VOTING PROCEDURES

Only holders of record of the Company's common stock at the close of business on March 19, 2008, the Record Date for the annual meeting, are entitled to notice of and to vote at the annual meeting. On the Record Date, there were 21,398,964 shares of the Company's common stock outstanding. Each proxy returned to the Company will be voted in accordance with the instructions indicated thereon. The election of each director under Proposal One requires the affirmative vote of the holders of a plurality of the shares of the Company's common stock present in person or represented by proxy at the annual meeting. Adoption of each other proposal requires the affirmative vote of the holders of a majority of such shares.

Unless a contrary choice is specified, all shares represented by proxies will be voted: **FOR** the election of the director nominees named in this proxy statement and **FOR** ratification of Vitale, Caturano & Company, Ltd.'s appointment as our independent registered public accounting firm for fiscal 2008. If any director nominee should withdraw or otherwise become unavailable for reasons not presently known, the proxies which would have otherwise been voted for that director nominee may be voted for a substitute director nominee selected by the Company's Board of Directors.

A stockholder who abstains with respect to any proposal is considered to be present and entitled to vote on that proposal, and is in effect casting a negative vote. A stockholder (including a broker) who does not give authority to a proxy to vote, or withholds authority to vote, on any proposal shall not be considered present and entitled to vote on that proposal.

The Board of Directors unanimously recommends that you vote FOR each of the proposals set forth above.

While the Board of Directors knows of no other matters to be presented at the annual meeting or any adjournment thereof, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxy holders.

Description of Employment Agreements and Related Compensation

Employment Agreement with Jonathan Lewis, M.D., Ph.D.

During the fiscal year ended December 31, 2007, Dr. Jonathon Lewis served as the Company's Chief Executive Officer under a written three-year employment agreement dated January 8, 2004. In December 2006, the Company and Dr. Lewis entered into a written extension to his existing employment agreement pursuant to which the Company extended the term of Dr. Lewis' employment to January 8, 2008. Under the agreement, as extended, Dr. Lewis received an annual base salary of \$385,000 and a guaranteed annual bonus of \$250,000. In addition, Dr. Lewis was eligible to receive an annual discretionary bonus of up to 100% of his base salary, as determined by the compensation committee of our Board of Directors, as well as stock options that may be granted in the discretion of the compensation committee.

8

The Company's practice is to evaluate compensation and related job performance at the end of each fiscal year and grant cash bonuses and/or stock options to employees based upon such evaluation. During fiscal 2007, the compensation committee determined to pay Dr. Lewis a discretionary cash bonus of \$65,000 for his job performance in fiscal 2007. This determination was based on the Company meeting or exceeding previously set 2007 operational goals. In addition, the Company granted Dr. Lewis a stock option to purchase 35,000 shares of common stock at a per share exercise price of \$4.85 on June 18, 2007 and a year-end stock option to purchase 100,000 shares of common stock at a per share exercise price of \$2.73. Such options vest in annual installments over three years commencing on the one year anniversary of the date of grant.

On January 18, 2008, the Company entered into a new employment agreement with Dr. Lewis. The Company's prior agreement with Dr. Lewis expired on January 8, 2008 but continued to govern pending execution of the new agreement. The parties agreed that upon execution, the new agreement would be retroactive to the expiration date of the prior agreement. Under the new agreement, which has a three year term commencing January 8, 2008, Dr. Lewis receives an annual base salary of \$420,000, which is subject to increase at the discretion of the Board of Directors based on an annual review. In addition, Dr. Lewis is eligible to receive an annual bonus based on his performance as determined by the Board of Directors. The target amount of the annual performance bonus is a range from \$250,000 to

\$360,000. The agreement contemplates that Dr. Lewis and the Company's compensation committee will agree on certain performance targets each year. The actual amount received will be based on whether each of these targets have been achieved by the Company, with lesser amounts paid if substantial progress has been made to achieve the goal or it has been abandoned by the Company, and greater amounts paid if expectations are exceeded. Dr. Lewis is also eligible to receive an additional annual discretionary bonus in such amounts determined by the Board of Directors.

Dr. Lewis is eligible for reimbursement of reasonable out-of-pocket expenses incurred by him in furtherance of the business and affairs of the Company, including reasonable travel and entertainment expenses, as well as for medical licensing fees, professional dues and memberships, journal subscriptions and up to \$10,000 per year in costs associated with certain corporate consultants retained by Dr. Lewis. In addition, the Company has agreed to reimburse Dr. Lewis for premiums on life insurance policies having aggregate coverage limits of up to \$800,000 and premiums on disability insurance policies covering Dr. Lewis in amounts up to \$20,000 per month.

