Notice of Revision of Planned Year-End Dividend
For the Fiscal Year Ending March 31, 2009

Sony Corporation (the “Company”) has revised its planned year-end dividend for the fiscal year ending March 31, 2009.

I. The reason for the revision

On January 22, 2009, the Company announced a downward revision of the Company’s consolidated results forecast for the fiscal year ending March 31, 2009, in light of the deterioration of the global business environment. As a result, the Company has decided to reduce the planned amount of the year-end dividend for the fiscal year ending March 31, 2009 to ¥12.5 per share, the same amount paid in the previous fiscal year, from ¥20 per share, the originally planned amount.

The year-end dividend is scheduled to be finally determined by the Board of Directors in May 2009 and is scheduled to be paid in June 2009 subject to such determination.

II. Details of revision
