## Narrative Disclosure to Summary Compensation Table

### *Employment Arrangements with Our Named Executive Officers*

**Mark Pruzanski, M.D.** On May 14, 2013, we entered into an amended and restated employment agreement with Dr. Pruzanski, our President and Chief Executive Officer. His employment agreement provides for an initial term of one year with automatic renewal each year thereafter unless terminated by either us or Dr. Pruzanski. Dr. Pruzanski's base salary, effective as of April 1, 2013, was set at \$500,000 per year, subject to annual review and increase (but not decrease), as determined by our board of directors or the compensation committee. During 2012 and prior to April 1, 2013, Dr. Pruzanski's base salary was \$377,000. Effective April 1, 2014, Dr. Pruzanski's base salary was \$550,000.

Dr. Pruzanski's employment agreement also provides that he is eligible to receive an annual bonus payment of up to 50% of his annual base salary, based on achievement of certain performance milestones identified by our board of directors in consultation with Dr. Pruzanski. For fiscal 2012, Dr. Pruzanski's bonus target was 45% of base salary. For fiscal 2014, Dr. Pruzanski's bonus target is 70% of base salary. For fiscal 2013 and 2012, Dr. Pruzanski's target-based bonus reflected the achievement of 150% and 125%, respectively, of our corporate goals. Dr. Pruzanski also received a special bonus in addition to the target-based bonus for both 2013 and 2012.

Dr. Pruzanski is also eligible to participate in our group benefits programs, including but not limited to medical, disability and life insurance, vacation and retirement plans, and a 401(k) plan sponsored by us. We have agreed to pay 100% of the health insurance premiums of Dr. Pruzanski and his spouse and other dependents and an annual life insurance premium of \$10,000. During 2012, although we paid the premium for Dr. Pruzanski's participation in our group life insurance policy, which is available generally to all employees, we did not purchase or pay premiums for any individual life insurance policy for Dr. Pruzanski. We are also required to purchase short-term and long-term disability policies insuring at least 60% of Dr. Pruzanski's base salary.

If Dr. Pruzanski terminates his employment with us or we terminate his employment for any reason, in addition to payment of accrued compensation and benefits, Dr. Pruzanski will be entitled to an amount equal to his target bonus for the prior year, if unpaid, and the prorated portion of his target bonus for the year in which his termination occurs.

In the event we do not renew Dr. Pruzanski's employment at the end of the employment term, Dr. Pruzanski is terminated by us without cause, as defined in the employment agreement, or he resigns with good reason, as defined in the employment agreement, Dr. Pruzanski will be entitled to receive (i) 12 months of his base salary payable according to our company's payroll, (ii) a lump sum payment equal to the mean bonus earned by him during the prior three years (such payment shall be in lieu of the prorated bonus payment for the year in which the termination occurs described above) and (iii) continuation of participation in our group health and/or dental plan and the payment of his premiums for 12 months from the date of termination (or the cost of COBRA coverage for such period) for Dr. Pruzanski, his spouse and any dependents covered under our group health and/or dental plan prior to termination.

In the event that Dr. Pruzanski does not renew his employment at the end of the employment term, is terminated for cause, is terminated due to death or disability, or he terminates his employment without good reason, Dr. Pruzanski will not be entitled to any severance benefits except as otherwise described below or mutually agreed upon in writing. If Dr. Pruzanski is terminated due to disability, he is entitled to (i) 12 months of base salary payable according to our company's payroll, so long as he is not eligible to participate in a company-sponsored short-term and long-term disability plans that provide for benefits of at least 60% of base salary, and (ii) continued participation in our group health and/or dental plan and the payment of his premiums for 12 months following the date of termination (or the cost of COBRA coverage for such period) for Dr. Pruzanski, his spouse and any dependents covered under our group health and/or dental plan prior to termination.

