PROXY STATEMENT
for the
ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JULY 19, 2009

INTRODUCTION

General

This proxy statement (the "Proxy Statement") and the accompanying proxy ballot are being furnished to the shareholders of Willamette Valley Vineyards, Inc., an Oregon corporation (the "Company"), as part of the solicitation of proxies by the Company's Board of Directors from shareholders of record of outstanding shares of the Company's common stock, no par value (the "Common Stock"), for use in voting at the Company's Annual Meeting of Shareholders to be held on July 19th, 2009 at 1:00 PM at Willamette Valley Vineyards, 8800 Enchanted Way SE, Turner, Oregon 97392 and at any adjournments or postponements thereof, (the "Annual Meeting").

At the Annual Meeting, shareholders will be asked to consider and vote upon the following:

- (i) elect eight members of the Board of Directors,
- (ii) ratify the appointment by the Board of Directors of Moss Adams LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2009 and
- (iii) transact such other business as may properly come before the meeting or any adjournments thereof.

This Proxy Statement, together with the enclosed proxy ballot, is first being mailed to the Company's shareholders on or about June 15th, 2009.

Your vote is important. Accordingly, whether or not you plan to attend the Annual Meeting, please sign and return the proxy ballot as soon as possible. Shares can be voted at the Annual Meeting only if the holder is present in person or by proxy. If you receive more than one proxy card because your shares are registered in different names or at different addresses, please sign and return each such proxy so that all of your shares will be represented at the Annual Meeting.

Solicitation, Voting and Revocability of Proxies

The Board of Directors has fixed the close of business on May 21, 2009 as the record date for the determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Accordingly, only holders of record of Common Stock at the close of business on such date will be entitled to vote at the Annual Meeting, with each such share entitling its owner to one vote on all matters properly presented at the Annual Meeting. On the record date, there were 2,784 beneficial holders holding 4,852,979 shares of Common Stock. The presence, in person or by proxy, of a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting.

Each enclosed proxy gives discretionary authority to the persons named therein with respect to any amendments or modifications of the Company proposals and any other matters that may be properly proposed at the Annual Meeting. The shares represented by all valid non-revoked proxies returned in time to be voted at the Annual Meeting will be voted in accordance with the instructions marked therein. EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR THE ELECTION OF THE DIRECTORS NAMED IN THE PROXY AND FOR THE RATIFICATION OF THE COMPANY'S AUDITORS. If any other matter(s) properly comes before the Annual Meeting, the proxies solicited hereby will be exercised in accordance with the reasonable judgment of the proxy holders named therein. If the meeting is adjourned or postponed, your shares will be voted by the proxy holders on the new meeting date as well, unless you have revoked your proxy instructions before that date. Under Oregon law, shareholders are not entitled to dissenters' rights with respect to any of the proposals set forth in this Proxy Statement.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder's proxy. A shareholder may, however, revoke a proxy at any time prior to its exercise by filing a written notice of revocation with, or by delivering a duly executed proxy bearing a later date to: Board Secretary, Willamette Valley Vineyards, Inc., 8800 Enchanted Way S.E., Turner, Oregon 97392, or by attending the Annual Meeting and voting in person. Attending the Annual Meeting in and of itself will not revoke previously given proxies. In order to be effective, all revocations and later-filed proxies not delivered in person at the Annual Meeting must be delivered to the Company at the address listed above not later than 5:00 p.m. local time, on Saturday, July 18th, 2009. A shareholder who attends the meeting need not revoke a previously executed proxy and vote in person unless the shareholder wishes to do so. All valid, un-revoked proxies will be voted at the Annual Meeting.

Proxies marked as abstaining will be treated as present for the purpose of determining whether there is a quorum for the Annual Meeting, but will not be counted as voting on any matter as to which abstinence is indicated. Broker "non votes" (i.e., the submission of a proxy by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter) will not be treated as present for purposes of determining whether there is a quorum for the Annual Meeting unless the broker is given discretion to vote on at least one matter on the agenda.

The Company will pay the cost of its proxy solicitation. In addition to the use of the mails, proxies may be solicited personally, by telephone or by email by directors, officers and employees of the Company, who will not be specially compensated for such activities. Your cooperation in promptly completing and returning the enclosed proxy to vote your shares of Common Stock will help to avoid additional expense.

