Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, including the election of two directors, approval of the Equity Incentive Plan, and to transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Who is entitled to vote?

Only stockholders of record at the close of business on September 16, 2005, the record date for the meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Annual Meeting, or any postponements or adjournments of the meeting. Each outstanding share of Common Stock owned by you on September 16, 2005 entitles you to one vote on each matter considered at the Annual Meeting. The enclosed proxy card shows the number of shares owned by you as of the record date.

Who may attend the annual meeting?

All stockholders of record as of the record date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the Common and Preferred Stock outstanding on the record date will constitute a quorum. Each share of Common Stock and each share of Series A Convertible Preferred Stock is entitled to one vote. As of the close of business on June 30, 2005, 70,649,719 shares of Common Stock and 1,935,718 shares of Series A Convertible Preferred Stock were outstanding and entitled to vote at the Annual Meeting. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

How do I vote?

If you complete and properly sign the accompanying proxy card and return it, your shares of Stock will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

May I change my vote after I return my proxy card?

Yes, even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by providing William F. Clough, Esq., our Corporate Secretary, either a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

of the Company's Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR election of the nominated slate of Directors
(see Proposal 1);

FOR approval of the adoption of the OnScreen Technologies, Inc. Equity Incentive Plan
(see Proposal 2).

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of the directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" election of the nominees for director

Other items. For each other item, the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

What if other matters come up at the Annual Meeting?

Aside from the election of the directors and approval of the OnScreen Technologies, Inc. Equity Incentive Plan, the Board of Directors knows of no other matters to be presented at the Annual Meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, the shares represented by the proxy holders will be voted in the discretion of the proxy holders.

Proposals by Shareholders

Shareholder proposals intended to be presented at the Annual Meeting must have been received by us not later than September 16, 2005 for inclusion in the proxy materials for the Annual Meeting. We are not aware of any matters to be voted on at the Annual Meeting except those listed on the accompanying notice of Annual Meeting of shareholders. The accompanying proxy gives discretionary authority to the persons named to vote the shares in their best judgment if any other matters are properly brought before the Annual Meeting.

What if the Annual Meeting is postponed?

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have at that time effectively

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

Who pays for this proxy solicitation?

We do. The proxies being solicited in connection with this Proxy Statement are being solicited by the Board of Directors and the costs will be borne by the Company. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our stock.

PROPOSAL I

ELECTION OF TWO DIRECTORS

The Company's Bylaws provide that the number of directors shall be fixed from time to time by resolution of the Board of Directors, but in no instance shall there be less than one director. All directors shall be elected at the annual meeting of shareholders to serve two-year terms and shall hold office until his or her successor shall have been elected and qualified. Currently we have four directors two of whom have been nominated for re-election this year and have agreed to serve if elected. The Board of Directors set these terms staggered in order to maintain continuity on the Board of Directors. In order to affect this staggered term strategy, the four board seats are numbered consecutively, 1 through 4. Odd numbered seats (seats 1 and 3) will be elected at the annual shareholder meetings held on even numbered years; even numbered seats (seats 2 and 4) will be elected at the annual shareholder meetings held on odd numbered years. The following are Company directors, the director seats and terms for which they were elected or appointed:

- o Director Seat #1, John "JT" Thatch, elected for a two year term at the June 2004 shareholder meeting.
- o Director Seat #2, Russell L. Wall, elected for a one year term at the June 2004 Shareholder meeting. Mr. Wall is nominated for election to a two year term at the current December 2005 Meeting of Shareholders.
- o Director Seat #3, Bradley J. Hallock, elected for a two year term at the June 2004 shareholder meeting.
- o Director Seat #4, Charles Baker, appointed March 1, 2005 to serve until the next annual meeting of shareholders. Mr. Baker is nominated for election to a two year term at the current December 2005 Meeting of Shareholders.

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

Shares of our Common Stock and Series A Preferred Stock are entitled to one vote per share for each Director. Cumulative voting is not permitted.

Unless stated to be voted otherwise, each proxy will be voted for the election of the nominees named below. All of the nominees have consented to serve as directors if elected. If a nominee becomes unavailable for election before the 2005 Annual Meeting, the Board of Directors may name a substitute nominee and proxies will be voted for such substitute nominee unless an instruction to the contrary is written on the proxy card.

The Board of Directors recommends that shareholders vote "FOR" election of the nominees for director named above.

PROPOSAL 2

APPROVAL OF EQUITY INCENTIVE PLAN

Being submitted to the stockholders for approval at the 2005 Annual Shareholders meeting is the OnScreen Technologies, Inc. Equity Incentive Plan (the "Equity Incentive Plan"); an incentive and non-qualified stock option plan which authorizes the issuance of up to 2,000,000 shares of our common stock. The Equity Incentive Plan was approved by the Board of Directors subject to stockholder approval. If the Equity Incentive Plan is approved, the 2,000,000 shares of common stock being authorized will be used to grant non-qualified incentive stock options to our employees and consultants.

The Equity Incentive Plan is intended to: (a) provide incentive to employees of the Company and its affiliates to stimulate their efforts toward the continued success of the Company and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company; (b) encourage stock ownership by employees, directors and independent contractors by providing them with a means to acquire a proprietary interest in the Company by acquiring shares of Stock or to receive compensation which is based upon appreciation in the value of Stock; and (c) provide a means of obtaining and rewarding employees, directors, independent contractors and advisors.

With respect to incentive stock options, the Equity Incentive Plan provides that the exercise price of each such option must be at least equal to 100% of the fair market value of our common stock on the date of grant (110% in the case of stockholders who, at the time the option is granted, own more than 10% of the outstanding common stock), and requires that all such options have an expiration date not later than that date which is one day before the tenth anniversary of the date of the grant (or the fifth anniversary of the date of grant in the case of 10% stockholders). Pursuant to the provisions of the Equity Incentive Plan, the aggregate fair market value, determined as of the date(s) of grant, for which incentive stock options are first exercisable by an option holder during any one calendar year cannot exceed \$100,000.