In connection with entering into the new employment agreement, the Company granted Dr. Lewis an award of restricted stock in the amount of 100,000 shares. The restricted stock award is governed by an agreement that prohibits Dr. Lewis from transferring the restricted shares and provides that the shares will be forfeited without consideration if Dr. Lewis's employment with the Company is terminated. The transfer restrictions and forfeiture obligations are scheduled to lapse in three equal annual installments on January 8, 2009, January 8, 2010 and January 8, 2011. Dr. Lewis will also be eligible to receive additional equity awards as determined by the Board of Directors in its sole discretion from time to time.

The employment agreement provides that Dr. Lewis will continue to receive his base salary, benefits and a pro rata portion of his target performance bonus for a period of one year if he is terminated by the Company for a reason other than death, disability or Cause, or if Dr. Lewis resigns for Good Reason, each as defined in the employment agreement. In connection with any such termination, the pro rata portion of Dr. Lewis's performance bonus will be based on the number of days Dr. Lewis has been employed by the Company during the year of termination. In the event Dr. Lewis's employment is terminated without Cause prior to and in connection with a Change in Control, or within 18 months thereafter, he will continue to receive his base salary and benefits for a period of two years following such termination and will also receive the greater of the amount of his performance bonus for the year of termination or the average of the amounts received as a performance bonus under the new employment agreement or guaranteed bonus under the previous employment agreement for the two years preceding the year of termination. If Dr. Lewis's employment is terminated as a result of death or disability, Dr. Lewis (or his estate, as applicable) will receive his base salary for a period of one year following the date of termination. Upon occurrence of any of the above termination events, all stock options and restricted stock grants scheduled to vest by the end of the calendar year in which such termination occurs will be accelerated and deemed to vest as of the termination date.

9

The employment agreement provides that Dr. Lewis will not compete with the Company, or solicit employees, clients or customers of the Company, for twelve months after the termination of his employment with the Company; provided, however, that the Company will be obligated to pay Dr. Lewis his base salary and his performance bonus (based on Dr. Lewis's average performance bonus received for the prior two years) if the Company desires such non-competition and non-solicitation provisions to have effect following expiration of the employment agreement without renewal.

Employment Agreement with Richard E. Bagley

During the fiscal year ended December 31, 2007, Mr. Richard E. Bagley served as the Company's President, Chief Operating Officer and Chief Financial Officer under a written three-year employment agreement that was scheduled to

expire on June 30, 2007. Under the agreement, Mr. Bagley received an annual base salary of \$250,000 and a guaranteed annual bonus of \$50,000. In addition, Mr. Bagley is eligible to receive an annual discretionary bonus as determined by the compensation committee of our Board of Directors, as well as stock options that may be granted at the discretion of the compensation committee.

The employment agreement provides that Mr. Bagley will continue to receive his base salary and guaranteed bonus for a period of one year if he is terminated by the Company for a reason other than death, disability or Cause, or if Mr. Bagley resigns for Good Reason, each as defined in the employment agreement. In the event Mr. Bagley's employment is terminated upon the occurrence of a Change in Control, and the fair market value of the Company's common stock at the time of such Change in Control is less than \$50,000,000 (as determined in good faith by the Board of Directors), he will continue to receive his base salary and benefits for a period of one year following such termination or until the expiration of the agreement's term, whichever is shorter. Upon occurrence of any of the above termination events, all stock options scheduled to vest by the end of the calendar year in which such termination occurs will be accelerated and deemed to vest as of the termination date. If Mr. Bagley's employment is terminated as a result of death or disability, Mr. Bagley (or his estate, as applicable) will receive his base salary for a period of one year following the date of termination, plus any accrued but unpaid bonus amounts through the date of such death or disability.

The employment agreement provides that Mr. Bagley will not compete with the Company, or solicit employees, clients or customers of the Company, for twelve months after the termination of his employment with the Company; provided, however, that the Company will be obligated to pay Mr. Bagley his base salary if the Company desires such non-competition and non-solicitation provisions to have effect following expiration of the employment agreement without renewal.

Following approval by the Company's Board of Directors at a meeting held June 18, 2007, the Company entered into an Employment Agreement Extension with Mr. Bagley, pursuant to which the Company extended the term of Mr. Bagley's employment for an additional one year period at his current annual base salary of \$275,000.

