PROXY STATEMENT
IN CONNECTION WITH ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 24, 2003.

THE BOARD OF DIRECTORS OF THEGLOBE.COM, INC. ("THEGLOBE", "WE" OR "US") IS SOLICITING PROXIES TO BE VOTED AT THE ANNUAL MEETING OF STOCKHOLDERS (THE "ANNUAL MEETING") TO BE HELD ON THURSDAY, JULY 24, 2003 AT 10:00 A.M. AND AT ANY ADJOURNMENT OR POSTPONEMENT.

This proxy statement and the accompanying proxy are first being sent to stockholders entitled to vote at the Annual Meeting on or about June 23, 2003. theglobe.com's principal executive offices are located at 110 East Broward Boulevard, Suite 1400, Fort Lauderdale, Florida 33301, telephone number (954) 769-5900.

VOTING RIGHTS AND SOLICITATION OF PROXIES

PURPOSE OF THE ANNUAL MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting. Each proposal is described in more detail in this proxy statement.

RECORD DATE AND SHARES OUTSTANDING

Stockholders of record who owned either common stock or Series F Preferred Stock at the close of business on May 27, 2003 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At the Record Date, 30,507,293 shares of common stock were issued and outstanding and 333,333 shares of Series F Preferred Stock (convertible into 16,666,650 shares of common stock as of the record date) were issued and outstanding. The common stock and Series F Preferred Stock (on an as converted basis) vote together as a single class on the election of directors and, except as provided by law and by the terms of the Series F Preferred Stock, on all other matters. The closing price of our common stock on the OTC Bulletin Board on the Record Date was \$0.65 per share.

REVOCABILITY AND VOTING OF PROXIES

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by any of the following methods:

- o by writing a letter delivered to Robin Segaul Lebowitz, Secretary of theglobe.com, stating that the proxy is revoked;
- o by submitting another proxy with a later date; or

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

- o by attending the Annual Meeting and voting in person.

Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming that stockholder's beneficial ownership of the shares. Shares of common stock or Series F Preferred Stock represented by properly executed proxies will be voted at the Annual Meeting in accordance with the instructions indicated on the proxies, unless the proxies have been revoked.

Unless we receive specific instructions to the contrary, properly executed proxies will be voted: (i) FOR the election of each of theglobe.com's nominees as a director; (ii) FOR the approval of the amendment to

1

the certificate of incorporation of the corporation to increase the total authorized shares of common stock from 100,000,000 to 200,000,000 shares; and (iii) FOR any other matters that may come before the Annual Meeting, at the discretion of the proxy holders. theglobe.com does not presently anticipate any other business will be presented for vote at the Annual Meeting.

LIST OF STOCKHOLDERS

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting during regular business hours at our offices 110 East Broward Boulevard, Suite 1400, Fort Lauderdale, Florida, by contacting Robin Segaul Lebowitz, Secretary of theglobe.com.

VOTING AT THE ANNUAL MEETING

Each share of common stock outstanding on the Record Date will be entitled to one (1) vote on each matter submitted to a vote of the stockholders, including the election of directors. Each share of Series F Preferred Stock is entitled to a number of votes equal to the number of shares of common stock into which the Series F Preferred Stock is convertible. As of the record date, each share of Series F Preferred Stock was convertible into fifty shares of common stock. Accordingly, the holders of Series F Preferred Stock will be entitled to cast an aggregate of 16,666,650 votes and the holders of common stock will be entitled to cast an aggregate of 30,507,293 votes. Cumulative voting by stockholders is not permitted.

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast by the holders of common stock and the holders of Series F Preferred Stock, voting together as a single class, is required for the election of Directors. Abstentions and broker "non-votes" are not counted for purpose of the election of Directors.

SOLICITATION

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

We will pay the costs relating to this proxy statement, the proxy and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and regular employees may also solicit proxies. They will not receive any additional compensation for the solicitation.