If we do not renew Dr. Pruzanski's employment at the end of the employment term, Dr. Pruzanski is terminated by us without cause, he resigns with good reason or Dr. Pruzanski is terminated due to his death or disability, all of Dr. Pruzanski's stock options and equity awards granted after the date of his employment agreement will vest immediately and his stock options will be exercisable for three years from the effective date of termination. In the event that Dr. Pruzanski does not renew his employment at the end of the employment term, Dr. Pruzanski is terminated for cause or he terminates his employment without good reason, all of his unvested equity awards and stock options will immediately be forfeited and all of his vested stock options will be exercisable for three years from the effective date of termination. The above provisions in Dr. Pruzanski's employment agreement relating to the vesting of equity awards are in addition to the vesting provisions contained in our equity incentive plans.

In the event of the termination of Dr. Pruzanski's employment in anticipation of, and/or within three months before or 12 months following, a change in control, as defined in the employment agreement, (i) by us because we do not renew Dr. Pruzanski's employment at the end of the employment term, (ii) by us for any reason other than for cause or (iii) by Dr. Pruzanski for good reason, Dr. Pruzanski will be entitled to receive (a) an amount equal to 24 months' of his then-current monthly base salary payable as a single lump sum, (b) a lump sum payment equal to two times the mean bonus earned during the prior three years (such payment shall be in lieu of the prorated bonus payment for the year in which the termination occurs described above) and (c) continuation of participation in our group health and/or dental plan and the payment of his premiums for up to 24 (but not less than 18) months from the date of termination (or the cost of COBRA coverage for such period) for Dr. Pruzanski, his spouse and any dependents covered under our group health and/or dental plan prior to termination.

Receipt of the severance benefits described above is conditioned upon Dr. Pruzanski entering into a release of claims with us and the release becoming effective and irrevocable within 60 days after termination. Dr. Pruzanski has acknowledged and agreed that the timing of payments may be modified by us to comply with Section 409A of the Internal Revenue Code of 1986, as amended, or the Code.

To the extent that we are required to implement a clawback policy for the incentive compensation paid to Dr. Pruzanski based on erroneous data contained in an accounting statement pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Dr. Pruzanski's employment agreement contemplates that the terms of such policy will be incorporated into his employment agreement, provided that such policy applies to the other executive officers of our company.

Under Dr. Pruzanski's employment agreement, "cause" for termination shall be deemed to exist upon (a) a good faith finding by a majority of the members of the board (excluding Dr. Pruzanski) that (i) Dr. Pruzanski has engaged in material dishonesty, willful misconduct or gross negligence, or (ii) Dr. Pruzanski has materially breached the employment agreement, and has failed to cure such conduct or breach within 30 days after his receipt of written notice from us, or (b) Dr. Pruzanski's conviction or entry of nolo contendere to any crime involving moral turpitude, fraud or embezzlement, or any felony. Under Dr. Pruzanski's employment agreement, "good reason" is defined as a material change in duties, position, responsibilities or reporting requirements, relocation of Dr. Pruzanski's place of employment by more than 50 miles from his principal residence or place of employment prior to such change or our material breach of the employment agreement.

**David Shapiro, M.D.** On May 14, 2013, we entered into an amended and restated employment agreement with Dr. Shapiro, our Chief Medical Officer and Executive Vice President, Development. This employment agreement provides for an initial term of one year with automatic renewal each year thereafter unless terminated by either us or Dr. Shapiro. Dr. Shapiro's base salary, effective as of April 1, 2013, was set at \$380,000 per year, subject to annual review and increase (but not decrease), as determined by our board of directors or the compensation committee. During 2012 and prior to April 1, 2013, Dr. Shapiro's base salary was \$375,000. Effective April 1, 2014, Dr. Shapiro's base salary was \$420,000.

Dr. Shapiro is also eligible to receive an annual bonus payment of up to 35% of his annual base salary, based on achievement of certain performance milestones identified by our board of directors in consultation with Dr. Shapiro and our chief executive officer. For fiscal 2012, Dr. Shapiro's bonus target was 25% of base salary. For fiscal 2014, Dr. Shapiro's bonus target is 40% of base salary. For fiscal 2013 and 2012, Dr. Shapiro's target-based bonus reflected the achievement of 150% and 131%, respectively, of corporate and individual goals. Dr. Shapiro also received a special bonus in addition to the target-based bonus for both 2013 and 2012.