Options granted under the Equity Incentive Plan terminate three (3) months after the date of Termination of Employment; provided, however, that in the case of a holder whose Termination of Employment is due to death or Disability, one (1) year shall be substituted for such three (3) month period. If an optionee's employment or service is terminated within three months following a Stock Option Change of Control, then the options will remain exercisable for three months after the optionee's termination.

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

The Board of Directors has a limited right to modify or amend the Equity Incentive Plan, which does not include the right to increase the number of shares available for the grant of options.

During the term of the Equity Incentive Plan, our eligible employees will receive, for no consideration prior to exercise, the opportunity to profit from any rise in the market value of our common stock. This will dilute the equity interest of our other stockholders. The grant and exercise of the options also may affect our ability to obtain additional capital during the term of any options.

The Equity Incentive Plan will be administered by the Equity Incentive Plan Administrator appointed by the Board of Directors. The description of the proposed Equity Incentive Plan set forth above is a summary of various provisions of the Equity Incentive Plan and is not a complete description of the plan. The Plan is attached to this proxy statement as Appendix A.

The following is a summary of the federal income tax treatment of the stock options which may be granted under the Equity Incentive Plan based upon the current provisions of the Internal Revenue Code. This summary does not purport to be a complete and detailed description of all possible tax consequences to the recipient of a stock option. It describes the federal tax consequences in effect as of the date of this Proxy Statement. Each holder of a stock option is advised to consult his or her tax advisor because tax consequences may vary depending on the individual circumstances of the holder.

An option holder who exercises a non-qualified stock option will recognize taxable compensation at the date of exercise with respect to the difference between the fair market value of the option shares at exercise and the exercise price paid to purchase such shares. OnScreen Technologies, Inc. is entitled to a corresponding deduction for such compensation. At such time as the option stock is sold, the option holder will recognize either short-term or long-term capital gain income (depending upon the length of time such stock has been held) with respect to the excess of the stock sale price over the exercise price paid to purchase such shares.

An option holder who exercises an incentive stock option will not realize any regular taxable income. At the date of exercise, the option holder may, depending on his or her personal tax situation, be subject to Alternative Minimum tax ("AMT") because the difference between the fair market value of the shares at exercise and the exercise price represents an AMT preference item.

The tax consequences of a disposition of an incentive stock option depend upon the length of time the stock has been held by the employee. If the employee holds the option stock for at least two years after the option is granted and one year after the exercise of the option, any gain realized on the sale is long-term capital gain. In order to receive long-term capital gain treatment, the employee must remain in our employ from the time the option is granted until three months before its exercise (twelve months in the event of termination due to disability of the employee). We will not be entitled to a deduction in this instance.

If the incentive option stock is not held for the requisite holding period described above, a "disqualifying disposition" will occur. A disqualifying disposition results in the employee recognizing ordinary compensation income to the extent of the lesser of: (1) the fair market value of the option stock on the date of exercise less the exercise price ("the spread") or (2) the amount realized on disposition of the option stock less the exercise price. If the amount realized on the disposition is greater than the fair market value of the stock on the date the stock option was exercised, such excess will be treated as

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

a capital gain, which will be a long-term capital gain if the stock was held for the appropriate holding period (currently more than one year). We will be entitled to a deduction at this time for such ordinary compensation income. The option holder's basis in such shares will be the fair market value on the date of exercise.

The Equity Incentive Plan is attached as Exhibit B to this proxy.

The Board of Directors recommends that shareholders vote "FOR" approval of the Equity Incentive Plan.

OTHER BUSINESS

Management does not presently know of any matters that may be presented for action at the Annual Meeting other than those set forth herein. However, if any other matters properly come before the Annual Meeting, it is the intention of the persons named in the proxies solicited by management to exercise their discretionary authority to vote the shares represented by all effective proxies on such matters in accordance with their best judgment.

If you do not expect to be personally present at the Annual Meeting, please fill in, date and sign the enclosed proxy card and return it promptly in the enclosed return envelope which requires no additional postage if mailed in the United States.

The Audit Committee is currently composed of Russell L. Wall. Mr. Wall is independent in accordance with applicable rules promulgated by the Securities and Exchange Commission (the "SEC") and NASDAQ listing standards. Mr. Wall is able to read and understand fundamental financial statements, including our balance sheet, income statement and cash flow statement. The Board of Directors has determined that Mr. Wall is an "audit committee financial expert" as defined

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

in Section 401(h) of Regulation S-K promulgated by the SEC under the Exchange Act. During the last fiscal year, there were seven informal meetings of the Audit Committee.

Salberg & Company, P.A. billed the Company an aggregate of \$50,000 in fees and expenses for professional services rendered in connection with the audit of the Company's financial statements for the fiscal year ended December 31, 2004 and the reviews of the financial statements included in each of the Company's Quarterly Reports on Form 10-QSB during the fiscal year ended December 31, 2004. All fees described above were approved by the Audit Committee prior to engagement of the auditor to perform the service. None of the services provided above were pre-approved pursuant to the "de minimis exception" to the requirements of pre-approval for permitted non-audit services, set forth in Rule 2-01 of SEC Regulation S-X.

Pre-approval Policies and Procedures

The Audit Committee pre-approves the audit and non-audit services rendered by Salberg & Company, P.A. Generally, the Committee pre-approves particular services in the defined categories of audit services, audit-related services, tax services and other non-audit services, specifying the maximum fee payable with respect to that service. Pre-approval may be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service.

