THE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT 12:00 MIDNIGHT, NEW YORK CITY TIME54 ON DEC

OF THE OFFER.

ON OCTOBER 11, 2012, AFFILIATES OF THE OFFEROR ALSO ANNOUNCED THEIR INTENTION TO NOMINATE A SLATE OF DIRECTORS (THE ICAHN SLATE) FOR THE COMPANY S BOARD OF DIRECTORS AT THE UPCOMING ANNUAL MEETING OF THE COMPANY S STOCKHOLDERS.

THE OFFER IS NOT CONDITIONED UPON THE OFFEROR OBTAINING ANY FINANCING, ANY DUE DILIGENCE REVIEW OF THE COMPANY OR ANY MINIMUM NUMBER OF SHARES BEING TENDERED.

THE OFFER IS SUBJECT TO THE FOLLWING CONDITIONS: (I) THE ICAHN SLATE SHALL BE ELECTED TO THE COMPANY S BOARD OF DIRECTORS IN ITS ENTIRETY IN THE PROXY FIGHT THAT AFFILIATES OF THE OFFEROR INTEND TO CONDUCT AT THE COMPANY S UPCOMING ANNUAL STOCKHOLDER MEETING (THE ICAHN PROXY CONTEST) OR SHALL OTHERWISE BE APPOINTED AS THE ENTIRE BOARD OF DIRECTORS (THE NEW BOARD) OF THE COMPANY (THE BOARD CONDITION); (II) THE COMPANY S BOARD OF DIRECTORS OR THE NEW BOARD SHALL HAVE APPROVED THE PURCHASE OF THE SHARES BY THE OFFEROR IN THE OFFER SO THAT THE PROVISIONS OF SECTION 180.1141 OF THE WISCONSIN BUSINESS CORPORATION LAW (THE WBCL) WOULD NOT, AT OR FOLLOWING CONSUMMATION OF THE OFFER, PROHIBIT, RESTRICT OR APPLY TO ANY BUSINESS COMBINATION, AS DEFINED IN SECTION 180.1140 OF THE WBCL, INVOLVING THE COMPANY AND THE OFFEROR OR ANY AFFILIATE OR ASSOCIATE OF THE OFFEROR (THE WBCL 1141 CONDITION); AND (III) THE COMPANY S BOARD OF DIRECTORS OR THE NEW BOARD SHALL HAVE SPECIFIED AS CONTEMPLATED IN SECTION 180.1150(2) OF THE WBCL THAT THE PROVISIONS OF SECTION

TABLE OF CONTENTS

180.1150 OF THE WBCL DO NOT LIMIT OR AFFECT THE VOTING POWER OF ANY OF THE SHARES HELD BY THE OFFEROR OR ANY OF ITS AFFILIATES OR ASSOCIATES AT OR FOLLOWING THE CONSUMMATION OF THE OFFER (THE WBCL 1150 CONDITION AND TOGETHER WITH THE WBCL 1141 CONDITION, THE WBCL CONDITIONS). THE OFFER IS ALSO SUBJECT TO OTHER CUSTOMARY CONDITIONS. SEE SECTION 14 CONDITIONS OF THE OFFER.

IF THE ICAHN SLATE IS SO ELECTED OR APPOINTED TO THE OSHKOSH BOARD OF DIRECTORS, THEN THE OFFEROR EXPECTS THE NEW BOARD, IN A MANNER CONSISTENT WITH ITS FIDUCIARY DUTIES, (I) TO CAUSE THE WBCL CONDITIONS TO BE SATISFIED SO THAT PAYMENT CAN BE MADE PROMPTLY TO TENDERING STOCKHOLDERS, IN ACCORDANCE WITH THE TERMS OF THE OFFER AND (II) TO SPIN-OFF THE COMPANY'S JLG BUSINESS TO THE STOCKHOLDERS.

THE CONDITIONS TO THE OFFER MUST BE SATISFIED ON OR PRIOR TO THE EXPIRATION DATE. HOWEVER, IF ON THE EXPIRATION DATE, AT LEAST 25% OF THE OUTSTANDING SHARES ARE VALIDLY TENDERED IN THE OFFER AND NOT PROPERLY WITHDRAWN, THEN THE OFFEROR INTENDS TO EXTEND THE EXPIRATION DATE AND SO LONG AS AT LEAST 25% OF THE OUTSTANDING SHARES REMAIN SO TENDERED IN THE OFFER, THE OFFEROR INTENDS TO CONTINUE TO EXTEND THE OFFER UNTIL THE COMPANY HOLDS ITS UPCOMING ANNUAL MEETING OF STOCKHOLDERS, AT WHICH TIME THE RESULTS OF THE ICAHN PROXY CONTEST WILL BE OBTAINED.

IF AT ANY TIME, THAT NUMBER OF SHARES ARE VALIDLY TENDERED IN THE OFFER AND NOT PROPERLY WITHDRAWN, WHICH, WHEN ADDED TO ANY SHARES ALREADY OWNED BY THE OFFEROR AND ITS AFFILIATES, REPRESENTS AT LEAST A MAJORITY OF THE ISSUED AND OUTSTANDING SHARES ON A FULLY DILUTED BASIS, THEN THE OFFEROR WILL DEMAND THAT THE CURRENT OSHKOSH BOARD OF DIRECTORS, IN ACCORDANCE WITH ITS FIDUCIARY DUTY TO STOCKHOLDERS, ACCELERATE THE UPCOMING ANNUAL MEETING OF STOCKHOLDERS, OR TAKE OTHER ACTION, TO ALLOW THE BOARD CONDITION TO BE SATISFIED PROMPTLY SO THAT THE WBCL CONDITIONS CAN BE SATISFIED AND THE OFFER CAN PROCEED TO CLOSE QUICKLY, IN ACCORDANCE WITH ITS TERMS. IN THAT REGARD, THE OFFEROR NOTES THAT IT IS WILLING TO ENGAGE IN NEGOTIATIONS WITH OSHKOSH IMMEDIATELY IN ORDER TO OBTAIN ITS SUPPORT FOR THE OFFER AND FACILITATE CLOSING ON AN EXPEDITED BASIS.

FOR CERTAIN EFFECTS OF THE OFFER ON THE INDEBTEDNESS OF THE COMPANY, SEE SECTION 12 CERTAIN EFFECTS OF THE OFFER . FOR THE AVOIDANCE OF DOUBT, NONE OF THE EFFECTS DESCRIBED THEREIN WILL AFFECT THE CONSUMMATION OF THE OFFER IF ALL THE CONDITIONS TO THE OFFER ARE SATISFIED.

THIS OFFER REFERS TO A POSSIBLE PROXY SOLICITATION. THIS OFFER TO PURCHASE IS NOT INTENDED TO AND DOES NOT CONSTITUTE (I) A SOLICITATION OF A PROXY, CONSENT OR AUTHORIZATION FOR OR WITH RESPECT TO THE ANNUAL MEETING OR ANY SPECIAL MEETING OF THE COMPANY'S STOCKHOLDERS OR (II) A SOLICITATION OF A CONSENT OR AUTHORIZATION IN THE ABSENCE OF ANY SUCH MEETING. ANY SUCH SOLICITATION WHICH THE OFFEROR MAY MAKE WILL BE MADE ONLY PURSUANT TO PROXY OR CONSENT SOLICITATION MATERIALS COMPLYING WITH ALL APPLICABLE REQUIREMENTS OF SECTION 14(a) OF THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, AND THE RULES AND REGULATIONS PROMULGATED THEREUNDER. SUMMARY TERM SHEET

IEP Vehicles Sub LLC, a Delaware limited liability company (the Offeror), and Icahn Enterprises Holdings L.P., a Delaware limited partnership, as a co-bidder, are offering to purchase any and all of the issued and outstanding Shares for the Offer Price. The following are some of the questions that you, a holder of Shares, may have and the answers to those questions. We urge you to read carefully the remainder of this Offer to Purchase and the Letter of Transmittal because the information in this summary term sheet is not complete. Additional important information is contained in the remainder of this Offer to Purchase and the Letter of Transmittal. Questions or requests for assistance may be directed to the Information Agent at the address and telephone numbers set forth for the Information Agent on the back cover of this Offer to Purchase. Unless otherwise indicated in this Offer to Purchase or the context otherwise requires, all references in this Offer to Purchase to we, our or us refer to the Offeror.

WHO IS OFFERING TO BUY MY SECURITIES?

Our names are IEP Vehicles Sub LLC (the Offeror) and Icahn Enterprises Holdings L.P. Both the Offeror and Icahn Enterprises Holdings L.P., are co-bidders in the Offer. The following persons may also be deemed to be co-bidders: Icahn Partners LP, Icahn Partners Master Fund LP, Icahn Partners Master Fund II L.P., Icahn Partners Master Fund III L.P., High River Limited Partnership, Hopper Investments LLC, Barberry Corp., Icahn Onshore LP, Icahn Offshore LP, Icahn Capital L.P., IPH GP LLC, Icahn Enterprises G.P. Inc., Beckton Corp. and Carl C. Icahn. The Offeror is a Delaware limited liability company and a wholly-owned subsidiary of Icahn Enterprises Holdings L.P., a Delaware limited partnership. Both entities are affiliated with Carl C. Icahn. Certain of these entities beneficially own an aggregate of approximately 9.45% of the issued and outstanding Shares. The Offeror was formed for the purpose of acquiring all of the issued and outstanding Shares. See the Introduction to this Offer to Purchase and Section 8 CERTAIN INFORMATION CONCERNING THE OFFEROR .

WHAT ARE THE CLASSES AND AMOUNTS OF SECURITIES SOUGHT IN THE OFFER?

We are offering to purchase any and all of the issued and outstanding Shares. Each Share is comprised of one share of common stock, par value \$0.01, of Oshkosh Corporation (Oshkosh or the Company). See the Introduction and Section 1 TERMS OF THE OFFER .

WHAT ARE YOUR PURPOSES FOR THE OFFER AND PLANS FOR THE COMPANY AFTER THE OFFER IS CONSUMMATED?

The purpose of the Offer is to acquire any and all Shares validly tendered and not properly withdrawn prior to the Expiration Date of the Offer and thereby provide immediate liquidity at a premium for those stockholders choosing to tender their Shares, while also providing the opportunity to realize any potential upside for those stockholders who, like us, believe that the Company could have favorable long term potential under the stewardship of a new board of directors. The Offer is conditioned on, among other things, the Icahn Slate being elected to the Company's board of directors in its entirety in the Icahn Proxy Contest or otherwise being appointed as the entire board of directors of the Company. If the Icahn Slate is so elected or appointed, we expect the new board, in a manner consistent with its fiduciary duties, (i) to cause the Wisconsin law conditions to the Offer that are specified in this Offer to Purchase to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer

and (ii) to spin-off the Company's JLG business to the stockholders. See Section 11 PURPOSE OF THE OFFER;
PLANS FOR THE COMPANY .

HOW MUCH ARE YOU OFFERING TO PAY, WHAT IS THE FORM OF PAYMENT?

We are offering to pay \$32.50 per share, without interest, net to you, in cash, but subject to any withholding of taxes, for each Share tendered and accepted for payment in the Offer. See the Introduction.

IS THERE AN AGREEMENT GOVERNING THE OFFER?

No, there is no agreement governing the Offer.

WHAT IS THE MARKET VALUE OF MY SHARES AS OF A RECENT DATE?

On October 10, 2012, the last full trading day before the Offeror publicly announced its intention to commence the Offer, the closing price of Oshkosh's Common Stock reported on the New York Stock

TABLE OF CONTENTS

Exchange (the NYSE) was \$26.85 per Share. On October 16, 2012, the last full trading day before commencement of the Offer, the closing price of Oshkosh's Common Stock reported on the NYSE was \$30.16 per Share. We advise you to obtain a recent quotation for Oshkosh's Common Stock in deciding whether to tender your Shares. See Section 6 **PRICE RANGE OF THE SHARES** .

WILL I HAVE TO PAY ANY FEES OR COMMISSIONS?

If you are the record owner of your Shares and you tender your Shares to the Offeror in the Offer, you will not have to pay brokerage fees or similar expenses. If you own your Shares through a bank, broker or other nominee, and your bank, broker or other nominee tenders your Shares on your behalf, your bank, broker or other nominee may charge you a fee for doing so. You should consult your bank, broker or other nominee to determine whether any charges will apply. See the **Introduction** .

WHAT DOES THE BOARD OF DIRECTORS OF OSHKOSH CORPORATION THINK OF THE OFFER?

On October 11, 2012, Oshkosh issued a press release in which it stated: Oshkosh's Board of Directors, in consultation with its financial and legal advisers, will advise shareholders of its position regarding the unsolicited tender offer within 10 business days from the date of commencement by making available to shareholders and filing with the Securities and Exchange Commission a Solicitation/Recommendation Statement on Schedule 14D-9. Oshkosh shareholders are advised to take no action at this time pending a review of the unsolicited tender offer by the Oshkosh Board .

DO YOU HAVE THE FINANCIAL RESOURCES TO MAKE PAYMENT?

Yes. We and our parent, Icahn Enterprises Holdings L.P. are able to provide 100% of the funds required to pay for the Shares tendered from our cash, cash equivalents and from our ability to realize cash upon the sale of liquid securities. The Offer is not conditioned upon us entering into any financing arrangements and the Offeror currently does not have any alternative financing plans. See Section 9 **SOURCE AND AMOUNT OF FUNDS** .

DO YOU INTEND TO UNDERTAKE A PROXY SOLICITATION TO REPLACE SOME OR ALL OF OSHKOSH CORPORATION'S DIRECTORS WITH YOUR NOMINEES FOR DIRECTORS?

Yes, we currently intend to nominate and solicit proxies (the Proxy Solicitation) for the election of nominees at Oshkosh Corporation's upcoming annual meeting. The annual meeting has not yet been scheduled. The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then we intend to extend the Expiration Date and so long as least 25% of the outstanding Shares remain so tendered in the Offer, we intend to continue to extend the Offer until Oshkosh holds its upcoming annual meeting, at which time the results of the Icahn Proxy Contest will be obtained. Neither this Offer to Purchase nor the Offer constitutes a solicitation of proxies in connection with the Proxy Solicitation or otherwise. Any such solicitation, including the Proxy Solicitation, will be

made only pursuant to separate proxy solicitation materials complying with the requirements of the rules and regulations of the SEC.

IS YOUR FINANCIAL CONDITION RELEVANT TO MY DECISION TO TENDER IN THE OFFER?

We do not think our financial condition is relevant to your decision whether to tender in the Offer because the form of payment consists solely of cash and we have all of the financial resources necessary to complete the Offer. See Section 9 SOURCE AND AMOUNT OF FUNDS .

IS THERE ANY MINIMUM TENDER CONDITION TO THE OFFER?