If you are a shareholder of record and you plan to attend the Annual Meeting, please indicate this when you vote. If you are a beneficial owner of shares of Common Stock held by a bank, broker or other nominee, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from the bank, broker, or other nominee are examples of proof of ownership. If you want to vote in person your shares of Company's Common Stock held in street name, you will have to obtain a proxy, executed in your favor, from the holder of record. You may be asked to provide proof of identification to gain entry to the Annual Meeting.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

At the Annual Meeting eight directors will be elected, each for a one-year term. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors the persons named below as nominees. The Board of Directors believes that the nominees will stand for election and will serve if elected as directors. However, if any of the persons nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person as a majority of the independent members of the present Board of Directors may recommend. There is no cumulative voting for election of directors. Directors are elected by a plurality of votes; therefore, the eight persons receiving the most votes, even if less than a majority of the votes cast, will be elected directors. Abstentions or failure to vote will have no effect on the election of directors, assuming the existence of a quorum.

The following table sets forth the names of the members of the Board of Directors, each of whom is a nominee for election as a director for a one-year term, each such director's age, and each such director's position with the Company.

Board and Committee Meeting Attendance

The Board of Directors met five times during 2008. Each director attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of each committee on which each director served.

Annual Meeting Attendance

Although we do not have a formal policy regarding attendance by members of the Board of Directors at our annual meeting of shareholders, directors are encouraged to attend the annual meetings. Seven of eight of our directors attended the Company's 2008 annual meeting of shareholders.

Director Independence

The Board of Directors has determined that each of our directors, except Mr. Bernau, Mr. Ellis and Mr. Cary, is "independent" within the meaning of the applicable rules and regulations of the SEC and the director independence standards of The NASDAQ Stock Market, Inc. ("NASDAQ"), as currently in effect. Furthermore, the Board of Directors has determined that each of the members of the Compensation and Audit Committees of the Board of Directors is "independent" under the applicable rules and regulations of the SEC and the director independence standards of NASDAQ, as currently in effect. The independent directors held two meetings in 2008.

BOARD OF DIRECTORS COMMITTEES

Nominating Committee

The Board of Directors performs the function of a Nominating Committee for selecting nominees for election as directors. Given its size, the Board believes that it performing this function is a pragmatic and realistic approach. The independent members of the Board of Directors select and recommend to the Board of Directors for approval nominees for director positions. The Board then determines whether to approve of such nominations and present them to the Company's shareholders for election to the Board of Directors. In seeking nominees, the Board looks for qualified candidates that will meet the oversight and financial expertise needs of the Company. The Board also looks for nominees who will meet the independent qualifications necessary to meet current standards of independence. Nominations of candidates by shareholders of the Company to be considered by the Committee for membership on the Board of Directors may be submitted if such nominations are made pursuant to timely notice in writing to the Board Secretary. For more information, please see the information provided under the heading "Shareholder Proposals and Nominations" below. The current nominees were selected by the independent members of the Board of Directors, which nominees were ratified by the entire Board of Directors. The Nominating Committee does not currently have a charter or formal policy with respect to the consideration of director candidates recommended by shareholders. The reason for not having such a formal policy is that the current approach has functioned well and therefore no formal policy has been deemed necessary.

Compensation Committee

The Board of Directors has appointed a Compensation Committee, which reviews executive compensation and makes recommendations to the full Board regarding changes in compensation, and also administers the Company's 1992 Stock Incentive Plan. Executive officers do not play a role in determining executive compensation. The Compensation Committee does not delegate any of its duties, and it may use consultants in determining executive compensation. The Compensation Committee met eight times in person or by telephone conference in 2008. The members of the Compensation Committee are Betty M. O'Brien, Chair, Stan Turel and Delna Jones. All members of the Compensation Committee are independent under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, as currently in effect. A copy of the Compensation Committee's charter can be found on the Company's website, www.WillametteValleyVineyards.com.

Audit Committee

The Company has a separately designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The members of the Audit Committee are Thomas M. Brian, Craig Smith, and Stan G. Turel. All members of the Audit Committee are independent as defined under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market, as currently in effect. The Audit Committee held four meetings in 2008.