Dr. Shapiro is also eligible to participate in our group benefits programs, including but not limited to medical, disability and life insurance, vacation and retirement plans, and a 401(k) plan sponsored by us. We have agreed to provide Dr. Shapiro with a monthly car allowance of \$1,000 and to pay 100% of the health insurance premiums of Dr. Shapiro and his spouse and children, if his spouse and dependents are not already covered by the health insurance plan of his spouse's employer.

In the event we do not renew Dr. Shapiro's employment at the end of the employment term, Dr. Shapiro is terminated by us without cause, as defined in the employment agreement, or he resigns with good reason, as defined in the employment agreement, Dr. Shapiro will be entitled to receive (i) 12 months of his base salary paid in a single lump sum and (ii) continuation of participation in our group health and/or dental plan and the payment of his premiums for 12 months (or the cost of COBRA coverage for such period) for Dr. Shapiro and his dependents covered under our group health and/or dental plan prior to termination. In the event that Dr. Shapiro does not renew his employment at the end of the employment term, is terminated for cause, is terminated due to death or disability, or he terminates his employment without good reason, Dr. Shapiro will not be entitled to severance payments unless mutually agreed upon in writing.

If we do not renew Dr. Shapiro's employment at the end of the employment term, Dr. Shapiro is terminated by us without cause or he resigns with good reason, all of Dr. Shapiro's equity awards and stock options that would have vested within one year of the termination date will vest immediately and all vested stock options will be exercisable for one year from the effective date of termination. In the event that Dr. Shapiro is terminated for cause or he terminates his employment without good reason, all unvested equity awards and stock options granted will immediately be forfeited.

In the event of the termination of Dr. Shapiro's employment in anticipation of, and/or within 12 months following, a change in control (i) by us because we do not renew Dr. Shapiro's employment at the end of the employment term, (ii) by us for any reason other than for cause or (iii) by Dr. Shapiro for good reason, Dr. Shapiro will be entitled to receive (a) an amount equal to 12 months of his then-current monthly base salary payable as a single lump sum and (b) continuation of participation in our group health and/or dental plan and the payment of his premiums for 12 months (or the cost of COBRA coverage for such period) for Dr. Shapiro, his spouse and any dependents covered under our group health and/or dental plan prior to termination. In such instances of termination, all of Dr. Shapiro's unvested equity awards and stock options will immediately become fully vested and all of his vested stock options will be exercisable for a period of one year following the effective date of termination. This provision in Dr. Shapiro's employment agreement relating to the vesting of equity awards upon a change of control is in addition to the provisions contained in our equity incentive plans governing the vesting of equity awards upon a change of control.

Receipt of the severance benefits described above is conditioned upon Dr. Shapiro entering into a release of claims with us and the release becoming effective and irrevocable within 60 days after termination. Dr. Shapiro has acknowledged and agreed that the timing of payments may be modified by us to comply with Section 409A of the Code.

To the extent that we are required to implement a clawback policy for the incentive compensation paid to Dr. Shapiro based on erroneous data contained in an accounting statement pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Dr. Shapiro's employment agreement contemplates that the terms of such policy will be incorporated into his employment agreement, provided that such policy applies to the other executive officers of our company.

Under Dr. Shapiro's employment agreement, "cause" for termination shall be deemed to exist upon (a) a good faith finding by us that (i) Dr. Shapiro has engaged in material dishonesty, willful misconduct or gross negligence, (ii) Dr. Shapiro has materially breached the employment agreement, or (iii) Dr. Shapiro has breached or threatened to breach his invention, non-disclosure and non-solicitation agreement, and has failed to cure such conduct or breach within 30 days after his receipt of written notice from us, or (b) Dr. Shapiro's conviction or entry of nolo contendere to any crime involving moral turpitude, fraud or embezzlement, or any felony. Under Dr. Shapiro's employment agreement, "good reason" is defined as a material change in duties, position, responsibilities or reporting requirements, a relocation of Dr. Shapiro's place of employment by more than 50 miles from his principal residence or place of employment immediately prior to such change or our material breach of the employment agreement.