BOARD MEETINGS AND COMMITTEES OF THE BOARD

Including unanimous written actions of the Board, the Board of Directors met nine times in 2002. No incumbent director who was on the Board for the entire year attended less than 75% of the total number of all meetings of the Board and any committees of the Board on which he or she served, if any, during 2002.

The functions and responsibilities of the standing committees of the Board of Directors are described below.

Audit Committee. The Audit Committee, which was formed in July 1998, reviews, acts on and reports to the Board of Directors with respect to various auditing and accounting matters, including the selection of our independent auditors, the scope of the annual audits, fees to be paid to the auditors, the performance of our auditors and our accounting practices and internal controls. The Audit Committee operates pursuant to a charter, as amended, adopted by the Board of Directors on June 12, 2000. The current members of the Audit Committee are Messrs. Egan and Cespedes and Ms. Lebowitz, all of whom are employee directors. None of the current committee members are considered "independent" within the meaning of applicable NASD rules. Messrs. Egan and Cespedes replaced Messrs. Krizelman and Halperin effective June 20, 2002. Including unanimous written actions of the Committee, the Audit Committee held three meetings in 2002.

Compensation Committee. The Compensation Committee, which met twice in 2002 (including unanimous written actions of the Committee), establishes salaries, incentives and other forms of compensation for officers and other employees of theglobe.com. DIRECTOR COMPENSATION

Directors who are also our employees receive no compensation for serving on our Board or committees. We reimburse non-employee directors for all travel and other expenses incurred in connection with attending Board and committee meetings. Non-employee directors are also eligible to receive automatic stock option grants under our 1998 Stock Option Plan, as amended and restated. As of December 31, 2002 there were no directors who met this definition.

Each director who becomes an eligible non-employee director for the first time receives an initial grant of options to acquire 25,000 shares of our common stock. In addition, each eligible non-employee director will receive an annual grant of options to acquire 7,500 shares of our common stock on the first business day following each annual meeting of stockholders that occurs while the 1998 Stock Option Plan or 2000 Stock Option Plan is in effect. These stock options will be granted with per share exercise prices equal to the fair market value of our common stock as of the date of grant.

INDEMNIFICATION

The Delaware General Corporation Law provides that a corporation may indemnify its directors and officers for certain liabilities. We indemnify our directors and officers to the fullest extent permitted by law so that they will serve free from undue concern that they will not be indemnified. This is required under our By-Laws, and we have also signed agreements with each of those individuals contractually obligating us to provide this indemnification to them.

4

On and after August 3, 2001 and as of the date of this filing, the Company is aware that six putative shareholder class action lawsuits were filed against the Company, certain of its current and former officers and directors, and several investment banks that were the underwriters of the Company's initial public offering. The lawsuits were filed in the United States District Court for the Southern District of New York. The lawsuits purport to be class actions filed on behalf of purchasers of the stock of the Company during the period from November 12, 1998 through December 6, 2000. Plaintiffs allege that the underwriter defendants agreed to allocate stock in the Company's initial public offering to certain investors in exchange for excessive and undisclosed commissions and agreements by those investors to make additional purchases of stock in the aftermarket at pre-determined prices. Plaintiffs allege that the Prospectus for the Company's initial public offering was false and misleading and in violation of the securities laws because it did not disclose these arrangements. On December 5, 2001, an amended complaint was filed in one of the actions, alleging the same conduct described above in connection with both the Company's November 23, 1998 initial public offering and its May 19, 1999 secondary offering. The actions seek damages in an unspecified amount. The complaints have been consolidated into a single action, entitled Kofsky v. theglobe.com, inc. et al., Case No. 01 Civ. 7247. On February 19, 2003, a motion to dismiss all claims against the Company was denied by the Court. The Company and its current and former officers and directors intend to vigorously defend the actions.

Pursuant to our By-Laws and agreements with the individuals, we have agreed to indemnify our Officers and Directors against certain liabilities under specified circumstances.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE THREE NOMINEES

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

AS DIRECTORS OF THEGLOBE.COM.