During fiscal 2007, the compensation committee determined to pay Mr. Bagley a discretionary cash bonus of \$55,000 for his job performance in fiscal 2007. This determination was based on the Company's meeting or exceeding its previously set 2007 operational goals. In addition, the Company granted Mr. Bagley a stock option to purchase 25,000 shares of common stock at a per share exercise price of \$4.85 on June 18, 2007 and a year-end stock option to purchase 75,000 shares of common stock at a per share exercise price of \$2.73. Such options vest in annual installments over three years commencing on the one year anniversary of the date of grant. As part of a year-end grant of stock awards to certain of the Company's employees, the Company granted Mr. Bagley an award of restricted stock in the amount of 25,000 shares. The restricted stock award is governed by an agreement that prohibits Mr. Bagley from transferring the restricted shares and provides that the shares will be forfeited without consideration if Mr. Bagley's employment with the Company is terminated. The transfer restrictions and forfeiture obligations are scheduled to lapse on December 1, 2008.

Employment Agreement with Brian Schwartz, M.D.

Brian Schwartz, M.D., has served as the Company's Senior Vice President, Medical and Regulatory, and Chief Medical Officer since June 1, 2006. Dr. Schwartz's employment with the Company is governed by a written employment agreement dated May 10, 2006. Under the employment agreement, Dr. Schwartz receives

an annual base salary of \$275,000, which was subsequently increased to \$284,630 for fiscal 2007. In connection with the commencement of his employment with the Company, Dr. Schwartz received \$30,000 signing bonus and options

to purchase 100,000 shares of the Company's common stock. These options, which have an exercise price of \$5.35 per share, were granted on June 1, 2006 and vest in equal annual installments over three years commencing on May 10, 2007 (the first anniversary of the date of the employment). The employment agreement also entitled Dr. Schwartz to receive a guaranteed bonus of \$40,000 on the first anniversary of his employment with the Company, which was paid on June 1, 2007. In addition, Dr. Schwartz is entitled to receive additional annual discretionary bonuses as determined by the compensation committee of our Board of Directors, as well as stock options that may be granted at the discretion of the compensation committee. The Company is also required to either pay or reimburse Dr. Schwartz for the reasonable and actual expense of renting a one-bedroom apartment or comparable hotel accommodations for his use while working at the Company's Charlestown, Massachusetts office.

The agreement provides that Dr. Schwartz's employment is for no particular term and may be terminated by either Dr. Schwartz or the Company at any time, with or without Cause, as defined in the employment agreement. However, the employment agreement provides that Dr. Schwartz will continue to receive his base salary for a period of one year if his employment is terminated by the Company other than for Cause, and other than by reason of retirement, death or permanent disability. Dr. Schwartz is also party to an Invention, Non-disclosure and Non-competition agreement that prohibits him from, among other things, competing with Company during his employment and for a period of one year following termination thereof.

During fiscal 2007, the compensation committee determined to pay Dr. Schwartz a discretionary cash bonus of \$90,000 for his job performance in fiscal 2007. This determination was based on the Company's meeting or exceeding its previously set 2007 operational goals. In addition, the Company granted Dr. Schwartz a stock option to purchase 35,000 shares of common stock at a per share exercise price of \$4.85 on June 18, 2007 and a year-end stock option to purchase 50,000 shares of common stock at a per share exercise price of \$2.73. Such options vest in annual installments over three years commencing on the one year anniversary of the date of grant. As part of a year-end grant of stock awards to certain of the Company's employees, the Company granted Dr. Schwartz an award of restricted stock in the amount of 25,000 shares. The restricted stock award is governed by an agreement that prohibits Dr. Schwartz from transferring the restricted shares and provides that the shares will be forfeited without consideration if Dr. Schwartz's employment with the Company is terminated. The transfer restrictions and forfeiture obligations are scheduled to lapse on December 1, 2008.

Director Compensation

Effective June 18, 2007, the Company established new director compensation arrangements pursuant to which each non-employee director of the Company receives a \$3,750 quarterly cash retainer paid in arrears plus \$2,000 for each Board of Directors meeting attended by such director. In addition, the chairmen of the Company's audit committee and, commencing March 26, 2008, the compensation committee receive an additional quarterly cash retainer of \$2,500 paid in arrears. With the exception of the chairmen of the audit and compensation committees, each other non-employee director serving on the Company's audit committee, compensation committee and nominating committee receives a \$1,000 cash payment for each committee meeting attended by such director. Prior to June 18, 2007, each non-employee director of the Company received a \$5,000 quarterly cash retainer paid in arrears and each non-employee director serving on the Company's audit committee, compensation committee and nominating committee received a \$1,000 cash payment for each committee meeting attended by such director.