REPORT OF THE COMPENSATION COMMITTEE

The compensation committee of the Board of Directors administers our executive and management compensation program. The current members of the compensation committee are Bradley J. Hallock and Russell L. Wall. Each of these persons is a non-employee director within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. The Board has determined that each said member is "independent" within the meaning of NASDAQ's new rules. None of Messrs. Hallock and Wall has any interlocking relationships as defined by the rules promulgated by the SEC.

General Compensation Philosophy

The role of the compensation committee is to set the salaries and other compensation of the executive officers and certain other key employees of OnScreen Technologies, Inc. and to make grants under, and to administer, the stock option and other employee equity and bonus plans. The compensation philosophy of OnScreen Technologies, Inc. for executive officers is to relate compensation to corporate performance and increases in stockholder value, while providing a total compensation package that is competitive and enables OnScreen Technologies, Inc. to attract, motivate, reward and retain key executives and employees. Accordingly, as permitted by the executive's contract of employment, each executive officer's compensation package may, in one or more years, be comprised of the following three elements:

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

- o base salary that is designed primarily to be competitive with base salary levels in effect at technology companies in similar locations that are of comparable size to OnScreen Technologies, Inc. and with which OnScreen Technologies, Inc. competes for executive personnel;
- o annual variable performance awards, such as bonuses, payable in cash and tied to the achievement of performance goals, financial or otherwise, established by the compensation committee; and
- o long term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and the shareholders of OnScreen Technologies, Inc.

Executive Compensation

Base Salary. Salaries for executive officers for 2004 were generally determined on an individual basis by evaluating each executive's scope of responsibility, performance, prior experience and salary history, as well as the salaries for similar positions in similar locations at comparable companies. In addition, OnScreen Technologies, Inc.'s Human Resources Department provided information to us regarding salary range guidelines for specific positions.

As permitted by contract, base salary is adjusted each year to take into account the executive officer's performance and to maintain a competitive salary structure. We conduct reviews of executive compensation practices on an annual basis and may change each executive officer's salary based on the individual's contributions and responsibilities over the prior twelve months and any change in median comparable company pay levels. We believe that, on the basis of our knowledge of executive compensation in the industry, that salary levels of OnScreen Technologies, Inc. for the executive officers are reasonable and necessary given the competition for executive talent in the industry and the financial resources of OnScreen Technologies, Inc.

Long Term Incentive Awards. We believe that equity-based compensation in the form of stock options links the interests of executive officers with the long-term interests of the stockholders of OnScreen Technologies, Inc. and encourages executive officers to remain in the employ of OnScreen Technologies, Inc. Stock options generally have value for executive officers only if the price of the stock increases above the exercise price on the grant date and the officer remains in the employ of OnScreen Technologies, Inc. for the period required for the shares to vest.

It is the design of OnScreen Technologies, Inc. that stock options may be granted to executive officers when the executive first joins OnScreen Technologies, Inc., in connection with a significant change in responsibilities and, occasionally, to achieve equity within a peer group. We may, however, grant additional stock options to executive officers for other reasons. The number of shares subject to each stock option granted is within our discretion and is based on anticipated future contribution and ability to impact results, past performance or consistency within the executive officer's peer group. We may grant stock options to executive officers to provide greater incentives to continue their employment with OnScreen Technologies, Inc. and to strive to increase the value of OnScreen Technologies, Inc.'s common stock. The stock options generally become exercisable over a three-year period and are granted at a price that is equal to the fair market value of OnScreen Technologies, Inc.'s common stock on the date of grant.

The total compensation philosophy of OnScreen Technologies, Inc. is based on the concept that variable pay is earned through effective performance and contribution to the success of the company. Bonus payments are based on actual

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

performance in achieving corporate, department and individual targets. The Compensation Committee determines weightings for each element and establishes the corporate financial goals for bonus measurement purposes. The Compensation Committee is responsible for ensuring that actual results are confirmed before they are applied against the bonus plan for payment purposes. The corporate target is based on OnScreen Technologies, Inc.'s earnings per share, total consolidated revenue, and success in managing corporate expenses to plan. All targets and objectives are aligned with the business plan for the fiscal year and monitored by the corporate finance department of OnScreen Technologies, Inc. Individual performance is measured relative to the individual's personal contribution to the success of the organization. This element is objective and tied to individual documented objectives for the bonus year. All targets and related objectives are defined and measured periodically, with a final annual measurement.

A Termination of Affiliation shall be deemed to have occurred as of the date written notice to that effect is received by the Participant.

(ab) "Termination of Employment" means the termination of the employee-employer relationship between a Participant and the Company and its affiliates regardless of the fact that severance or similar payments are made to the Participant, for any reason, including, but not by way of limitation, a Voluntary Resignation, Involuntary Termination, death, Disability or Retirement. The Administrator shall, in its absolute discretion, determine the effect of all matters and questions relating to Termination of Employment, including, but not by way of limitation, the question of whether a leave of absence constitutes a Termination of Employment, or whether a Termination of Employment is for Cause, or is a Voluntary Resignation. With regard to a member of the Board who is not an employee, Termination of Employment shall mean the date on which the individual ceases to be a member of the Board for any reason.

(ac) "Vested" means that an Award is nonforfeitable and exercisable with regard to a designated number of shares of Stock.

(ad) "Voluntary Resignation" means a Termination of Employment as a result of the Participant's resignation.

SECTION 2 GENERAL TERMS

2.1 Purpose of the Plan. The Plan is intended to (a) provide incentive to employees of the Company and its affiliates to stimulate their efforts toward the continued success of the Company and to operate and manage the business in a manner that will provide for the long-term growth and profitability of the Company; (b) encourage stock ownership by employees, directors and independent contractors by providing them with a means to acquire a proprietary interest in the Company by acquiring shares of Stock or to receive compensation which is based upon appreciation in the value of Stock; and (c) provide a means of obtaining and rewarding employees, directors, independent contractors and advisors.