**Barbara Duncan.** On May 14, 2013, we entered into an amended and restated employment agreement with Ms. Duncan, our Chief Financial Officer, which was amended on April 12, 2013. Ms. Duncan's employment agreement provides for an initial term of one year with automatic renewal each year thereafter unless terminated by either us or Ms. Duncan. Ms. Duncan's base salary, effective as of April 1, 2013, was set at \$335,000 per year, subject to annual review and increase (but not decrease), as determined by our board of directors or the compensation committee. During 2012 and prior to April 1, 2013, Ms. Duncan's base salary was \$323,000. Effective April 1, 2014, Ms. Duncan's salary was \$385,000.

Ms. Duncan is also eligible to receive an annual bonus payment of up to 35% of her annual base salary, based on achievement of certain performance milestones identified by our board of directors in consultation with Ms. Duncan and our chief executive officer. For fiscal 2012, Ms. Duncan's bonus target was 25% of base salary. For fiscal 2014, Ms. Duncan's bonus target is 40% of base salary. For fiscal 2013 and 2012, Ms. Duncan's target-based bonus reflected the achievement of 150% and 131%, respectively, of corporate and individual goals. Ms. Duncan also received a special bonus in addition to the target-based bonus for both 2013 and 2012.

Ms. Duncan is also eligible to participate in our group benefits programs, including but not limited to medical, disability and life insurance, vacation and retirement plans, and a 401(k) plan sponsored by us. We have agreed to pay 100% of the health insurance premiums of Ms. Duncan and her spouse and children, so long as they are not covered by the policy of her spouse's employer.

In the event we do not renew Ms. Duncan's employment at the end of the employment term, Ms. Duncan is terminated by us without cause, as defined in the employment agreement, or she resigns with good reason, as defined in the employment agreement, Ms. Duncan will be entitled to receive (i) 12 months of her base salary payable according to our company's payroll and (ii) continuation of her participation in our group health and/or dental plan and the payment of her premiums for 12 months (or the cost of COBRA coverage for such period) for Ms. Duncan and her dependents covered under our group health and/or dental plan prior to termination. In the event that Ms. Duncan does not renew her employment at the end of the employment term, is terminated for cause, or is terminated due to her death or disability or she terminates her employment without good reason, Ms. Duncan will not be entitled to any severance benefits unless mutually agreed upon in writing.

If we do not renew Ms. Duncan's employment at the end of the employment term, Ms. Duncan is terminated by us without cause or Ms. Duncan resigns with good reason, all of Ms. Duncan's equity awards and stock options that would have vested within one year of the termination date will vest immediately and all vested stock options will be exercisable for one year from the effective date of termination. If Ms. Duncan's employment is terminated due to disability, all unvested equity awards and stock options will be forfeited and she will be able to exercise her vested options for one year from the date of termination. In the event that Ms. Duncan is terminated for cause or she terminates her employment without good reason, all unvested equity awards and stock options granted will immediately be forfeited.

In the event of the termination of Ms. Duncan's employment in anticipation of, and/or within 12 months following, a change in control (i) by us because we do not renew Ms. Duncan's employment at the end of the employment term, (ii) by us for any reason other than for cause or (iii) by Ms. Duncan for good reason, Ms. Duncan will be entitled to receive (a) an amount equal to 12 months of her then-current monthly base salary payable as a single lump sum and (b) continuation of her participation in our group health and/or dental plan and the payment of her premiums for 12 months (or the cost of COBRA coverage for such period) for Ms. Duncan, her spouse and any dependents covered under our group health and/or dental plan prior to termination. In such instances of termination, all of Ms. Duncan's unvested equity awards and stock options granted will immediately become fully vested and all of her vested stock options will be exercisable for a period of one year following the effective date of termination. This provision in Ms. Duncan's employment agreement relating to the vesting of equity awards upon a change of control is in addition to the provisions contained in our equity incentive plans governing the vesting of equity awards upon a change of control.

