INDEPENDENT AUDITORS REPORT

Trustees
Guaranty Bancshares, Inc. Employee
Stock Ownership Plan
(With 401(k) Provisions)
Mt. Pleasant, Texas

We have audited the accompanying statement of net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (With 401(k) Provisions) (Plan) as of December 31, 2002, and the related statement of changes in net assets available for benefits for the year ended December 31, 2002. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements as of December 31, 2001 were audited by other auditors whose report dated May 31, 2002, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with U. S. generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the administrator, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the 2002 financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Guaranty Bancshares, Inc. Employee Stock Ownership Plan (With 401(k) Provisions) as of December 31, 2002, and the changes in net assets available for benefits for the year then ended, in conformity with U. S. generally accepted accounting principles.

Our audit was performed for the purpose of forming an opinion on the basic financial statement taken as a whole. The accompanying supplemental Schedule of Assets Held for Investment Purposes (Schedule I) as of December 31, 2002 and Schedule of Reportable Transactions (Schedule II) for the year ended December 31, 2002 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, are fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

catch-up contributions and their elective deferral limitation for 2002 is \$12,000. Participants may also make eligible rollover contributions.

The Company contributions are made to Guaranty Bancshares, Inc. Stock Fund and are non-participant directed.

VESTING AND PARTICIPATION

Employees hired after January 1, 2001 that are compensated on an hourly basis are not eligible to participate in the Plan, as amended. Employees hired after January 1, 2001 that are not compensated on an hourly basis will become eligible to make elective deferrals on the first day of the month coinciding with or following their date of employment. Prior to 2001, all employees became eligible for participation upon completing one full year of service with at least 1,000 hours of service, as defined by the Plan.