No. There is no condition to the Offer requiring a minimum number of shares to be tendered in the Offer. We will purchase any and all Shares that are validly tendered in the Offer and not properly withdrawn subject to the satisfaction of the conditions to the Offer. See Section 14 CONDITIONS OF THE OFFER .

WHAT ARE THE MOST SIGNIFICANT CONDITIONS TO THE OFFER?

We are not obligated to purchase any Shares unless the Icahn Slate is elected to the Company's board of directors in its entirety in the Icahn Proxy Contest or is otherwise appointed as the entire board of directors of the Company.

2

TABLE OF CONTENTS

We are not obligated to purchase any Shares unless the Company's board of directors or a new board of directors of the Company comprised entirely of the Icahn Slate has approved our purchase of the Shares in the Offer so that the provisions of Section 180.1141 of the Wisconsin Business Corporation Law would not, at or following consummation of the Offer, prohibit, restrict or apply to any business combination involving the Company and us or any of our affiliates or associates.

We are not obligated to purchase any Shares unless the Company's board of directors or a new board of directors of the Company comprised entirely of the Icahn Slate has specified as contemplated in Section 180.1150(2) of the Wisconsin Business Corporation Law that the provisions of Section 180.1150 of the Wisconsin Business Corporation Law do not limit or affect the voting power of any of the Shares held by us or any of our affiliates or associates at or following the consummation of the Offer.

The Offer is also subject to other customary conditions. The Offer is not conditioned upon our obtaining any financing, any due diligence review of the Company or any minimum numbers of Shares being tendered. See Section

14 CONDITIONS OF THE OFFER .

If the condition relating to the election or appointment of the Icahn Slate described above is satisfied, we expect the new board, in a manner consistent with its fiduciary duties, (i) to cause the Wisconsin law conditions described above to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer and (ii) to spin-off the Company's JLG business to the stockholders. See Section 11 PURPOSE OF THE OFFER; PLANS FOR THE COMPANY .

The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then we intend to extend the Expiration Date and so long as at least 25% of the outstanding Shares remain so tendered in the Offer, we intend to continue to extend the Offer until Oshkosh holds its upcoming annual meeting, at which time the results of the Icahn Proxy Contest will be obtained.

In addition, if at any time, that number of Shares are validly tendered in the offer and not properly withdrawn, which, when added to any Shares already owned by us and our affiliates, represents at least a majority of the issued and outstanding Shares on a fully diluted basis, then we will demand that the current board, in accordance with its fiduciary duty to stockholders, accelerate the upcoming annual meeting of stockholders, or take other action, to allow the condition relating to election or appointment to the board of the Icahn Slate to be satisfied promptly so that the Wisconsin law conditions can be satisfied and the Offer can proceed to close quickly, in accordance with its terms. In that regard, note that we are willing to engage in negotiations with Oshkosh immediately in order to obtain its support for the Offer and facilitate closing on an expedited basis. See Section 14 CONDITIONS OF THE OFFER .

IF I DECIDE NOT TO TENDER, HOW WILL THE OFFER AFFECT MY SHARES?

If the conditions to the Offer as set forth in Section 14 CONDITIONS OF THE OFFER are satisfied or waived and we consummate the Offer, the number of stockholders and the number of Shares that are held by the public will be reduced and such number of stockholders and such number of Shares may be so small that there may no longer an active public trading market (or, possibly, there may not be any public trading market) for the Shares. Also, it is possible that Oshkosh Corporation may no longer be required to make filings with the SEC or otherwise comply with the rules of the SEC relating to publicly held companies on account of its equity interests. See the Introduction and Section 12 CERTAIN EFFECTS OF THE OFFER .

IF I TENDER MY SHARES, WHEN AND HOW WILL I GET PAID?

If the conditions to the Offer as set forth in Section 14 **CONDITIONS OF THE OFFER** are satisfied or waived and we consummate the Offer and accept your Shares for payment, we will pay you an amount equal to the number of Shares you tendered multiplied by \$32.50 in cash, without interest, less any applicable withholding taxes promptly following expiration of the Offer. See Section 1 **TERMS OF THE OFFER** and Section 4 **ACCEPTANCE FOR PAYMENT AND PAYMENT OF SHARES** .

3

TABLE OF CONTENTS

HOW LONG DO I HAVE TO DECIDE WHETHER TO TENDER IN THE OFFER?

Unless we extend the expiration date of the Offer, you will have until 12:00 midnight, New York City time, on December 3, 2012, to tender your Shares in the Offer. If you cannot deliver everything that is required to tender your Shares by that time, you may be able to use a guaranteed delivery procedure, which is described later in this Offer to Purchase. See Section 1 **TERMS OF THE OFFER** and Section 2 **PROCEDURE FOR ACCEPTING THE OFFER AND TENDERING SHARES** .

CAN THE OFFER BE EXTENDED AND UNDER WHAT CIRCUMSTANCES?

We can extend the Offer from time to time and for any reason. We may extend the offer in the following circumstances:

If any of the conditions to the Offer have not been satisfied or waived, we can extend the Offer until such time as they are satisfied or waived; or

We may elect to extend the Expiration Date for any period required by applicable federal securities laws and the rules and regulations of the SEC thereunder (the Securities Laws) and the rules and regulations of the NYSE applicable to the Offer (it being understood that if we increase the Offer Price, we will be required to extend the Expiration Date for the minimum period required under the Securities Laws).

See Section 1 **TERMS OF THE OFFER**.

The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then we intend to extend the Expiration Date and so long as at least 25% of the outstanding Shares remain so tendered in the Offer, we intend to continue to extend the Offer until Oshkosh holds its upcoming annual meeting, at which time the results of the Icahn Proxy Contest will be obtained.

In addition, if at any time, that number of Shares are validly tendered in the offer and not properly withdrawn, which, when added to any Shares already owned by us and our affiliates, represents at least a majority of the issued and outstanding Shares on a fully diluted basis, then we will demand that the current board, in accordance with its fiduciary duty to stockholders, accelerate the upcoming annual meeting of stockholders, or take other action, to allow the condition relating to election or appointment to the board of the Icahn Slate to be satisfied promptly so that the Wisconsin law conditions can be satisfied and the Offer can proceed to close quickly, in accordance with its terms. In that regard, note that we are willing to engage in negotiations with Oshkosh immediately in order to obtain its support for the Offer and facilitate closing on an expedited basis. See Section 14 **CONDITIONS OF THE OFFER** .

WILL YOU PROVIDE A SUBSEQUENT OFFERING PERIOD?

We may elect to provide a subsequent offering period in accordance with Rule 14d-11 under the Securities Exchange Act Of 1934, as amended (the Exchange Act). A subsequent offering period, if one is included, will be an additional period of time beginning after we have purchased Shares tendered during the Offer, during which stockholders may tender, but not withdraw, their Shares and receive the Offer Price. We do not currently intend to include a subsequent offering period, although we reserve the right to do so. See Section 1 - **TERMS OF THE OFFER** .

HOW WILL I BE NOTIFIED IF THE OFFER IS EXTENDED OR IF A SUBSEQUENT OFFERING PERIOD IS PROVIDED?

If we extend the Offer or provide a subsequent offering period, we will inform The Colbent Corporation (which is the depository for the Offer) of that fact and will make a public announcement, not later than 9:00 a.m., New York City time, on the next business day after the day on which the Offer was scheduled to expire. See Section 1 TERMS OF THE OFFER .

ARE THERE ANY CONSEQUENCES OF THE OFFER ON THE INDEBTEDNESS OF THE COMPANY OF WHICH I SHOULD BE AWARE?

If we and our affiliates become the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act), directly or indirectly, of 30% or more of the outstanding Shares, including as a result of the

TABLE OF CONTENTS

consummation of the Offer, or if the Icahn Slate constitutes a majority of the Oshkosh board and the current board does not approve their nomination or election, then the lenders under the Credit Agreement, dated as of September 27, 2010, as amended, by and among Oshkosh Corporation, the lenders party thereto and various other parties thereto (the Credit Agreement), will have the right to cause all unpaid amounts to be immediately due and payable. Because we and our affiliates currently beneficially own 9.45% of Oshkosh's issued and outstanding Shares, if we acquire an additional 20.55% or more of the Shares (including pursuant to the Offer) or if the condition to the Offer relating to the election or appointment of the Icahn Slate to the Oshkosh board of directors is satisfied and the current board does not approve the nomination or election of the Icahn Slate, a change of control will occur under the Credit Agreement and the lenders will have the right to cause all unpaid amounts to be immediately due and payable. Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, \$455 million was outstanding under the Credit Agreement, there were outstanding letters of credit of \$39.1 million under the credit facility and no amounts were borrowed under the revolving credit facility.

If we and our affiliates (or any group within the meaning of Sections 13(d) and 14(d) of the Exchange Act) become the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act), directly or indirectly, of 50% or more of the Shares, including as a result of the consummation of the Offer, or if the Icahn Slate constitutes a majority of the Oshkosh board and the current board does not approve their nomination or election, then Oshkosh would be required to make an offer to each holder to repurchase all outstanding senior notes of Oshkosh at a price equal to 101% of the principal amount of notes repurchased. Because we and our affiliates currently beneficially own 9.45% of Oshkosh's issued and outstanding Shares, if we and/or our affiliates acquire an additional 40.55% or more of the Shares (including pursuant to the Offer) or if the condition to the Offer relating to the election or appointment of the Icahn Slate to the Oshkosh board of directors is satisfied and the current board does not approve their nomination or election, a change of control will occur under the indenture governing the senior notes and then Oshkosh would be required to make an offer to each holder to repurchase all outstanding senior notes of Oshkosh at a price equal to 101% of the principal amount of notes repurchased. Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, \$500 million in aggregate principal amount of Oshkosh senior notes was outstanding.

In addition, if Oshkosh fails to pay the outstanding indebtedness under its Credit Agreement when due, including as a result of an acceleration of the maturity dates as described above or if Oshkosh Corporation fails to make the change of control offer as required under Oshkosh's indenture governing the senior notes, there could occur an event of default under the Credit Agreement and/or the indentures governing Oshkosh's outstanding senior notes which will enable the lenders under the Credit Agreement and/or the holders of the senior notes or the trustee to declare any such debt immediately due and payable. In the aggregate, Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, it had approximately \$955 million of outstanding indebtedness.

The foregoing description of the Company's existing indebtedness is qualified in its entirety by reference to the definitive documents governing that indebtedness, copies of which have been filed by the Company with the SEC. See Section 7 CERTAIN INFORMATION CONCERNING THE COMPANY .

WHAT ARE THE UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE OFFER?

In general, you will recognize gain or loss equal to the difference between your adjusted tax basis in the Shares you tender and the amount of cash you receive for those Shares. If you are a United States Holder (as defined herein) and you hold your Shares as a capital asset, the gain or loss that you recognize will be a capital gain or loss and will be treated as a long-term capital gain or loss if you have held such Shares for more than one year. **You should consult your tax advisor about the particular tax consequences to you of tendering your Shares in the Offer.** See Section 5 **CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES** for a discussion of certain United States federal income tax consequences of tendering Shares pursuant to the Offer.

OSHKOSH CORPORATION:**

INTRODUCTION

IEP VEHICLES SUB LLC, A DELAWARE LIMITED LIABILITY COMPANY (THE OFFEROR) AND ICAHN ENTERPRISES HOLDINGS L.P., AS CO-BIDDER, ARE HEREBY MAKING AN OFFER TO PURCHASE ANY AND ALL OF THE ISSUED AND OUTSTANDING SHARES (THE SHARES) OF COMMON STOCK, PAR VALUE \$0.01 PER SHARE (THE COMMON STOCK), OF OSHKOSH CORPORATION, A WISCONSIN CORPORATION (THE COMPANY OR OSHKOSH), FOR \$32.50 PER SHARE IN CASH (THE OFFER PRICE), WITHOUT INTEREST, UPON THE TERMS AND SUBJECT TO THE CONDITIONS SET FORTH IN THIS OFFER TO PURCHASE AND IN THE RELATED LETTER OF TRANSMITTAL (WHICH, TOGETHER WITH ANY AMENDMENTS OR SUPPLEMENTS HERETO OR THERETO, COLLECTIVELY CONSTITUTE THE OFFER).

On October 11, 2012, affiliates of the Offeror also announced their intention to nominate a slate of directors (the Icahn Slate) for the Company s board of directors at the upcoming annual meeting of the Company s stockholders.

The Offer is not conditioned upon the Offeror obtaining any financing, any due diligence review of the Company or any minimum numbers of shares being tendered.

The Offer is subject to the satisfaction, on or prior to December 3, 2012 (the Expiration Date , unless the Offeror shall have extended the period during which the Offer is open, in which event Expiration Date shall mean the time and date at which the Offer, as so extended by the Offeror, shall expire), of certain conditions set forth in this offer to purchase, including, among other conditions, that (i) the Icahn Slate is elected to the Company s board of directors in its entirety in the proxy fight that affiliates of the Offeror intend to conduct at the Company s upcoming annual stockholder meeting (the Icahn Proxy Contest) or otherwise is appointed as the entire board of directors (the New Board) of the Company (the Board Condition); (ii) the Company s board of directors or the New Board has approved the purchase of the Shares by the Offeror in the Offer so that the provisions of Section 180.1141 of the Wisconsin Business Corporation Law (the WBCL) would not, at or following consummation of the Offer, prohibit, restrict or apply to any Business Combination, as defined in Section 180.1140 of the WBCL, involving the Company and the Offeror or any affiliate or associate of the Offeror (the WBCL 1141 Condition); and (iii) the Company s board of directors or the New Board has specified as contemplated in Section 180.1150(2) of the WBCL that the provisions of Section 180.1150 of the WBCL do not limit or affect the voting power of any of the Shares held by the Offeror or any of its affiliates or associates at or following the consummation of the Offer (the WBCL 1150 Condition and together with the WBCL 1141 Condition, the WBCL Conditions). The Offer is also subject to other customary conditions. See section 14 Conditions of the Offer.

If the Board Condition is satisfied, then the Offeror expects the New Board, in a manner consistent with its fiduciary duties, (i) to cause the WBCL Conditions to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer and (ii) to spin-off the Company s JLG business to the stockholders.

The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then the Offeror intends to extend the Expiration Date and so long as at least 25% of the outstanding Shares remain so tendered in the Offer, the Offeror intends to continue to extend the Offer until the Company holds its upcoming annual meeting of

stockholders, at which time the results of the Icahn Proxy Contest will be obtained.

If at any time, that number of Shares are validly tendered in the Offer and not properly withdrawn, which, when added to any Shares already owned by the Offeror and its affiliates, represents at least a majority of the issued and outstanding Shares on a fully diluted basis, then the Offeror will demand that the current Oshkosh board of directors, in accordance with its fiduciary duty to stockholders, accelerate the upcoming annual meeting of stockholders, or take other action, to allow the Board Condition to be satisfied promptly so that the WBCL Conditions can be satisfied and the Offer can proceed to close quickly, in accordance with its

See Section 12 CERTAIN EFFECTS OF THE OFFER .

