Item 1.01 Entry into a Material Definitive Agreement.

On November 17, 2004, the Personnel & Compensation Committee (the "Committee") of Delta's Board of Directors granted non-qualified, non-transferable stock option awards to Delta's executive officers, other than Mr. Grinstein, under Delta's 2000 Performance Compensation Plan (the "Plan").

When Mr. Grinstein agreed to serve as Chief Executive Officer, he said he would not accept any incentive compensation awards. Consistent with that decision, no stock options were granted to Mr. Grinstein. In addition, Mr. Grinstein voluntarily relinquished his salary for the first and fourth quarters of 2004.

The stock option awards granted to each of the other executive officers constitute that officer's targeted long-term incentive opportunity for the year. None of the executive officers have received any other stock option award or long-term incentive opportunity in 2004. The Committee does not intend to grant stock options to the executive officers in 2005.

Name	Title	Number of Options	Grant Date	Exercise Price	Expiration Date
Gerald Grinstein	Chief Executive Officer	0	--	--	--
Michael J. Palumbo	Executive Vice President and Chief Financial Officer	330,900	11/17/2004	\$7.01	11/17/2010
Joseph C. Kolshak	Sr. Vice President and Chief of Operations	313,400	11/17/2004	\$7.01	11/17/2010
Lee A. Macenczak	Sr. Vice President and Chief Customer Service Officer	313,400	11/17/2004	\$7.01	11/17/2010
Paul G. Matsen	Sr. Vice President and Chief Marketing Officer	313,400	11/17/2004	\$7.01	11/17/2010
Gregory L. Riggs	Sr. Vice President, General Counsel and Chief Corporate Affairs Officer	313,400	11/17/2004	\$7.01	11/17/2010
James M. Whitehurst	Sr. Vice President and Chief Network and Planning Officer	296,700	11/17/2004	\$7.01	11/17/2010

The stock options become exercisable in three equal installments on the first, second and third anniversaries of the grant date, and expire at the close of business on November 17, 2010, the sixth anniversary of the grant date. These terms are identical to the corresponding provisions in the broad-based stock option grants that Delta made to approximately 60,000 employees, excluding the executive officers, on November 11, 2004. The exercise price of the stock options granted to executive officers is \$7.01, compared to \$6.30 for the stock options granted under the broad-based program on November 11, 2004.

If an executive officer's employment with Delta terminates for any reason, other than retirement, disability or death, the officer forfeits his stock options. In the event of retirement, the officer forfeits all stock options not exercisable at the time of retirement.

Each executive officer who received a stock option award has agreed that, during such officer's employment with Delta and for one year thereafter, the officer will not (1) provide certain services to specified U.S. airlines or (2) solicit employees away from Delta.