2.2 Stock Subject to the Plan. Subject to adjustment in accordance with Section 5.2, 2,000,000 shares of Stock (the "Maximum Plan Shares") are hereby reserved and subject to issuance under the Plan. At no time shall the Company have outstanding Awards and shares of Stock issued in respect to Awards in excess of the Maximum Plan Shares. To the extent permitted by law, the shares of Stock attributable to the nonvested, unpaid, unexercised, unconverted or otherwise unsettled portion of any Award that is forfeited, canceled, expired or terminated for any reason without becoming vested, paid, exercised, converted or otherwise settled in full shall again be available for purposes of the Plan.

2.3 Administration of the Plan. The Plan shall be administered by the Administrator. The Administrator shall have full authority in its discretion to determine the employees of the Company or its affiliates to whom Awards shall be granted and the terms and provisions of Awards, subject to the Plan. Subject to the provisions of the Plan, the Administrator shall have full and conclusive authority to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the respective Equity Ownership Agreements and to make all other determinations necessary or advisable for the proper administration of the Plan. The Administrator's determination under the Plan need not be uniform and may be made by it selectively among persons who receive, or are eligible to receive, Awards under the Plan (whether or not such persons are similarly situated). The Administrator's decisions shall be final and binding on all Participants.

2.4 Eligibility and Limits. Participants in the Plan shall be selected by the Administrator. In the case of Incentive Stock Options, the aggregate Fair Market Value (determined as at the date an Incentive Stock Option is granted) of Stock with respect to which Stock Options intended to meet the requirements of Code Section 422 become exercisable for the first time by an individual during any calendar year under all plans of the Company and its Parents and Subsidiaries shall not exceed \$100,000; provided further, that if the limitation is exceeded, the Incentive Stock Option(s) which cause the limitation to be exceeded shall be treated as Non-Qualified Stock Option(s).

SECTION 3 TERMS OF AWARDS

3.1 Terms and Conditions of All Awards.

(a) The number of shares of Stock as to which an Award shall be granted shall be determined by the Administrator in its sole discretion, subject to the provisions of Sections 2.2 and 2.4 as to the total number of shares available for grants under the Plan.

(b) Each Award shall be evidenced by an Equity Ownership Agreement in such form as the Administrator may determine is appropriate, subject to the provisions of the Plan.

(c) The date an Award is granted shall be the date on which the

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

Administrator has approved the terms and conditions of the Equity Ownership Agreement and has determined the recipient of the Award and the number of shares covered by the Award and has taken all such other action necessary to complete the grant of the Award.

(d) The Administrator may provide in any Equity Ownership Agreement a vesting schedule. The vesting schedule shall specify when such Awards shall become Vested and thus exercisable. The Administrator may accelerate the vesting schedule set forth in the Equity Ownership Agreement if the Administrator determines that it is in the best interests of the Company and Participant to do so. In addition, the Administrator may provide in the Equity Ownership Agreement that vesting will be accelerated in the event of a Change of Control.

(e) Awards shall not be transferable or assignable except by will or by the laws of descent and distribution and shall be exercisable, during the Participant's lifetime, only by the Participant, or in the event of the Disability of the Participant, by the legal representative of the Participant.

3.2 Terms and Conditions of Options. At the time any Option is granted, the Administrator shall determine whether the Option is to be an Incentive Stock Option or a Non-Qualified Stock Option, and the Option shall be clearly identified as to its status as an Incentive Stock Option or a Non-Qualified Stock Option. At the time any Incentive Stock Option is exercised, the Company shall be entitled to place a legend on the certificates representing the shares of Stock purchased pursuant to the Option to clearly identify them as shares of Stock purchased upon exercise of an Incentive Stock Option. An Incentive Stock Option may only be granted within ten (10) years from the date the Plan is adopted or the date such Plan is approved by the Company's stockholders, whichever is earlier. Incentive Stock Options may only be granted to employees of the Company.

(a) Option Price. Subject to adjustment in accordance with Section 5.2 and the other provisions of this Section 3.2, the exercise price (the "Exercise Price") per share of the Stock purchasable under any Option shall be in the applicable Equity Ownership Agreement at the time the Option is granted. With respect to each grant of an Incentive Stock Option to a Participant who is not an Over 10% Owner, the Exercise Price per share shall not be less than the Fair Market Value on the date the Option is granted. With respect to each grant for an Incentive Stock Option to a Participant who is an Over 10% Owner, the Exercise Price shall not be less than 110% of the Fair Market Value on the date the Option is granted.

(b) Option Term. The Equity Ownership Agreement shall set forth the term of each option. Any Incentive Stock Option granted to a Participant who is not an Over 10% Owner shall not be exercisable after the expiration of ten (10) years after the date the Option is granted. Any Incentive Stock Option granted to an Over 10% Owner shall not be exercisable after the expiration of five (5) years after the date the Option is granted. In either case, the Administrator may specify a shorter term and state such term in the Equity Ownership Agreement.

(c) Payment. Payment for all shares of Stock purchased pursuant to exercise of an Option shall be made in any form or manner authorized by the Administrator in the Equity Ownership Agreement or by amendment thereto, including, but not limited to, cash or, if the Equity Ownership Agreement provides, (i) by delivery or deemed delivery (based on an attestation to the ownership thereof) to the Company of a number of shares of Stock which have been owned by the holder for at least six (6) months prior to the date of exercise having an aggregate Fair Market Value on the date of exercise equal to the Exercise Price or (ii) by tendering a combination of cash, Stock and/or note. Payment shall be made at the time that the Option or any part thereof is

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

exercised, and no shares shall be issued or delivered upon exercise of an option until full payment has been made by the Participant. The holder of an Option, as such, shall have none of the rights of a stockholder.