We will vote your shares as you specify on the enclosed proxy card. If you do not specify how you want your shares voted, we will vote them FOR the election of all the nominees listed above. If unforeseen circumstances (such as death or disability) make it necessary for the Board of Directors to substitute another person for any of the nominees, we will vote your shares FOR that other person. The Board of Directors does not presently anticipate that any nominee will be unable to serve.

5

PROPOSAL NO. 2
APPROVAL OF AMENDMENT TO THE FOURTH AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION OF THE CORPORATION
TO INCREASE THE TOTAL AUTHORIZED SHARES OF COMMON STOCK

The Board of Directors has proposed to amend the Corporation's Certificate of Incorporation for the purpose of increasing the number of authorized shares of Common Stock of the Corporation from one hundred million (100,000,000) shares to two hundred million (200,000,000) shares (the "Certificate of Amendment"). A copy of the proposed Certificate of Amendment is attached hereto as Exhibit "A". If the Certificate of Amendment is approved at the Annual Meeting, the Corporation intends to promptly sign the Certificate of Amendment and file the same with the Delaware Secretary of State. The amendment will not affect the number of shares of preferred stock authorized, which is 3,000,000 shares, \$.001 par value per share.

The additional shares of Common Stock for which authorization is sought herein would be part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently outstanding. Holders of Common Stock have no preemptive or other subscription rights.

The Board of Directors believes that increasing the number of authorized shares is essential to ensure that the Corporation will continue to have an adequate number of shares of Common Stock available for future issuance. As of the record date of May 27, 2003, the Company had issued and outstanding 30,507,293 shares of Common Stock and 333,333 shares of Series F Preferred Stock convertible into approximately 16,666,650 shares of Common Stock. The Company also has issued and outstanding \$1.75 million of Convertible Notes which are convertible into approximately 19,450,000 shares of the Common Stock of the Company. Subsequent to the record date, the Company issued 1,375,000 shares of Common Stock and warrants to acquire another 500,000 shares of Common Stock pursuant to a business acquisition. In addition, as of the date of mailing of this proxy, the Company had outstanding options and warrants to acquire approximately 7,650,000 and 16,325,000 shares, respectively, of its Common Stock. The Company also has available for future issuance approximately 2,500,000 shares under its stock options plans. The instruments related to the Series F Preferred Stock, the Convertible Notes, and most of the options and warrants require the Company to reserve shares of Common Stock for potential issuance upon the exercise or conversion of such securities. Consequently, substantially all of the Company's Common Stock (approximately 94,425,000) is issued or reserved for issuance at the present time.

In addition to the warrants issued and outstanding described above, the Company also holds in escrow warrants to acquire up to 3,175,000 shares, subject to

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

release over approximately the next three years (some of which may be accelerated upon the occurrence of a change in control of the Company) upon the attainment of certain performance objectives. The Company also holds an option to acquire an Internet related company, pursuant to which, if the Company exercised the option, it would issue an additional 2,000,000 shares of its Common Stock.

From January 1, 2003 through the record date, the Company's Common Stock has traded on the OTC Bulletin Board at prices ranging from \$.06 to \$0.80. As a result, the Company has needed to issue large amounts of Common Stock or instruments exercisable or convertible into Common Stock, including the Series F Preferred Stock and the Convertible Notes, in order to raise any significant equity capital. The Company contemplates that it will need to raise significant additional capital in order to pursue its business plans and, if successful in raising such capital, will likely issue a substantial number of additional shares of Common Stock or securities exercisable for, or convertible into, Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE
CERTIFICATE OF AMENDMENT.

We will vote your shares as you specify on the enclosed proxy card. If you do not specify how you want your shares voted, we will vote them FOR the certificate of amendment.

