Item 1.01. Entry Into a Material Definitive Agreement.

Patient Safety Technologies, Inc. (the “Company”) entered into an Office Building Lease (the “Agreement”) with Olen Commercial Realty Corp., a Nevada corporation (the “Landlord”) on September 15, 2010, commencing September 20, 2010 (the “Effective Date”) to lease the premises located at 2 Venture, Irvine, CA 92616 (the “Premises”) for use as the Company’s principal headquarters.

The term of the Agreement commences on the Effective Date and expires on midnight of December 19, 2013 (the “Term”), with an option to extend the Term of the Agreement for one additional year. The Company will pay an initial base rent of \$5,610 per month in monthly installments. The initial base rent will be adjusted to (a) \$5,778.30 for the period of September 20, 2011 through September 19, 2012, (b) \$5,951.65 for the period of September 20, 2012 through September 19, 2013, and (c) \$6,130.20 for the period of September 20, 2013 through December 19, 2013. The Landlord has agreed to a rental abatement for the months of October, November and December 2010 of the Term, subject to the Company remaining in compliance with the Agreement.

As compared to the monthly payments made under the Company’s lease agreement for its previous principal headquarters in Temecula, California, which expires in December of 2010, the monthly payments made under the Agreement represent a substantial reduction in required monthly rental payments.

The Agreement also contains customary provisions concerning assignment and subletting, holding over and default. The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by the full text of such Agreement, which is filed as Exhibit 10.1 hereto and incorporated by reference herein.