Certain material U.S. federal income tax consequences of the sale of Shares pursuant to the Offer are described in Section 5 CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES .

Stockholders who hold their Shares through a bank or broker should check with such institution as to whether they will be charged any service fees. The Offeror will pay all charges and expenses of D.F. THE TENDER OFFER

1. TERMS OF THE OFFER.

Upon the terms and subject to the conditions of the Offer (including, if the Offer is extended or amended, the terms and conditions of such extension or amendment), the Offeror will accept for payment and pay for any and all Shares validly tendered prior to the Expiration Date and not properly withdrawn as permitted under Section 3

WITHDRAWAL RIGHTS .

The Offer is conditioned upon the satisfaction of the Board Condition, the WBCL 1141 Condition and the WBCL 1150 Condition, and the other conditions set forth in Section 14 CONDITIONS OF THE OFFER (collectively, the Offer Conditions). The Offeror may waive any or all of the conditions to its obligation to purchase Shares pursuant to the Offer, subject to applicable law, including the requirements of Rule 14d-4 under the Securities and Exchange Act, as amended (the Exchange Act). The Offer is currently scheduled to expire at 12:00 midnight, New York City time, on December 3, 2012.

If the Board Condition is satisfied, then the Offeror expects the New Board, in a manner consistent with its fiduciary duties, (i) to cause the WBCL 1141 Condition and the WBCL 1150 Condition to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer and (ii) to spin-off the Company s JLG business to the stockholders.

The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then the Offeror intends to extend the Expiration Date and so long as at least 25% of the outstanding Shares remain so tendered in the Offer, the Offeror intends to continue to extend the Offer until the Company holds its upcoming annual meeting of stockholders, at which time the results of the Icahn Proxy Contest will be obtained.

If at any time, that number of Shares are validly tendered in the Offer and not properly withdrawn, which, when added to any Shares already owned by the Offeror and its affiliates, represents at least a majority of the issued and outstanding Shares on a fully diluted basis, then the Offeror will demand that the current Oshkosh board of directors, in accordance with its fiduciary duty to stockholders, accelerate the upcoming annual meeting of stockholders, or take other action, to allow the Board Condition to be satisfied promptly so that the WBCL Conditions can be satisfied and the Offer can proceed to close quickly, in accordance with its terms. In that regard, the Offeror notes that it is willing to engage in negotiations with Oshkosh immediately in order to obtain its support for the Offer and facilitate closing on an expedited basis.

Subject to the applicable rules and regulations of the SEC (including the requirements of Rule 14d-4 under the Exchange Act), the Offeror reserves the right (but in no event shall be obligated), in its sole discretion, to waive any or all of the Offer Conditions. If, on or prior to the Expiration Date, any or all of the Offer Conditions have not been satisfied or waived, the Offeror reserves the right, subject to complying with applicable federal securities laws and the rules and regulations of the SEC thereunder (the Securities Laws) and the rules and regulations of the NYSE, to: (i) decline to purchase any of the Shares tendered, terminate the Offer and return all tendered Shares to tendering stockholders; (ii) waive all the unsatisfied Offer Conditions (subject to the terms of Section 14 hereof) and purchase all Shares validly tendered; (iii) extend the Offer and, subject to the right of stockholders to withdraw Shares until the Expiration Date, retain the Shares that have been tendered during the period or periods for which the Offer is extended; and (iv) amend the Offer.

The Offeror expressly reserves the right, in its sole discretion, at any time and from time to time, and subject to complying with the Securities Laws and the rules and regulations of the NYSE: (i) to extend the period of time during which the Offer is open which may delay acceptance for payment of, and the payment for, any Shares; (ii) to waive any of the Offer Conditions; and (iii) to amend the Offer, including by increasing the consideration offered, in each case, by giving oral or written notice of such waiver, extension or amendment to the Depositary and making a public announcement thereof. In addition, the Offeror may extend the Offer for any period required by the Securities Laws or the staff of the SEC or as required by applicable law.

TABLE OF CONTENTS

The rights reserved by the Offeror in the preceding paragraphs are in addition to the Offeror's rights pursuant to Section 14.

Rule 14e-1(c) under the Exchange Act requires the Offeror to promptly pay the consideration offered or return the securities deposited by or on behalf of stockholders promptly after the termination or withdrawal of the Offer.

The Offeror may elect to provide a subsequent offering period in accordance with Rule 14d-11 under the Exchange Act. A subsequent offering period, if one is included, will be an additional period of time beginning after we have purchased Shares tendered during the Offer, during which stockholders may tender, but not withdraw, their Shares and receive the Offer Price. The Offeror does not currently intend to include a subsequent offering period, although the Offeror reserves the right to do so.

If the Offeror makes a material change in the terms of the Offer or the information concerning the Offer or if the Offeror waives a material condition of the Offer, the Offeror will disseminate additional tender offer materials and extend the Offer if and to the extent required by Rules 14d-4(d)(1), 14d-6(c) and 14e-1 under the Exchange Act. The minimum period during which an offer must remain open following material changes in the terms of the Offer or information concerning the Offer, other than a change in price or a change in percentage of securities sought, will depend upon the facts and circumstances, including the relative materiality of the terms or information changes. In the SEC's view, an offer should remain open for a minimum of five business days from the date the material change is first published, sent or given to stockholders, and with respect to a change in price or a change in percentage of securities sought, a minimum 10 business day period generally is required to allow for adequate dissemination to stockholders and investor response. Accordingly, if, prior to the Expiration Date, the Offeror decreases the number of Shares being sought or increases the consideration offered pursuant to the Offer, and if the Offer is scheduled to expire at any time earlier than the tenth business day from the date that notice of such increase or decrease is first published, sent or given to stockholders, the Offer will be extended at least until the expiration of such tenth business day.

If, on or before the Expiration Date, the Offeror increases the consideration being paid for Shares accepted for payment in the Offer, such increased consideration will be paid to all stockholders whose Shares are purchased in the Offer, whether or not such Shares were tendered before the announcement of the increase in consideration.

Any extension, waiver or amendment of the Offer will be followed as promptly as practicable by public announcement thereof, such announcement in the case of an extension to be made no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date. Subject to applicable law (including Rules 14d-4(d), 14d-6(c) and 14e-1 under the Exchange Act, which require that material changes be promptly disseminated to stockholders in a manner reasonably designed to inform them of such changes) and without limiting the manner in which the Offeror may choose to make any public announcement, the Offeror shall have no obligation to publish, advertise or otherwise communicate any such public announcement other than by issuing a press release to a national news service. As used in this Offer to Purchase, business day means any day other than a Saturday, Sunday or a federal holiday, and shall consist of the time period from 12:01 a.m. through 12:00 midnight, New York City time.

A request is being made to the Company for the use of its stockholder list and security position listing for the purposes of disseminating the Offer to Purchase (and the related Letter of Transmittal and other relevant materials) to the holders of Shares. Upon compliance by the Company with such request, this Offer to Purchase, the related Letter of Transmittal and other relevant materials will be mailed to registered holders of Shares and will be furnished to brokers, dealers, commercial banks, trust companies and similar persons whose names, or the names of whose nominees, appear on the stockholder list or, if applicable, who are listed as participants in a clearing agency's security position listing, for subsequent transmittal to beneficial owners of Shares.

TABLE OF CONTENTS

2. PROCEDURE FOR ACCEPTING THE OFFER AND TENDERING SHARES.

VALID TENDERS. Except as set forth below, in order for Shares to be validly tendered pursuant to the Offer, the Letter of Transmittal (or a facsimile thereof), properly completed and duly executed, together with any required signature guarantees, or an Agent's Message (as hereinafter defined) in connection with a book-entry transfer of Shares, and any other documents required by the Letter of Transmittal, must be received by the Depository at one of its addresses set forth on the back cover of this Offer to Purchase on or prior to the Expiration Date, and either (i) certificates representing tendered Shares must be received by the Depository, or such Shares must be tendered pursuant to the procedure for book-entry transfer set forth below (and confirmation of receipt of such delivery must be received by the Depository), in each case on or prior to the Expiration Date, or (ii) the guaranteed delivery procedures set forth below must be complied with. No alternative, conditional or contingent tenders will be accepted.

SIGNATURE GUARANTEES. No signature guarantee is required on the Letter of Transmittal (i) if such Letter of Transmittal is signed by the registered holder of the Shares tendered therewith, unless such holder has completed either the box entitled "Special Delivery Instructions" or the box entitled "Special Payment Instructions" in the Letter of Transmittal, or (ii) if Shares are tendered for the account of a firm that is a member in good standing of the Security Transfer Agent's Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchange Medallion Program (each being hereinafter referred to as an Eligible Institution). In all other cases, all signatures on a Letter of Transmittal must be guaranteed by an Eligible Institution. See Instruction 1 of the Letter of Transmittal.

If a certificate representing Shares is registered in the name of a person other than the signatory of the Letter of Transmittal (or a facsimile thereof), or if payment is to be made, or Shares not accepted for payment or not tendered are to be registered in the name of a person other than the registered holder, the applicable certificate must be endorsed or accompanied by an appropriate stock power, in either case signed exactly as the name(s) of the registered holder(s) appears on the certificate, with the signature(s) on the certificate or stock power guaranteed by an Eligible Institution. If the Letter of Transmittal or stock powers are signed or any certificate is endorsed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, such persons should so indicate when signing and, unless waived by the Offeror, proper evidence satisfactory to the Offeror of their authority to so act must be submitted. See Instruction 5 of the Letter of Transmittal.

BOOK-ENTRY TRANSFER. The Depository will establish accounts with respect to the Shares at The Depository Trust Company (DTC) for purposes of the Offer within two (2) business days after the date of this Offer to Purchase, and any financial institution that is a participant in DTC's system may make book-entry delivery of the Shares by causing DTC to transfer such Shares into the Depository's account in accordance with DTC's procedure for such transfer. However, although delivery of Shares may be effected through book-entry transfer at DTC, a properly completed and duly executed Letter of Transmittal (or facsimile thereof), with any required signature guarantees, or an Agent's Message and any other required documents, must, in any case, be transmitted to and received by the Depository at one of its addresses set forth on the back cover of this Offer to Purchase prior to the Expiration Date, or the guaranteed delivery procedures described below must be complied with. The term "Agent's Message" means a message transmitted through electronic means by DTC to, and received by, the Depository and forming a part of a book-entry confirmation, which states that DTC has received an express acknowledgment from the participant in DTC tendering the Shares that such participant has received, and agrees to be bound by, the terms of the Letter of Transmittal.

DELIVERY OF DOCUMENTS TO DTC IN ACCORDANCE WITH DTC'S PROCEDURES DOES NOT CONSTITUTE DELIVERY TO THE DEPOSITARY.

GUARANTEED DELIVERY. If a stockholder desires to tender Shares pursuant to the Offer and such stockholder's certificates representing Shares are not immediately available (or the procedures for book-entry transfer cannot be completed on a timely basis) or time will not permit all required documents to reach the Depository prior to the

Expiration Date, such Shares may nevertheless be tendered, PROVIDED that all of the following conditions are satisfied:

- (a) such tender is made by or through an Eligible Institution;

12

TABLE OF CONTENTS

- (b) the Depository receives, prior to the Expiration Date, a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by the Offeror; and the certificates representing all tendered Shares, in proper form for transfer (or confirmation of a book-entry transfer of such Shares into the Depository's account at DTC), together with a properly completed and duly executed Letter of Transmittal (or facsimile thereof) with any required signature guarantees (or, in connection with
- (c) a book-entry transfer, an Agent's Message) and any other documents required by the Letter of Transmittal are received by the Depository within three trading days after the date of such Notice of Guaranteed Delivery. A trading day is any day on which the New York Stock Exchange is open for business.
- The Notice of Guaranteed Delivery may be delivered by hand, or may be transmitted by facsimile transmission or mail, to the Depository and must include a guarantee by an Eligible Institution in the form set forth in such Notice of Guaranteed Delivery.

THE METHOD OF DELIVERY OF ALL DOCUMENTS, INCLUDING CERTIFICATES FOR SHARES, IS AT THE OPTION AND RISK OF THE TENDERING STOCKHOLDER, AND THE DELIVERY WILL BE DEEMED MADE ONLY WHEN ACTUALLY RECEIVED BY THE DEPOSITARY. IF DELIVERY IS BY MAIL, REGISTERED MAIL WITH RETURN RECEIPT REQUESTED, PROPERLY INSURED, IS RECOMMENDED. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY.

DETERMINATION OF VALIDITY. All questions as to the form of documents and the validity, eligibility (including time of receipt) and acceptance for payment of any tendered Shares will be determined by the Offeror, in its sole discretion. The Offeror reserves the absolute right to reject any or all tenders of any Shares that it determines are not in appropriate form or the acceptance for payment of or payment for which may, in the opinion of the Offeror's counsel, be unlawful. The Offeror also reserves the absolute right to waive any defect or irregularity in any tender with respect to any particular Shares or any particular stockholder. No tender of Shares will be deemed to have been validly made until all defects or irregularities relating thereto have been expressly waived or cured to the satisfaction of the Offeror.

None of the Offeror, the Depository, the Information Agent or any other person will be under any duty to give notification of any defects or irregularities in tenders, nor shall any of them incur any liability for failure to give any such notification.

BACKUP WITHHOLDING. Under U.S. federal income tax laws, backup withholding will apply to any payments made pursuant to the Offer unless you provide the Depository with your correct taxpayer identification number and certify that you are not subject to such backup withholding by completing the Substitute Form W-9 included in the Letter of Transmittal. The backup withholding rate is 28% (which rate is currently scheduled to increase to 31% for taxable years beginning on or after January 1, 2013). If you are a non-resident alien or foreign entity not subject to backup withholding, you must give the Depository a completed applicable Form W-8 before receipt of any payment.

OTHER REQUIREMENTS. By executing the Letter of Transmittal as set forth above, a tendering stockholder irrevocably appoints designees of the Offeror as such stockholder's proxy, in the manner set forth in the Letter of Transmittal, with full power of substitution, to the full extent of such stockholder's rights with respect to the Shares tendered by such stockholder and accepted for payment by the Offeror (and all other Shares or other securities or rights issued or issuable in respect of such Shares on or after the date of this Offer to Purchase), effective if, when and to the extent that the Offeror accepts such Shares for payment pursuant to the Offer. Upon such acceptance for payment, all prior proxies given by such stockholder with respect to such Shares or other securities accepted for payment will, without further action, be revoked, and no subsequent proxies may be given by such stockholder nor any subsequent written consents executed (and, if given or executed, will not be deemed effective). Such designees of the Offeror will, with respect to such Shares and other securities or rights issuable in respect thereof, be empowered to exercise all voting and other rights of such stockholder as it, in its sole discretion, may deem proper in respect of any

annual, special or adjourned meeting of the Company's stockholders, action by written consent in lieu of any such meeting or otherwise.

