**Result of General Shareholders Meeting for the Fiscal Year of 2004**

On March 11, 2005, SK Telecom Co., Ltd. ( SK Telecom ) held the general shareholders meeting for the fiscal year of 2004 and all of the four agenda as listed below were approved as originally proposed.

1. Approval of the 2004 financial statements
2. Amendment of Articles of Incorporation
3. Approval of limit on remuneration for Directors
4. Election of members of Board of Directors

For each details of originally proposed agenda, please see Agenda for General Shareholders Meeting for the Fiscal Year 2004 , which was disclosed on March 24, 2005.

**Details of Agenda**

SK Telecom released additional details on some of the above agenda on its Web site after the general shareholders meeting as follows:

***The 2004 Financial Statements (Including Cash Dividend)***

SK Telecom s annual financial statements for 2004 were approved at the general shareholders meeting for the fiscal year of 2004. SK Telecom s revenue and net income for 2004 fiscal year recorded KRW 9.7 trillion and KRW 1.5 trillion, respectively.

SK Telecom has been raising its regular dividend payout year after year since 2001, and declared a dividend of KRW9,300 per share for 2004, which includes the special dividend, scheduled to be offered in April 2005. As a result, the total cash dividend for 2004, including the interim dividend paid in August 2004, amounts to KRW10,300 per share. The 2005 regular dividend payout ratio for SK Telecom is set at 35%, or 10% higher than that of 2004.

***Amendment of Articles of Incorporation***

As part of SK Telecom s efforts to improve its corporate governance policies, SK Telecom s shareholders approved an amendment to SK Telecom s Articles of Incorporation increasing the number of Outside Directors. After giving effect to the amendments, a majority of the Directors serving on SK Telecom s Board of Directors are required to be Outside Directors. These amendments are expected to further strengthen the management of the Board of Directors and protect shareholders interests.

By increasing the number of Outside Directors from 4 to 7, SK Telecom is expected to be able to appoint or elect a sufficient number of Outside Directors to effectively appoint independent members to 4 subcommittees: outside director recommendation committee, audit committee, CapEx review committee and compensation review committee. SK Telecom s goal is to maintain a board with duties beyond the usual role of checking and balancing the exercise of power within the company.