6

Effect and Purpose of Proposed Certificate of Amendment

The Board of Directors believes that it is in the best interest of the Corporation to have additional shares of Common Stock authorized and available for issuance in order to meet future requirements of the Corporation, which may include issuances of securities to fund operations of the Company, to fund acquisitions of the Company, to meet future financing needs of the Corporation, to effect stock splits or declare stock dividends, and for other corporate purposes.

The Board of Directors does not intend to issue any Common Stock or securities exercisable or convertible into Common Stock except on terms that the Board deems to be in the best interests of the Corporation and its stockholders. The Company is currently investigating a number of potential private sales of its securities in order to raise additional capital. Due to the present lack of a sufficient number of authorized shares of Common Stock the Company anticipates that it may issue a new series of preferred stock which would vote on an "as converted" basis with the holders of the Common Stock and which would automatically convert into additional shares of Common Stock at such time as the foregoing proposal to amend and increase the authorized number of shares of Common Stock becomes effective. The terms of our anticipated financing are still being finalized but the company currently anticipates that it will seek to raise approximately \$8.5 million from the issuance of units consisting of such convertible preferred shares and warrants to acquire (for a number of shares equal to approximately twenty percent (20%) of the amount of preferred shares acquired) additional shares of such preferred stock. The company anticipates that such preferred shares would ultimately convert into common stock at approximately \$.50 per share. If the company were successful in raising all of such \$8,000,000, an aggregate of approximately 20,400,000 shares of common stock could ultimately be issued pursuant to such private offering. We also anticipate that registration rights would be granted in connection with the investment. There can be no assurance that the company will be successful in raising such

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

capital and the final terms of any amounts raised may be materially different from those described above.

If you authorize us to increase our authorized common stock, we will not be required to seek your approval for the issuance of any of the additional shares in connection with our anticipated financing transaction or any other transaction, unless our common stock becomes listed on a securities exchange or is admitted to quotation on the NASDAQ Stock Market and the listing standards of that securities market require us to seek your approval. We do not anticipate any such listing under our current circumstances. Therefore, your interest in our company could be substantially diluted without your approval.

7

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of our common stock and Series F Preferred Stock as of the record date of May 27, 2003 by (i) each person who owns beneficially more than 5% of our common stock, (ii) each of our directors, (iii) each of the officers named in the table under the heading "Executive Compensation-Summary Compensation Table," for 2002 and (iv) all directors and executive officers as a group. A total of 30,507,293 shares of theglobe.com's common stock were issued and outstanding on May 27, 2003 and 333,333 shares of Series F Preferred Stock (convertible into 16,666,650 shares of common stock as of the record date) were issued and outstanding as of such date.

The amounts and percentage of common stock beneficially owned are reported on the basis of regulations of the Securities and Exchange Commission ("SEC") governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a "beneficial owner" of a security if that person has or shares "voting power," which includes the power to vote or to direct the voting of such security, or "investment power," which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed to be a beneficial owner of securities as to which such person has no economic interest. Unless otherwise indicated below, the address of each person named in the table below is in care of theglobe.com, inc., P.O. Box 029006, Fort Lauderdale, Florida 33302.

Former Chief Executive Officer Employment Agreement. On July 14, 2000, we entered into an employment agreement with our then Chief Executive Officer ("CEO"), Charles M. Peck. The Employment Agreement provided for the following:

- o employment as one of our executives;
- o an annual base salary of \$325,000 with eligibility to receive annual increases as determined in the sole discretion of the Board of Directors;

- o stock options to purchase 1,250,000 shares of our common stock. The options were granted at an exercise price of \$1.937 per share. These options terminated three months after Mr. Peck's termination of employment on May 31, 2002.
- o The CEO agreement was for a term expiring on July 14, 2004. The CEO agreement provided that, in the event of termination by us without cause, the executive will be entitled to receive from us:
 - any earned and unpaid base salary;
 - reimbursement for any reasonable and necessary monies advanced or expenses incurred in connection with the executive's employment; and

INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

Michael Egan, theglobe.com's Chairman, is also currently Chairman of ANC Rental Corporation and was Chief Executive Officer of ANC Rental Corporation from late 2000 until April 4, 2002. In November 2001, ANC Rental Corporation filed voluntary petitions for relief under chapter 11 or title 11 of the United States

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

Code in the United States Bankruptcy Court for the District of Delaware (Case No. 01-11200).