TABLE OF CONTENTS

The Offeror's acceptance for payment of Shares tendered pursuant to any of the procedures described above will constitute a binding agreement between the tendering stockholder and the Offeror upon the terms and subject to the conditions of the Offer.

3. WITHDRAWAL RIGHTS.

Tenders of Shares made pursuant to the Offer may be withdrawn at any time prior to the Expiration Date and may be withdrawn at any time after the Expiration Date if the conditions to the Offer are not satisfied on the Expiration Date. If all conditions to the Offer have been satisfied on the Expiration Date, the Offeror will deposit with the Depository the proceeds required to consummate the Offer and will promptly accept for payment and pay for all properly tendered Shares that have not been withdrawn. For a withdrawal of Shares tendered to be effective, a written, telegraphic, telex or facsimile transmission notice of withdrawal must be timely received by the Depository at one of its addresses set forth on the back cover of this Offer to Purchase. Any notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name(s) in which the certificate(s) representing such Shares are registered, if different from that of the person who tendered such Shares. If certificates for Shares to be withdrawn have been delivered or otherwise identified to the Depository, the name of the registered holder and the serial numbers shown on the particular certificates evidencing such Shares to be withdrawn must also be furnished to the Depository prior to the physical release of the Shares to be withdrawn. The signature(s) on the notice of withdrawal must be guaranteed by an Eligible Institution (except in the case of Shares tendered by an Eligible Institution). If Shares have been tendered pursuant to the procedures for book-entry transfer set forth in Section 2, any notice of withdrawal must specify the name and number of the account at DTC to be credited with such withdrawn Shares and must otherwise comply with DTC's procedures.

Withdrawals of tenders of Shares may not be rescinded, and Shares properly withdrawn will thereafter be deemed not validly tendered for purposes of the Offer. However, withdrawn Shares may be retendered by again following the procedures described in Section 2 PROCEDURES FOR ACCEPTING THE OFFER AND TENDERING SHARES at any time prior to the Expiration Date.

All questions as to the form and validity (including time of receipt) of notices of withdrawal will be determined by the Offeror, in its sole discretion. None of the Offeror, the Depository, the Information Agent or any other person will be under any duty to give notification of any defects or irregularities in any notice of withdrawal, nor shall any of them incur any liability for failure to give any such notification.

4. ACCEPTANCE FOR PAYMENT AND PAYMENT FOR SHARES.

Upon the terms and subject to the conditions of the Offer (including, if the Offer is extended or amended, the terms and conditions of any extension or amendment), the Offeror will accept for payment and will pay for Shares validly tendered prior to the Expiration Date and not properly withdrawn, promptly after the Expiration Date. If all conditions to the Offer have been satisfied on the Expiration Date, the Offeror will deposit with the Depository the proceeds required to consummate the Offer. If any delay would be in contravention of Rule 14e-1(c) of the Exchange Act, the Offeror will extend the Offer. See Section 1 TERMS OF THE OFFER. The Offeror will not accept Shares for payment unless all conditions to the Offer have been satisfied or waived.

In all cases, payment for Shares accepted for payment pursuant to the Offer will be made only after timely receipt by the Depository of (i) certificates representing such Shares (or a timely confirmation of a book-entry transfer of such Shares into the Depository's account at DTC, as described in Section 2 PROCEDURES FOR ACCEPTING THE OFFER AND TENDERING SHARES), (ii) a properly completed and duly executed Letter of Transmittal (or facsimile thereof) with any required signature guarantees (or, in connection with a book-entry transfer, an Agent's Message), and (iii) any other documents required by the Letter of Transmittal.

For purposes of the Offer, the Offeror will be deemed to have accepted for payment, and thereby purchased, Shares tendered prior to the Expiration Date when, as and if the Offeror gives oral or written notice to the Depositary, as agent for the tendering stockholders, of the Offeror's acceptance for payment of such Shares. Payment for Shares so accepted for payment will be made by the deposit of the purchase price therefor with the Depositary, which will act as agent for the tendering stockholders for the purpose of

TABLE OF CONTENTS

receiving such payment from the Offeror and transmitting such payment to tendering stockholders. **Under no circumstances will interest be paid on the Offer Price.**

If, prior to the Expiration Date, the Offeror increases the consideration to be paid for Shares pursuant to the Offer, the Offeror will pay such increased consideration for all Shares accepted for payment or paid for pursuant to the Offer, whether or not such Shares have been tendered, accepted for payment or paid for prior to such increase in the consideration.

5. CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES.

This section contains a summary of certain United States federal income tax consequences to U.S. Holders (as defined below) of the sale of Shares pursuant to the Offer. This summary is based on (i) the Internal Revenue Code of 1986, as amended, which is referred to herein as the Code, (ii) regulations promulgated under the Code, (iii) administrative rulings by the Internal Revenue Service and (iv) court decisions now in effect. All of these authorities are subject to change, possibly with retroactive effect so as to result in tax consequences different from those described below. This summary does not address all of the U.S. federal income tax consequences of the sale of Shares pursuant to the Offer that may be applicable to a particular stockholder. In addition, this summary does not address the U.S. federal income tax consequences of the sale of Shares to stockholders who are subject to special treatment under U.S. federal income tax law, including, for example, banks and other financial institutions, insurance companies, tax-exempt investors, dealers in securities, holders who hold their Shares as part of a hedge, straddle or conversion transaction, holders who acquired Shares through the exercise of employee stock options or other compensatory arrangements, holders who are subject to the alternative minimum tax provisions of the Code, and holders who do not hold their Shares as capital assets within the meaning of Section 1221 of the Code. This summary does not address the tax consequences of the sale of Shares under state, local or foreign tax laws.

This summary is provided for general information purposes only and is not intended as a substitute for individual tax advice. Each stockholder should consult the stockholder's individual tax advisors about the particular tax consequences of the sale of Shares pursuant to the Offer to that stockholder, including the application and effect of any state, local, foreign or other tax laws and the possible effect of changes to such laws.

For purposes of this discussion, a U.S. holder is a beneficial owner of shares of Shares who is, for U.S. federal income tax purposes:

- an individual citizen or resident of the United States;
- a corporation, or other entity treated as a corporation for U.S. federal income tax purposes, that is created or organized under the laws of the United States or any political subdivision of the United States;
- an estate whose income is subject to U.S. federal income taxation regardless of its source; or
- a trust (1) if a U.S. court is able to exercise primary supervision over the trust's administration and one or more U.S. persons have the authority to control all the trust's substantial decisions or (2) that has made an election to be treated as a United States person.

If a partnership or other pass-through entity holds Shares, then the tax treatment of a partner or owner of the entity will generally depend on the status of the partner or owner and the activities of the partnership or pass-through entity. Accordingly, partnerships and other pass-through entities that hold Shares and partners or owners in such partnerships or pass-through entities are urged to consult their tax advisors about the particular tax consequences of the Offer to those stockholders.

EXCHANGE OF SHARES FOR CASH. A U.S. holder who receives cash pursuant to the Offer generally will recognize gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the amount

of cash received and the U.S. holder's adjusted tax basis in the Shares surrendered. Any such gain or loss generally will be capital gain or loss if the Shares are held as a capital asset at the effective time of the sale of Shares pursuant to the Offer. Any capital gain or loss will be taxed as long-term capital gain or loss if the U.S. holder has held the Shares for more than one year prior to the effective time of the sale of Shares. If the U.S. holder has held the Shares for one year or less prior to the effective time of the sale of Shares, any

15

capital gain or loss will be taxed as short-term capital gain or loss. Long-term capital gain for non-corporate taxpayers is taxed at a maximum federal tax rate of 15% (which rate is currently scheduled to increase to 20% for taxable years beginning on or after January 1, 2013). The deductibility of capital losses is subject to certain limitations.

A U.S. holder whose Shares are purchased in the Offer may be subject to backup withholding unless certain information is provided to the Depositary or an exemption applies.

Additional Tax Relating to Net Investment Income

For taxable years beginning after December 31, 2012, certain U.S. Holders that are individuals, estates or certain trusts will be required to pay an additional 3.8% tax on, among other things, interest and net gain from the disposition of property, such as the Shares. Prospective investors should consult their tax advisors with respect to the tax consequences of this additional tax.

10. BACKGROUND OF THE OFFER; PAST CONTACTS OR NEGOTIATIONS WITH THE COMPANY.

On June 30, 2011, High River, Icahn Partners, Icahn Master, Icahn Master II, Icahn Master III and certain of their affiliates, including Carl C. Icahn (collectively, the Icahn Parties) filed a Schedule 13D with the SEC disclosing an aggregate beneficial ownership of 8,665,260 Shares (including Shares underlying call options that were beneficially owned by the Icahn Parties at such time). The Icahn Parties stated that they had acquired the Shares in the belief that the Shares were undervalued. The Icahn Parties also disclosed that they intended to seek to have conversations with Oshkosh management to discuss enhancing shareholder value. Shortly thereafter representatives of the Icahn Parties

contacted representatives of Oshkosh.

On August 15, 2011, representatives of the Icahn Parties met in New York with representatives of Oshkosh, including Charles L. Szews, the President and Chief Executive Officer of the Company and David

TABLE OF CONTENTS

Sagehorn, the Chief Financial Officer of the Company. At that meeting, the parties discussed a range of issues including their respective views on the business and performance of the Company and the strategic direction of the Company. The parties also discussed various issues under Wisconsin law, including the 10% stockholder restrictions.

The parties continued to have telephone conversations to discuss these issues from time to time thereafter.

On August 31, 2011, the Icahn Parties amended their Schedule 13D to disclose that they had exercised all of their call options and that they beneficially owned 8,665,260 Shares.

On November 1, 2011, Carl Icahn contacted Mr. Szews to notify him that the Icahn Parties would be delivering a Notice of Nomination of Directors at the 2012 Annual Meeting of Stockholders of Oshkosh Corporation (the Nomination Notice). On November 4, 2011, representatives of the Icahn Parties delivered the Nomination Notice to the Company and amended their Schedule 13D to disclose that they had delivered the Nomination Notice.

The Nomination Notice provided that the Icahn Parties intended to appear at the Company's 2012 Annual Meeting of Stockholders or a special meeting of stockholders of the Company called for a similar person, in person or by proxy, to nominate and seek to elect A.B. Krongard, Vincent J. Intrieri, Samuel Merksamer, Jose Maria Alapont, Daniel A. Ninivaggi and Marc F. Gustafson, as members of the Board of Directors of the Company.

On December 6, 2011, the Icahn Parties amended their Schedule 13D to disclose that Mr. Icahn stated during a telephone interview on CNBC on December 6, 2011, in response to a question regarding the fact that he owns stock of both the Company and Navistar International Corporation, that the Icahn Parties believed there may be significant synergies between the Company and Navistar and that shareholders of both companies could benefit from these synergies and that the Icahn Parties would be supportive of a merger. The Icahn Parties also disclosed that they believed that synergy driven consolidation will be a primary method for defense contractors to drive earnings and cost savings in the years ahead.

On December 16, 2011, representatives of the Icahn Parties met in New York with representatives of Oshkosh, including Mr. Szews and Mr. Sagehorn. At that meeting, the parties discussed the possibility of board representation in exchange for withdrawing the director nominations. No proposals were made by any of the Icahn Parties at that meeting and no agreements were reached.

On January 6, 2012, the Icahn Parties amended their Schedule 13D to disclose that Mr. Icahn issued an open letter to the Oshkosh shareholders, and included a copy of the letter with the Schedule 13D amendment (such letter the January 6 Letter). In the January 6 Letter, Mr. Icahn indicated that Oshkosh was in need of change and that his nominees to the Oshkosh board have the necessary skills, experience and objectivity to help fix the problems at Oshkosh. Mr. Icahn also stated, among other things, the following:

After reviewing the details surrounding the MOVE strategy, I firmly believe that their strategy provides no substantive ideas to proactively enhance shareholder value. To put it differently, I believe that their strategy represents the same wait and see approach to a recovery which the board has been implementing for years. Shareholders deserve a real plan to deliver value TODAY centered on the following:

Immediately explore alternatives for JLG to reallocate capital to debt reduction, returning capital to shareholders and providing opportunities to pursue a more active acquisition strategy surrounding core businesses.

Capitalize on a weak economy by consolidating existing niche businesses and entering new synergistic product lines rather than waiting to see how the economy progresses.

Aggressively seek small acquisitions and joint venture opportunities in core product areas to develop a comprehensive international growth strategy.

Position the company to participate in coming defense industry consolidation as both a buyer and/or a seller.
Integrate and restructure existing operations to maintain profitability, and if the current management is not willing or capable of executing such a restructuring, finding a management team that will.

TABLE OF CONTENTS

On January 9, 2012, the Icahn Parties amended their Schedule 13D to disclose that Icahn Parties delivered a presentation regarding Oshkosh, and included a copy of the presentation with the Schedule 13D amendment. The presentation set forth the Icahn Parties views as to (i) the need for change at Oshkosh, (ii) the new direction Oshkosh should take to create shareholder value, which included the recommendations made by the Icahn Parties in the January 6 Letter, and (iii) the qualifications of their slate of director nominees.

On January 11, 2012, the Icahn Parties amended their Schedule 13D to disclose that Icahn Parties delivered another presentation regarding Oshkosh, and included a copy of the presentation with the Schedule 13D amendment. The presentation responded to a presentation by Oshkosh management that was publicly disclosed on January 9, 2012. In the Icahn Parties presentation, they expressed their belief that management was focusing on the wrong performance metrics in its presentation and that according to the most important performance metrics, the Company's performance was the lowest amongst its peers. The Icahn Parties also criticized the apparent lack of strategic direction by the Company and the lengthy time frames set forth by the Company for its restructuring activities and called into question the Company's ability to generate any meaningful cost savings on a go forward basis. The Icahn Parties then indicated that their nominees would provide much needed experience and key skills to the current board.

On January 18, 2012, the Icahn Parties amended their Schedule 13D to disclose that Institutional Shareholder Services Inc., an influential and leading proxy voting and corporate governance advisory firm, announced its support for three of the Icahn Parties nominees to the Oshkosh board and did not recommend any of the Oshkosh directors.

On January 31, 2012, Oshkosh filed an 8-K with the SEC announcing the results of the 2012 annual meeting. According to the 8-K, none of the nominees of the Icahn Parties were elected to the Oshkosh board.

On August 9, 2012, the Icahn Parties amended their Schedule 13D to disclose that on August 9, 2012, representatives of the Icahn Parties had discussions with Oshkosh management. During those discussions, the Icahn Parties expressed their belief that the value of the JLG segment of Oshkosh exceeded its total enterprise value and that given the prospects and profitability of Oshkosh's other segments, the value of JLG would not be recognized by shareholders in the foreseeable future. The Icahn Parties expressed their belief that JLG performance has improved enough for it to operate as a stand-alone business, and that the Company should immediately pursue a tax-free spinoff of the JLG business to shareholders. The Icahn Parties also indicated that they may continue to have discussions with representatives of the Company from time to time on these and other matters.

