EXPLANATORY NOTE

This Amendment No. 1 ("Amendment No. 1") to our Annual Report on Form 20-F for the year ended December 31, 2013, originally filed with the Securities and Exchange Commission on April 25, 2014 (the "2013 Form 20-F"), is being filed for the purpose of correcting a clerical error contained in "Item 15. Controls and Procedures—Disclosure Controls and Procedures" of the 2013 Form 20-F to clarify that our management evaluated the effectiveness of our disclosure controls and procedures as of the end of the period covered by the report.

Other than as required to reflect the amendment discussed above, this Amendment No. 1 does not, and does not purport to, amend, update or restate any other information in the 2013 Form 20-F, or reflect any events that have occurred after the filing of the 2013 Form 20-F. Our 2013 Form 20-F, as amended by this Amendment No. 1, continues to speak as of the initial filing date of the 2013 Form 20-F.

ITEM 15. CONTROLS AND PROCEDURES

Disclosure Controls and Procedures

We maintain disclosure controls and procedures designed to provide reasonable assurance that information required to be disclosed in reports filed under the Exchange Act is recorded, processed, summarized and reported within the specified time periods and accumulated and communicated to our management, including our chief executive officer and chief financial officer, as appropriate to allow timely decisions regarding required disclosure.

Our management, including our chief executive officer and chief financial officer, evaluated the effectiveness of our disclosure controls and procedures, as defined in Rules 13a-15(e) or 15d-15(e) promulgated under the Exchange Act, at December 31, 2013. Based on that evaluation, our chief executive officer and chief financial officer concluded that our disclosure controls and procedures required by paragraph (b) of Rules 13a-15(b) or 15d-15(b) were effective as of December 31, 2013.

Management's Annual Report on Internal Control over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as defined in Rule 13a-15(f) under the Exchange Act. This system is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with U.S. GAAP.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect all misstatements. In addition, projections of any evaluation of effectiveness of our internal control over financial reporting to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

Our management performed an assessment of the effectiveness of our internal control over financial reporting at December 31, 2013, as required by Rule 13a-15(c) of the Exchange Act, based on criteria established in the framework in "Internal Control-Integrated Framework (1992)" issued by the Committee of Sponsoring Organizations of the Treadway Commission. The objective of this assessment was to determine whether our internal control over financial reporting was effective at December 31, 2013. Based on this evaluation, our management has concluded that our internal control over financial reporting was effective as of December 31, 2013.

Attestation Report of the Registered Public Accounting Firm

Our independent registered public accounting firm, Deloitte Touche Tohmatsu Certified Public Accountants LLP, formerly known as Deloitte Touche Tohmatsu CPA Ltd., who has also audited our consolidated financial statements for the year ended December 31, 2013, has audited the effectiveness of our internal control over financial reporting as of December 31, 2013, as stated in its report, which appears on page F-3 of this annual report on Form 20-F.

Changes in Internal Control over Financial Reporting

There have not been any changes in our internal control over financial reporting that occurred during the year ended December 31, 2013 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
