**Item 1.01 Entry into a Material Definitive Agreement.**

On November 17, 2017, Amyris, Inc. (the “**Company**”) and AB Technologies LLC, a wholly owned subsidiary of the Company (together with the Company, the “**Seller**”), entered into a Quota Purchase Agreement (the “**QPA**”) with DSM Produtos Nutricionais Brasil S.A. (together with its affiliates, “**DSM**”). The Company has a commercial and financial relationship with DSM, an owner of greater than five percent of the Company’s outstanding common stock, as previously reported in the Company’s Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2017, filed with the Securities and Exchange Commission on November 20, 2017 (the “**10-Q**”), which disclosure is incorporated herein by reference.

Pursuant to the QPA, DSM agreed to purchase all of the quotas of capital stock of Amyris Brasil Ltda. (“**AB**”) from the Seller for a price of \$30,650,000, subject to certain adjustments (the “**Purchase Price**”), plus certain additional amounts contingent on future Brazilian tax savings realized by DSM; provided, that the Seller will have a right of first refusal to purchase the existing manufacturing facility owned by AB located in Brotas, Brazil (the “**Brotas 1 Facility**”) in the event that DSM determines to close or significantly reduce production at the Brotas 1 Facility.

In connection with the closing of the transactions contemplated by the QPA (the “**Closing**”), (i) AB will undergo a corporate restructuring (the “**Pre-Closing Restructuring**”) whereby AB will transfer certain assets to SMA Indústria Química Ltda. (“**SMA**”), a subsidiary of AB that will be transferred to the Seller, including (A) the transfer of AB’s assets in Campinas, Brazil to SMA and (B) the execution by AB and SMA of a sublease with respect to land in Brotas, Brazil leased by AB and on which the Company proposes to construct a manufacturing facility (the “**Brotas 2 Facility**”), (ii) DSM will repay certain indebtedness of AB outstanding as of the Closing, which amount will be deducted from the Purchase Price, and (iii) the Company will borrow \$25 million from DSM under a credit agreement (the “**Credit Agreement**”), the proceeds of which will be used to repay all outstanding amounts under the Company’s credit facility with Guanfu Holding Co., Ltd., as further described in Note 5, “Long-term Debt” to the unaudited financial statements contained in the 10-Q.

Pursuant to the QPA, in connection with the Closing, the Seller and DSM expect to enter into the following agreements (the “**Ancillary Agreements**”):

- a transition services agreement, pursuant to which (i) the Company will provide certain services to AB to allow for the operation of the Brotas 1 Facility in the ordinary course of business and (ii) DSM and AB will provide certain services to the Seller in connection with the operation of the Brotas 2 Facility;
- a supply agreement, pursuant to which DSM will supply the Company with certain products manufactured at the Brotas 1 Facility;
- a value sharing agreement, pursuant to which the Company and DSM will share in the margins from sales of certain products to be manufactured and commercialized by DSM using the Company’s intellectual property;
-

a performance agreement, pursuant to which the Company will provide certain research and development services to DSM in exchange for related funding; and  
·the Credit Agreement.

The Closing is subject to several conditions (the “*Closing Conditions*”), including the completion of the Pre-Closing Restructuring, the assignment or transfer of certain contracts and instruments, obtaining certain third party and governmental approvals and consents, and the execution and delivery of the Ancillary Agreements.

Subject to certain exceptions and cure periods, either party may terminate the QPA if (i) a governmental order enjoining the transactions contemplated by the QPA has become final, (ii) the other party has breached any of its representations, warranties or covenants in the QPA that would cause the failure of a Closing Condition, or (iii) the Closing has not occurred by March 31, 2018.

In connection with the entry into the QPA, the Company and DSM entered into a license agreement for certain intellectual property useful in connection with DSM’s purchase of the Brotas 1 Facility, which license agreement will become effective upon the Closing. At the Closing, DSM will pay the Company an upfront license fee of \$27.5 million.

The QPA contains customary terms, provisions, covenants, representations and warranties of the parties. The foregoing description of the QPA and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the QPA, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