On September 14, 2012, Samuel Merksamer, a representative of the Icahn Parties, attended an Oshkosh analyst day event in Chicago, Illinois that was open to the public. After the Oshkosh management presentation, Mr. Merksamer met with Mr. Szews and Mr. Donnelly, the Chairman of the Oshkosh Board, to discuss the uncertain future of the defense segment, based on the projections Mr. Szews provided during the analyst presentation. Mr. Szews suggested that although the company has studied a possible sale or spin-off of the Defense business and the JLG business they had not made any effort to find buyers of either business.

On September 26, 2012, representatives of the Icahn Parties met in New York with representatives of Oshkosh, including Mr. Szews, Mr. Sagehorn and Mr. Donnelly. At that meeting, the parties discussed a range of issues including their respective views on the business and performance of the Company and the strategic direction of the Company. Mr. Icahn indicated that he was not satisfied with the performance of the current board or Mr. Szews or the strategic direction of the company and that he was considering various possible options regarding the Company but had not yet decided on any particular course of action. Mr. Icahn had a follow-up telephone conversation with Mr. Szews on October 5, 2012 concerning these same issues.

On October 11, 2012, Mr. Icahn issued a press release announcing that he intended to commence a tender offer for any and all Shares of the Company at \$32.50 per share. The press release provided:

New York, New York, October 11, 2012 Carl C. Icahn today announced his intention to initiate an any and all tender offer for the outstanding shares of common stock of Oshkosh Corporation at \$32.50 per share in cash. The tender offer price represents a premium of approximately 21% over the stock's closing price on October 10, 2012 (the trading day immediately prior to this announcement), which was \$26.85. Mr. Icahn also announced his intention to nominate a slate of directors for election to the Oshkosh board at the upcoming annual meeting.

The tender offer will not be subject to due diligence or financing or any minimum tender condition but will be subject to the election of Mr. Icahn's nominees to the Oshkosh board at the upcoming annual meeting so that Mr. Icahn's proposed nominees, if elected, can remove impediments to the offer under Wisconsin law.

The tender offer will have an initial expiration date of 45 days following commencement. We urge you to tender your shares promptly. If we receive at least 25% of the outstanding shares tendered prior to the initial expiration date, we believe this would indicate that we would have an excellent chance of prevailing in our proxy contest. Therefore, at that time, if we receive that level of support for our tender offer, we will extend the offer and seek proxies to elect our slate of nominees at the upcoming annual shareholders meeting.

If, at any time, we receive tenders of 40.1% of the shares (which when added to the shares already held by Icahn will equal 50.1%), we will demand that the current board, in accordance with its fiduciary duty to stockholders, accelerate the upcoming annual meeting to allow the prompt election of our slate of directors so that the tender offer can close quickly. In that regard we note that we are willing to engage in negotiations with Oshkosh immediately in order to obtain its support for the offer and facilitate closing on an expedited basis.

The tender offer will include withdrawal rights so that a tendering shareholder can freely withdraw any shares prior to the acceptance of such shares for payment under the tender offer. We urge shareholders to tender shares and send a strong message to Oshkosh management of the desire of shareholders to accept our offer and close promptly.

Mr. Icahn sought board representation at last year's annual meeting in an effort to correct what we consider to be long standing problems facing Oshkosh, problems that we believe have contributed to a value gap between the stock price and the value of the assets. After the proxy campaign last year, management of Oshkosh has made lofty promises reminiscent of a politician's campaign promises. However, it appears to us that instead of any true progress towards unlocking shareholder value, the company has only presented a combination of slogans and aggressive long term projections showing that profitability will increase over the next several years, assuming the economy in the U.S. totally recovers. In our opinion, management has repeatedly refused to take any strategic alternatives seriously, claiming only to quietly study options internally.

Mr. Icahn stated "It is clear to me that management has taken a passive attitude to the future of this company, willing to sit back and watch what happens to the defense, housing and construction industries, hoping for a positive outcome and reduced competition. They have suggested that shareholders should be willing to tie a defense contractor and a construction equipment company together, and wait another four years to see if the defense business will be viable on its own, or if it will become an anchor and drag down the entire company. I strongly believe that Oshkosh needs proactive shareholders to bring a proactive management team together to weather a volatile economy, a shrinking defense industry and a budget constrained municipal environment."

Mr. Icahn continued Oshkosh's underlying businesses underwent substantial revenue pressures starting as early as 2006. It took management five years to develop an operating plan to improve performance, and now they seem to expect shareholders to wait until 2015 to see results. We believe that mismanagement of this company has resulted in a lost decade of shareholder value. Apparently, management would like shareholders to ignore this decade long track record along with the potential fiscal cliff, revenue declines and over capacity in the defense industry, and a volatile economy in top growth markets like Brazil. Instead they are asking shareholders to focus on 2015 projections contingent on a global economic boom. We believe that management should be focusing on how best to drive value to shareholders immediately.

11. PURPOSE OF THE OFFER; PLANS FOR THE COMPANY.

PURPOSE OF THE OFFER. The purpose of the Offer is to acquire any and all Shares validly tendered and not properly withdrawn prior to the Expiration Date of the Offer and thereby provide immediate liquidity at a premium for those stockholders choosing to tender their Shares, while also providing the opportunity to realize any potential upside for those stockholders who, like us, believe that the Company could have favorable long term potential under the stewardship of a new board of the directors.

PLANS FOR THE COMPANY. The Offer is conditioned on, among other things, the Icahn Slate being elected to the Company's board of directors in its entirety in the Icahn Proxy Contest or otherwise being appointed as the entire board of directors of the Company. If the Icahn Slate is so elected or appointed to the Oshkosh board of directors, then the Offeror expects the New Board, in a manner consistent with its fiduciary duties, (i) to cause the WBCL Conditions to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer and (ii) to spin-off the Company's JLG business to the stockholders.

Except as described in this Offer to Purchase, the Offeror does not have any present plans or proposals that would relate to or result in (i) any extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries, (ii) a sale or transfer of a material amount of assets of the Company or any of its subsidiaries, (iii) any change in the Board or management, (iv) any material change in the Company's capitalization, indebtedness or dividend policy, (v) any other material change in the Company's corporate structure or

business, (vi) a class of securities of the Company being delisted from a national securities exchange or ceasing to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association or (vii) a class of equity securities of the Company becoming eligible for termination of registration pursuant to Section 12(g) of the Exchange Act.

TABLE OF CONTENTS

12. CERTAIN EFFECTS OF THE OFFER.

EFFECT ON THE INDEBTEDNESS OF THE COMPANY. If the Offeror and its affiliates become the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act), directly or indirectly, of 30% or more of the outstanding Shares, including as a result of the consummation of the Offer, or if the Icahn Slate constitutes a majority of the Oshkosh board and the current Oshkosh board does not approve their nomination or election, then the lenders under the Credit Agreement, dated as of September 27, 2010, as amended, by and among Oshkosh Corporation, the lenders party thereto and various other parties thereto (the Credit Agreement), will have the right to cause all unpaid amounts to be immediately due and payable. Because the Offeror and its affiliates currently beneficially own 9.45% of Oshkosh's issued and outstanding Shares, if the Offeror and/or its affiliates acquire an additional 20.55% or more of the Shares (including pursuant to the Offer) or if the condition to the Offer relating to the election or appointment of the Icahn Slate is satisfied and the current board does not approve their nomination or election, a change of control will occur under the Credit Agreement and the lenders will have the right to cause all unpaid amounts to be immediately due and payable. Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, \$455 million was outstanding under the Credit Agreement, there were outstanding letters of credit of \$39.1 million under the credit facility and no amounts were borrowed under the revolving credit facility.

If the Offeror and its affiliates (or any group within the meaning of Sections 13(d) and 14(d) of the Exchange Act) become the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act), directly or indirectly, of 50% or more of the Shares, including as a result of the consummation of the Offer, or if the Icahn Slate constitutes a majority of the Oshkosh board and the current Oshkosh board does not approve their nomination or election, then Oshkosh would be required to make an offer to each holder to repurchase all outstanding senior notes of Oshkosh at a price equal to 101% of the principal amount of notes repurchased. Because the Offeror and its affiliates currently beneficially own 9.45% of Oshkosh's issued and outstanding Shares, if the Offeror and/or its affiliates acquire an additional 40.55% or more of the Shares (including pursuant to the Offer) or if the condition to the Offer relating to the election or appointment of the Icahn Slate is satisfied and the current board does not approve their nomination or election, a change of control will occur under the indenture governing the senior notes and then Oshkosh would be required to make an offer to each holder to repurchase all outstanding senior notes of Oshkosh at a price equal to 101% of the principal amount of notes repurchased. Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, \$500 million in aggregate principal amount of Oshkosh senior notes was outstanding.

In addition, if Oshkosh fails to pay the outstanding indebtedness under its Credit Agreement when due, including as a result of an acceleration of the maturity dates as described above or if Oshkosh Corporation fails to make the change of control offer as required under Oshkosh's indenture governing the senior notes, there could occur an event of default under the Credit Agreement and/or the indentures governing Oshkosh's outstanding senior notes which will enable the lenders under the Credit Agreement and/or the holders of the senior notes or the trustee to declare any such debt immediately due and payable. In the aggregate, Oshkosh reported in its Form 10-Q filed with the SEC on July 26, 2012, that as of June 30, 2012, it had approximately \$955 million of outstanding indebtedness.

The foregoing description of the Company's existing indebtedness is qualified in its entirety by reference to the definitive documents governing that indebtedness, copies of which have been filed by the Company with the SEC.

EFFECT ON THE MARKET FOR THE SHARES. The purchase of Shares pursuant to the Offer will reduce the number of holders of Shares and the number of Shares that might otherwise trade publicly. Consequently, depending upon the number of Shares purchased and the number of remaining holders of Shares, the purchase of Shares pursuant to the Offer may adversely affect the liquidity and market value of the remaining Shares held by the public. The Offeror cannot predict whether the reduction in the number of Shares that might otherwise trade publicly would have an adverse or beneficial effect on the market price for, or marketability of, the Shares or whether it would cause future market prices to be greater or less than the Offer Price.

TABLE OF CONTENTS

STOCK QUOTATIONS. The Shares are currently listed and traded on the NYSE, which constitutes the principal trading market for the Shares. Depending upon the aggregate market value and the number of Shares not purchased pursuant to the Offer, the Shares may no longer meet the standards for continued listing on the NYSE. According to its published guidelines, the NYSE would give consideration to delisting the Shares if, among other things, the number of publicly held Shares falls below 600,000, the number of holders of Shares falls below 400 or the Company's average total global market capitalization over a consecutive 30 trading day period is less than \$25 million. Shares held by officers or directors of the Company or their immediate families, or by any beneficial owner of 10% or more of the Shares, ordinarily will not be considered as being publicly held for this purpose. According to the Company's Form 10-Q, filed with the SEC on July 26, 2012, as of July 20, 2012, 91,648,564 shares of Common Stock were outstanding. If, as a result of the purchase of Shares pursuant to the Offer or otherwise, the Shares no longer meet the requirements of the NYSE for continued listing and the listing of the Shares is discontinued, the market for the Shares could be adversely affected.

If the NYSE were to delist the Shares, it is possible that the Shares would continue to trade on another securities exchange or in the over-the-counter market and that price or other quotations would be reported by such exchange or other sources. The extent of the public market for such Shares and the availability of such quotations would depend, however, upon such factors as the number of stockholders and/or the aggregate market value of the publicly traded Shares remaining at such time, the interest in maintaining a market in the Shares on the part of securities firms, the possible termination of registration under the Exchange Act as described below, and other factors. The Offeror cannot predict whether the reduction in the number of Shares that might otherwise trade publicly would have an adverse or beneficial effect on the market price or marketability of the Shares or whether it would cause future market prices to be greater or less than the price of the Offer Price.

EXCHANGE ACT REGISTRATION. The Shares are currently registered under the Exchange Act. Such registration may be terminated upon application of the Company to the SEC if such Shares are not listed on a national securities exchange and there are fewer than 300 holders of record of the Shares. The termination of the registration of the Shares under the Exchange Act would substantially reduce the information required to be furnished by the Company to its stockholders and to the SEC, and would make certain of the provisions of the Exchange Act, such as the short-swing profit recovery provisions of Section 16(b) and the requirement of furnishing a proxy statement in connection with stockholders meetings and the related requirement of an annual report to stockholders, and the requirements of Rule 13e-3 with respect to going private transactions, no longer applicable with respect to the Shares or to the Company. Furthermore, if registration of the Shares under the Exchange Act were terminated, the ability of affiliates of the Company and persons holding restricted securities of the Company to dispose of such securities pursuant to Rule 144 promulgated under the Securities Act of 1933, as amended, may be impaired or, with respect to certain persons, eliminated. If the Shares were no longer registered under the Exchange Act, the Shares would no longer be eligible for NYSE listing.

MARGIN SECURITIES. The Shares are currently margin securities under the regulations of the Board of Governors of the Federal Reserve System (the Federal Reserve Board), which has the effect, among other things, of allowing brokers to extend credit on such Shares as collateral. Depending on factors similar to those described above regarding listing and market quotations, it is possible the Shares would no longer constitute margin securities for purposes of the Federal Reserve Board's margin regulations and therefore could no longer be used as collateral for loans made by brokers. If registration of the Shares under the Exchange Act were terminated, the Shares would no longer be margin securities.

13.

DIVIDENDS AND DISTRIBUTIONS.

If, on or after the date of this Offer to Purchase, the Company should (i) split, combine or otherwise change the Shares or its capitalization, (ii) acquire or otherwise cause a reduction in the number of outstanding Shares or (iii) issue or sell

any additional Shares, shares of any other class or series of capital stock, other voting securities or any securities convertible into, or options, rights or warrants, conditional or otherwise, to acquire, any of the foregoing, then, without prejudice to the Offeror's rights under Section 14, the Offeror, in its sole discretion, may make such adjustments to the Offer Price and other terms of the Offer as it deems appropriate to reflect such split, combination or other change.

TABLE OF CONTENTS

If, on or after the date of this Offer to Purchase, the Company should declare or pay any dividend on the Shares or make any other distribution (including the issuance of additional shares of capital stock pursuant to a stock dividend or stock split, the issuance of other securities or the issuance of rights for the purchase of any securities) with respect to the Shares that is payable or distributable to stockholders of record on a date prior to the transfer to the name of the Offeror or its nominee or transferee on the Company's stock transfer records of the Shares purchased pursuant to the Offer, then, without prejudice to the Offeror's rights under Section 14, (i) the purchase price per Share payable by the Offeror pursuant to the Offer will be reduced to the extent any such dividend in excess of the usual cash dividend or distribution is payable in cash and (ii) any non-cash dividend, distribution or right shall be received and held by the tendering stockholder for the account of the Offeror and will be required to be promptly remitted and transferred by each tendering stockholder to the Depository for the account of the Offeror, accompanied by appropriate documentation of transfer. Pending such remittance and subject to applicable law, the Offeror will be entitled to all the rights and privileges as owner of any such non-cash dividend, distribution or right and may withhold the entire purchase price or deduct from the purchase price the amount or value thereof, as determined by the Offeror, in its sole discretion.

