Nonstatutory Stock Option Plan

The board of directors of the Company approved the China Recycling Energy Corporation 2007 Nonstatutory Stock Option Plan (the "2007 Plan") on November 13, 2007, which permits grants of nonstatutory stock options to all employees, officers, directors and consultants of the Company or its affiliates. The 2007 Plan authorizes the issuance of up to 3,000,000 shares of common stock of the Company and by its terms will expire on November 12, 2012. On November 13, 2007, the Board authorized the issuance of options on all 3,000,000 shares to eligible recipients under the 2007 Plan. These stock options had a five year term and an exercise price of \$1.23 per share.

The recipients of the outstanding stock options forfeited all of the outstanding options as of June 25, 2008 and new grants of stock options equaling 3,000,000 shares were made on August 4, 2008. These new stock options were granted with an exercise price of \$0.80 per share, the fair market value of the Company's common stock on the date of grant. The options vested as to 15% on the six-month anniversary of the date of grant; vest 15% on the first anniversary of the date of grant; vest 50% on the second anniversary of the date of grant; and vest the remaining 20% on the third anniversary of the date of grant. The stock options also become fully vested upon termination without cause, termination for good reason, termination due to death or disability or in the event of a change in control of the Company. The stock options expire on the fifth anniversary of the date of grant.

Potential Payments Upon Termination or Change of Control

Employment Agreements

Certain of our executive officers, including our CEO, have an employment agreement with the Company. Under Chinese law, we may only terminate employment agreements without cause and without penalty by providing notice of non-renewal one month prior to the date on which the employment agreement is scheduled to expire. If we fail to

provide this notice or if we wish to terminate an employment agreement in the absence of cause, as defined in the agreement, then we are obligated to pay the employee one month's salary for each year we have employed the employee. We are, however, permitted to terminate an employee for cause without penalty pursuant to the employment agreement.

2007 Plan

To date, the only awards outstanding under the 2007 Plan are stock options. Under the terms of the 2007 Plan, recipients have the right to exercise any vested options, in whole or in part, at any time after termination during the remaining term of the option; provided, however, that the Board may specify a shorter period for exercise following termination as it deems reasonable and appropriate. In the event of the recipient's termination of employment by the Company without "cause" (as may be defined in an employment agreement), by the recipient for "good reason" (as may be defined in an employment agreement), or by reason of the recipient's death or "disability" (as may be defined in an employment agreement), any portion of the option that has not become vested and exercisable as of the date of the termination of employment shall immediately vest and become exercisable. The 2007 Plan is more fully described above in the narrative following the Summary Compensation Table.