Receipt of the severance benefits described above is conditioned upon Ms. Duncan entering into a release of claims with us and the release becoming effective and irrevocable within 60 days after termination. Ms. Duncan has acknowledged and agreed that the timing of payments may be modified by us to comply with Section 409A of the Code.

To the extent that we are required to implement a clawback policy for the incentive compensation paid to Ms. Duncan based on erroneous data contained in an accounting statement pursuant to Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, Ms. Duncan's employment agreement contemplates that the terms of such policy will be incorporated into her employment agreement, provided that such policy applies to the other executive officers of our company.

Under Ms. Duncan’s employment agreement, “cause” for termination shall be deemed to exist upon (a) a good faith finding by us that (i) Ms. Duncan has engaged in material dishonesty, willful misconduct or gross negligence, (ii) Ms. Duncan has materially breached the employment agreement, or (iii) Ms. Duncan has breached or threatened to breach her invention, non-disclosure and non-solicitation agreement, and has failed to cure such conduct or breach within 30 days after her receipt of written notice from us, or (b) Ms. Duncan’s conviction or entry of nolo contendere to any crime involving moral turpitude, fraud or embezzlement, or any felony. Under Ms. Duncan’s employment agreement, “good reason” is defined as a material diminution in duties, position, responsibilities or reporting requirements, relocation of Ms. Duncan’s place of employment by more than 50 miles from her principal residence or place of employment immediately prior to such relocation or a material breach of the employment agreement by us.

Dr. Pruzanski is a party to a non-competition and non-solicitation agreement with us, dated as of June 20, 2006, which prevents him from competing with us or soliciting our employees or independent contractors during his employment and for a one-year period thereafter. In addition, each of our named executive officers has also entered into a standard form agreement with respect to confidential information, non-solicitation and assignment of inventions. Among other things, this agreement obligates each named executive officer to refrain from disclosing any of our proprietary information received during the course of employment and soliciting our employees and to assign to us any inventions conceived or developed during the course of employment.

- (1) Each restricted stock unit, or RSU, represents the contingent right to receive one share of common stock upon vesting of the unit. All RSUs were granted under the 2012 Equity Incentive Plan, or 2012 Plan.  
 Computed in accordance with SEC rules as the number of unvested RSUs multiplied by the closing market price of our common stock at the end of the 2013 fiscal year, which was \$68.28 on December 31, 2013 (the last business day of the 2013 fiscal year). This amount does not represent our accounting expense for these awards during the year and does not correspond to the actual cash value that may be recognized. The actual value (if any) to be realized by the officer depends on whether the RSUs vest and the future performance of our common stock.
- (2) Options vest monthly through December 31, 2014, subject to the terms and conditions of the award and the 2003 Stock Incentive Plan, or 2003 Plan.
- (3) Options vest monthly through January 1, 2016, subject to the terms and conditions of the award and the 2012 Plan. 25% of the shares underlying this option vested on January 1, 2014, and the remainder of the shares originally underlying this option vest pro rata on a monthly basis through January 1, 2017, subject to the terms and conditions of the award and the 2012 Plan.

### **Risk Considerations in Our Compensation Program**

Our compensation committee has reviewed and evaluated the philosophy and standards on which our compensation plans have been developed and implemented across our company. It is our belief that our compensation programs do not encourage inappropriate actions or risk taking by our executive officers. We do not believe that any risks arising from our employee compensation policies and practices are reasonably likely to have a material adverse effect on our company. In addition, we do not believe that the mix and design of the components of our executive compensation program encourage management to assume excessive risks.

In addition to the director and executive officer compensation arrangements discussed above in “Executive and Director Compensation,” since January 1, 2013, we have engaged in the following transactions in which the amount involved exceeded \$120,000 and in which any director, executive officer or holder of more than 5% of our voting securities, whom we refer to as our principal stockholders, or affiliates or immediate family members of our directors, executive officers and principal stockholders, had or will have a material interest. We believe that all of these transactions were on terms as favorable as could have been obtained from unrelated third parties.

