PROXY STATEMENT

TO THE SHAREHOLDERS OF TRI-VALLEY CORPORATION:

GENERAL INFORMATION ABOUT THE SHAREHOLDERS' MEETING

The only items of business which management intends to present at the meeting are listed in the Notice of Annual Meeting of Shareholders. This proxy statement provides details about the meeting.

The enclosed proxy material relating to Tri-Valley Corporation from our Board of Directors is sent to you as the direct or beneficial owner of our common stock, with our sincere request that you give those materials your prompt and thorough consideration. Your vote at the annual meeting is important to Tri-Valley.

The board of directors of Tri-Valley Corporation hereby solicits your proxy (on the enclosed proxy form) for use at our Annual Meeting of Shareholders to be held October 4, 2008, at 10:00 A.M. (local time) at Fess Parker's Doubletree Resort, 633 East Cabrillo Boulevard, Santa Barbara, California 93103.

By returning your signed proxy, you authorize management to vote your shares as you indicate on these items of business and to vote your shares in accordance with management's best judgment in response to proposals initiated by others at the meeting. Unless you are planning to attend the meeting, your vote must be received by 11:59 pm Pacific Daylight Time, on October 3, 2008.

Our administrative office is located at 4550 California Avenue, Suite 600, Bakersfield, California 93309. The approximate date on which this proxy statement and proxy will first be sent to the shareholders is August 13, 2007. The costs of this proxy notification will be paid by the company and are estimated to be approximately \$9,500. A professional proxy solicitor has not been engaged.

If you are unable to attend this meeting, we request that you return the enclosed proxy form, properly executed, in order that your shares will be represented and voted at the meeting.

Changing or Revoking Your Proxy Vote

You may revoke your signed proxy at any time before it is exercised at the annual meeting. You may do this by advising our secretary in writing of your desire to revoke your proxy, or by submitting a duly executed proxy bearing a later date. We will honor the proxy card with the latest date. You may also revoke your proxy by attending the annual meeting and indicating that you wish to vote in person.

Who May Vote

As of July 11, 2008, 27,012,589 shares of our common stock were outstanding. Each share is entitled to one vote per director in the election of directors and one vote in all other matters to be voted upon at the meeting. **Shareholders of record as of the close of business at 5:00 P.M. on Wednesday, August 6, 2008, are the only persons entitled to vote at this meeting.**

Voting in Person

Although we encourage you to complete and return your proxy to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person.

How Your Votes Are Counted

We will hold the annual meeting if holders of not less than one-half the outstanding shares are present either in person or by proxy. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the matters listed on the proxy card.

The vote of a plurality of the shares present at the meeting, in person or by proxy, is necessary to elect directors.

Voting by Street Name Holders

If your shares are held in a brokerage account or by another nominee, you are considered the “beneficial owner” of shares held in “street name,” and these proxy materials are being forwarded to you by your broker or nominee (the “record holder”) along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your record holder by 11:59 pm on October 3, 2008, the record holder will be entitled to vote your shares in its discretion on Proposal 1 (Election of Directors), but will not be able to vote your shares on the second proposal, and your shares will be considered a “broker non-vote” on that proposal.

As the beneficial owner of shares, you are invited to attend the annual meeting. Please note, however, that if you are a beneficial owner, you may not vote your shares in person at the meeting unless you obtain a “legal proxy” from the record holder that holds your shares.

ABSTAINING IS THE SAME AS VOTING “NO”

If you mark "Abstain" with respect to any proposal on your proxy, your shares will be counted in the number of votes cast. **However, a vote to "Abstain" has the same effect as voting no. Management requests that you vote either "For" or "Against" on each proposal to come before the meeting.** If a broker or other nominee holding shares for a beneficial owner does not vote on a proposal, the shares will not be counted in the number of votes cast.

4

A "broker non-vote" occurs when your broker submits a proxy for your shares but does not indicate a vote for a particular proposal because the broker does not have authority to vote on that proposal and has not received voting instructions from you. "Broker non-votes" are not counted as votes against the proposal in question or as abstentions, nor are they counted to determine the number of votes present for the particular proposal.

ITEMS OF BUSINESS

The Board of Directors currently consists of eight (8) members. Each director serves for a term of one (1) year. Eight (8) director positions are up for election at the meeting. All eight of the currently serving directors have been nominated for re-election. Seven of the currently serving directors were elected by the shareholders at the 2007 annual meeting and the Board has appointed James S. Mayer, 51, of Newton, Pennsylvania to fill the vacancy created by the retirement of Mr. Carlson. Mr. Mayer is on management's slate in this proxy statement.

Voting

The eight nominees receiving the highest number of votes will be elected. Proxies solicited by the board of directors will be voted in favor of each nominee unless shareholders specify otherwise in their proxies. Should any of the nominees become unavailable at the time of the meeting to accept nomination or election as a director, the proxy holders named in the enclosed proxy will vote for substitute nominees at their discretion. Votes withheld for a nominee will not be counted. Our articles of incorporation do not provide for cumulative voting in elections for director, and cumulative voting for directors will not be permitted at the annual meeting.