(d) Conditions to the Exercise of an Option. Each Option granted under the Plan shall be exercisable by whom, at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Administrator shall specify in the Equity Ownership Agreement; provided, however, that subsequent to the grant of an Option, the Administrator, at any time before complete termination of such Option, may accelerate the time or times at which such Option may be exercised in whole or in part, including, without limitation, upon a Change in Control and may permit the Participant or any other designated person acting for the benefit of the Participant to exercise the Option, or any portion thereof, for all or part of the remaining Option term notwithstanding any provision of the Equity Ownership Agreement to the contrary.

(e) Termination of Incentive Stock Option. With respect to an Incentive Stock Option, in the event of Termination of Employment of a Participant, the Option or portion thereof held by the Participant which is unexercised shall expire, terminate, and become unexercisable no later than the expiration of three (3) months after the date of Termination of Employment; provided, however, that in the case of a holder whose Termination of Employment is due to death or Disability, one (1) year shall be substituted for such three (3) month period. For purposes of this Subsection (e), Termination of Employment of the Participant shall not be deemed to have occurred if the Participant is employed by another corporation (or a parent or subsidiary corporation of such other corporation) which has assumed the Incentive Stock Option of the Participant in a transaction to which Code Section 424(a) is applicable.

(f) Special Provisions for Certain Substitute Options. Notwithstanding anything to the contrary in this Section 3.2, any Option issued in substitution for an option previously issued by another entity, which substitution occurs in connection with a transaction to which Code Section 424(a) is applicable, may provide for an exercise price computed in accordance with such Code Section and the regulations thereunder and may contain such other terms and conditions as the Administrator may prescribe to cause such substitute Option to contain as nearly as possible the same terms and conditions (including the applicable vesting and termination provisions) as those contained in the previously issued option being replaced thereby.

3.3 Terms and Conditions of Stock Appreciation Rights. A Stock Appreciation Right may be granted in connection with all or any portion of a previously or contemporaneously granted Award or not in connection with an Award. A Stock Appreciation Right shall entitle the Participant to receive the excess of (1) the Fair Market Value of a specified or determinable number of shares of the Stock at the time of payment or exercise over (2) a specified price which, in the case of a Stock Appreciation Right granted in connection with an Option, shall be not less than the Exercise Price for that number of shares. The Exercise Price shall not be less than the Fair Market Value of the corresponding Stock on the date of the grant. A Stock Appreciation Right granted in connection with an Award may only be exercised to the extent that the related Award has not been exercised, paid or otherwise settled. The exercise of a Stock Appreciation Right granted in connection with an Award shall result in a pro rata surrender or cancellation of any related Award to the extent the Stock Appreciation Right has been exercised.

(a) Exercise. Upon exercise of a Stock Appreciation Right, the Company shall pay to the Participant the appreciation in cash or shares of Stock (valued at the aggregate Fair Market Value on the date of payment or exercise) as provided in the Equity Ownership Agreement or, in the absence of such provision, as the Administrator may determine.

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

(b) Conditions to Exercise. Each Stock Appreciation Right granted under the Plan shall be exercisable or payable at such time or times, or upon the occurrence of such event or events, and in such amounts, as the Administrator shall specify in the Equity Ownership Agreement; provided, however, that subsequent to the grant of a Stock Appreciation Right, the Administrator, at any time before complete termination of such Stock Appreciation Right, may accelerate the time or times at which such Stock Appreciation Right may be exercised or paid in whole or in part.

3.4 Terms and Conditions of Stock Awards. The number of shares of Stock subject to a Stock Award and restrictions or conditions on such shares, if any, shall be as the Administrator determines, and the certificate for such shares shall bear evidence of any restrictions or conditions. Subsequent to the date of the grant of the Stock Award, the Administrator shall have the power to permit, in its discretion, an acceleration of the expiration of an applicable restriction period with respect to any part or all of the shares awarded to a Participant. The Administrator may require a cash payment from the Participant in an amount no greater than the aggregate Fair Market Value of the shares of Stock awarded determined at the date of grant in exchange for the grant of a Stock Award or may grant a Stock Award without the requirement of a cash payment.

3.5 Treatment of Awards Upon Termination of Employment or Affiliation. Except as otherwise provided by Plan Section 3.2(e), any Award to a Participant who incurs a Termination of Employment or Affiliation may be canceled, accelerated, paid or continued, as provided in the Equity Ownership Agreement or, in the absence of such provision, as the Administrator may determine. The portion of any Award exercisable in the event of continuation or the amount of any payment due under a continued Award may be adjusted by the Administrator to reflect the Participant's period of service from the date of grant through the date of the Participant's Termination of Employment or Affiliation or such other factors as the Administrator determines are relevant to its decision to continue the Award.

SECTION 4 RESTRICTIONS ON STOCK

4.1 Escrow of Shares. Any certificates representing the shares of Stock issued under the Plan shall be issued in the Participant's name, but, if the Equity Ownership Agreement so provides, the shares of Stock shall be held by a custodian designated by the Administrator (the "Custodian"). Each Equity Ownership Agreement providing for transfer of shares of Stock to the Custodian shall appoint the Custodian as the attorney-in-fact for the Participant for the term specified in the Equity Ownership Agreement, with full power and authority in the Participant's name, place and stead to transfer, assign and convey to the Company any shares of Stock held by the Custodian for such Participant, if the Participant forfeits the shares under the terms of the Equity Ownership Agreement. During the period that the Custodian holds the shares subject to this Section, the Participant shall be entitled to all rights, except as provided in the Equity Ownership Agreement, applicable to shares of Stock not so held. Any dividends declared on shares of Stock held by the Custodian shall, as the Administrator may provide in the Equity Ownership Agreement, be paid directly to the Participant or, in the alternative, be retained by the Custodian until the expiration of the term specified in the Equity Ownership Agreement and shall then be delivered, together with any proceeds, with the shares of Stock to the Participant or the Company, as applicable.