Non-employee directors also receive stock options as granted from time to time and as recommended by the compensation committee. On June 18, 2007, the Board of Directors granted each non-employee director an option to purchase 15,000 shares of the Company's common stock. Such options have a per share exercise price of \$4.85 and vest in three annual installments. As with grants to employees generally, the Company's practice is to approve year-end grants to non-employee directors in consideration for services provided to the Company as director during the preceding year. On December 12, 2007, the Board of Directors granted each non-employee director an option to purchase 20,000 shares of the Company's common stock. Such options have a per share exercise price of \$2.73 and vest in three annual installments.

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (Proposal Two)

Our Board of Directors and management are committed to the quality, integrity and transparency of the financial reports. Independent auditors play an important part in our system of financial control. In accordance with the duties set forth in its written charter (a copy of which was attached as Appendix B to the proxy statement for the 2006 annual meeting of stockholders), the audit committee of our Board of Directors has appointed Vitale, Caturano & Company, Ltd. as our independent registered public accounting firm for the fiscal year ending December 31, 2008. A representative of Vitale, Caturano & Company, Ltd. is not expected to attend this year's annual meeting.

If the stockholders do not ratify the appointment of Vitale, Caturano & Company, Ltd., the audit committee may reconsider its selection, but is not required to do so. Notwithstanding the proposed ratification of the appointment of Vitale, Caturano & Company, Ltd. by the stockholders, the audit committee, in its discretion, may direct the appointment of a new independent registered public accounting firm at any time during the year without notice to, or the consent of, the stockholders, if the audit committee determines that such a change would be in the Company's best interests and the best interests of its stockholders.

Fees Billed to Company by Auditors:

Vitale, Caturano & Company, Ltd. served as the Company's principal independent accounting firm for each of the fiscal years ended December 31, 2007 and 2006. The following table presents fees billed by Vitale, Caturano & Company, Ltd. during such fiscal years.

(1) Represents amounts related to the audit of the Company's annual consolidated financial statements and the review of the Company's consolidated financial statements included in the Company's quarterly reports on Form 10-QSB.

(2) Represents amounts reasonably related to the performance of the audit or review of the Company's consolidated financial statements which are not reported under the Audit Fees category.

The audit committee of the Board of Directors has reviewed the services described in footnote (2) above provided by Vitale, Caturano & Company, Ltd., as well as the amounts billed for such services, and after consideration has determined that the receipt of these fees by Vitale, Caturano & Company, Ltd. is compatible with the provision of independent audit services. The audit committee has discussed these services and fees with Vitale, Caturano & Company, Ltd. and Company management to determine that they are appropriate under the rules and regulations concerning auditor independence promulgated by the U.S. Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as under guidelines of the American Institute of Certified Public Accountants.

Pre-Approval Policy

The audit committee charter provides that all audit and non-audit accounting services that are permitted to be performed by the Company's principal independent accountant under applicable rules and regulations must be pre-approved by the audit committee or by designated independent members of the audit committee, other than with respect to de minimis exceptions permitted under Section 202 of the Sarbanes-Oxley Act of 2002. Following adoption of the audit committee charter, all services performed by Vitale, Caturano & Company, Ltd. have been pre-approved in accordance with the charter.

Prior to or as soon as practicable following the beginning of each fiscal year, a description of audit, audit-related, tax, and any other services expected to be performed by the independent auditor in the following

15

fiscal year is presented to the audit committee for approval. Following such approval, any requests for audit, audit-related, tax, and other services not presented and pre-approved must be submitted to the audit committee for specific pre-approval and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings, as necessary, may be delegated to one or more members of the audit committee who are independent directors. In the event such authority is so delegated, the full audit committee must be updated at the next regularly scheduled meeting with respect to any services that were granted specific pre-approval by delegation. During fiscal year 2007, the audit committee has functioned in conformance with these procedures.

OTHER MATTERS

Board of Directors and Committees

Board of Directors

The Company's Board of Directors is currently comprised of eight directors, each of which has been nominated for re-election to the Board of Directors (see Proposal One). The Board has determined that Dr. Murray Brennan, Mr. James Cannon, Senator Wyche Fowler, Jr., Mr. Gary S. Fragin, Mr. Timothy McInerney and Dr. Michael Weiser are independent directors, as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers listing standards.