Audit Committee Financial Expert

Chairperson Craig Smith serves as the Audit Committee's financial expert. Mr. Smith is independent as defined under the applicable rules and regulations of the SEC and the director independence standards of the NASDAQ Stock Market as currently in effect. The Audit Committee oversees our financial reporting process on behalf of the Board of Directors and reports to the Board of Directors the results of these activities, including the systems of internal controls that management and the Board of Directors have established, our audit and compliance process and financial reporting. The Audit Committee, among other duties, engages the independent public accountants retained as the registered public accounting firm, pre-approves all audit and non-audit services provided by the independent public

accountants, reviews with the independent public accountants the plans and results of the audit engagement, considers the compatibility of any non-audit services provided by the independent public accountants with the independence of such auditors and reviews the independence of the independent public accountants. Mr. Smith is designated by the Board of Directors as the “audit committee financial expert” under SEC rules. The Audit Committee conducted four meetings in the year ended December 31, 2008 and all members attended all of the meetings. A copy of the Audit Committee charter can be found at our website, www.WillametteValleyVineyards.com.

Executive Committee

In 1997 the Board appointed an Executive Committee, members are: James Bernau, James Ellis, Delna Jones and Stan Turel. The Executive Committee held two meetings during 2008. All members were present.

The aggregate number of option awards outstanding for each director as of December 31, 2008 is as follows: Mr. Ellis – 81,130, Mr. Cary – 16,000, Mr. Brian – 22,000, Ms. Jones – 27,800, Mr. Smith – 0, Ms. O'Brien – 40,700, and Mr. Turel – 37,517.

The members of the Company's Board of Directors did not receive cash compensation for their service on the Board in 2008, but were reimbursed for out-of-pocket and travel expenses incurred in attending Board meetings. Under the Company's Stock Incentive Plan adopted by the shareholders in 1992 and further amended by the shareholders in 1996, beginning in 1997 an option to purchase 1,500 shares of Common Stock is granted to each Director for service on the Board during the year. This option was increased to 4,000 per year when the 50-share grant per Director's meeting was discontinued for the year 2000 and beyond. In December 2005, each Director was granted 14,000 options for service during 2005. In the foreseeable future, as a result of the Financial Accounting Standards Board ("FASB") Statement of Financial Accounting Standard ("SFAS") No. 123R, Share-Based Payment, requiring all share-based payments to be recognized as expenses in the statement of operations based on their fair values and vesting periods, the Company does not intend to issue stock options to the Directors for their service.

In January of 2009 the Board of Directors upon recommendation of the Compensation Committee who sought outside counsel regarding revision of the Company's Board Compensation Plan, adopted the final version of the revised WVV Board Member Compensation Plan. The Plan has the following provisions a) that any member can elect not to receive any or all of the compensation components and the Board reserves the right to suspend this plan at any time depending

on the effects of the economy on the Company. The basic elements of the plan are: \$1,000 yearly stipend for service on the Board, \$500 per Board meeting attended in person, \$250 per Board meeting via teleconference, \$200 per committee meeting in person and \$100 per committee meeting via teleconference. A set per diem for expenses associated with meeting attendance, as well as, a yearly wine and glassware allowance were also approved.

COMMUNICATION TO THE BOARD OF DIRECTORS

The Board of Directors welcomes and encourages shareholders to share their thoughts regarding the Company. Towards that end, the Board of Directors has adopted a policy whereby all communications should first be directed to the Company's Secretary. The Secretary will then distribute a copy of the communication to the Chairman of the Board, the Chairperson of the Audit Committee and the Company's outside counsel. Based on the input and decision of these persons, along with the entire Board of Directors if it is deemed necessary, the Company will respond to the communication. Shareholders should not communicate directly with any other individual officer or director unless requested to do so.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In 2007, the Company entered into a long-term lease for Elton vineyards which consists of 60 acres of mature grapevines, of which approximately 42 acres are Pinot Noir. The agreement was for an initial 10 year lease with the option to renew for 4 successive terms of 5 years each, plus a first right of refusal on the property's sale. Betty O' Brien, a member of the Company's Board of Directors, is a 50% owner of the lessor, Elton Vineyards, LLC. As such, she is therefore entitled to 50% of the net income of Elton Vineyards, LLC.