The Board of Directors unanimously recommends a vote FOR the election of each of the following eight nominees for director.

Each director must be elected by a plurality vote of the shares represented at the meeting.

Nominees for the Board of Directors

Each nominee for director was unanimously nominated by the Nominating and Corporate Governance Committee and by the Board of Directors, including all of the independent directors.

The following pages describe the nominees for director, including their principal occupations for the past five years, certain other directorships, age, length of service as a Tri-Valley director, membership on committees, attendance at Board and committee meetings, and ownership of our stock. Each nominee has agreed to be named in this proxy statement and to serve as a director if elected. The ages listed are as of July 11, 2008.

Executive Compensation

Compensation Discussion and Analysis

The core mission of Tri-Valley Corporation is to *increase the value and liquidity of Tri-Valley stock and build the wealth of our investors*. To fulfill this mission, we have developed a tightly defined business strategy. This strategy is to identify, obtain, and exploit exploration projects of exceptional size where exploration, discovery, and operational success can substantially grow the intrinsic value of the company and market value of its stock.

Tri Valley strives to incorporate a "team" approach in order to achieve strong operating and financial results. Consistent with this approach, Tri-Valley maintains a policy of executive compensation commensurate with the long-term risk-value assumed by our investors and shareholders. Consequently, Tri-Valley's Chief Executive Officer compensation is structured as a base cash compensation that is recognized to be below peer corporate levels, coupled with stock options which may result in competitive to above competitive levels at some future date, depending on the market performance of TIV's stock.

Edgar Filing: TRI VALLEY CORP - Form DEF 14A

The philosophy of low base salary coupled with options has now been implemented in the recruitment of executives at the Vice President level of Tri-Valley and its subsidiary companies. This approach has proved successful in attracting key individuals with major industry experience who share the Company long-term shareholder value philosophy and performance motivation. Given the competitive market within our industry for human resources necessary to support our ventures, equity options are now being used to secure key staff and operating personnel within the organization as a means to offset lower base compensation.

Executive Compensation Analysis

Tri-Valley Corporation compares its executive salaries to six peer corporations used by market analysts as a basis of comparing Tri-Valley operations. The comparison group has market capitalization of \$179 million to \$210 million. All six of the peer companies are in the oil exploration and production industry. The six companies used in the peer analysis are: Gasco Energy; Panhandle Oil & Gas; Prime Energy; CanArgo Energy; Meridian Resource Corp.; and Double Eagle.

The following chart shows the comparison of Tri-Valley executive compensation to the peer group average:

2006 President/CEO Comparison

TIV to Peer Group Average

	Tri-Valley Corporation	Industry Peer Group Average
President/CEO		
Base Salary	\$159,000	\$306,000
Bonus	0	\$644,000
Stock/Options	\$ 47,000	\$194,000
Other Comp.	\$ 5,000	\$127,000
TOTAL	\$211,000	\$1,078,000
Vice President Level		
Base Salary	\$131,000	\$206,000
Bonus	0	\$303,000
Stock/Options	0	\$147,000
Other Comp.	\$ 4,000	\$ 16,000
TOTAL	\$135,000	\$620,000

Tri-Valley base line executive compensation is approximately 20% of industry average for President/CEO, and, 22% of industry average for Vice Presidents.

These results assure shareholders that Tri-Valley Corporation does not engage in excessive executive compensation. It is further assurance that our executives, like our shareholders, accept compensation based upon the long-term performance of TIV to ultimately provide the rewards tomorrow that would in other organizations be received today.

Section 162(m). The Company believes that all compensation paid or payable to its executive officers covered under Section 162(m) of the Internal Revenue Code will qualify for deductibility under such Section.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the foregoing Compensation Discussion and Analysis with management, and based on such review and discussion, it has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Annual Report on Form 10-K.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and non-audit services provided by the independent auditors prior to the engagement of the independent auditors with respect to such services. The Chairman must report all such pre-approvals to the entire Audit Committee at the next committee meeting.

OTHER INFORMATION

Outside Auditors

Under rules promulgated under the Sarbanes-Oxley Act of 2002, shareholders no longer ratify the selection of our outside auditing firm, which is now selected by the audit committee of the Board of Directors. Our financial statements for the years ended December 31, 2007 and 2006, have been audited by Brown Armstrong Accountancy Corporation. A representative of the independent accountants will attend the meeting, have the opportunity to make a statement if they desire to do so, and be available to answer questions.

Annual Report

Our Annual Report on Form 10-K for the year ended December 31, 2007, which contains our audited financial statements dated December 31, 2007 and 2006, was mailed previously to shareholders.

Section 16(a) Beneficial Ownership Reporting Requirement

Section 16(a) of the Securities Exchange Act of 1934 and Securities and Exchange Commission regulations require our directors, certain officers, and greater than 10 percent shareholders to file reports of ownership and changes in ownership with the SEC and to furnish us with copies of all such reports they file. Based solely upon a review of the copies of the forms furnished to us, or written representations from certain reporting persons that no reports were required, we believe that no person failed to file required reports on a timely basis during or in respect of 2007.