4.2 Forfeiture of Shares. Notwithstanding any vesting schedule set forth in any Equity Ownership Agreement, in the event that the Participant violates a non-competition agreement as set forth in the Equity Ownership Agreement, all Awards and shares of Stock issued to the holder pursuant to the Plan shall be

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

forfeited; provided, however, that the Company shall return to the holder the lesser of any consideration paid by the Participant in exchange for Stock issued to the Participant pursuant to the Plan or the then Fair Market Value of the Stock forfeited hereunder.

4.3 Restrictions on Transfer. The Participant shall not have the right to make or permit to exist any Disposition of the shares of Stock issued pursuant to the Plan except as provided in the Plan or the Equity Ownership Agreement. Any Disposition of the shares of Stock issued under the Plan by the Participant, not made in accordance with the Plan or the Equity Ownership Agreement, including, but not limited to, any right of repurchase or right of first refusal, shall be void. The Company shall not recognize, or have the duty to recognize, any Disposition not made in accordance with the Plan and the Equity Ownership Agreement, and the shares of Stock so transferred shall continue to be bound by the Plan and the Equity Ownership Agreement.

SECTION 5 GENERAL PROVISIONS

5.1 Withholding. The Company shall deduct from all cash distributions under the Plan any taxes required to be withheld by federal, state or local government. Whenever the Company proposes or is required to issue or transfer shares of Stock under the Plan or upon the vesting of any Stock Award, the Company shall have the right to require the recipient to remit to the Company an amount sufficient to satisfy any federal, state and local withholding tax requirements prior to the delivery of any certificate or certificates for such shares or the vesting of such Stock Award. A Participant may pay the withholding tax in cash, or, if the Equity Ownership Agreement provides, a Participant may also elect to have the number of shares of Stock he is to receive reduced by, or with respect to a Stock Award, tender back to the Company, the smallest number of whole shares of Stock which, when multiplied by the Fair Market Value of the shares determined as of the Tax Date (defined below), is sufficient to satisfy federal, state and local, if any, withholding taxes arising from exercise or payment of an Award (a "Withholding Election"). A Participant may make a Withholding Election only if both of the following conditions are met:

(a) The Withholding Election must be made on or prior to the date on which the amount of tax required to be withheld is determined (the "Tax Date") by executing and delivering to the Company a properly completed notice of Withholding Election as prescribed by the Administrator; and

(b) Any Withholding Election made will be irrevocable; however, the Administrator may in its sole discretion approve or give no effect to the Withholding Election.

5.2 Changes in Capitalization; Merger; Liquidation.

(a) The number of shares of Stock reserved for the grant of Options, Stock Appreciation Rights and Stock Awards; the number of shares of Stock reserved for issuance upon the exercise or payment, as applicable, of each outstanding Option and Stock Appreciation Right and upon vesting or grant, as applicable, of each Stock Award; the Exercise Price of each outstanding Option and the specified number of shares of Stock to which each outstanding Stock Appreciation Right pertains may be proportionately adjusted by the Administrator for any increase or decrease in the number of issued shares of Stock resulting from a subdivision or combination of shares or the payment of a stock dividend in shares of Stock to holders of outstanding shares of Stock or any other increase or decrease in the number of shares of Stock outstanding effected without receipt of consideration by the Company.

(b) In the event of a merger, consolidation or other reorganization of the Company or tender offer for shares of Stock, the Administrator may make

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

such adjustments with respect to awards and take such other action as it deems necessary or appropriate to reflect or in anticipation of such merger, consolidation, reorganization or tender offer, including, without limitation, the substitution of new awards, the termination or adjustment of outstanding awards, the acceleration of awards or the removal of restrictions on outstanding awards. Any adjustment pursuant to this Section 5.2 may provide, in the Administrator's discretion, for the elimination without payment therefore of any fractional shares that might otherwise become subject to any Award.

(c) The existence of the Plan and the Awards granted pursuant to the Plan shall not affect in any way the right or power of the Company to make or authorize any adjustment, reclassification, reorganization or other change in its capital or business structure, any merger or consolidation of the Company, any issue of debt or equity securities having preferences or priorities as to the Stock or the rights thereof, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its business or assets, or any other corporate act or proceeding.

5.3 Cash Awards. The Administrator may, at any time and in its discretion, grant to any holder of an Award the right to receive, at such times and in such amounts as determined by the Administrator in its discretion, a cash amount which is intended to reimburse such person for all or a portion of the federal, state and local income taxes imposed upon such person as a consequence of the receipt of the Award or the exercise of rights thereunder.

5.4 Compliance with Code. All Incentive Stock Options to be granted hereunder are intended to comply with Code Section 422, and all provisions of the Plan and all Incentive Stock Options granted hereunder shall be construed in such manner as to effectuate that intent.

5.5 Right to Terminate Employment. Nothing in the Plan or in any Award shall confer upon any Participant the right to continue as an employee or officer of the Company or any of its affiliates or affect the right of the Company or any of its affiliates to terminate the Participant's employment at any time.

