Item 1.01 Entry into a Material Definitive Agreement.

On August 1, 2014, Propell Technologies Group, Inc. (the “Company”), closed a second round of a private placement offering in which it issued an aggregate of 1,666,666 units at a per unit price of \$0.15, each unit consisting of one share of the Company’s common stock par value \$.001 (the “Common Stock”) and a five year warrant to acquire one half of a share of the Company’s Common Stock at an exercise price of \$0.25 per share, to two accredited investors for aggregate gross cash proceeds of \$250,000 pursuant to separate Securities Purchase Agreements entered into with each investor (the “Purchase Agreements”). The Company intends to use the net proceeds of the financing for working capital and general corporate purposes. The sale was part of a private placement offering in which the Company offered for sale on a “best efforts–all or none” basis up to 3,333,333 units (gross proceeds of \$500,000 and on a “best efforts” basis the remaining 10,000,001 units for a maximum of 13,333,334 units (gross proceeds of \$2,000,000). The Company previously sold 3,503,332 units in the offering (gross proceeds of \$525,499.80). The offering terminates August 10, 2014.

Each investor also entered into a Registration Rights Agreement with the Company under which the Company is obligated to file a registration statement with the Securities and Exchange Commission registering the Common Stock and shares of Common Stock underlying the Warrants within 60 days following the final Closing.

The foregoing descriptions of the Registration Rights Agreement, the Warrants and the Purchase Agreement are qualified in their entirety by reference to the full text of the Registration Rights Agreement, Warrant, and Purchase Agreement were previously filed as part of the Company’s Form 8-K filed with the Securities and Exchange Commission on July 3, 2014.

Item 3.02 Unregistered Sales of Equity Securities.

The shares of Common Stock and Warrants sold in the Offering were not registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(a)(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. The investors are “accredited investors” as such term is defined in Regulation D promulgated under the Securities Act. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such securities contain a legend stating the same.