The Company believes that the transactions set forth above were made on terms no less favorable to the Company than could have been obtained from unaffiliated third parties. All future transactions between the Company and its officers, directors, and principal shareholders will be approved by a disinterested majority of the members of the Affiliated Transactions Committee of the Company's Board of Directors, and will be on terms no less favorable to the Company than could be obtained from unaffiliated third parties.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors and persons who own more than ten percent of a registered class of the Company's equity securities to file certain reports with the Securities and Exchange Commission (the "SEC") regarding ownership of, and transactions in, the Company's securities. These officers, directors and stockholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) reports that are filed with the SEC. Based solely on a review of copies of such forms received by the Company and written representations received by the Company from certain reporting persons, the Company believes that for the year ended December 31, 2008 all Section 16(a) reports required to be filed by the Company's executive officers, directors and 10% stockholders were filed on a timely basis.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors is tasked with administering the Company's 1992 Stock Incentive Plan as amended. The Committee and the Board believe that equity-based compensation ensures that the Company's employees, directors and distributors have a continuing stake in the long-term success of the Company. All options granted by the Company are typically granted with an exercise price equal to the market price of the Company's Common Stock on the date of grant and, accordingly, will only have value if the Company's stock price increases. All options have an individual vesting schedule and a term of ten years, except in the case of shareholders who hold a 10% or more of Company stock, in which case the term is 5 years and the grant price must be 10% over market on the day of grant. The Committee met eight times in 2008. Per its Charter, it reviewed the current compensation for the CEO and it approved the performance bonus of \$41,960 for the CEO (see section "Executive Compensation"). The Committee also awarded a series of small share grants totaling 425 shares to employees and distributors; no options were awarded in 2008.

The Compensation Committee developed a new Board Compensation plan. It was adopted by the Board of Directors November 13, 2008. The new plan supersedes prior compensation through stock grants and options; the last such awards were made in 2005. From information provided by CCI, a compensation consulting firm, the Compensation Committee concluded that an annual stipend, plus compensation for meetings attended and for expenses, is appropriate. The monetary compensation includes \$1,000 yearly stipend \$500 per Board meeting in person \$250 per Board meeting via teleconference \$200 per committee meeting in person \$100 per committee meeting via teleconference Expense reimbursement may be per diem or actual costs. Wine and Riedel glass allotments are provided to enable members to promote WVV wines.

ELECTION OF DIRECTORS (PROPOSAL NO. 1)

At the Annual Meeting eight directors will be elected, each for a one-year term. Unless otherwise specified on the proxy, it is the intention of the persons named in the proxy to vote the shares represented by each properly executed proxy for the election as directors the persons named below as nominees. The Board of Directors believes that the nominees will stand for election and will serve if elected as directors. However, if any of the persons nominated by the Board of Directors fails to stand for election or is unable to accept election, the proxies will be voted for the election of such other person as the majority of the independent members of the Board of Directors may recommend. There is no cumulative voting for election of directors. Directors are elected by a plurality of votes; therefore, the eight persons receiving the most votes, even if less than a majority of the votes cast, will be elected directors. Abstentions or failure to vote will have no effect on the election of directors, assuming the existence of a quorum. The Board of Directors unanimously recommends a vote FOR this proposal.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (PROPOSAL NO. 2)

The Audit Committee has appointed Moss Adams LLP (“Moss Adams”) as independent auditors for the 2009 fiscal year. Moss Adams will audit the Company’s consolidated financial statements for the 2009 fiscal year and perform other services. While shareholder ratification is not required by the Company’s by-laws or otherwise, the Board of Directors is submitting the selection of Moss Adams to the shareholders for ratification as a good corporate governance practice. If the shareholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain Moss Adams. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent public accountant or auditor at any time during the year if it determines that such a change would be in the best interest of the Company and its shareholders.

The proposal will be approved if, assuming the existence of a quorum, at least a majority of the shares of the Company's Common Stock cast on the proposal vote in favor of approval. Abstentions and broker non-votes are counted for purposes of determining whether a quorum exists at the Annual Meeting but will not be counted and will have no effect on the determination of the outcome of the proposal. The proxies will be voted for or against the proposal, or as an abstention, in accordance with the instructions specified on the proxy form. If no instructions are given, proxies will be voted for approval of the ratification of Moss Adams LLP.

A representative of Moss Adams LLP is expected to attend the Annual Meeting at his own expense and will be given an opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions.

The Board of Directors unanimously recommends a vote FOR this proposal. Assuming the existence of a quorum, the appointment of Moss Adams LLP will be ratified if approved by the holders of a majority of the shares present in person or by proxy.

Shareholder Director Nominations

The independent members of the Board of Directors select and recommend to the Board of Directors for approval nominees for director and committee member positions. The Board then considers the recommendation of these directors and decides which nominees to present to the Company's shareholders for election to the Board of Directors.
