Item 1.01 Entry into a Material Definitive Agreement.

On May 23, 2012, Independent Bank (the "Bank"), the wholly-owned bank subsidiary of Independent Bank Corporation, entered into a Purchase and Assumption Agreement (the "Agreement") with Chemical Bank. Pursuant to the Agreement, the Bank agreed to sell and transfer 21 of the Bank's branch locations to Chemical Bank, along with certain deposit liabilities, loans, and other assets and liabilities associated with such branch locations.

It is currently expected that the transaction will result in the transfer of approximately \$420 million of deposits to Chemical Bank in exchange for the payment by Chemical Bank of a deposit premium of approximately \$12.4 million. The actual amount of deposits transferred to Chemical Bank, and the actual premium paid for such deposits, will be determined at the time of the closing of the transaction, in accordance with the terms and conditions of the Agreement. In addition, the transaction involves the sale of the real property and other fixed assets associated with the branch locations being sold. Chemical Bank will also have the right to purchase certain loans originated at the branches being sold. The closing of the transaction is subject to the terms and conditions set forth in the Agreement, including the receipt of regulatory approval, but is currently expected to be completed by the end of the third quarter of 2012.

The description of certain terms of the Agreement set forth above is only a summary and is qualified in its entirety by the terms and conditions of the Agreement, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference.

Item 9.01 Financial Statements and Exhibits.
