NOTES TO FINANCIAL STATEMENTS AUGUST 31, 2005

NOTE A - BASIS OF PRESENTATION

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB and item 310(b) of Regulation S-B. Accordingly, they do not include all the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. For further information, refer to the financial statements and footnotes thereto included in the E and S Holdings, Inc. Form 10-KSB filing for the year ended May 31, 2005.

NOTE B - DEVELOPMENT STAGE COMPANY

E and S Holdings, Inc. (a Nevada corporation) has been in the development stage since its formation on June 20, 2001. It is primarily engaged in the development and marketing of new products on which it holds the patent. Realization of a major portion of its assets is dependent upon the Company's ability to successfully develop and market the patent, meet its future financing requirements, and the success of future operations. These factors raise substantial doubt about the Company's ability to continue as a going concern.

5

ITEM 2 - MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

E & S Holdings (E & S) is a developmental stage company that has received revenues of approximately \$1,549 during the three-month period ending August 31, 2005. E & S has received no significant revenues since its inception.

As of August 31, 2005, E & S has cash assets of \$692. However, it also had accounts receivable of \$1,169 and inventory of \$23,292. Because the liquid assets of the company are low, management is contemplating increasing needed capital through a private offering of additional shares, although no definite plans have been formulated at this time. E & S continues to receive small orders for its Portable Pipe Vise. In order to promote additional sales, management has continued to do direct mailing as funds permit. E & S has previously secured the services of seven independent sales representatives in various parts of the United States to promote the sale of its Portable Pipe Vise. Unfortunately, management efforts to obtain dealers/representatives have not produced any substantial sales. Management has notified its representatives that unless the representatives commence producing orders for E & S, their contracts will not be renewed. Management has altered its marketing strategy and now is emphasizing direct sales to large retail outlets and direct sales through its website, WWW.PORTABLEPIPEVISE.COM. These moves have been initiated to reduce costs of sales. The Portable Pipe Vise is currently placed in the catalog of a nationally recognized tool retailer and in the Black Book of Tools catalog.

Management is attempting to focus on specific industries in which the Portable Pipe Vise would be most useful. Therefore, its first marketing effort is focused toward the welding equipment suppliers. Its second round of direct marketing will focus on plumbing suppliers and retailers of heating, ventilating and air conditioning supplies. Management intends to increase its marketing efforts at such time as additional funds are made available through sales of the product.

Edgar Filing: E & S HOLDINGS INC - Form 10QSB/A

E & S continues in its efforts to list the shares of E & S on the OTC Bulletin Board. It is currently consulting with a new broker/dealer in order to establish a market and obtain clearance from NASD for trading.

Over the last three months, E & S has sustained operating losses in the amount of \$13,465. Of this amount, \$10,580 involves costs for legal and accounting fees incurred during the last quarter. As of February 28, 2005, E & S has total liabilities of \$79,058.

There are no off balance sheet arrangements involving E & S at this time.

ITEM 3 - CONTROLS AND PROCEDURES

The management of E & S recognize its responsibility for establishing and maintaining adequate internal controls over financial reporting for E & S. Due to the small size of E & S, the company's Chief Executive Officer and Chief Operating Officer is aware of all matters pertaining to the operations of E & S Holdings, Inc and has reviewed all aspects of the financial information included in the company's financial reporting. At the present time, management is of the opinion that the company's internal controls over financial reporting for the past fiscal year is adequate. However, management has identified a material weakness in its procedures in that the small size of management causes a lack of segregation of duties and limits management's ability to recognize potential inadequacies of the internal controls over the financial reporting.
