants the Lender a security interest in certain bank accounts of the Company. Upon the occurrence of an event of default, the Lender has the right to impose interest at a rate equal to five percent (5.0%) per annum above the otherwise applicable interest rate. The repayment of the Loan may be accelerated prior to the maturity date upon certain specified events of default, including failure to pay, bankruptcy, breach of covenant, and breach of representations and warranties.