14.

CONDITIONS OF THE OFFER.

Notwithstanding any other provisions of the Offer, it shall be a condition of the Offer that:

The Icahn Slate shall be elected to the Company's board of directors in its entirety in the Icahn Proxy Contest or (1) shall otherwise be appointed as the entire board of directors (the New Board) of the Company (the Board Condition);

The Company's board of directors or the New Board shall have approved the purchase of the Shares by the Offeror in the Offer so that the provisions of Section 180.1141 of the Wisconsin Business Corporation Law (the WBCL) (2) would not, at or following consummation of the Offer, prohibit, restrict or apply to any Business Combination, as defined in Section 180.1140 of the WBCL, involving the Company and the Offeror or any affiliate or associate of the Offeror (the WBCL 1141 Condition); and

The Company's board of directors or the New Board shall have specified as contemplated in Section 180.1150(2) of the WBCL that the provisions of Section 180.1150 of the WBCL do not limit or affect the voting power of any of (3) the Shares held by the Offeror or any of its affiliates or associates at or following the consummation of the Offer (the WBCL 1150 Condition and together with the WBCL 1141 Condition, the WBCL Conditions).

Notwithstanding any other provision of the Offer, and in addition to (and not in limitation of) the Offeror's rights to extend and amend the Offer, the Offeror shall not be required to accept for payment or pay for any Shares tendered pursuant to the Offer, and may terminate or amend the Offer and may postpone the acceptance for payment of and payment for, Shares tendered, if (i) any one or more of the Board Condition, WBCL 1141 Condition or the WBCL 1150 Condition is not satisfied, or waived by the Offeror prior to the expiration of the Offer, or (ii) if at any time prior to the expiration of the Offer, any of the following conditions shall occur:

- (a) a preliminary or permanent injunction or other order of any federal or state court, government or governmental authority or agency shall have been issued and shall remain in effect which: (i) makes illegal, delays or otherwise directly or indirectly restrains or prohibits the making of the Offer or the acceptance for payment, purchase of or payment for any Shares by the Offeror; (ii) imposes or confirms limitations on the ability of the Offeror effectively to exercise full rights of ownership of any Shares, including, without limitation, the right to vote any Shares acquired by the Offeror pursuant to the Offer or otherwise on all matters properly presented to the Company's stockholders; (iii) imposes or confirms limitations on the ability of the Offeror to fully exercise the voting rights conferred pursuant to its appointment as proxy in respect of all tendered Shares which it accepts for payment; or (iv) requires divestiture by the Offeror of any Shares;

(c) there shall have been any statute, rule, regulation or order proposed, enacted, enforced, promulgated, issued or deemed applicable to the Company by any federal or state court, government or governmental authority or agency, which would have a material adverse effect upon the Company or the value of the Shares resulting from a change of control in the Company;

(g) there shall have occurred since the date of the Offer to Purchase, any change in the compensation paid or payable by the Company or its subsidiary entities to their directors, officers or employees, including the granting of additional shares, stock options or bonuses, in each case outside the ordinary course of business or not consistent with past practice, or the adoption of additional severance or other payments payable in the event of a termination of employment or change of control;

(h) any change or development shall have occurred or been threatened since the date of the Offer to Purchase in the business, properties, assets, liabilities, financial condition, operations, results of operations, or prospects for the business of the Company or its subsidiary entities which is outside the ordinary course of the Company's or its subsidiary entities' business or may be materially adverse to the Company or its subsidiary entities, or the Offeror shall have become aware of any fact that has not been previously publicly disclosed by the Company that could reasonably be expected to have a material adverse effect on the value of the Shares;

(i) the Company or its subsidiary entities shall have: (i) issued, or authorized or proposed the issuance of, any securities of any class, or any securities convertible into, or rights, warrants or options to acquire, any such securities or other convertible securities other than pursuant to the exercise or conversion of currently outstanding stock options or convertible securities; (ii) issued, or authorized or proposed the issuance of, any notes debentures or other debt securities or entered into, or authorized or proposed to enter into, any credit facility or any amendment to its existing credit facilities, or otherwise incurred, or authorized or proposed the incurrence of, any material indebtedness if such incurrence is outside the ordinary course of the Company's operations; or (iii) issued or authorized or proposed the issuance of any other securities, in respect of, in lieu of, or in substitution for, all or any of the presently outstanding Shares;

the Company, or its board of directors or any of the Company's subsidiary entities or any governing body thereof shall have entered into or effected, or authorized, proposed or announced its intention to propose: (i) any change to its articles of incorporation or bylaws; (ii) any merger, consolidation or business combination or reorganization transaction; (iii) any acquisition or disposition of assets outside of the ordinary course of business; (iv) any material change in its capitalization; or (v) any event comparable to any of the foregoing events referred to in clauses (i) through (iv) of this paragraph (j) that is outside of the ordinary course of business;

The Company shall have adopted any plan or arrangement of the sort commonly referred to as a stockholder rights (k) plan or shareholders rights plan or poison pill or any other similar plan, instrument or device that is designed to prevent or make, or has the effect of preventing or making, more difficult an unsolicited takeover of the Company; a tender offer or exchange offer for some or all of the Shares shall have been made or publicly announced or (l) proposed to be made, supplemented or amended by any person other than the Offeror; or all waiting periods and any extensions thereof applicable to the Offer under the Hart-Scott-Rodino Antitrust (m) Improvements Act of 1976, as amended, and the rules and regulations thereunder, shall not have expired or terminated.

The foregoing conditions are for the sole benefit of the Offeror and may be asserted by the Offeror regardless of the circumstances giving rise to any such condition, and may be waived by the Offeror, in whole or in part, at any time and from time to time, prior to the Expiration Date, in the sole discretion of the Offeror and subject to the applicable rules and regulations of the SEC (including Rule 14d-4 under the Exchange Act). The failure by the Offeror at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time. Should the Offer be terminated pursuant to the foregoing provisions, all tendered Shares not theretofore accepted for payment pursuant thereto shall forthwith be returned to the tendering stockholders.

15.

CERTAIN LEGAL MATTERS.

GENERAL. Except as described in this Offer, based on a review of publicly available filings by the Company with the SEC and other publicly available information concerning the Company, the Offeror is not aware of any license or regulatory permit that appears to be material to the business of the Company and that might be adversely affected by the Offeror's acquisition of Shares pursuant to the Offer, or of any approval or other action by any governmental, administrative or regulatory agency or authority, domestic or foreign, that would be required for the acquisition or ownership of Shares by the Offeror pursuant to the Offer. Should any such approval or other action be required, it is presently contemplated that such approval or action would be sought, except as described below under *State Takeover Laws*. See Section 14 *CONDITIONS OF THE OFFER*.

STATE TAKEOVER LAWS. A number of states have adopted laws which purport, to varying degrees, to apply to attempts to acquire corporations that are incorporated in, or which have substantial assets, stockholders, principal executive offices or principal places of business or whose business operations otherwise have substantial economic effects in, such states. The Company, directly or through subsidiaries, conducts business in a number of states throughout the United States, some of which have enacted such laws. Except as described herein, the Offeror does not know whether any of these laws will, by their terms, apply to the Offer or any merger or other business combination between the Offeror or any of the Offeror's subsidiaries or affiliates and the Company, and the Offeror has not complied with any such laws. If any government official or third party seeks to apply any state takeover law to the Offer or any merger or other business combination between the Offeror or any of the Offeror's subsidiaries or affiliates and the Company, the Offeror may take any action as then appears desirable, which action may include challenging the applicability or validity of such statute in appropriate court proceedings. If it is asserted that one or more state takeover statutes is applicable to the Offer or any such merger or other business combination and an appropriate court does not determine that it is inapplicable or invalid as applied to the Offer or any such merger or other business combination, the Offeror might be required to file certain information with, or to receive approvals from, the

relevant state authorities or holders of Shares, and the Offeror may be unable to accept for payment or pay for Shares tendered pursuant to the Offer, or be delayed in continuing or consummating the Offer or any such merger or other business combination. In such case, the Offeror may not be obligated to accept for payment or pay for any tendered Shares. See Section 14 CONDITIONS OF THE OFFER .

The Company is incorporated under the laws of the State of Wisconsin. Section 180.1150 of the Wisconsin Business Corporation Law provides that, except as may be otherwise specified by the corporation's board of directors, the voting power of shares of Wisconsin corporations, including Oshkosh Corporation, held by any person or persons acting as a group in excess of 20% of the voting power of the corporation is limited to 10% of the full voting power of those shares. This restriction does not apply to shares acquired directly from the corporation or in specified transactions or shares for which full voting power has been restored pursuant to a vote of shareholders. Sections 180.1140 through 180.1144 of the Wisconsin Business Corporation Law contain limitations and special voting provisions applicable to specified business combinations involving Wisconsin corporations, including Oshkosh Corporation, and a significant shareholder, unless the board of directors of the corporation approves the business combination or the shareholder's acquisition of shares before the shares are acquired. Similarly, Sections 180.1130 through 180.1133 of the Wisconsin Business Corporation Law contain special voting provisions applicable to specified business combinations unless minimum price and procedural requirements are met. Following the commencement of a takeover offer, Section 180.1134 of the Wisconsin Business Corporation Law imposes special voting requirements on specified share repurchases effected at a premium to the market and on specified asset sales by the corporation unless, as it relates to the potential sale of assets, the corporation has at least three independent directors and a majority of the independent directors vote not to have the provision apply to the corporation. The Offer is conditioned upon, among other things, the Company's board of directors or a new board of directors comprised of the Icahn Slate (i) having approved the purchase of the Shares by the Offeror in the Offer so that the provisions of Section 180.1141 of the Wisconsin Business Corporation Law would not, at or following consummation of the Offer, prohibit, restrict or apply to any Business Combination, as defined in Section 180.1140 of the Wisconsin Business Corporation Law, involving the Company and the Offeror or any affiliate or associate of the Offeror and (ii) having specified as contemplated in Section 180.1150(2) of the WBCL that the provisions of 180.1150 of the Wisconsin Business Corporation Law do not limit or affect the voting power of any of the Shares held by the Offeror or any of its affiliates or associates at or following the consummation of the Offer. See Section 14 CONDITIONS OF THE OFFER .

ANTITRUST. Under the HSR Act and the rules that have been promulgated thereunder by the Federal Trade Commission (the FTC), certain acquisition transactions may not be consummated unless certain information has been furnished to the Antitrust Division of the Department of Justice (the Antitrust Division) and the FTC and certain waiting period requirements have been satisfied. The purchase of Shares pursuant to the Offer is subject to such requirements. See Section 14 CONDITIONS OF THE OFFER .

Pursuant to the requirements of the HSR Act, the Offeror intends to file a Notification and Report Form with respect to the Offer with the Antitrust Division and the FTC. The waiting period applicable to the purchase of Shares pursuant to the Offer will be fifteen (15) days after such filing. However, prior to such time, the Antitrust Division or the FTC may extend the waiting period by requesting additional information or documentary material relevant to the Offer from the Offeror. If such a request is made, the waiting period will be extended until 11:59 p.m., New York City time, on the tenth day after substantial compliance by the Offeror with such request. Thereafter, such waiting period can be extended only by court order.

Shares will not be accepted for payment or paid for pursuant to the Offer until the expiration or early termination of the waiting period applicable to the consummation of the Offer under the HSR Act. See Section 14 CONDITIONS OF THE OFFER . Any extension of the waiting period will not give rise to any withdrawal rights not otherwise provided for by applicable law. See Section 3 WITHDRAWAL RIGHTS . If the Offeror's acquisition of Shares is

delayed pursuant to a request by the Antitrust Division or the FTC for additional information or documentary material pursuant to the HSR Act, the Offer may be extended in certain circumstances. See Section 1 TERMS OF THE OFFER .

The Antitrust Division and the FTC scrutinize the legality under the antitrust laws of transactions such as the acquisition of Shares by the Offeror pursuant to the Offer. At any time before or after the consummation

TABLE OF CONTENTS

of any such transactions, the Antitrust Division or the FTC could take such action under the antitrust laws of the United States as it deems necessary or desirable in the public interest, including seeking to enjoin the purchase of Shares pursuant to the Offer or seeking divestiture of the Shares so acquired or divestiture of substantial assets of the Company. Private parties (including individual States) may also bring legal actions under the antitrust laws of the United States. The Offeror does not believe that the consummation of the Offer will result in a violation of any applicable antitrust laws. However, there can be no assurance that a challenge to the Offer on antitrust grounds will not be made, or if such a challenge is made, what the result will be. See Section 14 CONDITIONS OF THE OFFER , including conditions with respect to certain governmental actions.

The Information Agent and the Depository each will receive reasonable and customary compensation for their respective services in connection with the Offer, will be reimbursed for reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses in connection therewith, including certain liabilities under federal securities laws.

The Offeror will not pay any fees or commissions to any broker or dealer or to any other person (other than to the Depository and the Information Agent) in connection with the solicitation of tenders of Shares pursuant to the Offer.

Brokers, dealers, commercial banks and trust companies will, upon request, be reimbursed by the Offeror for customary mailing and handling expenses incurred by them in forwarding offering materials to their customers.

17. MISCELLANEOUS.

The Offer is being made to all holders of Shares. The Offeror is not aware of any jurisdiction where the making of the Offer is prohibited by administrative or judicial action pursuant to any valid state statute. If the Offeror becomes aware of any valid state statute prohibiting the making of the Offer or the acceptance of Shares pursuant thereto, the Offeror will make a good faith effort to comply with any such state statute or seek to have such statute declared inapplicable to the Offer. If, after such good faith effort, the Offeror cannot comply with any such state statute, the Offer will not be made to (nor will tenders be accepted from or on behalf of) the holders of Shares in such state. In any jurisdiction where the securities, blue sky or other laws require the Offer to be made by a licensed broker or dealer, the Offer will be deemed to be made on behalf of Offeror by one or more registered brokers or dealers licensed under the laws of such jurisdiction.

NO PERSON HAS BEEN AUTHORIZED TO GIVE ANY INFORMATION OR MAKE ANY REPRESENTATION ON BEHALF OF THE OFFEROR NOT CONTAINED IN THIS OFFER TO PURCHASE OR IN THE RELATED LETTER OF TRANSMITTAL AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED.