Edward Cespedes, a Director of theglobe, was also a Director of Dr. Koop Lifecare Corporation from January 2001 to December 2001. In December 2001, Dr. Koop Lifecare Corporation filed petitions seeking relief under Chapter 7 of the United States Bankruptcy Code.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Arrangements with Entities Controlled by Various Directors and Officers. On November 14, 2002, E & C Capital Partners, LLLP ("E&C Partners"), a privately held investment holding company owned by Michael S. Egan, our Chairman and CEO and a major shareholder, and Edward A. Cespedes, our President and a Director, entered into a non-binding letter of intent with theglobe.com to provide \$500,000 of new financing via the purchase of shares of a new Series F Preferred Stock of theglobe.com. On March 28, 2003, the parties signed a Preferred Stock Purchase Agreement and other related documentation pertaining to the investment and closed on the investment. Pursuant to the Preferred Stock Purchase Agreement, E & C Capital Partners received 333,333 shares of Series F Preferred Stock convertible into shares of the Company's Common Stock at a price of \$0.03 per share. The conversion price is subject to adjustment upon the occurrence of certain events, including downward adjustment on a weighted-average basis in the event the Company should issue securities at a purchase price below \$0.03 per share. If fully converted, and without regard to the anti-dilutive adjustment mechanisms applicable to the Series F Preferred Stock, an aggregate of approximately 16,666,650 million shares of Common Stock could be issued. The Series F Preferred Stock has a liquidation preference of \$1.50 per share (and is thereafter entitled to participate with the Common Stock on an "as converted" basis), will pay a dividend at the rate of 8% per annum and entitles the holder to vote on an "as converted" basis with the holders of Common Stock. In addition, as part of the \$500,000 investment, E & C Partners received warrants to purchase approximately 3.3 million shares of theglobe.com Common Stock at an exercise price of \$0.125 per share. The warrant is exercisable at any time on or before March 28, 2013. E & C Partners is entitled to certain demand registration rights in connection with its investment.

On May 22, 2003, E&C Partners and certain trusts, of which Mr. Egan is the trustee, entered into a Note Purchase Agreement with the Company pursuant to which they acquired convertible promissory notes (the "Convertible Notes") in the aggregate principal amount of \$1,750,000. The Convertible Notes are convertible at anytime into shares of the Company's common stock at a blended rate of \$.09 per share (the Convertible Note held by E&C converts at approximately \$.079 per share and the Convertible Notes held by the Trusts convert at \$.10 per share), which if fully converted, would result in the issuance of approximately 19,445,000 shares. The Convertible Notes have a one year maturity date, which may be extended at the option of the holder of the Note for periods aggregating two years, and are secured by a

13

pledge of substantially all of the assets of the Company. In addition, E&C Partners was issued a warrant to acquire 3,888,889 shares of theglobe.com common stock at an exercise price of \$.15 per share. The warrant is exercisable at any time on or before May 22, 2013. E&C Partners and the trusts are entitled to certain demand and piggy-back registration rights in connection with their investment.

COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

Section 16(a) of the Securities and Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent (10%) of a registered class of our equity securities, to file certain reports regarding ownership of, and transactions in, our securities with the SEC and with The NASDAQ Stock Market, Inc. Such officers, directors, and 10% stockholders are also required to furnish the globe with copies of all Section 16(a) forms that they file.

