## **Sapiens Signs \$1.3m Insurance License and Services Enhancement**

The project is part of a strategic shift in the customer's systems to support the business growth

Rehovot, Israel March 13, 2012 – Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS), a global provider of innovative insurance software solutions, announces today that it has signed license and services agreement with one of its customers.

The customer, a US-Based insurance carrier, and one of Sapiens trusted insurance customers, extended the scope of its project with Sapiens insurance solution to include additional lines of business to compliment those that are already in production.

The project is part of a strategic shift in the customer's systems infrastructure and application suite that has been used to support the operations of the insurance business. In this phase, Sapiens will continue to move all lines of business from the customer's legacy systems into Sapiens' solution.

Roni Al-Dor, CEO of Sapiens, said: "This is a clear vote of confidence in Sapiens, and in our ability to support future growth and the move from the legacy world to the new. It follows the successful implementation of our solutions delivered to our customer so far"