Ladies and Gentlemen:

The undersigned hereby tenders to IEP Vehicles Sub LLC, a Delaware limited liability company (the “Offeror”) and a wholly-owned subsidiary of Icahn Enterprises Holdings L.P., who is a co-bidder, the above-described shares (the “Shares”) of common stock, par value \$.01 per share, of the Oshkosh Corporation, pursuant to the Offeror’s offer to purchase any and all of the outstanding Shares at a price of \$32.50 per Share, net to the tendering stockholder in cash, without interest, less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated October 17, 2012 (the “Offer to Purchase”), receipt of which is hereby acknowledged, and in this Letter of Transmittal (which, including any amendments or supplements thereto, collectively constitute the “Offer”). Subject to, and effective upon, acceptance for payment of and payment for the Shares tendered herewith in accordance with the terms and subject to the conditions of the Offer, the undersigned hereby sells, assigns, and transfers to, or upon the order of, the Offeror all right, title and interest in, to and under all of the Shares that are being tendered hereby (and any and all other Shares or other securities or rights issued or issuable in respect thereof on or after October 17, 2012) and irrevocably appoints the Depositary (or any other entity designated by the Offeror) the true and lawful agent and attorney-in-fact of the undersigned with respect to such Shares (and any such other Shares or securities or rights), with full power of substitution (such power of attorney being deemed to be an irrevocable power coupled with an interest), to (a) deliver certificates representing such Shares (and any such other Shares or securities or rights), or transfer ownership of such Shares (and any such other Shares or securities or rights) on the account books maintained by DTC, together in either such case with all accompanying evidences of transfer and authenticity, to or upon the order of the Offeror upon receipt by the Depositary, as the undersigned’s agent, of the purchase price (adjusted, if appropriate, as provided in the Offer to Purchase), (b) present such Shares (and any such other Shares or securities or rights) for registration and transfer on the books of the Company, and (c) receive all benefits and otherwise exercise all rights of beneficial ownership of such Shares (and any such other Shares or securities or rights), all in accordance with the terms of the Offer.

The undersigned hereby irrevocably appoints the Offeror and any designee of the Offeror as the attorneys-in-fact and proxies of the undersigned, each with full power of substitution and resubstitution, to vote in such manner as each such attorney-in-fact and proxy or his substitute shall, in his sole discretion, deem proper, and otherwise act (including pursuant to written consent) with respect to all the Shares tendered hereby which have been accepted for payment by the Offeror prior to the time of such vote or action (and any and all other Shares or securities or rights issued or issuable in respect thereof on or after October 17, 2012), which the undersigned is entitled to vote at any meeting of stockholders (whether annual or special and whether or not an adjourned meeting) of the Company, or by consent in lieu of any such meeting, or otherwise. This proxy and power of attorney is coupled with an interest in the Shares tendered hereby, is irrevocable, is granted in consideration of, and is effective upon, the acceptance for payment of such Shares (and any such other Shares or securities or rights) by the Offeror in accordance with the terms of the Offer. Such acceptance for payment shall revoke all prior proxies granted by the undersigned at any time with respect to such Shares (and any such other Shares or securities or rights) and no subsequent proxies will be given (and if given will be deemed to be ineffective) with respect thereto by the undersigned.

The undersigned hereby represents and warrants that the undersigned has full power and authority to tender, sell, assign and transfer the Shares tendered hereby (and any and all other Shares or securities or rights issued or issuable in respect thereof on or after October 17, 2012), and that, when the same are accepted for payment by the Offeror, the Offeror will acquire good and unencumbered title thereto, free and clear of all liens, restrictions, voting agreements or other limitations on voting, charges and encumbrances, of any kind or character, and the same will not be subject to any adverse claim. The undersigned, upon request, will execute and deliver any additional documents deemed by the Depository or the Offeror to be necessary or desirable to complete the sale, assignment and transfer of the Shares tendered hereby (and any such other Shares or securities or rights).

No authority herein conferred or agreed to be conferred in this Letter of Transmittal shall be affected by, and all such authority shall survive, the death or incapacity of the undersigned, and any obligation of the undersigned hereunder shall be binding upon the successors, assigns, heirs, executors, administrators and legal representatives of the undersigned. Except as stated in the Offer to Purchase, this tender is irrevocable.

The undersigned understands that tenders of Shares pursuant to any one of the procedures described in Section 2 of the Offer to Purchase and in the instructions hereto will constitute a binding agreement between the undersigned and the Offeror upon the terms and subject to the conditions of the Offer. The undersigned recognizes that, under certain circumstances set forth in the Offer to Purchase, the Offeror may not be required to accept for payment any of the Shares tendered hereby.

Unless otherwise indicated herein under "Special Payment Instructions," please issue the check for the purchase price (less the amount of any federal income and backup withholding tax required to be withheld) and/or return any certificates representing Shares not tendered or accepted for payment in the name(s) of the registered holder(s) appearing under "Description of Shares Tendered." Similarly, unless otherwise indicated under "Special Delivery Instructions," please mail the check for the purchase price (less the amount of any federal income and backup withholding tax required to be withheld) and/or return any certificates representing Shares not tendered or accepted for payment (and accompanying documents, as appropriate) to the registered holder(s) appearing under "Description of Shares Tendered" at the address shown below such registered holder(s) name(s). In the event that either or both the Special Delivery Instructions and the Special Payment Instructions are completed, please issue the check for the purchase price and/or return any certificates representing Shares not tendered or accepted for payment in the name(s) of, and deliver such check and/or return such certificates to, the person or persons so indicated. Stockholders tendering Shares by book-entry transfer may request that any Shares not accepted for payment be returned by crediting such stockholder's account maintained at DTC. The undersigned recognizes that the Offeror has no obligation pursuant to the "Special Payment Instructions" to transfer any Shares from the name of the registered holder(s) thereof if the Offeror does not accept for payment any of the Shares so tendered hereby.

INSTRUCTIONS

Forming Part of the Terms and Conditions of the Offer

1. **Guarantee of Signatures.** No signature guarantee on this Letter of Transmittal is required (i) if this Letter of Transmittal is signed by the registered holder(s) of the Shares (which term, for purposes of this document, shall include any participant in DTC whose name appears on a security position listing as the owner of Shares) tendered herewith, unless such holder has completed either the box entitled “Special Delivery Instructions” or the box entitled “Special Payment Instructions” on this Letter of Transmittal, or (ii) if such Shares are tendered for the account of a firm that is a member in good standing of the Security Transfer Agent’s Medallion Program, the New York Stock Exchange Medallion Signature Program or the Stock Exchange Medallion Program (each being hereinafter referred to as an “Eligible Institution”). In all other cases, all signatures on this Letter of Transmittal must be guaranteed by an Eligible Institution. See Instruction 5.

2. **Delivery of Letter of Transmittal and Certificates.** This Letter of Transmittal is to be completed by stockholders either if certificates representing Shares are to be forwarded herewith to the Depository or, unless an Agent’s Message (as defined below) is utilized, if tenders of Shares are to be made pursuant to the procedures for delivery by book-entry transfer set forth in Section 2 of the Offer to Purchase. Certificates representing all physically tendered Shares, or any book-entry confirmation of Shares, as the case may be, together with a properly completed and duly executed Letter of Transmittal (or facsimile thereof), with any required signature guarantees, (or, in connection with a book-entry transfer, an Agent’s Message) and any other documents required by this Letter of Transmittal must be received by the Depository at one of its addresses set forth herein on or prior to the Expiration Date (as defined in the Introduction section of the Offer to Purchase). If a stockholder’s certificate(s) representing Shares are not immediately available (or the procedure for the book-entry transfer cannot be completed on a timely basis) or time will not permit all required documents to reach the Depository on or prior to the Expiration Date, such stockholder’s Shares may nevertheless be tendered if the procedures for guaranteed delivery set forth in Section 2 of the Offer to Purchase are followed. Pursuant to such procedure, (i) such tender must be made by or through an Eligible Institution, (ii) a properly completed and duly executed Notice of Guaranteed Delivery, substantially in the form provided by the Offeror, must be received by the Depository on or prior to the Expiration Date, and (iii) the certificates representing all tendered Shares, in proper form for transfer, or Book-Entry Confirmation of Shares, as the case may be, in each case together with a properly completed and duly executed Letter of Transmittal (or facsimile thereof), with any required signature guarantees (or, in connection with a book-entry transfer, an Agent’s Message) and any other documents required by this Letter of Transmittal, must be received by the Depository within three New York Stock Exchange trading days after the date of execution of such Notice of Guaranteed Delivery, all as provided in Section 2 of the Offer to Purchase. The term “Agent’s Message” means a message transmitted through electronic means by DTC to, and received by, the Depository and forming a part of a Book-Entry Confirmation, which states that DTC has received an express acknowledgment from the DTC participant tendering the Shares that such participant has received, and agrees to be bound by, this Letter of Transmittal.

THE METHOD OF DELIVERY OF THIS LETTER OF TRANSMITTAL, THE CERTIFICATE(S) REPRESENTING SHARES AND ALL OTHER REQUIRED DOCUMENTS, INCLUDING DELIVERY THROUGH DTC, IS AT THE OPTION AND SOLE RISK OF THE TENDERING STOCKHOLDER. THE

DELIVERY WILL BE DEEMED MADE ONLY WHEN ACTUALLY RECEIVED BY THE DEPOSITARY. IF SUCH DELIVERY IS BY MAIL, REGISTERED MAIL WITH RETURN RECEIPT REQUESTED, PROPERLY INSURED, IS RECOMMENDED. IN ALL CASES, SUFFICIENT TIME SHOULD BE ALLOWED TO ENSURE TIMELY DELIVERY.

No alternative, conditional or contingent tenders will be accepted, and no fractional Shares will be purchased. All tendering stockholders, by execution of this Letter of Transmittal (or facsimile thereof), waive any right to receive any notice of the acceptance of their Shares for payment.

3. **Inadequate Space.** If the space provided herein is inadequate, the certificate numbers and/or the number of Shares should be listed on a separate signed schedule attached hereto.

4. Partial Tenders (Not Applicable to Stockholders Who Tender Shares by Book-entry Transfer). If fewer than all the Shares represented by any certificate submitted are to be tendered, fill in the number of Shares that are to be tendered in the box entitled "Number of Shares Tendered." In such case, new certificate(s) representing the remainder of the Shares that were represented by the old certificate(s) will be sent to the registered holder(s), unless otherwise provided in the appropriate box on this Letter of Transmittal, as soon as practicable after the Expiration Date. All Shares represented by certificate(s) delivered to the Depository will be deemed to have been tendered unless otherwise indicated.

5. Signatures on Letter of Transmittal, Stock Powers and Endorsements. If this Letter of Transmittal is signed by the registered holder(s) of the Shares tendered hereby, the signature(s) must correspond exactly with the name(s) as written on the face(s) of the certificate(s) without alteration, enlargement or any change whatsoever. If any of the Shares tendered hereby are owned of record by two or more joint owners, all such owners must sign this Letter of Transmittal. If any tendered Shares are registered in different names on several certificates, it will be necessary to complete, sign and submit as many separate Letters of Transmittal as there are different registrations of certificates.

If this Letter of Transmittal is signed by the registered holder(s) of the Shares listed and tendered hereby, no endorsements of certificates or separate stock powers are required, unless payment or certificates for Shares not tendered or accepted for payment are to be issued to a person other than the registered holder(s). Signatures on such certificates or stock powers must be guaranteed by an Eligible Institution.

If this Letter of Transmittal or any certificates or stock powers are signed by a trustee, executor, administrator, guardian, attorney-in-fact, officer of a corporation or other person acting in a fiduciary or representative capacity, such person should so indicate when signing, and proper evidence satisfactory to the Offeror of such person's authority so to act must be submitted.

If this Letter of Transmittal is signed by a person other than the registered holder(s) of the Shares tendered hereby, the certificates must be endorsed or accompanied by appropriate stock powers, in either case signed exactly as the name(s) of the registered holder(s) appear on the certificates. Signatures on such certificates or stock powers must be guaranteed by an Eligible Institution, unless the signature is that of an Eligible Institution.

6. Stock Transfer Taxes. Except as set forth in this Instruction 6, the Offeror will pay or cause to be paid any stock transfer taxes with respect to the transfer and sale of purchased Shares to it or its order pursuant to the Offer. If, however, payment of the purchase price is to be made to, or if certificates representing Shares not tendered or accepted for payment are to be registered in the name of, any person other than the registered holder(s), or if tendered certificates are registered in the name of any person other than the person(s) signing this Letter of Transmittal, the amount of any stock transfer taxes (whether imposed on the registered holder(s) or such other person) payable on account of the transfer to such person will be deducted from the purchase price, unless satisfactory evidence of the payment of such taxes or exemption therefrom is submitted.

7. Special Payment and Delivery Instructions. If a check and/or certificates representing Shares not tendered or accepted for payment are to be issued in the name of a person other than the signer of this Letter of Transmittal or if a check is to be sent and/or such certificates are to be returned to someone other than the signer of this Letter of Transmittal or to an address other than that shown above, the appropriate boxes on this Letter of Transmittal should be completed. Stockholders tendering Shares by book-entry transfer may request that Shares not accepted for payment be credited to such account maintained at DTC as such stockholder may designate herein. If no such instructions are given, such Shares not accepted for payment will be returned by crediting the account at DTC designated above.

8. Lost, Destroyed or Stolen Certificates. If any certificate(s) representing Shares has been lost, destroyed or stolen, the stockholder should promptly contact the Information Agent. The stockholder will then be instructed as to the steps that must be taken in order to replace the certificate(s). This Letter of Transmittal and related documents cannot be processed until the procedures for replacing lost, destroyed or stolen certificates have been followed.

9. Waiver of Conditions. The Offeror may waive any or all of the conditions to its obligation to purchase Shares pursuant to the Offer.

10. Substitute Form W-9. The tendering stockholder is required to provide the Depository with a correct Taxpayer Identification Number (“TIN”), generally the stockholder’s social security or federal employer identification number, on the Substitute Form W-9 which is provided below, and to certify whether the stockholder is subject to backup withholding of United States federal income tax. If a tendering stockholder is subject to federal backup withholding, the stockholder must cross out item (2) of the “Certification” box of the Substitute Form W-9. Failure to provide the information on the Substitute Form W-9 may subject the tendering stockholder to federal income tax withholding on the payment of the purchase price of all Shares purchased from such stockholder. If the tendering stockholder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future, the stockholder should write “Applied For” in the space provided for the TIN in Part I, check the box in Part III, and sign and date the Substitute Form W-9. If “Applied For” is written in Part I and the Depository is not provided with a TIN within 60 days of its receipt of the Substitute Form W-9, the Depository will withhold a portion of all payments of the purchase price to such stockholder until a TIN is provided to the Depository.

11. Non-United States Holders. Non-United States holders must submit a completed applicable Internal Revenue Service Form W-8 to avoid backup withholding. Such IRS Forms W-8 may be obtained by contacting the Depository at one of the addresses on the face of this Letter of Transmittal.

