Item 1.01. Entry into a Material Definitive Agreement.

(a) On December 27, 2005, Applera Corporation (["Applera"]) announced that it had entered into an Agreement and Plan of Merger by and among Ambion, Inc. (["Ambion"]), Applera, Ambion Acquisition Corp., and Mathew M. Winkler, in his capacity as Representative, dated as of December 24, 2005 (the ["Merger Agreement"]), pursuant to which Applera's Applied Biosystems Group will acquire the Research Products Division of Ambion for \$273 million in cash, subject to certain closing adjustments related to working capital, transaction expenses, and the amount of outstanding debt of Ambion at the closing. The transaction will be completed as a reverse triangular merger (the ["Merger"]), and after the Merger Ambion will be a wholly-owned subsidiary of Applera. Promptly following the Merger, Ambion will sell its existing diagnostics business to Asuragen, a newly-formed affiliate of Mr. Winkler (the ["Divestiture"]). As a result of the Merger and the Divestiture, Ambion, as a wholly-owned subsidiary of Applera, will operate only its existing Research Products Division. The transaction is subject to the receipt of Hart-Scott-Rodino antitrust clearance and other customary closing conditions, and is expected to close in the first calendar quarter of 2006. The transaction was announced and further described in a press release issued by Applera and Ambion on December 27, 2005, a copy of which is attached hereto as Exhibit 99.1 and incorporated by reference herein.