5.6 Restrictions on Delivery and Sale of Shares; Legends. Each Award is subject to the condition that if at any time the Administrator, in its discretion, shall determine that the listing, registration or qualification of the shares covered by such Award upon any securities exchange or under any state or federal law is necessary or desirable as a condition of or in connection with the granting of such Award or the purchase or delivery of shares thereunder, the delivery of any or all shares pursuant to such Award may be withheld unless and until such listing, registration or qualification shall have been effected. If a registration statement is not in effect under the Securities Act of 1933 or any applicable state securities laws with respect to the shares of Stock purchasable or otherwise deliverable under Awards then outstanding, the Administrator may require, as a condition of exercise of any Option or as a condition to any other delivery of Stock pursuant to an Award, that the Participant or other recipient of an Award represent, in writing, that the shares received pursuant to the Award are being acquired for investment and not with a view to distribution and agree that shares will not be disposed of except pursuant to an effective registration statement, unless the Company shall have received an opinion of counsel that such disposition is exempt from such requirement under the Securities Act of 1933 and any applicable state securities laws. The Company may include on certificates representing shares delivered pursuant to an Award such legends referring to the foregoing representations or restrictions or any other applicable restrictions on resale as the Company, in its discretion, shall deem appropriate.

5.7 Non-alienation of Benefits. Other than as specifically provided with

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

regard to the death of a Participant, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance or charge; and any attempt to do so shall be void. No such benefit shall, prior to receipt by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, engagements or torts of the Participant.

5.8 Termination and Amendment of the Plan. The Board at any time may amend or terminate the Plan without stockholder approval; provided, however, that the Board may condition any amendment on the approval of stockholders of the Company if such approval is necessary or advisable with respect to tax, securities or other applicable laws. No such termination or amendment without the consent of the holder of an Award shall adversely affect the rights of the Participant under such Award.

5.9 Stockholder Approval. The Plan shall be submitted to the stockholders of the Company for their approval within twelve (12) months before or after the adoption of the Plan by the Board. If such approval is not obtained, any Award granted hereunder shall be void.

5.10 Choice of Law. The laws of the State of Florida shall govern the Plan, to the extent not preempted by federal law.

5.11 Effective Date of Plan. The Plan shall be effective as of September 1, 2005.

Charter of the Compensation Committee
of the
Board of Directors

I. Purpose and Authority

The Compensation Committee (the "Committee") of the Board of Directors of OnScreen Technologies, Inc. (the "Company") is appointed by the Board of Directors (the "Board") to discharge the Board's responsibilities with respect to all forms of compensation of the Company's executive officers, to administer the Company's equity incentive plans, and to produce an annual report on executive compensation for use in the Company's proxy statement. This Charter sets forth the authority and responsibility of the Committee for approving and evaluating executive officer compensation arrangements, plans, policies and programs of the Company, and for administering the Company's equity incentive plans for employees whether adopted prior to or after the date of adoption of this charter (the "Stock Plans").

II. Membership

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

The Committee will consist of not less than two members of the Board, with the exact number being determined by the Board. Each of the members of the Committee will be (i) an "independent director" as defined under the rules of the American Stock Exchange, as they may be amended from time to time (the "Rules"), except as may otherwise be permitted by such Rules, (ii) a "Non-Employee Director," as defined in Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and (iii) an "outside director" under Regulation Section 1.162-27 promulgated under Section 162(m) of the Internal Revenue Code of 1986, as amended. All members of the Committee will be appointed by, and shall serve at the discretion of, the Board.

The Board will select members of the Committee who will be approved by a majority vote of the Board. Committee members will serve during their respective term as a director, subject to earlier removal by a majority vote of the Board. Unless a chair is elected by the full Board, the members of the Committee may designate a chair by majority vote of the Committee membership.

III. Duties and Responsibilities

The principal processes of the Committee in carrying out its oversight responsibilities are set forth below. These processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities.

1. The Committee will have the authority to determine the form and amount of compensation to be paid or awarded to all employees of the Company. The Committee may delegate authority to subcommittees of the Committee or to executive officers of the Company with respect to compensation determinations for persons who are not executive officers of the Company.
2. The Committee will have the sole authority and right, as and when it shall determine to be necessary or appropriate to the functions of the Committee, at the expense of the Company and not at the expense of the members of the Committee, to retain and terminate compensation consultants, legal counsel and other advisors of its choosing to assist the Committee in connection with its functions. The Committee shall have the sole authority to approve the fees and other retention terms of such advisors. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any such advisors employed by the Committee pursuant to this charter.
3. The Committee will annually review the corporate goals and objectives relevant to executive officers' compensation. In light of these goals and objectives, the Committee will annually review decisions respecting (i) salary paid to the executive officers, (ii) the grant of cash-based bonuses and equity compensation provided to the executive officers, (iii) the entering into or amendment or extension of any employment contract or similar arrangement with the executive officers, (iv) executive officers' severance or change in control arrangement, and (v) any other executive officer compensation matters as from time to time directed by the Board. In determining the long-term incentive component of the executive officer's compensation, the Committee will consider the Company's performance and relative shareholder return, the value of similar incentive awards to executive officers at companies that the Committee determines comparable based on factors it selects, and the incentive awards given to the Company's executive officers in prior years.
4. The Committee will annually review and make recommendations to the Board with respect to adoption and approval of, or amendments to, all cash-based and equity-based incentive compensation plans and arrangements, and the

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

shares and amounts reserved thereunder after taking into consideration the Company's strategy of long-term and equity-based compensation.