Based solely on our review of copies of Forms 3 and 4 and any amendments furnished to us pursuant to Rule 16a-3(e) and Forms 5 and any amendments furnished to us with respect to the 2002 fiscal year, and any written representations referred to in Item 405(b)(2)(i) of Regulation S-K stating that no Forms 5 were required, we believe that, during the 2002 fiscal year, our officers and directors have complied with all Section 16(a) applicable filing requirements, except the initial filing of Form 3 by Robin Segaul Lebowitz was filed late.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The audit committee of the board of directors operates under a written charter adopted by the board of directors. The members of the committee are Michael S. Egan, Edward A. Cespedes, and Robin Segaul Lebowitz. Messrs. Egan and Cespedes replaced Messrs. Krizelman and Halperin effective June 20, 2002. In as much as the Board does not currently have any non-employee directors, and all audit committee members are also employees of the Company, none of the current committee members are considered "independent" within the meaning of applicable NASD rules.

Management is responsible for the company's internal controls and the financial reporting process. The independent accountants are responsible for performing an independent audit of the company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The committee's responsibility is to monitor and oversee these processes.

In this context, the audit committee has met and held discussions with management and the independent accountants. Management represented to the committee that the company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the audit committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The committee discussed with the independent accountants matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The company's independent accountants also provided to the audit committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the audit committee discussed with the independent accountants that firm's independence.

Based upon the audit committee's discussion with management and the independent accountants and the audit committee's review of the representation of management and the report of the independent accountants to the committee, the audit committee recommended that the board of directors include the audited

Edgar Filing: THEGLOBE COM INC - Form DEF 14A

consolidated financial statements in the company's annual report on Form 10-K for the year ended December 31, 2002 filed with the Securities and Exchange Commission.

APPOINTMENT OF INDEPENDENT AUDITORS

On August 8, 2002, the Board of Directors, upon the recommendation of the audit committee, dismissed our independent accountants KPMG LLP ("KPMG") and appointed Rachlin Cohen & Holtz LLP ("Rachlin Cohen") Fort Lauderdale, Florida as the firm of independent public accountants to audit our books and accounts for the fiscal year ended December 31, 2002. There will be a representative from Rachlin Cohen in attendance at the annual meeting.

The audit reports issued by KPMG on our consolidated financial statements as of and for the years ended December 31, 2001 and December 31, 2000, did not contain any adverse opinion or a disclaimer of opinion, and were not qualified or modified, as to uncertainty, audit scope or accounting principles, except as follows:

KPMG's report on the consolidated financial statements of theglobe.com, inc. and subsidiaries as of and for the years ended December 31, 2001 and 2000, contained a separate paragraph stating "the Company has suffered recurring losses from operations since inception that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to this matter are also described in Note 1. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty."

During our two most recent fiscal years ended December 31, 2001 and December 31, 2000, and the subsequent interim period from January 1, 2002 through our dismissal of KPMG on August 8, 2002, there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to KPMG's satisfaction, would have caused KPMG to make reference to the subject matter of the disagreement in connection with its reports on our consolidated financial statements for such years; and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company furnished KPMG with a copy of its Report on Form 8-K relating to the foregoing change in accountants and requested KPMG to furnish it with a letter addressed to the Securities and Exchange Commission ("Commission") stating whether it agrees with the statements set forth above. A copy of KPMG's letter to the Commission dated August 13, 2002 was filed as an exhibit on Form 8-K on August 13, 2002.

During the fiscal years ended December 31, 2001 and December 31, 2000 and through August 8, 2002, we did not consult with Rachlin Cohen with respect to the application of accounting principles to a specified transaction, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or events described in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The aggregate fees billed by KPMG for professional services rendered for the reviews of the financial statements included in our Forms 10-Q for fiscal 2002 was \$30,850.

The Company paid the following fees for services by Rachlin Cohen during fiscal 2002:

The audit committee reviewed these services and determined that the nature of these engagements did not impair auditor independence.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. We have paid no fees to KPMG or Rachlin Cohen for the operation of our information system network or for the design or implementation of a system that aggregates source data for, or generates information significant to, our financial statements.