Some of our directors are affiliated with our principal stockholders as indicated in the table below:

<b>Director</b>	<b>Affiliation with Principal Stockholder</b>
Lorenzo Tallarigo, M.D	Dr. Tallarigo is the chief executive officer of Genextra S.p.A., which is one of our principal stockholders.

### **Indemnification Agreements**

We have entered into indemnification agreements with each of our directors and officers. The indemnification agreements and our restated certificate of incorporation and restated by-laws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

### **Policy for Approval of Related Person Transactions**

Pursuant to the written charter of our audit committee, the audit committee is responsible for reviewing and approving, prior to our entry into any such transaction, all transactions in which we are a participant and in which any parties related to us, including our executive officers, our directors, beneficial owners of more than 5% of our

securities, immediate family members of the foregoing persons and any other persons whom our board of directors determines may be considered related parties under Item 404 of Regulation S-K, has or will have a direct or indirect material interest.

In reviewing and approving such transactions, the audit committee shall obtain, or shall direct our management to obtain on its behalf, all information that the committee believes to be relevant and important to a review of the transaction prior to its approval. Following receipt of the necessary information, a discussion shall be held of the relevant factors if deemed to be necessary by the committee prior to approval. If a discussion is not deemed to be necessary, approval may be given by written consent of the committee. This approval authority may also be delegated to the chair of the audit committee in some circumstances. No related party transaction shall be entered into prior to the completion of these procedures.

The audit committee or its chair, as the case may be, shall approve only those related party transactions that are determined to be in, or not inconsistent with, the best interests of us and our stockholders, taking into account all available facts and circumstances as the committee or the chair determines in good faith to be necessary in accordance with principles of Delaware law generally applicable to directors of a Delaware corporation. These facts and circumstances will typically include, but not be limited to, the benefits of the transaction to us; the impact on a director's independence in the event the related party is a director, an immediate family member of a director or an entity in which a director is a partner, stockholder or executive officer; the availability of other sources for comparable products or services; the terms of the transaction; and the terms of comparable transactions that would be available to unrelated third parties or to employees generally. No member of the audit committee shall participate in any review, consideration or approval of any related party transaction with respect to which the member or any of his or her immediate family members has an interest.

#### **Item 14. Principal Accountant Fees and Services**

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our annual financial statements for the years ended December 31, 2013 and December 31, 2012, and fees billed for other services rendered by KPMG LLP during those periods.

(in thousands)	2013	2012
Audit fees	\$355	\$613
Audit related fees	—	—
Tax fees	23	—
All other fees	—	—
Total	\$378	\$613

### **Auditor Independence**

The audit committee has determined that the provision of services rendered above is compatible with maintaining KPMG LLP's independence. All audit related, tax and other services are required to be pre-approved by the audit committee.

### **Policy on Audit Committee Pre-Approval of Audit and Permissible Non-audit Services of Independent Public Accountant**

Consistent with SEC policies regarding auditor independence, the audit committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the audit committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent registered public accounting firm.

Prior to engagement of an independent registered public accounting firm for the following year's audit, management submits an aggregate of services expected to be rendered during that year for each of four categories of services to the audit committee for approval.

1. **Audit** services include audit work performed in the preparation of financial statements, as well as work that generally only an independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and attest services and consultation regarding financial accounting and/or reporting standards.

2. **Audit-Related** services are for assurance and related services that are traditionally performed by an independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.

3. **Tax** services include all services performed by an independent registered public accounting firm's tax personnel except those services specifically related to the audit of the financial statements, and includes fees in the areas of tax compliance, tax planning, and tax advice.

4. **Other Fees** are those associated with services not captured in the other categories. We generally do not request such services from our independent registered public accounting firm.

Prior to engagement, the audit committee pre-approves these services by category of service. The fees are budgeted and the audit committee requires our independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the audit committee requires specific pre-approval before engaging our independent registered public accounting firm.

The audit committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the audit committee at its meetings.

The audit committee regularly evaluates the performance of KPMG LLP. In 2013, our audit committee reviewed KPMG LLP's work relating to our annual and quarterly financial statements.

All fees described in the table above were approved by our audit committee for the fiscal year ended December 31, 2013 and 2012, respectively.