12. Requests for Assistance or Additional Copies. Requests for assistance may be directed to the Information Agent at the address set forth below. Additional copies of the Offer to Purchase, this Letter of Transmittal, the Notice of Guaranteed Delivery and the Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 may be obtained from the Information Agent at its address set forth below or from your broker, dealer, commercial bank, trust company or other nominee.

IMPORTANT: THIS LETTER OF TRANSMITTAL (OR A FACSIMILE THEREOF), TOGETHER WITH CERTIFICATES REPRESENTING SHARES OR CONFIRMATION OF BOOK-ENTRY TRANSFER AND ALL OTHER REQUIRED DOCUMENTS, OR THE NOTICE OF GUARANTEED DELIVERY, MUST BE RECEIVED BY THE DEPOSITARY ON OR PRIOR TO THE EXPIRATION DATE.

IMPORTANT TAX INFORMATION

Under United States federal income tax law, a stockholder whose tendered Shares are accepted for payment is required to provide the Depositary (as payer) with such stockholder's correct social security number, individual taxpayer identification number, or employer identification number (each a Taxpayer Identification Number or a "TIN") on Substitute Form W-9 provided below. If such stockholder is an individual, the TIN is such person's social security number. The TIN of a resident alien who does not have and is not eligible to obtain a social security number is such person's IRS individual taxpayer identification number. If a tendering stockholder is subject to federal backup withholding, the stockholder must cross out item (2) of the Certification box on the Substitute Form W-9. If the Depositary is not provided with the correct TIN, the stockholder may be subject to a \$50 penalty imposed by the IRS. In addition, payments that are made to such stockholder with respect to Shares purchased pursuant to the Offer may be subject to federal backup withholding.

Certain stockholders (including, among others, all corporations and certain non-United States individuals) are not subject to federal backup withholding. In order for a non-United States individual to qualify as an exempt recipient, that stockholder must submit to the Depositary a properly completed IRS applicable Form W-8, signed under penalties of perjury, attesting to that individual's exempt status. Such forms may be obtained from the Depositary. Exempt stockholders, other than non-United States individuals, should furnish their TIN, write "EXEMPT" on the face of the Substitute Form W-9 below, and sign, date and return the Substitute Form W-9 to the Depositary. See the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for additional instructions.

If federal backup withholding applies, the Depositary is required to withhold on any payments made to the stockholder. The backup withholding rate is 28% (which rate is currently scheduled to increase to 31% for taxable years beginning on or after January 1, 2013). Federal backup withholding is not an additional tax. Rather, the tax liability of persons subject to backup withholding will be reduced by the amount of tax withheld. If withholding results in an overpayment of taxes, a refund may be obtained from the IRS.

Purpose of Substitute Form W-9

To prevent federal backup withholding on payments that are made to a stockholder with respect to Shares purchased pursuant to the Offer, the stockholder is required to notify the Depositary of such stockholder's correct TIN by

completing the Substitute Form W-9 below certifying that the TIN provided on such form is correct (or that such stockholder is awaiting a TIN) and that (i) such holder is exempt from federal backup withholding, (ii) such holder has not been notified by the IRS that such holder is subject to federal backup withholding as a result of a failure to report all interest or dividends, or (iii) the IRS has notified such holder that such holder is no longer subject to federal backup withholding (see Part 2 of Substitute Form W-9).

What Number to Give the Depository

The stockholder is required to give the Depository the TIN of the record owner of the Shares. If the Shares are in more than one name or are not in the name of the actual owner, consult the enclosed Guidelines for Certification of Taxpayer Identification Number on Substitute Form W-9 for additional guidelines on which number to report. If the tendering stockholder has not been issued a TIN and has applied for a number or intends to apply for a number in the near future, such stockholder should write "Applied For" in the space provided for in the TIN in Part I, check the box in Part III, and sign and date the Substitute Form W-9. If "Applied For" is written in Part I and the Depository is not provided with a TIN within 60 days, the Depository may be required to withhold on payments of the purchase price until a TIN is provided to the Depository. The backup withholding rate is 28% (which rate is currently scheduled to increase to 31% for taxable years beginning on or after January 1, 2013).

Payers must be given the numbers whether or not recipients are required to file tax returns. Payers must generally withhold 28% (which rate is currently scheduled to increase to 31% for taxable years beginning on or after January 1, 2013) of taxable interest, dividend, and certain other payments to a payee who does not furnish a taxpayer identification number to a payer.

Certain penalties may also apply.

Penalties

(1) **Penalty for Failure to Furnish Taxpayer Identification Number.** — If you fail to furnish your taxpayer identification number to a payer, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

(2) **Civil Penalty for False Information with Respect to Withholding.** — If you make a false statement with no reasonable basis which results in no imposition of backup withholding, you are subject to a penalty of \$500.

(3) **Criminal Penalty for Falsifying Information.** — Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

(4) **Misuse of Taxpayer Identification Numbers.** — If the payer discloses or uses taxpayer identification numbers in violation of Federal law, the payer may be subject to civil and criminal penalties.

The Offer is being made by IEP Vehicles Sub LLC, a Delaware limited liability company (the “Offeror”), and a wholly-owned subsidiary of Icahn Enterprises Holdings L.P., a Delaware limited partnership, who is a co-bidder, to purchase any and all of the issued and outstanding shares (the “Shares”) of common stock, par value \$0.01 per share, of Oshkosh Corporation (the “Company”), for \$32.50 per share in cash, without interest, less any applicable withholding taxes (the “Offer Price”), upon the terms and subject to the conditions set forth in the Offer to Purchase, dated October 17, 2012 (as it may be amended or supplemented from time to time, the “Offer to Purchase”) and in the related letter of transmittal (which, together with any amendments or supplements hereto or thereto, collectively constitute the “Offer”). The Offeror will pay all charges and expenses of D.F. King & Co., Inc., as Information Agent (the “Information Agent”), and The Colbent Corporation, as Depository (the “Depository”), incurred in connection with the Offer. The Offeror will not pay any fees or commissions to any broker or dealer or any other person (other than the Depository and the Information Agent) in connection with the solicitation of tenders of Shares pursuant to the Offer.

On October 11, 2012, affiliates of the Offeror also announced their intention to nominate a slate of directors (the “Icahn Slate”) for the Company’s board of directors at the upcoming annual meeting of the Company’s stockholders.

The Offer is not conditioned upon the Offeror obtaining any financing; any due diligence review of the Company; or any minimum number of Shares being tendered. The Offer is subject to the following conditions: (i) the Icahn Slate shall be elected to the Company’s board of directors in its entirety in the proxy fight that affiliates of the Offeror intend to conduct at the Company’s upcoming annual stockholder meeting (the “Icahn Proxy Contest”) or shall otherwise be appointed as the entire board of directors of the Company (the “New Board”); (ii) the Company’s board of directors or the New Board shall have approved the purchase of the Shares by the Offeror in the Offer so that the provisions of Section 180.1141 of the Wisconsin Business Corporation Law would not, at or following consummation of the Offer, prohibit, restrict or apply to any business combination, as defined in Section 180.1140 of the Wisconsin Business Corporation Law, involving the Company and the Offeror or any affiliate or associate of the Offeror; and (iii) the Company’s board of directors or the New Board shall have specified as contemplated in Section 180.1150(2) of the Wisconsin Business Corporation Law that the provisions of Section 180.1150 of the Wisconsin Business Corporation Law do not limit or affect the voting power of any of the Shares held by the Offeror or any of its affiliates or associates at or following the consummation of the Offer. The Offer is also subject to other customary conditions. See Section 14 of the Offer to Purchase.

If the Icahn Slate is so elected or appointed to the Oshkosh board of directors, then the Offeror expects the New Board, in a manner consistent with its fiduciary duties, (i) to cause the Wisconsin law conditions described above to be satisfied so that payment can be made promptly to tendering stockholders, in accordance with the terms of the Offer and (ii) to spin-off the Company's JLG business to the stockholders.

The conditions to the Offer must be satisfied on or prior to the Expiration Date. However, if on the Expiration Date, at least 25% of the outstanding Shares are validly tendered in the Offer and not properly withdrawn, then the Offeror intends to extend the Expiration Date and so long as at least 25% of the outstanding Shares remain so tendered in the Offer, the Offeror intends to continue to extend the Offer until the Company holds its upcoming annual meeting of stockholders, at which time the results of the Icahn Proxy Contest will be obtained.

Upon the terms and subject to the conditions of the Offer (including, if the Offer is extended or amended, the terms and conditions of any such extension or amendment), the Offeror will accept for payment and pay for any and all Shares which are validly tendered and not properly withdrawn on or prior to the Expiration Date, promptly after the Expiration Date. In order for Shares to be validly tendered pursuant to the Offer, the Letter of Transmittal (or a facsimile thereof), properly completed and duly executed, together with any required signature guarantees, or an Agent's Message (as defined in the Offer to Purchase) in connection with a book-entry transfer of Shares, and any other documents required by the Letter of Transmittal, must be received by the Depository at one of its addresses set forth on the back cover of the Offer to Purchase on or prior to the Expiration Date, and either (i) certificates representing tendered Shares must be received by the Depository, or such Shares must be tendered pursuant to the procedure for book-entry transfer set forth below (and confirmation of receipt of such delivery must be received by the Depository), in each case on or prior to the Expiration Date, or (ii) the guaranteed delivery procedures set forth in the Offer to Purchase must be complied with. No alternative, conditional or contingent tenders will be accepted.

For purposes of the Offer, the Offeror will be deemed to have accepted for payment, and thereby purchased, Shares validly tendered and not properly withdrawn prior to the Expiration Date when, as and if the Offeror gives oral or written notice to the Depository, as agent for the tendering stockholders, of the Offeror's acceptance for payment of such Shares. Payment for Shares so accepted for payment will be made by the deposit of the purchase price therefor with the Depository, which will act as agent for the tendering stockholders for the purpose of receiving such payment from the Offeror and transmitting such payment to tendering stockholders. Rule 14e-1(c) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") requires the Offeror to promptly pay the consideration offered or return the securities deposited by or on behalf of stockholders promptly after the termination or withdrawal of the Offer. The Offeror does not intend to provide a subsequent offering period under Rule 14d-11 of the Exchange Act but reserves the right to do so. UNDER NO CIRCUMSTANCES WILL INTEREST BE PAID ON THE OFFER PRICE.

The Offeror expressly reserves the right, in its sole discretion, at any time and from time to time: (i) to extend the period of time during which the Offer is open which may delay acceptance for payment of, and the payment for, any Shares; (ii) to waive any of the conditions to the Offer; or (iii) to amend the Offer, including by increasing the consideration offered, by giving oral or written notice of such extension, waiver or amendment to the Depository and

making a public announcement thereof. In addition, the Offeror may extend the Offer for any period required by any rule, regulation, interpretation or position of the Securities and Exchange Commission (the “SEC”) or its staff or as required by applicable law.

The rights reserved by the Offeror in the preceding paragraphs are in addition to Offeror’s rights pursuant to Section 14 of the Offer to Purchase. Any extension, waiver or amendment of the Offer will be followed as promptly as practicable by public announcement thereof, such announcement in the case of an extension to be issued no later than 9:00 a.m., New York City time, on the next business day after the previously scheduled Expiration Date, in accordance with the public announcement requirements of Rule 14e-1(d) under the Exchange Act.

If the Offeror makes a material change in the terms of the Offer or the information concerning the Offer or if the Offeror waives a material condition of the Offer, the Offeror will disseminate additional tender offer materials and extend the Offer if and to the extent required by Rules 14d-4(d)(1), 14d-6(c) and 14e-1 under the Exchange Act. The minimum period during which an offer must remain open following material changes in the terms of the Offer or information concerning the Offer, other than a change in price or a change in percentage of securities sought, will depend upon the facts and circumstances, including the relative materiality of the terms or information changes. In the SEC’s view, an offer should remain open for a minimum of five business days from the date the material change is first published, sent or given to stockholders, and with respect to a change in price or a change in percentage of securities sought, a minimum 10 business day period generally is required to allow for adequate dissemination to stockholders and investor response. Accordingly, if, prior to the Expiration Date, the Offeror decreases the number of Shares being sought or increases the consideration offered pursuant to the Offer, and if the Offer is scheduled to expire at any time earlier than the tenth business day from the date that notice of such increase or decrease is first published, sent or given to stockholders, the Offer will be extended at least until the expiration of such tenth business day. For purposes of the Offer, a “business day” means any day other than a Saturday, Sunday or a federal holiday and consists of the time period from 12:01 a.m. through 12:00 midnight, New York City time.

Tenders of Shares made pursuant to the Offer may be withdrawn at any time prior to the Expiration Date and may be withdrawn at any time after the Expiration Date if the conditions to the Offer are not satisfied on the Expiration Date. If all conditions to the Offer have been satisfied on the Expiration Date, the Offeror will deposit with the Depository the proceeds required to consummate the Offer and will promptly accept for payment and pay for all properly tendered Shares that have not been withdrawn. The Offeror will not accept Shares for payment unless all conditions to the Offer have been satisfied or waived. Section 14(d)(5) of the Exchange Act requires that Shares tendered pursuant to the Offer may be withdrawn at any time after sixty days following October 17, 2012, the date of the Offer to Purchase.

For a withdrawal of Shares tendered to be effective, a written, telegraphic, telex or facsimile transmission notice of withdrawal must be timely received by the Depository at one of its addresses set forth on the back cover of the Offer to Purchase. Any notice of withdrawal must specify the name of the person who tendered the Shares to be withdrawn, the number of Shares to be withdrawn and the name(s) in which the certificate(s) representing such Shares are registered, if different from that of the person who tendered such Shares. If certificates for Shares to be withdrawn have been delivered or otherwise identified to the Depository, the name of the registered holder and the serial numbers shown on the particular certificates evidencing such Shares to be withdrawn must also be furnished to the Depository prior to the physical release of the Shares to be withdrawn. The signature(s) on the notice of withdrawal must be guaranteed by an Eligible Institution (as defined in the Offer to Purchase) (except in the case of Shares tendered by an Eligible Institution). If Shares have been tendered pursuant to the procedures for book-entry transfer set forth in Section 2 of the Offer to Purchase, any notice of withdrawal must specify the name and number of the account at The Depository Trust Company ("DTC") to be credited with such withdrawn Shares and must otherwise comply with DTC's procedures.

The receipt by a holder of Shares of cash in exchange for its Shares pursuant to the Offer will be a taxable transaction for United States federal income tax purposes. In general, a holder of Shares will recognize gain or loss equal to the difference between (i) the amount of cash received pursuant to the Offer and (ii) its adjusted tax basis in the Shares exchanged therefor. For a more detailed description of certain United States federal income tax consequences of the Offer, see the Offer to Purchase. **Each holder of Shares should consult its tax advisor about the particular tax consequences to such holder of exchanging Shares in the Offer.**