6. The Committee will: (i) approve grants of stock, stock options or stock purchase rights to individuals eligible for such grants (including grants in compliance with Rule 16b-3 promulgated under the Exchange Act to individuals who are subject to Section 16 of the Exchange Act); (ii) interpret the Stock Plans and agreements thereunder; and (iii) determine acceptable forms of consideration for stock acquired pursuant to the Stock Plans. The Committee may delegate to the Company's Chief Executive Officer the authority to grant options to employees of the Company or of any subsidiary of the Company who are not directors or executive officers, provided that no option grant exceeds any limit subsequently established by resolution of the Committee and, provided further, that the price per share is no less than the fair market value of the Company's common stock on the date of grant.
7. The Committee will meet with the CEO within 90 days after the commencement of each calendar year to discuss the incentive compensation programs to be in effect for the Company's executive officers for such fiscal year and the corporate goals and objectives relevant to those programs.
8. The Committee will periodically review the Company's procedures with respect to employee loans, and will not approve any arrangement in which the Company, directly or indirectly, extends or maintains credit, arranges for the extension of credit or renews an extension of credit, in the form of a personal loan to or for any director or executive officer (or equivalent thereof) of the Company. The Committee will assist the Board and management of the Company in complying with this prohibition.
9. The Committee will prepare an annual report on executive compensation to the Company's stockholders for inclusion in the proxy statement for the Company's annual meeting in accordance with the rules and regulations of the Securities and Exchange Commission.
10. The Committee will make regular reports to the Board.
11. The Committee will review this Charter annually and recommend to the Board any changes it determines are appropriate.
12. The Committee will at least annually review its performance and submit a report on its performance to the Board.
13. The Committee will perform any other activities required by applicable law, rules or regulations, including the rules of the Securities and Exchange Commission and any exchange or market on which the Company's capital stock is traded, and perform other activities that are consistent with this charter, the Company's certificate of incorporation and bylaws, and governing laws, as the Committee or the Board deems necessary or appropriate.

IV. Meetings

Meetings of the Committee will be held from time to time, but no less than quarterly, in response to the needs of the Board or as otherwise determined by the chairman of such Committee and shall provide written reports to the Board. In lieu of a meeting, the Committee may also act by unanimous written consent resolution.

V. Minutes

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

The Committee will maintain written minutes of its meetings, and will file such minutes with the minutes of the meetings of the Board.

APPENDIX C AUDIT COMMITTEE CHARTER

OnScreen Technologies, Inc.
Charter of the Audit Committee
of the
Board of Directors

This charter (this "Charter") of the audit committee (the "Audit Committee") of the Board of Directors (the "Board") of OnScreen Technologies, Inc. (the "Corporation") sets forth the rules of governance of the Audit Committee and has been duly adopted by the Board.

I. Audit Committee Purpose

The Audit Committee is appointed by the Board to assist the Board in fulfilling its oversight responsibilities. To this end, the Audit Committee's primary duties and responsibilities are to:

1. Support the independence of the independent auditors and their objective review and audit of the Corporation's annual financial statements.
2. Support the independence and funding of the internal auditors to help to assure that they have sufficient independence and resources to conduct internal audits as appropriate or necessary, free of interference or pressure.
3. Perform other functions, within the scope of the foregoing, which the Audit Committee deems necessary or appropriate to undertake from time to time.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as anyone in the organization. The Audit Committee has the ability to retain, at the Corporation's expense, special legal, accounting or other consultants or experts it deems necessary in the performance of its duties.

In addition, the Audit Committee and the Board have the ultimate authority and responsibility to select, evaluate, and where appropriate, replace the independent auditors. The independent auditors are ultimately accountable to the Audit Committee and the entire Board for such auditors' review of the financial statements and controls of the Corporation.

II. Audit Committee Composition and Meetings

1. Audit Committee members shall meet the applicable requirements of the National Association of Securities Dealers, Inc. The Audit Committee shall be comprised of three or more directors as determined by the Board, the majority of whom shall be independent, non-employee directors, free from any relationship that would interfere with the exercise of his or her independent judgment. All members of the Audit Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, and at least one member of the Audit Committee shall have past employment experience in the finance or accounting field.
2. Audit Committee members shall be appointed by the Board on recommendation

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

of the Board's nominating committee or, if no such committee exists, then the Audit Committee Members shall be appointed by the Board. If an Audit Committee Chair is not designated or present, the members of the Audit Committee may designate a Chair by majority vote of the Audit Committee membership.

3. The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. The Audit Committee Chair shall prepare and/or approve an agenda in advance of each meeting. The Audit Committee should meet privately in executive session at least annually with the Corporation's management, the director of the internal auditing department, the independent auditors, and as an Audit Committee to discuss any matters that the Audit Committee or each of these groups believe should be discussed. In addition, the Audit Committee, or at least its Chair, should communicate with management and the independent auditors quarterly to review the Corporation's financial statements and significant findings based upon the auditors' limited review procedures.

III. Audit Committee Responsibilities and Duties

The Audit Committee shall have the responsibility to perform the following:

1. On an annual basis (or more frequently as necessary or appropriate), review and reassess the adequacy of the Charter. Submit the Charter to the Board for approval and have the document published at least every three years in accordance with the regulations of the Securities and Exchange Commission (the "SEC").
2. On a periodic basis, review the Corporation's principal policies for accounting, internal control and financial reporting and, as applicable, review with management and the independent auditors any significant changes in the Corporation's accounting policies and review the effect on the Corporation's accounting policies of important pronouncements of the accounting profession and other regulatory bodies.
3. Oversee independence of the independent auditors by:
 - (a) Receiving from the independent auditors, on a periodic basis, a formal written statement delineating all relationships between the independent auditors and the Corporation consistent with Independence Standards Board Standard No. I;
 - (b) Reviewing, and actively discussing with the Board, if necessary, and the independent auditors, on a periodic basis, any disclosed relationships or services between the independent auditors and the Corporation or any other disclosed relationships or services that may impact the objectivity and independence of the auditors; and
 - (e) Recommending, if necessary, that the Board take certain action to satisfy itself of the auditor's independence.