The Board of Directors held four meetings during fiscal year 2007 and took action by written consent on one occasion. The Board of Directors has an audit committee, a compensation committee and a nominating committee. During the 2007 fiscal year, each director attended all meetings of the Board of Directors and the committees of the Board on which such director served. Although the Company has no formal policy regarding directors' attendance at the Company's annual stockholders meetings, the Company encourages such attendance by members of the Board of Directors. One member of the Board of Directors attended the Company's 2007 annual stockholders meeting.

Audit Committee of the Board of Directors

The Company maintains a three member audit committee of the Board of Directors. The current members of the audit committee are Mr. James Cannon, who serves as the committee's Chairman, and Mr. Gary S. Fragin and Senator Wyche Fowler, Jr. The audit committee operates under a written charter adopted by the Board of Directors, a copy of which was attached as Appendix B to the proxy statement for the 2006 Annual Meeting of Stockholders and is available on the Company's website at www.ziopharm.com. As set forth in the charter, the primary responsibility of the audit committee is to oversee the Company's financial reporting processes and internal control system on behalf of the Board of Directors. In that regard, the audit committee is, among other things, responsible for the appointment, compensation, retention and oversight of the work performed by the registered public accounting firm employed by the Company.

Each member of the audit committee is an independent director, as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers listing standards, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The Board of Directors has also determined that each of the audit committee members is able to read and understand fundamental financial statements and that at least one member of the audit committee has past employment experience in finance or accounting. The Board of Directors has determined that at least one member of the audit committee, Mr. James Cannon, is an audit committee financial expert, as that term is defined in Item 407(d)(5) of Regulation S-B promulgated under the Securities Exchange Act of 1934, as amended. Mr. Cannon's relevant experience includes his current service as the Chief Financial Officer of BBDO Worldwide, a position he has held for the past 20 years, and his past service as director of financial operations of the Omnicom Group.

The audit committee held four meetings during fiscal year 2007, during which the audit committee held discussions with financial management and representatives from the independent audit firm prior to the filing of each quarterly report on Form 10-QSB and annual report on Form 10-KSB filed with the Securities and Exchange Commission.

Compensation Committee of the Board of Directors

The Company maintains a two member compensation committee of the Board of Directors. The current members of the compensation committee are Dr. Murray Brennan, who serves as the committee's Chairman, and Dr. Michael Weiser. The Board of Directors has adopted a written charter for the compensation committee, a copy of which is available on the Company's website at www.ziopharm.com. The compensation committee reviews the Company's remuneration policies and practices and makes recommendations to the Board of Directors in connection with all compensation matters affecting the executive officers of the Company.

17

Each member of the compensation committee is an independent director, as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers listing standards, and meets the criteria for independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended.

The compensation committee held one meeting during fiscal year 2007.

Compensation Committee Processes and Procedures for the Consideration and Determination of Executive Officer and Director Compensation

Pursuant to the authority granted under its written charter, the compensation committee is responsible for reviewing, approving and communicating to the Board of Directors all decisions on major compensation plans and other related programs of the Company. As it relates to the compensation of our Chief Executive Officer, the compensation committee is charged with, among other things, annually reviewing and approving Company goals and objectives relevant to our Chief Executive Officer's compensation level, evaluating our Chief Executive Officer's performance in light of such goals and objectives and recommending to the Board of Directors the appropriate amount of salary, bonus and equity incentive awards to be paid and/or awarded to our Chief Executive Officer. The compensation committee is also responsible for approving the compensation of the Company's other executive officers, reviewing and approving executive employment agreements and, where applicable, severance arrangements, and granting equity incentive awards under the Company's 2003 Stock Option Plan.

In making compensation recommendations and determinations, the compensation committee has taken into account the compensation levels of executives in similar capacities and industries and has established levels of salary, bonus and equity incentive compensation based in large part on that review. Historically, compensation decisions (including those made in early 2008) were based on size-adjusted data obtained through an independent third-party survey, notably the Radford Biotechnology Survey. This data was compiled and presented along with recommendations to the Board by the Company. Individual discretionary bonus determinations have taken into account an executive officer's position and level of responsibility, along with the executive's performance during the previous fiscal year. Awards of equity incentive compensation, which to date have been comprised of stock options, have taken into account the executive officer's and the Company's performance during the previous fiscal year and his or her potential to influence the Company's operations in the future. In 2007, the compensation committee did not base its considerations on any single performance factor nor has it specifically assigned relative weights to factors, but rather has considered a mix of factors and evaluate the Company's and the individual's performance against that mix.

The new employment agreement with Dr. Lewis, dated as of January 8, 2008, contemplates that a substantial portion of the compensation paid to Dr. Lewis will be based on specific performance targets, with weights assigned to each target. Consequently, the Board of Directors, upon the recommendation of the compensation committee, has directed the Company's management to work with the compensation committee to assign specific performance targets for most of the employees of the Company and base a substantial portion of the compensation paid to employees on the

achievement of these performance targets. This change to the Company's compensation strategy is expected to be completed during 2008.

Nominating Committee of the Board of Directors

The Company maintains a two member nominating committee of the Board of Directors. The current members of the nominating committee are Senator Wyche Fowler, Jr., who serves as the committee's Chairman, and Mr. Timothy McInerney. The nominating committee operates under a written charter adopted by the Board of Directors, a copy of which is available at the Company's website at www.ziopharm.com. As set forth in the charter, the primary responsibility of the nominating committee is to consider and make recommendations to the Board of Directors concerning the appropriate size, function and needs of the Board of Directors and its committees. In that regard, the nominating committee is, among other things, responsible for establishing criteria for membership on Board of Directors, recruiting and recommending candidates to fill newly created or vacant positions on the Board of Directors and reviewing any candidates recommended by stockholders.

Each member of the nominating committee is an independent director, as such term is defined in Section 4200(a)(15) of National Association of Securities Dealers listing standards, and meets the criteria for

18

independence set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended. The nominating committee held no formal meetings during fiscal year 2007.

The nominating committee (or a subcommittee thereof) recruits and considers director candidates and presents qualified candidates to the full Board of Directors for consideration. Qualified candidates will be considered without regard to race, color, religion, sex, ancestry, national origin or disability and the nominating committee will consider director candidates recommended by security holders.

The nominating committee will consider each candidate's general business and industry experience, his or her ability to act on behalf of stockholders, overall Board of Directors diversity, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board of Directors nominees. If the nominating committee approves a candidate for further review following an initial screening, the nominating committee will establish an interview process for the candidate. Generally, the candidate will meet with at least a majority of the members of the nominating committee, along with the Company's Chief Executive Officer. Contemporaneously with the interview process, the nominating committee will conduct a comprehensive conflicts-of-interest assessment of the candidate.

The nominating committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The nominating committee will also take into consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to the Company and concern for its success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in the Company's good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

Recommendations for candidates to be considered for election to the Board of Directors at the Company's annual stockholders' meeting may be submitted to the nominating committee by the Company's stockholders. In order to make such a recommendation, a stockholder must submit the recommendation in writing to the Chairperson of the nominating committee, in care of the Company's Chief Financial Officer at the Company's headquarters address, at least 120 days prior to the mailing date of the previous year's annual meeting proxy statement. To enable the nominating committee to evaluate the candidate's qualifications, stockholder recommendations must include the following information:

The name and address of the nominating stockholder and of the director candidate;

A representation that the nominating stockholder is a holder of record of the Company entitled to vote at the current year's annual meeting;

A description of any arrangements or understandings between the nominating stockholder and the director candidate or candidates being recommended pursuant to which the nomination or nominations are to be made by the stockholder;

A resume detailing the educational, professional and other information necessary to determine if the nominee is qualified to hold a Board position;

Such other information regarding each nominee proposed by such stockholder as would have been required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had each nominee been nominated by the Board of Directors; and

The consent of each nominee to serve as a director of the Company if so elected.

Each of the individuals nominated for re-election to the Board of Directors pursuant to Proposal One were approved for such nomination by the nominating committee.

The Company has established means for stockholders and others to communicate with the Board of Directors. If a stockholder wishes to address a matter regarding the Company's financial statements, accounting practices or internal controls, the matter should be submitted in writing addressed to the Chairperson of the audit committee in care of the

Chief Financial Officer at the Company's headquarters address. If the matter relates to the Company's governance practices, business ethics or corporate conduct, it should be submitted in writing addressed to the Chairperson of the nominating committee in care of the Chief Financial

All of these stockholder communications will be forwarded by the Chief Financial Officer to the addressee.
